On Monday, July 17, 2023 at approximately 2010 hours, I, Ptl. Thomas #560 responded to 14617 Corridon Ave., for a report of a disturbance between a male and a female. Prior to arrival, dispatch advised the male, Charlie Sherod, stated he was enroute to the police department to file a report. Charlie told dispatch his child's mother, Tiffany Ross, threatened him with a gun and punched him in the mouth, causing his lip to bleed. I went to Corridon Ave., to speak with Tiffany. Tiffany stated she never brandished, reached, nor was a firearm ever in play during the argument. Tiffany stated the argument was over food whether Charlie was going to make quesadilla's or tacos for dinner. Charlie felt Tiffany was getting smart with him and started to pack up his game console, and other belongings. Tiffany had the incident recorded. The video shows Charlie unplugging the living room TV and going upstairs. Once the two were upstairs, Charlie got into Tiffany's face. Tiffany put her handout to create distance from Charlie then went downstairs. At no time was a firearm shown or was Tiffany hitting Charlie. The video had no audio. Charlie never came to the police department, and his cellphone was not working when called. Other officers searched the area for Charlie and could not located him. Tiffany completed a written statement. Tiffany asked about the eviction process, which she was advised how to get an eviction and how residency rights work in the state of Ohio. MWT#560

On the above date and time, I, Ptl. N. Ross #570, responded to the area of 21800 Libby Rd. for a report of a woman being chased by a man with a gun driving a gray Nissan sedan. The initial anonymous caller advised the woman was observed running towards the PNC bank located in Bedford Heights. Bedford Heights was notified to assist with searching the area for the suspect. While officers were in the area, the woman involved, Natalie Turner, called in and advised she was at Sherwood apartments located at 22261 Libby Rd. in the parking lot. I made contact with Natalie and ascertained what happened prior to officer's arrival. Natalie refused to identify the male suspect involved. Natalie stated, while at the Libby Rd. Northfield Rd. intersection and while inside a gray Nissan, she got into an argument with the unidentified suspect due to him spitting on her. Natalie advised she spit on the suspect causing the suspect to brandish a firearm in response. Natalie exited the vehicle and began to run away from the suspect. Natalie was questioned again who the suspect was and again refused. Natalie then requested courtesy ride to Bear Creek apartments in Bedford Heights. Natalie was provided a courtesy ride. No report generated due to lack of victim cooperation. No independent witnesses were identified. No suspects have been identified. NR570.

FEMALE IN LOBBY TO FILE REPORT

On Tuesday, July 18, 2023, at 1138 hours, I, Ptl. Field #573, responded to the Maple Heights Police Department lobby for a complaint of fraud. Upon my arrival, I met with a female, Donna McCully. McCully, reported that she had received an email today from noreply@jfs.ohio.gov asking about her application for unemployment benefits. McCully attempted to call the phone number attached to the email but was unable to speak with a person. McCully immediately put an alert on her social security number and contacted the Ohio Attorney General's Office. McCully was then contacted by her job, Cuyahoga County Sheriff's Office, and stated that they had received the email in regards to her applying for unemployment benefits. McCully stated to them that she had not applied for any benefits. McCully wanted the incident documented. CF573

On 07/19/2023 I spoke with Ben Krawulski who advised on 07/13/2023 around 1900 hours, he was at Lowes at 24500 Miles Rd, Bedford Heights and placed his tan leather wallet in the elastic of his shorts before entering the store. Ben purchased a grill, loaded it into his truck and while on the on ramp to 480W off of Miles, the grill shifted and Ben got out to adjust it. Ben believes this is where he dropped his wallet. Inside, it contained his CCW license, his Driver's License, his Huntington Bank Card, his Medical Insurance card, and \$27 in cash. Ben advised he wished to document the incident so he could get replacement cards for what was lost. Ben was provided the sheet number and advised how to obtain a copy of the sheet. LK558

15100 BRUNSWICK - 574 OUT SPEAKING WITH THE FEMALE

I Ptl. LaVaglio #574 and FTO. Mijangos #551 responded to a suspicious male call. I located the male along with a female between the cementary and fire station #2 on Dunham Road. The male was identified as, Christopher Harris and the female was later identified as 17 year old juvenile, Keasia Cochran (02/28/06). Harris and Cochran stated they were just walking around having a conversation. I advised both Harris and Cochran they could not just walk through other people yards. Harris then left without further incident and Cochran was taken back to her residence at 15100 Brunswick Ave., where she was released to her older sister. I also contacted Cochran's mother and she stated she was on her way home and will talk to Cochran when she arrives. JL#574

I spoke with Michael Kelly, manager, at LNC Auto. Michael stated a 2012 Dodge Durango (OH#JIB8363 VIN#1C4RDJEG3CC125973) was dropped off by Parrece Tucker to get some mechanical work. Michael stated he completed the work but the vehicle was still not drivable. Michael stated Parrece was making payments to pay for the work and had completed the payments. Michael stated that the last time he observed the vehicle was July 2 and noticed it missing July 14. Michael stated he contacted Parrece on 7/18/2023 and advised him of the incident. I spoke with Parrece and he stated that he went to the auto shop on 7/13/2023 to make his final payment. When Parrece arrived he did not observe his vehicle and upon asking where the vehicle was he was informed that the vehicle was moved to another location. Parrece stated he was contacted the following day and told his vehicle was missing. I contacted Karli Scoot who is the registered owner. Karli stated that she was up to date on her payments but while looking at her statement she observed something that stated she still owed money. Karli stated that she would contact her lender to see if they repossessed the vehicle. Karli stated she would call me back and advise me what the lender said. Karli never contacted me back. I attempted to call Karli with no answer. Upon checking with CVD it was determined the vehicle was repossessed. BF572

I spoke with Michelle Alexander who advised she believes her son Malik Howard (DOB 05/25/1992) stole approximately \$2000 of jewelry from her residence on 05/26/2023. Michelle advised she last saw her jewelry on 05/26/2023, and her son Malik was at her residence picking up tables and chairs for a birthday party on Beverly Ave in Maple Heights that same day. Michelle advised there is no video footage from that day available. Michelle also advised she was not interested in completing a list of all the missing jewelry and advised she only wanted the incident document. Michelle also advised me she had no intention of contacting her insurance company over the missing jewelry. Michelle advised the reason she mentioned the incident is because Malik's behavior since then has been concerning her. Michelle advised on 06/19/2023 Malik asked Michelle to baptise him, however later that day he "rolled up on" Michelle and told her that no one cares about her and that no one cares about the jewelry. Since then Michelle states that Mikal has been verbally abusing her. I advised Michelle the incident would be documented and how to obtain a protection order. LK558

I Ptl. LaVaglio #574 and FTO. Mijangos #551 were dispatched to 16203 Maplewood Court in reference to a hit skip report. Upon arrival, I spoke to complainant Alexis Anthony. Anthony stated he parked his vehicle in front of his residence on Eastwood Ave., when he noticed his vehicle had fresh damage on it. Anthony owns a 2007 Kia Sedona with OH-registration of ASTCYR. Prior to calling the police, Anthony had AAA tow his vehicle to Bubbas on Rockside Road and I was unable take pictures at this time. Anthony stated he had damage above the driver side tire along with dents in the front driver side bumper. Anthony did not see any vehicle that struck his vehicle. Anthony stated he has Nationwide Insurance (unknown policy #) and he is going to contact his insurance company. A nearby witness on Maplewood Dr., stated she saw a grey possible Toyota missing a front bumper hit Anthony's vehicle. She stated the driver looked like a light skin Hispanic male and the vehicle frequents the area. She believes the vehicle started with a JM and possibly ended in 1884 or 1284. Flock was checked with negative results at this time. JL#574

I spoke with Britny in reference to the sexual assault reported to Hillcrest Hospital. Britny provided me with a written statement but stated she was not sure if she wants to pursue charges against the male. I advised Britny to contact me before 0700 hours on 7/20/2023. If Britny wishes to pursue charges, a criminal report will be completed. Britny stated her child's fathers family has been harassing her and she believes they have been driving past her home. She stated she wants this information documented for now. At 0535 hours on 7/20/2023 I called Britny and left her a voicemail asking what she decided. HK #553

The caller advised her husband came to her house. When she saw her husband walking toward her house as she was in the garage she approached him. Devon then entered the house locking the door to keep Meaghan out. Meaghan stated Devon took her jewelry box because he accused Meaghan of taking his cell phone. Meaghan got into his van to keep him from taking her jewelry. Devon drove off with Meaghan in the car. She tried to get out as he was driving. Meaghan got out of the car and Devon drove off with her jewelry. Meaghan did not want to pursue charges against Devon she just wanted her jewelry back. There were no physical altercations. Meaghan was just preventing her items from being taken. CWF528

I responded to Lee Rd., at Libby Rd., for a report of a vehicle that was on fire. Upon arrival, I saw the vehicle on fire in the parking lot of Magic and Beauty. I checked the vehicle to see if anyone was inside and the vehicle was unoccupied. The passenger who was in the vehicle stated her brother, Leon Harmon was driving the vehicle and fled the scene because he did not have a driver license. Vehicle owner husband, William Harmon, retrieved belongings from the vehicle after the fire was put out. Kellys arrived on scene and towed the vehicle. Photos of the vehicle and VIN attached to this call sheet. JL #574

I responded to Dunham Tries for a report of an unruly customer. Upon arrival I spoke to customer, Tajhi Thomas. Thomas stated he had tires put on his vehicle OH- registration HXD8151 two weeks ago and noticed there was a lug nut missing on the driver side front tire. He confronted the manager, Rachid Kamal, about it and denied any responsibility. I advised Thomas that this was a civil matter and he stated he will just purchase a lug nut and have another repair shop put it on his vehicle. Both Thomas and Kamal stated nothing was physical. Thomas left without further incident. JL #574

ON JULY 6 SOMEONE CAME UP TO THE HOUSE AND WALKED AWAY, LAST NIGHT SOMEONE DID THE SAME THING. LOOKS LIKE THE SAME PERSON. CALLER IS CONCERNED IT MAY BE THE SAME PERSON AND THEY MAY BE CASING HER HOUSE. SHE HAS RECORDINGS OF BOTH INCIDENTS. THIS HAPPENS BETWEEN 2400-2430
CALLER ALSO HAS A GUN IN THE HOME FOR PROTECTION

Spoke to the caller, she stated that on July 6, 2023, at approximately 0041 hours, a medium skin black male with poofy hair, shorts and a t-shirt came onto her lawn and looked at her front door (in the direction of the Ring doorbell camera). As soon as the male saw the camera, he then ducked into the blind spot on the south end of her property. On July 12, 2023 at approximately 0030 hours, the same male wearing similar clothing, came onto her lawn again, looked at the doorbell camera and then went back off the property. Caller just wanted the incidents documented and was advised that if the male should return to contact Maple Heights Police Dept. CF573

THIS IS CLEVELANDS CRASH PAST WARR CTR RD - CLEVELAND ADVISED

On July 22nd, 2023 at approximately 1510 hours, I, Ptlm. Westfield #554, was radio dispatched to the area of 480 Westbound near Northfield Rd. for an MVA. Upon my arrival, I searched the area and was unable to locate an accident. At 1530 hours, both parties from the accident responded to the Maple Heights Police Department lobby for documentation. Darlene Burks- Harris was operating a blue Toyota Venza bearing Kentucky plates #FOY083. When a silver Chevy Cobalt bearing Ohio license plate #JWZ5627 rear ended her. I spoke with the operator of the Chevy, Nicholas Derrit, who admitted that it was his fault. Both parties exchanged insurance info. Darlene's vehicle sustained scuff marks on the rear end. Nicholas vehicle sustained a broken front left head light. At this time the location of the accident is unknown, however, both parties stated they were traveling westbound on 480.

I spoke to Carlos Aramoro who informed me, Donovan Corlew arrived to his residence at 17005 Maple Heights Blvd. and informed him that the residence was posted on "forsalebyowner.com" for \$99,999.99. Donovan provided a phone number from the person on the website he was allegedly in contact with, Kathy Cambelle. The number provided 1-864-508-7589 comes back to a "Google Number" and is unable to be contacted. Donovan did not transfer any money to the website and only went to the residence to check it out. I advised Carlos and Donovan this information would be documented and to file a report of the scam on the Ohio Attorney General's Office.

"tag" them. When they entered the rear store room, they heard the door open alarm going (the alarm is very low in volume and cannot be heard outside of the
store room) and discovered the rear door was open. When they checked the security cameras, they observed 4 B/M and 1 B/F taking items out of the store
through the rear door. According to the security cameras, this happened on 07-22-23 at approximately 1847 hours. The security cameras do not show the faces
of the subjects involved. At this time, the store is not sure what the subjects took. They wanted it documented at this time. STB514

I spoke to Jade Kapis. Jade stated her step siblings, Echo Rogers, Alexis Diaz, and Storm Diaz threatened her. Jade stated that they have been feuding for a while and she received a message from Echo via instagram, "I'll smack tf out of u..." Jade received another message from Alexis that stated ".. and if I can't get to you I ah get someone to touch you bum ass..." "When Jade ugly ass drop that baby I ah beat her ass too..." Jade further explained that she is currently pregnant and Alexis threatened her and her unborn child. Jade could not provide birthdays for any of the individuals listed above and only could give approximate ages. Jade stated once she could provide further identifying information she would email me the information. I informed Jade this information would be documented at this time, and a criminal incident report would be completed. I attempted to find a positive identification of Echo Rogers and showed a BMV photograph to Jade, and she could not confirm Echo's identity since she has not seen her in a long time. Jade further inquired how to obtain a protection order and was advised to respond to the Cuyahoga County Sheriffs Office to apply for protection orders. Jade was provided with my email address and MHPD non emergency contact information to provide further information when she received it. The photographs of the messages were obtained and added into the Maple

Heights Computer System.

On the above date and time I, Ptl. N. Ross #570, responded to the Maple Heights Police Department lobby for a report of a possible TPO violation. On arrival I spoke with Janel Taylor. Janel stated her son, Jamari Taylor-Tatum, came to her residence while she was at a convention downtown. Janel returned home and saw the screen to her bathroom window was torn. Janel went to the basement of her home and noticed a hammer laying on the ground near some bicycles that were being stored. Janel stated there was a chain securing the bicycles together and the chain had been broken, possibly with the hammer. Janel stated Jamari's bicycle was the only one missing. Janel went on to state that Jamari broke into her house. Jamari is listed as a protected party in a protection order against Janel due to a prior domestic incident and was temporarily living with his father (unidentified). I explained to Janel that Jamari did not break into her residence due to the fact that it is still his primary residence. I further explained to Janel that she needs to follow the conditions of the protection order and that if Jamari is knowingly trying to get her to violate the order, to continue to report it to the appropriate law enforcement agency. Jamari was not at the residence when Janel initially returned home. Janel was provided the CAD number for documentation. NR570

Spoke to caller, Tyonie Leonard, who stated that approximately 1230 hours, she had went over her ex boyfriend's address at 15813 Shirley Ave to pick up property that she had previously bought for him. Upon arriving at the address, her ex boyfriend, Selvin Young, came out and immediately told her to leave multiple times. Leonard told Young that she was not leaving the address without her property. When Leonard continuously refused to leave, Young then "mugged" Leonard to force her off the property (causing Leonard no injuries). Leonard believed that Young should have not "mugged" her even if she was refusing to leave his property. Leonard was advise of trespass laws and advised of how to civilly sue Young for the property through GHMC. CF573

73-WILL COMPLETE

On Sunday, July 23, at approximately 1435 hours, I, Ptl. Field #573, was dispatched to the Maple Heights Police Department lobby for a report of an MVA that occurred on Libby Rd/Granger Rd. At approximately 1345 hours, at an unknown location somewhere on Libby Rd/Granger Rd, Shaun Talley was operating a black 2012 Chevy Silverado bearing OH License Plate JVX3210 while pulling a Uhaul trailer bearing Washington plate #5337VA headed eastbound. When a brown 2016 Honda Accord bearing OH License plate #HWB4270 rear ended the Uhaul trailer. I spoke to the operator of the Honda, James Bufford, who admitted that he was at fault. Both parties exchanged insurance information. The Uhaul trailer sustained no damage and the bumper to the Chevy was partly bent downward. The Honda sustained a dented hood and a cracked bumper/grill. At this time the exact location of the accident is unknown, however both parties stated that they were traveling eastbound on Granger Rd/Libby Rd.

I responded to the Maple Heights station lobby for a report of a harassment

I responded to the Maple Heights station lobby for a report of a harassment complaint. Upon arrival, I spoke to complainant, Palice Gibson. Gibson stated she saw a Morning Maple Hts., Facebook page post that stated she was leaving her five dogs that she owned chained up outside in hot weather. Gibson stated her address was also posted on the page. Gibson stated the post came from a Lisa Novak and fears that people may show up at her residence. Gibson stated she takes care of her dogs and does not abuse them or leave them outside long when the weather is hot. Gibson wanted extra patrols in her area and I advised her to contact the police if anyone trespasses onto her property. Gibson just wanted this documented at this time. JL #574

I spoke with Anita Nichols in the police station lobby. Anita stated that her neighbor George Morrow notified her that he had backed into her vehicle on 7/23/2023 while it was parked on the street. Anita stated that she did not notice it until today. i observed very minimal damage to the rear of the 2017 Lincoln (OH#JBV1733 VIN#3LN6L5E99HR650460). I did observe the rear driver side bumper to have been popped loose from the clips that hold it on. Photographs of the vehicle were taken. I assisted Anita in attempting to snap her bumper back into place. I advosed Anita I would document the incident for her. BF572

I spoke with Ronnie Hawkins Jr who advised he got into a verbal altercation with Jasmeire Owens, the mother of his child, at Valero Gas Station on Granger Rd in Maple Heights. The two drove back in a gray Chevy bearing OH registration KBA5716 and continued arguing. When they got to 14217 Kennerdown, Ronnie advised he was upset and tore the windshield wipers off the vehicle, pulled off the license plate and threw it onto the garage. Ronnie then left the residence and returned on my arrival. Photographs were taken of the vehicle and attached to the sheet. Jasmeire advised she didn't wish to pursue charges against Ronnie and wanted the incident documented. Jasmeire doesn't live at the residence and left for work. Ronnie gathered some belongings and advised he was leaving for

several hours. Both were advised of domestic violence laws. LK558

Internet report sent to MHPD on July 25, 2023

Hello there my name is Delaney Dickason and I am filing a police report on the lady Maria Atanasova she has my camera that cost 1700, one lens alone cost 900 she was suppose to buy this camera from me online and has received her camera and yet I have not received the money for it, which she said she sent. which makes this a stolen item. I have contacted her and she said I need to send her money in order to receive mine. This all happened over messenger. Her address is 5579 dalewood ave maple heights OH 44137. I however live in another state and can't go retrieve my camera. I have all photos of the product in its original state. I would like the camera either returned to me or I would like my money for my camera. Thank you again for hearing my case.

Sincerely Delaney dickason

On July 25, 2023, I, Sgt. C. Faunce #528 responded to 5579 Dalewood Ave. to follow up with this complaint. I spoke with Andraya Allen. Andraya advised she has no knowledge of a camera being delivered and no one lives at the residence by the name Maria Atanasova. I provided that information in an email to Delaney and will attempt to call her on 07/28/2023 to follow up that she filed a police report at her local police department as she does not reside in our jurisdiction.
