On Monday, July 31, 2023, at 0832 hours, I, Ptl. Field #573, was broadcasted to respond to the Maple Heights Police Department Lobby for a suspicion complaint. Upon my arrival, I spoke with Carole Ballard. Carole said that at approximately 0300 hours, she was woken up by her the notifications on her phone by her Ring Door Bell Camera but then had gone back asleep. Today while Carole looked at her Ring Door Bell notifications and saw on the video a approximately 0300 hours, black male with a beard and poofy hair wearing a black sweatshirt with graphics on the front pull the door handles on both her's and her husband's vehicles. When the male realizes that both vehicles were locked, he appears to walk up the driveway. Something then startles the male and he then runs through the backyard jumping over a fence into the neighbor' yard (triggering their motion light). Carole went on to state that when her husband went to his vehicle today, he saw that the male had dropped a couple of credit cards and picked them up. Carole did not recognize the male on the video nor did she recognize the name on the cards. Carole's husband said that he will drop off the credit cards when he gets off work at the Maple Heights Police Department. Carole reported that neither vehicle had any damage to them. Should suspect information come to light, a report maybe generated. CF573

Upon my arrival, I observed parked in the parking lot a silver 2021 Silver Nissan bearing OH License Plate #KBL4002 with front end damage to it. Ptl. St. John and I did not observe any one around the vehicle. We were advised by security that the owner of the vehicle stated that they were waiting on a tow but that they had left the area and left the vehicle. We were unable to determine which pole in the parking lot that the vehicle had struck due to none of them having any observable damage. CF573

I spoke to Jacquelin O'Neal who informed me she parked her Silver Honda Accord OH RP (JFF2030) in parking spot 4 in the car port spaces at 15224 Maplepark Dr at approximately 2030 hours on 07/30/2023. When Jacquelin went to her vehicle on 07/31/2023 at approximately 1940 hours she observed the front passenger window broken and the steering column was peeled and exposed the interior wiring. There were not surveillance cameras in the area in order for me to check the offense take place. Jacqueline stated she wanted this information documented and contacted her insurance company to get the vehicle towed from the parking garage port.

73-WILL COMPLETE

On Tuesday, August 1, 2023, at approximately 0804 hours, I, Ptl. Field #573, was broadcasted to respond to 18500 Libby Rd for a damage to vehicle complaint. Upon my arrival, I spoke with Malika Brown. Brown stated that she parked her 2019 gray Hyundai Elantra bearing OH License Plate #JDA2872 last night in her driveway in front of the Ring Door Bell Camera. At approximately 2300 hours, when Brown's husband returned home, he saw that the Hyundai was still in good order. This morning at approximately 0700 hours, when Brown went outside to get her purse, she saw that the driver side rear passenger window had been broken. Brown saw that her rhinestone purse was missing from her front passenger seat. Brown said that the purse contained her OH-ID and credit cards that she had already canceled. I took pictures of the damage to the driver side passenger window. Brown stated that the Ring Door Bell camera did not alert or record the incident. Brown only wanted the incident documented for insurance purposes. CF573

 37-NOT QUITE AS ADVERTISED, NO INJURY TO THE PERSON, NO DAMAGE TO THE BIKE, SMALL SCRATCHES TO THE VEHICLE

On the above date and time, I, Ptl. N. Ross, along with other Maple Heights Police officers, responded to the intersection of Southgate Park Bl. and Warrensville Ctr. Rd. for a report of an MVA involving a pedestrian on a bicycle. On arrival officers made contact with the parties involved, Briana Lewis and Amar Green. Briana was operating a 2018 Ford Fusion bearing Ohio license plate JMK9390 and with VIN 3FA6P0HD7JR193316 and Amar was on a bicycle. Amar stated he was traveling northbound on Warrensville Ctr. Rd. on the west sidewalk while on his bicycle. As he approached the intersection of Southgate Park Bl. and Warrensville Ctr. Rd. the Ford Fusion entered into the crosswalk area to make a right turn as he was entering into the intersection. Amar stated he collided with the vehicle and rolled over the hood. Light paint scratches were observed on the hood of the Ford. Amar had minor scrapes on his feet and knees. Amar declined medical attention. Briana advised the same incident as Amar. Amar stated he did not want to press any charges against Briana. Briana was unable to provide insurance information. Officers were unable to determine who the primary offender was for this incident.

Janessa Johnson was traveling eastbound on Maple Heights Blvd (silver 2012 Kia Optima #JNP6113) stopped at the intersection at South Blvd. Taya Range (red Kia Sportage #KAZ1423) was also stopped at the above-mentioned intersection facing northbound. As Johnson was going through the intersection, Range's foot slipped off the break and went into the intersection. Range tried to swerve out of the way of Johnson's vehicle but struck Johnson's Kia's front passenger side door. Johnson's front passenger door had a dent and there was minor scratches and a small crack to the plastic front bumper on the driver side of Range's Kia. There were no injuries and both parties exchanged insurance information and will handle the matter civilly. Photos were added. CF573

Kyjanae related the following: On Friday she received a phone call from CPD looking for a place for her juvenile sister, Azariea, to stay. This was because their mother, Latasha, had kicked Azariea out of the house and was refusing to allow her back in. Kyjanne was informed that Latasha had been sending Azariea out of state to stay at various relatives residences since she did not want Azariea staying with her. Latasha would not allow Azariea to obtain any of her belongings from the house. Kyjanae agreed to Azariea staying with her. Today they had called Latasha about getting the belongings and Latasha started yelling at them. Latasha stated she was going to come to Kyjanane's residence, which Kyjanae did not want. Kyjanae wanted to know what her options were if Latasha did come over. I advised her if Latasha called saying she was coming over to advise Latasha to come to the MHPD to request an escort and if she just showed up to stay inside and to call the MHPD to respond. Kyjanae and Azariea are going to contact juvenile and 696-KIDS to see if they can get custody turned over to Kyjanae. There were no threats made. STB514

On Tuesday, August 1, 2023 at approximately 2324 hours, I, Ptl. Thomas #560, was dispatched to 16796 Gerard Ave., for a report of an assault. Upon arrival, contact was made with Samuel Pinner. Samuel kept saying he was maced, his eyes burn and needs to make sure he's ok. Samuel appeared heavily intoxicated. Samuel was given advice on how to treat his eyes after being maced. Samuel refused to tell me anything that happened. Other units on scene were unable to obtain any information on the incident due to everyone not cooperating. MWT#560

The grandmother that was mentioned by the caller refused to identify herself and stated she was fine. She refused medical attention from MHFD. The caller was later located and advised the physical altercation was her drunk uncle grabbing her. The interaction did not constitute domestic violence as described. No other adults including grandma wanted to provide information and the mother of the caller did not want any other police action. Grandma and Samuel were advised to use baby shampoo to remove the pepper spray. CWF528.

On Wednesday, August 2, 2023 at approximately 0135 hours, I, Ptl. Thomas #560, was dispatched to 5120 Stanley Ave., for a report of someone possibly breaking into the bottom unit for the residence. Upon arrival, I observed two females walking northbound on Stanley, just south of 5120 Stanley Ave. The females were later identified as Toya Jones, and her juvenile daughter, Taylor Jones (10.09.2007). Toya was wearing a surgical mask and wearing purple rubber gloves. Tonya stated her and her daughter were walking to Cleveland from Garfield Heights looking a cheaper Uber ride. Toya had two broken black pieces of particle board wood in her hands and stated she had it for protection. While I looked around the residence to see if there were any damages, I observed a broken black piece of particle board wood that resembled what she had in her hand, and multiple broken windows on the northside of the residence. Tonya later admitted she broke the windows out of the residence because she thought a male who gave her herpes still lived there. (The house is abandon now). Dispatch was unable to locate a phone number for the owner of the property. I dropped Toya and Taylor off at the front entrance of Cleveland Clinic - Marymount Hospital where they could wait for an Uber per their request. If an owner/victim is located a report will be generated. MWT#560

Wynetta advised Savannah to stop doing it and she proceeded to do so and threw down her cup, causing a mess on the floor. Savannah stated she was running the slushy machine without her cup at first so it wouldn't be watery. Wynetta grabbed her cup and threw it down. Wynetta wanted Savannah and Shiaria Hill both criminal trespasses. I advised Savannah and Shiaria they are criminal trespasses.

I responded to the Maple Heights Police Department for a fraud report. Upon my arrival I spoke to complainant, Michael Pace. Pace stated he use to work at Walmart in Macedonia, OH. Pace stated his direct deposit from Walmart was supposed to be in his Chase bank account on July 20, 2023 in the amount of \$996.76. When Pace noticed the money was not in his account, Pace went onto the Walmart employee portal and noticed his bank account was switched to a different account on July 14th, 2023 at approximately 1511 hrs. Pace notified Walmart RI department and they stated that they will look into the matter. I also advised Pace to go on the Ohio Attorney General Office website and report identity theft. A photo showing a different account # on Pace's employee Portal is attached to this call sheet. Pace wanted this documented at this time. JL #574 LK#558

I responded to 20701 Kenyon Rd., for a report of a male and female physically fighting outside the residence. Upon my arrival, I did not observe anyone outside the residence. Prior to knocking at the residence, I did not observe or hear anyone inside. I knocked several times at the residence with negative results. Responding Units checked the area and also did not locate anyone. A short time later, a female arrived identified as, Ashley Gordon. Gordon stated she got into a verbal argument with her boyfriend, Damien McKinney, over him talking to another female. I did notice some bruising and swelling under her left eye however, Gordon stated this was from her being clumsy and falling down the stairs. Gordon reiterated that she and Damien only had a verbal argument. Gordon stated the two does not share kids and he comes and goes. Gordon stated she did throw some of Damien's belongings outside. Gordon stated Damien got into an unknown vehicle and left the residence. I did observe a blue small backpack with a Woodforest debit card belonging to Damien. There was also a Sam's club card and a BJ's card inside. Gordon showed to have an active warrant out of Macedonia PD for theft. Warrant was confirmed and Gordon was taken to the Maple Heights Jail awaiting Macedonia PD pick up. The bag belonging to Damien was entered into PMI (TN:34925). JL #574 LK #558

I received an email report at the above date and time. The caller, Dale Schaub stated earlier today at approximately 1630 hours, he was notified but Apple that his Apple credit card was used and charged for \$71.32 at KFC at the above location. Dale was reporting this from Gainesville, Texas where he resides. Dale made a report through his local sheriff office the Cooke County Sheriff. Dale stated no one should have his Apple credit card information. I spoke with the manager, Latwasha Good about this incident. Latwasha stated she looked through today's order transaction and there was no amount that was purchased for \$71.32. I attempted to make contact with Dale over the phone to advise him of my discovery but there was no answer. ML563

563 TO COMPLETE

I spoke with the caller, Deirdre Cox. Deirdre stated she was the owner and landlord of 5319 Clement St. Deirdre stated she was having issue with her current tenant, Darryl Sichi. Deirdre stated she was in the process of selling her home. Deirdre stated earlier today at approximately 0850 hours, herself and her realtor went to the home to show it to a prospect buyer. Deirdre stated Darryl refused to let her inside the home for the showing. Deirdre stated Darryl then entered his vehicle and left the residence. Deirdre stated while Darryl was pulling his vehicle out of the driveway, she jumped in front of his vehicle to attempt to stop Darryl from leaving. Deirdre stated Darryl had to swerve to avoid striking her with his vehicle. Deirdre provided Darryl's contact information but was very argumentative while doing so. Deirdre refused to prove an explanation on why she did not call 911 when this incident occurred at her home. Deirdre stated she had a strong dislike of Maple Heights Police officer's due to previous incidents (which she refused to discuss). I called Darryl but there was no answer. I went to the residence to attempt to make contact with Darryl but no contact with made. I advised Deirdre on how to obtain an eviction notice. Deirdre this was a civil matter and to contact Garfield Heights Municipal court. Deirdre just wanted this incident documented. ML563

FEMALE IN LOBBY FOR AN MVA

The complainant Stephanie Halloway advised she was in the drivethru when an unknown gray jeep with a temporary tag in the rear window bumped into her back bumper of her vehicle. Stephanie advised she was unable to get any plate information for the vehicle and after talking to the female that hit her the female took off down Raymond St. and did not leave any information. I checked FLOCK and located the gray Jeep however, the license plate was unreadable due to the camera location and glare. I checked Stephanie's vehicle and there were no signs of any damage from the accident. Stephanie was provided a CAD number. BWS548

 73-ISSUE WITH THE NEIGHBOR AT 17008 LIBBY

On Saturday, August 5, 2023, at 0716 hours, I, Ptl. Field #573, responded to the Maple Heights Police Department lobby for a complaint of neighbor trouble. Upon my arrival, I spoke with the resident of 17016 Libby Rd, Henri Nobles, who stated that he has been having issues with his neighbor that resides at 17008 Libby Rd over a strip of land between the two properties. Earlier today, while Nobles was cutting the grass, he moved a gate that belonged to the 17008 Libby Rd, so he could cut around it. The neighbor told Nobles that if he moves the gate again, or scratches the car in the driveway, that they would have problems. Nobles assumed that him saying that was a threat against him. Nobles was advised of the ORC for menacing and aggravated menacing. Nobles was advise to contact the police of the neighbor should come onto his property and how to file a civil protection order. Nobles wanted the incident documented. CF573

 73-KELLY'S HAS THE VEHICLE

On Saturday, August 5, 2023 at approximately 1520 hrs., I, Ptl. Thomas #560, along with other Maple Heights units, was dispatched to Little Caesar's Pizza for the report of a large crowd gambling outside the front door. Upon arriving on scene, I viewed the subject, Leon Reaves, standing outside the business with a gambling board. Leon admitted to me that he was gambling. He picked this location as he knew that it was a high traffic area as there were expensive retail stores nearby. Reaves was detained pending a warrant confirmation. Officers learned that Reaves left his two children (4 and 5 years old) in an unlocked vehicle, while he gambled in front of the store. The vehicle was not in eye sight of the subject. Multiple packages of open raw marijuana (19g) were located within reach of the children. The Maple Heights Prosecutor ruled to charge Reaves with 2 misdemeanor counts of child endangerment and one felony count of gambling, as Reaves has a prior gambling conviction in 2010 (10CRB01229). A total of \$1160 was located on Reaves person.

73-WILL COMPLETE

On Saturday, August 5, 2023, at 1633 hours, I, Ptl. Field #573, was broadcasted to 17905 Maple Heights Blvd. Upon my arrival, I was met by the resident, identified as Kelsey Hatcher. Hatcher stated that on August 04, 2023 at approximately 1930 hours, she had parked her 2008 Kia Sorento bearing JYV6561 in her driveway next to her father's 2004 Toyota Tundra bearing OH License Plate #JHP2655. Today, at approximately 1200 hours, Hatcher went to her Kia and saw that the driver door was partly ajar. Hatcher opened the door and saw that her center console was opened and several papers and items were thrown about the vehicle. Hatcher also saw that the plastic covering the steering wheel column had been taken off and thrown in the back seat. A short time later, Hatcher saw a multitude of scratch marks to the passenger side of her father's Tundra that had not been there prior. Hatcher stated that nothing of value had been taken from either vehicle. Hatcher reviewed her security camera footage and it did not capture the incident. Additionally, Hatcher stated that her security light did not go off. I canvassed the area and was unable to locate any witnesses or security footage that captured the incident. Hatcher just wanted the incident documented. I took pictures of both vehicles which was downloaded into the media section. CF573

73-WILL COMPLETE

On Sunday, August 6, 2023, at 0838 hours, I received broadcast to respond to the Maple Heights Police Department lobby for an escort. Upon my arrival, I was met by a female, Deirdra Cox, who stated that she had provided the tenant of 5319 Clement Rd, Darryl Sichi, a 48 hour notice of entry for a realtor. Cox was able to provide me a copy of the notice. On arrival at the property, Sichi allowed the realtor to walk around the residence and photograph with no issues. While standing by for the realtor to complete his walk through, Ptl. St. John #548 and I, overheard Cox and her boyfriend, Johnathan Ciganko, conspire to be able to "legally" harass Sichi by signing the property over to Ciganko. Ciganko stated that if Cox signed the property over to him, then he can come over to the property any time every day if he wanted to and there is nothing Sichi could do about it. CF573

73-WILL COMPLETE

On Sunday, August 6, 2023, at 1221 hours, I, Ptl. Field #573, was broadcasted to 17814 Waterbury Ave, for a complaint of theft. Upon my arrival, I was met by the residents, identified as Rochelle Olds and Joseph Powell. Powell stated that earlier today, he had been receiving an error from his Vivid Outdoor Pro security camera that was located on the south eastern corner of the house. When Powell attempted to reboot the camera remotely several times to no avail, he went outside to do a hard reboot on the device. Once Powell was outside, he saw that the security camera was missing. Powell checked the surrounding areas and backyard for the device but was unable to locate it. Powell and Olds reviewed the camera footage and saw that on August 05, 2023, at approximately 1945 hours (in the front doorbell security camera), two younger males both wearing black sweatshirt and long pants cross the next door neighbor's front yard and walk towards the backyards in between the two houses. At approximately the same time (from the missing security camera), in the security camera footage was the voices of two males and banging sounds. In the video it was unclear what the male voices said nor did the security camera footage move during any of the banging sounds. Powell and Olds believed that the two males possibly jumped onto their back patio and took the security camera off of where it was located. While touring the area, I observed what appeared to be a shoe print on the back patio but Powell stated that it could be his because he sometimes stands on the railings to clean high up. I also observed that the wires to where the security camera had been had been cleanly taken disconnected and had not been ripped or cut. Powell and Olds stated they bought the security camera approximately 4-5 years ago (value of \$250 unknown serial number). Powell and Olds advised that they wanted this incident documented for insurance purposes. I canvassed the surrounding area for any witnesses or security footage, I located a security camera next door but the resident stated that it was no longer functional. CF573

On Monday, August 7, 2023 at approximately 0331 hours, I, Ptl. Thomas #560, was dispatched to 5320 Cato St., to conduct a welfare check on female, Sarah Phillips because she texted the caller stating her roommate, Steven Bolt just tried to rape her. Upon arrival, contact was made with Sarah. Sarah was not cooperative. Sarah kept telling officers "I'm fine, it's ok". Sarah stated she was going to be punished for having the police at the residence even though she was not the caller. Sarah was offered a courtesy ride to a hotel which she initially said ok to. Officer's spoke with Steven and he stated the two had sex and he did not want to cuddle and she got mad, threw pop on the ground and wanted to leave. Steven told her to take a phone with her but clean up her mess first. Steven

later showed video clips of the argument in the living room. Sarah later changed her mind about the courtesy ride and stated she would sleep on the couch in the living room, which Steven was ok with. Steven and Sarah were both advised of domestic violence laws. It is to be noted that Sarah appeared to be intoxicated at the time of police encounter. MWT#560
