I responded to the Maple Heights station lobby for a report of a harassment

I responded to the Maple Heights station lobby for a report of a harassment complaint. Upon arrival, I spoke to complainant, Palice Gibson. Gibson stated she saw a Morning Maple Hts., Facebook page post that stated she was leaving her five dogs that she owned chained up outside in hot weather. Gibson stated her address was also posted on the page. Gibson stated the post came from a Lisa Novak and fears that people may show up at her residence. Gibson stated she takes care of her dogs and does not abuse them or leave them outside long when the weather is hot. Gibson wanted extra patrols in her area and I advised her to contact the police if anyone trespasses onto her property. Gibson just wanted this documented at this time. JL #574

I spoke with Anita Nichols in the police station lobby. Anita stated that her neighbor George Morrow notified her that he had backed into her vehicle on 7/23/2023 while it was parked on the street. Anita stated that she did not notice it until today. I observed very minimal damage to the rear of the 2017 Lincoln (OH#JBV1733 VIN#3LN6L5E99HR650460). I did observe the rear driver side bumper to have been popped loose from the clips that hold it on. Photographs of the vehicle were taken. I assisted Anita in attempting to snap her bumper back into place. I advised Anita I would document the incident for her. BF572

I spoke with Ronnie Hawkins Jr who advised he got into a verbal altercation with Jasmeire Owens, the mother of his child, at Valero Gas Station on Granger Rd in Maple Heights. The two drove back in a gray Chevy bearing OH registration KBA5716 and continued arguing. When they got to 14217 Kennerdown, Ronnie advised he was upset and tore the windshield wipers off the vehicle, pulled off the license plate and threw it onto the garage. Ronnie then left the residence and returned on my arrival. Photographs were taken of the vehicle and attached to the sheet. Jasmeire advised she didn't wish to pursue charges against Ronnie and wanted the incident documented. Jasmeire doesn't live at the residence and left for work. Ronnie gathered some belongings and advised he was leaving for several hours. Both were advised of domestic violence laws. LK558

07/26/2023 03:35:51 5579 DALEWOOD AV THEFT-FREE TEXT 2310165669
Internet report sent to MHPD on July 25, 2023

Hello there my name is Delaney Dickason and I am filing a police report on the lady Maria Atanasova she has my camera that cost 1700, one lens alone cost 900 she was suppose to buy this camera from me online and has received her camera and yet I have not received the money for it, which she said she sent. which makes this a stolen item. I have contacted her and she said I need to send her money in order to receive mine. This all happened over messenger. Her address is 5579 Dalewood ave maple heights OH 44137. I however live in another state and can't go retrieve my camera. I have all photos of the product in its original state. I would like the camera either returned to me or I would like my money for my camera. Thank you again for hearing my case.

Sincerely Delaney Dickason

On July 25, 2023, I, Sgt. C. Faunce #528 responded to 5579 Dalewood Ave. to follow up with this complaint. I spoke with Andraya Allen. Andraya advised she

has no knowledge of a camera being delivered and no one lives at the residence by the name Maria Atanasova. I provided that information in an email to Delaney and will attempt to call her on 07/28/2023 to follow up that she filed a police report at her local police department as she does not reside in our jurisdiction.

N. Ross #570, responded to Stafford Park for a report of a disturbance involving a group of Juveniles. On arrival I observed a group of Juveniles scatter and run off in different directions. No juveniles suspected to have been involved were able to be identified. Upon inspection of the area, A set of bleachers was observed to be turned upside down, multiple picnic tables in pavilion 2 were turned upside down, and a trash can was knocked over. None of the items appeared to be damaged, just moved. The Maple Heights Service Department was notified to restore the area. No suspects have been identified. Ms. Green stated she had moved into the residence with her friend Ms. Kado who had the lease to the residence. Ms. Kado was served a 3 day eviction and moved out on her own. Ms. Green stated she had not moved out of the residence and had actually completed an application to take over the residence after Ms. Kado moved out. Attempting to learn if Ms. Green had actually lived there I asked to see the application, which she did not have the page showing her current address. Her BMV address showed a different address than Corridor. Ms. Green went on to explain that she had been in contact with the landlord, Mr. Singh, to gain access to remove her property. I saw the text messages and every date Mr. Singh provided, Ms. Green stated she was not available. When I contacted Mr. Singh, he informed me to his knowledge, Ms. Green had not lived at the residence. Mr. Singh had also attempted to contact Ms. Kado to verify all of the property was out of the residence. Ms. Kado never did contact Mr. Singh back. With the lack of proof of Ms. Green actually living at the residence and her not willing to meet Mr. Singh, Ms. Green was advised this was a civil matter. STB514

Dispatch advised me they had contacted the landlord, Mr. Singh, who agreed to respond to the property. When officers arrived on scene, Ms. Green was there with her boyfriend. We advised her that we would not assist in breaking into the residence, but Mr. Singh was responding to the residence and we would clear the issue up. When Mr. Singh arrived, he showed me the application Ms. Green had completed. I observed for current address, Ms. Green had listed the

address on her driver's license and not the Corridon address. Mr. Singh agreed to let me enter the residence to check for the male Ms. Green stated was inside. I did locate Garfield Heights Municipal Court paperwork from this year showing Ms. Green's address as the Corridon address. Mr. Singh was explained that this showed Ms. Green did have residence at the address. It was explained to Mr. Singh that he would have to file for eviction against Ms. Green, even though he had not been aware she had been staying at the residence. Mr. Singh and Ms. Green came to an understanding that she could stay in the residence as long as she agreed to move out on 08-03-23. Ms. Green agreed to this and Mr. Singh provided her with a key to the new locks. STB514

514-MALE WAS ADVISED THAT THE OWNER OF THE VEHICLE HAS TO MAKE THE REPORT, HE DID NOT WANT OFFICERS TO CHECK THE APARTMENT, MALE LEFT PRIOR TO OFFICERS BEING ABLE TO TAKE PHOTOS OF THE DAMAGE TO THE VEHICLE

The caller stated he was at 15227 Maple Park, which does not exist. Officers located him in the rear of 15229 Maple Park. I observed the driver's window was shattered. When asked when he had parked the vehicle, he stated yesterday. When officers started to go to check the apartment for the female, he requested that we not tell the female he had called. When asked how the female had gained entry into the apartment, he stated she had broken in. Further questioning determined the female actually lives at the apartment and the male had taken her key from her due to her not paying rent. It was explained that the female had a right to gain entry into the apartment since she lived there. It was also determined that he had not observed who had broken the vehicle window, which is registered to his mother. When I explained, his mother would have to make the report, the male got into the vehicle and drove away before I could take a picture of the damage, obtained any further information or provided him with the CAD number. They informed me the male (later identified as Maud Fisher) had stated he had been in an altercation with a family member. Maud did have a laceration to his mouth and was provided an ice pack since he refused medical treatment or transport. MHFD informed me Maud stated he did not want to make a police report. When I approached the residence, an unidentified female was on the porch. When I informed her I needed to speak to Muad, she went inside and came back outside and informed me Maud did not want to speak to me. The female did provide me with Maud's name. I again stated I needed to speak to him. Maud did come out at this time. When Maud came out, he stated he did not want to make a police report and did not want anything done. While I attempted to gather information, Maud was uncooperative and stated several times he did not want to make a report, did not want to make a statement, and would not provide me with the name of the nephew who hit him. Maud also stated he did not have to provide nephew's name and wanted to be shown the law where it stated he had to provide it. It was explained due to the nature of the call, we needed the information and I would document that he did not want anything done. Maud continued to be uncooperative and refused to provide any information on the nephew or what had happened. While speaking to Maud, I did not observe any evidence of impairment. I later learned when MHFD spoke to Muad, he was also uncooperative with them and would only provide his name with no other information. Due to Maud being uncooperative, refusing to provide information on the nephew and his several statements that he did not want to make a report and that he did not wish to pursue charges, this is for documentation STB514</p>

53- MALE DID NOT MAKE ANY SUICIDAL COMMENTS OT THOUGHTS

On Friday, July 28, 2023, at 0247 hours, I, Ptl. H. Kaur #553, and other Maple Heights Units responded to 14616 Tokay Ave. for a welfare check. Upon arrival, officers located a male, i identified as Thomas M. Noel standing in the driveway of the residence. I observed a serious injury to Thomas's right hand. Thomas stated he was drinking and he was upset. During a alcohol induced rage, Thomas punched several different things inside the garage, including a television screen and glass picture frames. Officers observed droplets of blood all across the garage floor, which led to the front porch where we found Thomas. We asked Thomas if he was suicidal and if he attempted to commit suicide. Thomas denied having any suicidal thoughts. While on scene, we also spoke with Thomas's cousin Carli and his aunt, Karmen Sas. They stated Thomas has "episodes" when he drinks alcohol. They stated he consumed an entire bottle of Vodka tonight, which officers found empty on the garage floor. Carli and Karmen both advised Thomas has previously never mentioned wanting to commit suicide. Carli also showed me text messages between Jennifer, the caller and Thomas. The text from Thomas said "I'm bleeding out." There were no mentions of suicidal attempts or thoughts in the texts. Jennifer was concerned for his welfare and contacted MHPD. Thomas was transported to Marymount Hospital for treatment. HK #553

PARTIES ARE SEPERATED FOR NOW. ONE OF THE PARTIES ACCIDENTALLY LOCKED THE APARTMENT SO THEY ARE NOW BOTH LOCKED OUT

On the above date and time, I, Ptl. N. Ross #570, along with other Maple Heights Police officers, responded to 15229 Maplepark Dr. Apt. 16. for a report of a domestic dispute in progress. On arrival I spoke to the complainant, Jerdell Griffin, who stated his daughter, Cayla Ogletree, was throwing his belongings around the apartment and he wanted her out. I spoke with Cayla who advised she lived there with her father and she did not want to leave. Both parties advised nothing physical occurred on this day. I instructed Cayla to step out of the apartment and into the hallway to speak to additional officers. I continued speaking to Jerdell who stated two days prior, he and Cayla were involved in a physical altercation while at 13805 Beechwood in Cleveland. I then made contact with Cayla and began to ascertain what happened. Cayla advised of the same incident that Jerdell referenced in Cleveland, however, stated it occurred while in the City of Maple Heights. I had CVD contact the Cleveland Police Department (CPD) to verify if there was an incident at the address of 13805 Beechwood. CPD confirmed with CVD of there being an incident at the address. Cayla further stated that Jerdell would sexually abuse her by having her touch his privates and pleasure him by the method of manipulation. Cayla stated the sexual abuse had been occurring since she was 18-years-old. Cayla stated the sexual abuse first occurred while the two were living in Cleveland. Cayla stated the incidents from when she was 18 were reported to the Cleveland Police Department and a Cleveland Detective by the name of Richard Sparks was the one assigned the case. When requested to respond to the station to complete a written statement for the current claims of sexual abuse, Cayla refused and stated she wanted to have support with her prior to completing any statements. As officers were speaking to Cayla, Jerdell exited the apartment and locked himself and Cayla out of the unit. Jerdell left the scene in his vehicle and Cayla remained on scene. Cayla was advised to contact the Maple Heights Police Department when she is ready to complete a statement. NR570

IN THE PD LOBBY

NEEDS TO MAKE A REPORT FOR SOMEONE BREAKING INTO HIS HOUSE. STATES IT HAPPENED MULTIPLE TIMES. LANGUAGE BARRIER

I spoke with Samuel Smith in the police station lobby. Samuel stated that he believes that his house is being broken into. Samuel stated that some of his clothes appear to be missing. I asked Samuel if he has ever noticed a door or window unlocked or left open when he returns from home to which he stated no. Samuel also stated that the windows to his vehicle were rolled down while parked into the garage. Samuel stated that he has Ring security cameras on his property that cover the rear of his residence as well as a doorbell camera that would capture anyone in front of his residence. Samuel allowed me to look at his cameras and on the days that he stated this happened there were no videos recorded on his cameras showing anyone walking onto his property. I advised Samuel to contact the police should he believe anyone to be inside his residence. Samuel stated there are no signs of forced entry on his residence. BF572

I responded to Rite Aid for a report of a shoplifting that just occurred. Upon my arrival, I spoke to manager, Trevonya McClain. McClain stated 6 black male juveniles came into the store asking for condoms. The males then went into the snack isle and stuffed a bunch of snacks in their clothing. The juveniles also stole a big box of condoms. One of the males was wearing a pink hoodie with black pants and shoes. Male #2 was wearing a black shirt with red lettering and red shoes. Male #3 was wearing a white beater with black shorts. Male #4 was wearing a gray hoodie and gray pants. Male #5 was wearing a black hoodie with white lettering. Male #6 was wearing a white t-shirt and black pants. McClain stated male #6 with the white t-shirt set everything down on the counter that he stole prior to leaving. All the males were seen leaving toward Foreman Mills. Responding units checked the area with negative results. McClain stated the approximate value for everything that was taken was \$300. McClain was advised to contact the police department if the males return. JL #574 LK #558

I, Sgt. Frazier responded to the area of Huntington Bank, located at 6134 Dunham Road for a report of a vehicle bearing OH registration JUH6854 (VIN# WVWBN7AN7DE541374). Upon arrival, I observed a black Volkswagen Passat being towed by 3S Towing. The Volkswagen did not have visible damage, however, it is unknown if there is damage to the undercarriage. Upon speaking with the operator, Tiauna Smith, she stated she attempted to pull into the parking lot from Turner Road when she drove over the curb, causing her Volkswagen to become stuck. Tiauna wished to have this documented. DF#540

On the above date and time Maple Heights Police Units were dispatched to the above address for a report of a disturbance. Upon my arrival, I spoke with the caller, Tayveon who stated he and his friend, Jaylyn Edwards had gotten into a physical fight. Small amounts of blood were coming from Tayvion's ear and nose. The incident occurred at 19777 Maple Heights Blvd. Tayveon was cleared by the ambulance staff and once cleared he was arrested on a Felony robbery warrant out of Cuyahoga county. Officers then went to the Maple Heights Blvd address and spoke with Jaylyn who stated the two did get into a mutual fight over \$1 and he also did not wish to pursue charges. I spoke with Jaylyn's mom Jannice who stated she did not want to pursue charges on behalf of her son but did not want Tayveon on the property because he's always causing problems. TV#566

I responded to the Library parking lot for a report a grey Toyota that has been parked there for several weeks. As I was checking the VIN, the owner of the vehicle, James Polk, came to the vehicle. Polk stated the vehicle was broken down and was trying to move the vehicle over the next day or so. I had Polk talk to the caller, Deva Walker. Walker talked to Polk and the two were told to try to find a mutually beneficial arrangement. I advised Walker if the vehicle does not get moved, she will have to contact a tow company due to this vehicle being on private property. JL #574 LK#558

MALE SAID HES SUBLEASING A BUILDING AND HE WENT THERE AND A BUNCH OF BELONGINGS WERE MISSING- HES BEEN GONE A FEW WEEKS. LANGUAGE BARRIER

I responded to the Maple Heights Police Department Lobby for a report of a possible theft. I spoke to complainant, Samoon Kahn. Kahn stated he is sub-leasing Zi & Zo Exotic Cars on Broadway Ave. Kahn has been gone several weeks and when he returned he noticed several items and tools were missing. Kahn stated he was advised by the owner, that the other sub leaser, Sandierra White, was not paying her rent. The owner decided to end the contract with Kahn and White and evict them even though Kahn stated he was current on his payments and had a written contract. Kahn was advised this was a civil matter and to contact small claims court to file a possible claim against the owner. JL #574

I responded to 5154 Miller Ave., for a report of a fight in progress. Dispatch stated the female left in a gray Cadillac north on Miller Ave., toward Raymond Ave. Dispatch stated the male that was attacked has mental health issues.

Upon my arrival, I observed a male identified as, Sherman Manuel, with swelling on his left side of his face. Manuel then fell to the ground and appeared to be disoriented. I contacted EMS to check Manuel out. Manuel stated his roommate, Tyesha Washington's sister, came over and assaulted him. Manuel stated she threw several punches in his face and also kicked him several times in the face. Manuel stated the sister attacked him because she accused Manuel for hitting Washington's juvenile son, Tevin Bridges (09/16/2018 4 years old) on both sides of the face the night before. Manuel claimed it was on accident. Manuel did not know Washington sister's name. The photo of Manuel's swelling is attached to this call sheet.

Washington stated she contacted family members and advised them Manuel assaulted Bridges. Washington was in the restroom and heard a lot of yelling. When Washington came outside, she saw two females leaving. Washington claimed she does not know who the females were or who attacked Manuel. Washington did give the two females Bridges even though Washington claimed she did not know them. I did smell a strong odor of an alcoholic beverage coming from her breath as she was talking to me.

MHFD arrived on scene and transported Manuel to Marymount Hospital. Ptl. Relich from Cleveland Clinic PD called dispatch and stated Manuel's mother, Robin Loftis, was currently at Marymount hospital for an unrelated medical treatment. I attempted to contact Loftis however, she did not answer. I did leave a voicemail for her to contact me regarding this incident.

Washington retrieved her belongings out of the residence and went to 5141 Miller Ave., where she is planning on staying temporary.

Manuel's grandmother advised officers that Loftis was Manuel's legal guardian. A criminal may be generated should Loftis wish to pursue criminal charges.

569 TO COMPLETE.

Spoke to the complainant in reference to a theft that occurred at the residence. She stated she believes her ex-boyfriend gained entry into her residence through an open rear window. The window was not open upon our arrival. She stated her tv remote, playstation remote and her child's social security card were missing. We were unable to determine if any property was missing, as house was in complete disarray. There were no signs of any forced entry, cameras located in the area or other evidence that would support her claim. JL 575 / COB549

While at this home, the caller mentioned that her ex boyfriend placed her dead puppy in a garbage bag. Officers looked in the garbage can outside the home and located a black grocery bag. Inside the bag was a light brown puppy that appeared to have been deceased for less then a day. There was no sign of physical injury, however the puppy appeared very malnourished. Officers then asked to see the other three puppies. The caller allowed officers inside the home. Officers observed the home to be in deplorable conditions. The home had a strong odor of feces and urine and also visible urine and fecal matter throughout. Dirty dishes will flies could also be seen on the floor. Officers then observed three other puppies, all which appeared very malnourished. The puppies appeared to be no older then six weeks old. The puppies appeared to have a hard time walking. The ribs and spine of the puppies appeared to pop out due to being under weight. The caller (Anika Jackson) said the puppies were not starving, they just had worms. Officers observed two bowls, both of which were empty. No food or water could be seen. Jackson then said the puppies had Parvo and were being treated with medicine. When asked to show the medicine, Jackson then said she was just using Pedialyte. Officers then asked where the mother to the puppies was. Jackson said she was stolen three days ago, because she stayed outside. Due to the condition of the home and the apparent condition of the puppies, officers seized the puppies. The puppies were taken to Metropolitan Veterinary Hospital in Highland Hills and were taken in for emergency treatment. Staff tested the puppies for Parvo, which returned negative. They will be placed in the care of another long term facility once ready. Staff observed the puppies, which appeared to be approximately 6 weeks in age, to be "several pounds under weight". This will be forwarded to the Maple Heights Animal Warden.

TRAUMA BAY 14 AT METRO

We spoke to Cleveland Police, badge 2117 at Metro Hospital. He advised the male victim refused to cooperate with officers and would not tell them where he was allegedly shot. He stated he would only talk to Maple Heights officers. Cleveland Officers also advised there were unsure of what may have caused the injury, as it did not appear to be a gunshot wound. Cleveland advised he was picked up on foot near his residence at W.102nd and Madison Rd. when he was transported to Metro. We then spoke to the male in room 62. When asked what happened, he laughed and said "you already know." He stated he was "hit". When asked to clarify what that means, he would not elaborate. I observed the wound on the right side of his head. It appeared to be a minor abrasion, with some swelling. The male was asked several times if he wanted to talk to us and whether or not he sustained his injury in Maple Heights. He stated he did not want to talk to us and refused to give any further information. Due to his lack of cooperation, we are unable to determine where the incident occurred. JL 575 / COB549
