CLEVELAND APL RECEIVED A CALL FOR A PUPPY THAT IS TIED OUT IN THE BACK YARD AT THIS ADDRESS, HAS BEEN FOR MONTHS, AND IS BARKING AS IF IT'S IN DISTRESS.

MALE ISSUED CITE MA34610

On the above date and time, I, Ptl. N. Ross #570, responded to 5210 Henry St. for a report of a dog that was tied to a fence in the back yard "for months". On arrival I attempted to make contact with a resident of the home with no success. I proceeded to the rear of the property and located a young brown Pitbull dog tied to the fence. The dog did not appear to be in distress, however, no food or water was observed near by. While on scene, the resident arrived on scene. The resident, Jermaine Bailey, was advised of the complaint received by the Police Department. Jermaine advised he puts his dog outside in the morning and always leaves it with food and water. I requested proof of registration for his dog and he could not provide it. Jermaine was issued a citation (MA34610) for failure to register his dog. Jermaine was also advised to continue providing an adequate amount of food, water, and shelter to his pet. NR570.

FEMALE GETTING ITEMS AND LEAVING

On July 3rd, 2023 at approximately 1400 hours, I, Pltm. Westfield #554, was radio dispatched to 15412 Rowena Ave. for a report of a domestic. Upon my arrival, I met and spoke with the complainant, George Taber, who advised he and his step daughter, Destyne Olivia Macklin-Robin, engaged in a verbal argument. The altercation transpired when George confronted Destyne about leaving the rear door to the residence opened while the air conditioner is on. George wanted information on how to file for a TPO. Destyne gathered her belongings and left the residence. No physical violence took place.

BEDFORD PD WENT TO PAUL ST AND SHE IS NOT THERE

On 07/03/23 at approximately 2054 hrs, I, Ptl. LaVaglio #574, was dispatched to 15917 Mendota Ave in reference to male being violent with a female. Upon arrival, I spoke to Nyeshell Dawson. Dawson stated that no one called the police and believed it was Ariana White who has been stalking her and causing problems. Dawson stated that her child's father, Derrick James, is dating White. Dawson believes White is out to harm her, because she is upset Dawson and White have a child together. Dawson believes White made the false phone call and stated that James was not even at the house nor was she in a confrontation with James. Dawson stated that White knows her parents live on Mendota and believes White may come there to cause problems. Dawson stated that White drives a White Equinox and resides 1320 Bailey Rd Apt 5 in Cuyahoga Falls. Dawson also stated White's mother resides at 211 Paul St in Bedford and they believed she was at her mother's residence at that time. Sgt. Allen requested Bedford PD check that residence to see if White is there. Bedford PD stated that White was not there. I advised Dawson the steps to obtain a protection order. JL#574

TRANSPORTING MARYMOUNT

I spoke to Monique Magee who advised me that her son, Ronnie Thompson was at the residence after he had moved out approximately a week ago. Monique also explained that Ronnie stated that there were people after him, and after she told him he had to leave he started to yell and argue with her. Monique explained that Ronnie did not threaten her, and only acted manic and upset that he was told to leave. I spoke to Ronnie who informed me that he left for a week and came back. Ronnie did not state that he officially moved out of the residence, and still had a right to be there. I advised Ronnie and Monique that this is a civil matter and they needed to follow up with Garfield Heights Common Pleas Court. Ronnie stated he had not taken his medications and wanted to go to the hospital. Maple Heights Rescue Squad 1 arrived on scene and transported Ronnie to Marymount Hospital for an evaluation. Ptl. Field #573 transported the male Ronnie arrived with to the RTA Southgate Station.

Lee advised that at approximately 1230 hours, he was walking his dog near the address of 15618 Ramage. Lee advised there was a dog out in the yard of that address within a gated area and his dog got close to the fence. The dog in the yard bit Lee's dog in the face near it's mouth area. Lee provided a photograph of his dog's injuries. I attempted to make contact with a resident of 15618 Ramage with no success. Lee advised he would be taking his dog to the vet at a later time and provide a total cost of service. NR570

WAS TRYING TO STEAL IT

On 07/04/2023, while on a separate call for service, I was approached by Kimberly Hooks, who notified me that her vehicle was damaged. Kimberly stated her vehicle, a Kia Sportage OH RP (HXU7598), had a broken rear passenger side window and a peeled steering column that exposed the internal wires. Kimberly stated she arrived at 5075 Arch Street to attend a party in the area around 1959 hours. Kimberly came back to her vehicle at 2200 hours and observed the damage, found me and made a report. I did not observe any camera's on the residence outside to obtain a video of the offense. Kimberly stated she wanted this information documented.

On 07/04/2023, Maple Heights Police Units responded to 5218 Henry Street for a report of a disturbance. Upon arrival, there was not an active disturbance. Sergeant Allen #519 and I spoke to a male, later identified as, Rashaun Carter. Rashaun explained that they were having a party at the residence and his brother's, Ryan Carter, child's mother, Brooke Hodge's male friend (not identified) began to argue with his mother, Niesha Brown. Every person at the residence appeared to be heavily inebriated, and could not give a detailed description of the disturbance, Rashaun explained that the male who they did not know made a fighting gesture and attempted to get inside the residence. Rashaun stepped toward him and passed through Niesha, and the threshold of the door to the exterior of the residence and began to fight with him. Rashaun was bit by the male and sustained a bleeding bite mark on his right thumb and palm area. Rashaun stated he did not want to pursue charges against the other male. Rashaun declined to be examined by a rescue squad. I spoke to Niesha. Niesha stated that she began to argue with Brooke and ordered them to leave the property. Niesha explained that Brooke began to argue with her and allegedly began to physically fight with her. I did not observe any physical injuries on Niesha. Niesha declined to be examined by a rescue squad. Niesha further explained that she had to work in the morning and wanted everyone to leave the residence. Ryan left the residence by brooke's mother who arrived on scene after police unit's arrival. Due to Rashaun being intoxicated, Niesha stated Rashaun was able to remain at the residence and both party's agreed to remain separated for the remainder of the evening.

I spoke with Wesley Spencer who advised that on 06/11/2023, a male known to Wesley as "Deion Jones" came to Warrensville Community Baptist Church and asked him for assistance. "Deion" asked Wesley to cash a check he received for \$379 from Woodforest National Bank. Wesley went to Fifth-Third Bank 16453 Libby Rd to deposit the check. Wesley then withdrew \$379 from his account and gave it to "Deion". Wesley advised the check bounced on 06/21/2023. Wesley continued by stating that "Deion" has since continued to harass several other church employees about cashing other checks. Photos of "Deion" were digitally attached to photos. Scans of the check were digitally attached to documents. I called the number and spoke with "Deion" and advised him of criminal trespass for 5045 Warrensville Center Rd. "Deion" then advised he would not come in to speak with me regarding the incident, and that he has not been at Community Baptist Church. A check of the phone number Wesley provided for "Deion" showed the same phone number used by a Clarence Tyvonny Deon Robinson. Wesley was advised if "Deion" returns, to call police. If further contact with "Deion" or Clarence occurs, a criminal report may be generated. Wesley was advised to contact his bank regarding the check. The checked cashed appeared to be a starter check and did not have any information on it. It was not proven that "Deion" actual wrote the check, however, Wesley admitted to depositing the check himself. LK558

Sharnae Lewis came into the MHPD to file assault charges against her two cousins (REF: 2310144542). Sharnae was advised that after officers reviewed the Southgate cameras, it was obvious that Sharnae engaged in a mutual altercation with her cousins. Sharnae was advised that she would have to fill out a written statement and wait for a prosecutor to rule for the charges, including disorderly conduct charges against her. Sharnae then walked out the PD.

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for an investigation.

Dispatch received a call from an unknown female yelling there needs to be an amber alert because a Sylvia Watson has her child at an unknown address of Lewis Dr. When dispatch began asking more detailed questions such as, a specific house number, who the child was and other questions the unknown caller became hostile and said she would just go handle it herself.

Dispatch looked up Sylvia information through a history search and found that Police had prior history with her at 18508 Lewis Drive. Upon my arrival to the address I was able to speak with Orlando Watson, who stated he lived at the address. Orlando explained that Sylvia is at work but did provide me with a phone number for her. While speaking with Orlando he stated that they have custody of Christian Watson (DOB 07/19/2011) who is the biological son of Angelina Watson. Orlando further explained that Angelina has known to have drug and alcohol problems and it is probable she would call the police.

I then called Sylvia. She stated that Angelina is the biological mother to Christian but she has custody of Christian. Sylvia further stated that she does not want Angelina at her house if she is coming drunk or high.

While at the residence, I was able to speak with Christian and observe him. Christian looked healthy and was not being held against his will. Christian stated that he does not want to talk to his mom when he believes her to be under the influence and has ignored her calls today.

It is still unknown who the original caller is due to her not giving information to dispatch and the callers number going to voice mail when called back. TV#566

On Wednesday, July 5, 2023, at 1840 hours, I, Ptl. H. Kaur #553, responded to 5365 West Blvd. for a Lyft driver making comments that made the caller uncomfortable. I met with the caller, Sadie Jackson at her residence. Sadie stated her Lyft driver, Aimen Minhas, picked her up at the Walmart in Macedonia, located at 8160 Macedonia Common Blvd, Macedonia OH, 44056. (This incident began in Macedonia.) She stated the Lyft driver, began making comments about the US Government and how they are causing so many problems to local citizens. He then made comments about "taking spines out of bodies and crack opening skulls." Sadie stated he did not make any direct threats towards her but she observed him put her home address in his phone GPS. She is afraid the male now has her address. She wants the department to keep an eye out for her residence. I was unable to find a phone number for Aimen. I requested Kent Police Department to go to the listed address. KPD was unable to make contact with the male. I will attempt to make contact again on 7/6/2023 when shift starts. HK #553

FD CHECKED THE MALE OUT AND HE CHECKS OK

Upon our arrival, there was no one laying in the middle of the street. A few minutes later officers located a white male, later identified as Robert Nealon, and two bystanders. The bystanders stated they observed about four male juveniles assaulting Robert. They were unable to give any kind of description or point anyone out that may have been involved and further stated a large group of juveniles had run from the area already. Robert stating that nothing happened to him and he did not know what the bystanders were talking about. Robert was most likely intoxicated as his breath emitted the smell of an alcoholic beverage, was agitated and had somewhat slurred speech. Robert was uncooperative and stand off-ish by trying to get in my face and stare me down. He would not tell anything to officers, but his personal information. He was adamant that nothing happened and would not state where the marks and blood on his face came from. MHFD arrived and spoke with Robert. He stated to them nothing happened and he was fine. He refused any treatment and signed off. Robert walked away as he was still trying to stare officers and firefighters down. COB549

On 07/05/2023, Ptl. Thomas #560, and I, Ptl. F. Colangelo #567, while working on the Neighborhood Impact Unit (NIU) detail, enforcing traffic on Rockside Road near W. Glenn Drive observed a Hyundai Elantra OH RP (JNB4970) travelling eastbound on Rockside Road and made a right hand turn southbound onto W. Glenn Drive. Ptl. Thomas #560 initiated the overhead emergency lights on marked patrol unit 4423 while on W. Glenn Drive just south of Rockside Road, we notified Chagrin Valley Dispatch the location of the traffic stop and exited patrol vehicle 4423. Officers approached the vehicle and spoke to the operator, identified as, Rayshawn Daniels. After Rayshawn rolled down the driver and passenger side windows a strong and obvious odor of suspected marijuana emitted from the vehicle. We identified ourselves as Maple Heights Police Officers, and notified Rayshawn that the stop was initiated for the heavy window tint on the driver and passenger side windows. Ptl. Thomas #560 used the window tint reader that was equipped inside our patrol vehicle and the meter read at 7% tint, and was confirmed as a valid violation per City of Maple Heights Ordinance 438.235. Ptl. Thomas #560 advised Rayshawn of the violation and notified him of the strong and obvious odor of suspected marijuana and asked him how much marijuana was inside the vehicle. Rayshawn stated at first that there was not any marijuana inside the vehicle, and that his 19 y.o. son (not identified) normally drove the vehicle. Ptl. Thomas #560 asked again if he recently smoked marijuana in the vehicle, and Rayshawn stated that he had a jar of marijuana inside the vehicle. Ptl. Thomas #560 ordered Rayshawn out of the vehicle, and I ordered his son, Rayshawn Daniels Jr. (09/21/2012) to exit from the passenger seat. Both males were directed to our marked patrol vehicle #4423 and I patted Rayshawn Sr.'s person to verify that no weapons or other illegal contraband was on his person. Rayshawn Sr. and Rayshawn Jr. sat outside on the sidewalk with me while Ptl. Thomas #560 conducted a probable cause search on the vehicle. Ptl. Thomas #560 found a clear glass jar filled with suspected marijuana on the floorboard of the driver seat area. Additionally Ptl. Thomas #560 found a clear plastic bag filled with suspected crack cocaine inside the compartment of the driver side

door. (see criminal offense report #2310148905). Rayshawn also had an active warrant out of the City of Maple Heights and was placed under arrest. I advised Rayshawn of his Constitutional Rights and Rayshawn informed me he understood them. Rayshawn was transported back to the Maple Heights Jail. Ptl. Field #573 arrived on scene and filled out the tow slip for the vehicle and remained on scene with Rayshawn Jr. and waited for interstate towing to arrive and impound the vehicle. Rayshawn Jr. was transferred custody to his mother, Taneisha Daniels on scene. The jar of marijuana along with the suspected crack cocaine was brought back to the Maple Heights Police Station to be processed and entered into PMI. The jar of suspected marijuana was weighed and the scale read in at 197.8 grams. The suspected crack cocaine was weighed and the scale weighed in at 4.2 grams. The suspected marijuana was entered into PMI, tracking number, 34562. The suspected crack cocaine was entered into PMI, tracking number 34563 to be sent to BCI for testing. Rayshawn received a personal bond for his warrant, and was served with traffic citation P31979 for the window tint (ORD438.25), and a summons for the suspected marijuana (ORD 624.03). Rayshawn received a Maple Heights Mayors Court date for 7/25/2023 at 1530 hours. Rayshawn was released from the Maple Heights Jail.

Richard Kvortek contacted the MHPD to report glass broken from his front window. Richard stated he heard a loud firework last night at 2330 hours and did not think anything of it. This morning, Richard noticed that the glass to his front kitchen window was partially broken. Richard also located firework debris inside his kitchen. Richard does not know who was setting fireworks off on his street. There was firework debris on the street directly in front of Richard's house.

Officers were at this address earlier today (REF 2310149424). 15yo Morgan Serafine had a construction worker call the police. Morgan stated her mother, Patricia Serefine, beat her up. I spoke with Patricia who told me that she was taking Morgan to get a mental evaluation, however, Morgan resisted by pushing her off. Patricia stated she did "spank" Morgan on the left thigh. Morgan had a small red bruise on her left thigh. Morgan was advised that parents can physically punish their children. The MHFD transported Morgan to Marymount for a mental evaluation with Patricia's permission.

Upon arrival I spoke with Jaylin Mitchell. Mitchell stated that he had a protection order on his father, John Hines. Mitchell stated that Hines went down his street today approximately five times today. Mitchell stated that his father was driving a White GMC Yukon with Michigan plates. Mitchell showed me video of the GMC going past his residence however, I was unable to identify who the driver was. I had dispatch check both Mitchell and Hines through LEADS and neither of them showed a protection order on file. Mitchell was also unable to show officers protection order paperwork at that time. I advised him if Hines drives down again to contact the police. Mitchell was advised this incident would be documented and Mitchell was provided this call #. JL #574

On Friday July 7th at approximately 1959 hours, I Plt. LaVaglio #574 and FTO Thomas #560, were dispatched to Granger Court Apartments, 14412 Granger Rd in reference to a disturbance between a male and female. Upon arrival, myself and FTO Thomas made contact with Sanahya Christopher, the female in question outside of apartment 14412. As we were speaking to her, I could smell a strong odor of an alcoholic beverage emitting from her breath. She also had blood shot eyes and her speech was slurred as she spoke to officers on scene. Christopher was asked to provide her name and date of birth. Christopher was unable to provide her date of birth at first and had a hard time comprehending what officers were asking her. Once Christopher was identified, a LEADS check revealed that Christopher was only 19 years old. I asked Christopher what happened she stated that she got into an argument with her boyfriend, Derrick Heard, over her talking to another male and Heard talking to another woman. As I was trying to get Christopher's story, Christopher had a hard time listening to commands and started to be uncooperative toward officers. Christopher raised her voice several times to the point that she was engaging in annoyance behavior. Christopher was then transported to the station lobby in marked unit #4423. Christopher was then issued a summons for disorderly conduct (MA33022) and underage alcohol consumption (MA33023). Christopher was given a Garfield Heights Municipal Court date of 07/12/23 at 0830 hrs. JL#574

On Friday July 7, 2023 at approximately 2212 hours, I, Ptl. LaVaglio #574 and FTO. Thomas #560, were dispatched to Granger Court Apartments, 14412 Granger Road, in reference to Sanahya Christopher kicking the front outside door to the apartment complex. Upon arrival, I located Christopher sitting on the bench in front of 14412. Christopher was bleeding with a deep laceration to her right leg and left hand. I observed broken glass in front of 14412 with blood on the concrete. Christopher was transported to Marymount Hospital by MHFD. 48-LASALLE HUNDLEY ADVISED FOR TRESPASSING

The complainant, Stan Montgomery, advised there was an argument in his residence and a Lasalle Hundley pulled a gun on someone. Stan advised he just wanted Lasalle to leave and to have him advised of trespassing. I spoke to Lassale and he advised a male named Perry attempted to fight him and he pulled his gun out to keep him away. Lassale advised he was just visiting his wife at the residence and advised the male kept trying to fight him. I attempted to speak to "Perry" however he advised he did not want to talk and kept hiding in the residence. Due to no cooperation this incident was documented. Officers spoke to Andrea Staggers who advised "Perry" was trying to fight Lassale and Andrea advised Lassale was just trying to protect himself. BWS548

Spoke to the caller who stated that approximately 4-5 juveniles between the ages of 5-7 were on the property at approximately 1930 hours. While on the property they were knocking over items and a juvenile male with dreads and a pink t-shirt on had urinated on the front of her car. The caller stated she had seen them on the property before but did not know any of the juveniles information. Since the juveniles did not cause any permanent damage, the caller only wanted the incident documented should the juveniles return to the property. CF573

On Sunday July 9, 2023 at approximately 0103 hrs, I Ptl. LaVaglio #574 and FTO Thomas #560, were dispatched to 5242 Philip Ave in reference to loud music playing and several people being loud. Upon arrival, I observed a party going on at this residence with loud music playing outside. Myself and FTO Thomas made contact with the homeowner, James Herron. FTO Thomas advised Herron that it was 0100 in the morning and the music was too loud. Herron was argumentative toward officers and did not think he was doing anything wrong. Herron was issued a summons for loud music (citation #31585). Herron was given a Maple Heights Mayors Court date for July 25 at 1530 hrs. JL #574

Justin Cooper stated he believes someone was upstairs in the attic of his residence. Justin stated they entered through the top window using wooden pallets he had against the house. Justin also states items are not in the original location inside the house. There were no signs of force entry into the window or any location of the residence. No items are missing from the residence. Justin was advised to contact MHPD when he hears the noises coming from upstairs. Justin did not appear to be suffering from a mental illness, however, he was paranoid. Justin removed the pallets from the side of his house as a precaution.

On the above date and time, Maple Heights Police officers responded to 15400 Rockside Rd for a report of a group of juveniles entering into an abandoned home. On arrival officers were clearing the perimeter of the house when a small group of juveniles ran from the rear of the residence. Ptl. Fronzaglio #572 was able to apprehend two of the juveniles, claiming to be Antonio Green and Keyon Davis, across the street on Rockside road. I, Ptl. N. Ross #570 was still at the residence when another large group of juveniles fled from the front door of the residence. I apprehended a juvenile claiming to be Messiah Farr. CVD advised they were unable to make contact with the current owner of the property due to business hours. The juveniles were then provided rides back to their residences. When Ptl. Fronzaglio arrived at one of the juvenile's residences, Maple Court Apartments, the juvenile fled the scene when the patrol vehicle door was opened. Ptl. Fronzaglio advised the juvenile that fled was Antonio Green. I then made contact with Messiah's mother, Camille Gainer. Camille was advised of the incident involving her son and assisted with locating Antonio Greens mother. With the assistance from Camille, officers located Antonio's mother Chanel Moore. Chanel was advised Antonio's involvement in the incident and was advised of his fleeing from officers twice. Chanel was advised to contact the Maple Heights Police Department when Antonio returns. Ptl. Field #573 provided a ride to Keyon to his residence and handed over to his mother Trenasia Levert. Trenasia was advised of Keyon's involvement. A report will be completed if contact is made with the current owners of 15440 Rockside Rd. NR570

501 Follow Up at Giant Eagle:

Manager In Charge Matteo Beechuk and I reviewed the in house camera footage to see if we could find any evidence of the alleged interaction between the suspect and the juvenile victim. The victim stated the male said something to her by the cabbages in the produce isle and also followed her down the drink isle (16) when she got a crystal light. The juvenile victim stated she facetimes her mother at 701pm while the male was following her. Beechuk and I observed the male leaving the drink isle at 701pm; the male walked exited the isles near the rear of the registers. A few moments later the male walks back towards the pharmacy.

The male is also observed leaving the public bathrooms at the rear of the store (which is near the drink isle) at 655pm. The male then walks down the water isle. The male is observed in other parts of the store during the this time however the female victim cannot be found on the cameras. I did see the female victim enter and leave the store (I was working off duty in uniform when the incident occurred but did not observe anything nor was anything reported to me.)

The male denied the allegations of talking to the victim. I do remember the male being in the store; he frequently comes into the store daily. The male was arrested without incident for an outstanding arrest warrant with MHPD for FTA on disorderly conduct.

The father and victim were advised of the male's arrest for the warrant. At this time, the matter will be documented.

4573 -- MALE BOOKED IN / CLEAR

I responded to 5321 Warrensville Center for an unknown issue. When I arrived, Det. Sperie (who was working security for Giant Eagle) who informed me a father had contacted him in reference to an adult male following his juvenile daughter around the store. Det. Sperie had detained the male, Keith Crayton, and spoke to Keith. Keith admitted he was walking around the store, but denied following the juvenile.

I spoke to the juvenile and father. The father stated he had not been at the store when the incident happened. The daughter, stated she had been inside the store to purchase some items for her mother, who was at another store. While in the store, she observed Keith walking behind her and saying something. The juvenile did not hear what Keith said as she was on her phone. The juvenile went to another aisle and saw Keith in the same aisle. The juvenile approached an unknown adult female customer and explained she thought she was being followed and asked the unknown female to walk with, which the female did. The juvenile also requested her mother to pick her up, which she did. After being picked up, the juvenile informed her parents what had happened. They in turn contacted the manager who informed Det. Sperie what had happened. The juvenile stated she had not heard what Keith had said.

Det. Sperie reviewed the store's security camera footage and was unable to locate the juvenile in the camera footage, but stated he remembered her being in the store. Det. Sperie did locate Keith in the camera footage and informed me Keith had been walking around the store. Det. Sperie did not observe Keith around the female.

Keith was arrested on an outstanding warrant through the Maple Heights Police Department and transported to the Maple Heights Police Department.

At this time, there is no evidence to support criminal charges against Keith. STB514

property damage. Upon arrival, contact was made with Marlyn Praznik. Praznik stated she came home and noticed a tree down in the yard and believed  
someone may have cut it down. The tree knocked down her cable wire in her backyard. Praznik contacted her cable company, Breezeline, and they stated they  
will be out on Wednesday July 12, 2023 to fix her cable. Praznik just wanted this documented. Photos were taken of the tree and cable wire and attached to this

On Monday, July 10, 2023, at approximately 0343 hours, I, Ptl. Field #573, received broadcast to respond to 15229 Maplepark Dr. Apt. #8 for a damage to property complaint. Upon my arrival, I was met by Cynthia Jones, who stated that on Sunday evening, July 09, 2023, she had parked her gray 2017 Hyundai Tuscon bearing OH License Plate #JIA7891 in her parking spot in the back garage. At approximately 0315 hours, an unidentified neighbor advised Jones that her Hyundai's lights were on. When Jones came outside she saw that her driverside back window had been broken out. Jones stated that nothing had been taken from the Hyundai and that her steering wheel column had previously been damaged from a prior incident. I observed that the back driver side window had been broken out and that all the lights were on in the vehicle. I took pictures of the above-mentioned damage. Upon canvassing the area, I was unable to locate any witnesses to the incident or any usable video footage. If a suspect should be identified a criminal report maybe generated. CF573

=====

The caller, Tashara, stated that she had been on the phone with sister, Dionna, who was crying and making statements that she could not go on and to take care of her kids. When Tashara asked where she was, Dionna stated she was at home. After talking to Dionna for approximately 20 minutes, the call disconnected. Tashara called the MHPD to request a welfare check and she also responded to the scene. There was no contact at the residence. When Tashara arrived, she stated Dionna's vehicle was not in the driveway. Officers were able to look in a front window. From the partial view, no signs of Dionna was observed in the front room of the residence. Tashara stated Dionna had made a previous suicide attempt in Tinkers Creek Park. Metro Parks officers were requested to check the park without Dionna or her vehicle being located. A "ping" of Dionna's cellphone showed she had been in the 2500 block of W. 114th in Cleveland at 0248 hours. Tashara was advised of this information and stated that was about the time she had been speaking to Dionna. CPD was requested to check the area for Dionna (at this time, CPD has not responded to our request), but Tashara advised she was going to go check the area. Tashara informed officers, Dionna has been treated for depression and suicidal thoughts / events since her divorce earlier in the year. Due to the location of the "ping" and Dionna's vehicle not being at the residence entry was not forced into the residence. A BOLO was entered for a welfare check on Dionna with the request that any agency having contact with Dionna to contact Tashara.

The local hospitals were checked without any indication that Dionna has been admitted.

Tashara could not think of anyone that Dionna might have went to speak to. Tashara did attempt to contact Dionna's ex-husband but did not have a current phone number for him. Tashara was advised of the results of the Metro Parks, the hospitals, and the "ping" location. Tashara will contact the MHPD if further information is obtained. STB514
