I responded to Giant Eagle, 5321 Warrensville Center Rd, for the report of a male who stole several items. On my arrival, I spoke with Security who advised Edward Wilkins placed 6 packets of steak, 1 case of water bottles, 6 packs of beef ribs, and 5 packs of snow crab in his cart (total value of \$365.21) and walked out of the store past the point of sale without paying. The Security Officer detained Edward and returned him to the store. Edward admitted to taking the items but was upset because the Security Officer stopped him by grabbing his left shoulder, which had previously had surgery. A photograph was taken of the receipt and attached to the sheet. Edward was issued citation MA35180 for Theft and given a Maple Heights Mayors Court Date of 06/27/2023 at 1530 hours. A check of LEADS showed Edward had a warrant with Cuyahoga County Sheriffs Office. Edward was transported to Southpointe Hospital for pain in his shoulder, and after he was released, was transported to CCSO. LK558

I spoke with Michael Wyse who advised that he arrived to 19400 Beverly Ave on 06/12/2023 just before calling police. He stated the tenant, Michael Moore, was due to be evicted today after living at the residence for a year. When he arrived, he noticed the side door of the residence had been taken off of the door frame and the residence was unsecured. Michael walked through the residence and noticed the toilet had been taken out of the residence (Unknown brand, valued at \$400), the fridge was gone (unknown brand, valued at \$600), the stove was missing (unknown brand, valued at \$600), the exterior AC unit was removed (valued at \$600), and the furnace AC coil had been removed (valued around \$3800). Michael called police and replaced the door on my arrival. Photographs were taken of the areas of the missing items and attached to the sheet. Michael advised he was told to contact the PD to document the incident. LK558

I spoke with Shawanna Carnegie and Ashley Darby in the police station lobby in reference to Unique Logan harassing both of them. Shawanna stated this has been an ongoing issue between her and Unique. Shawanna stated that Unique has been driving past her house multiple times as well as posting things about her on social media. Shawanna stated while they were at Scorchers Bar in Bedford Heights, a fake account created by Unique or her daughter had posted on Shawanna's daughter's Instagram live video. The account was stating that they were going to beat up Shawanna's daughter Khylie and shoot up Ashley's residence. I advised both females they needed to make a report in Bedford Heights as they were in their jurisdiction when this occurred. However, I advised them I would document the incident for record purposes. BF572

 540 TO HANDLE

On Monday, June 12, 2023 at approximately 1630 hours, I, Sgt. Frazier along with Ptl. King, responded to the Save A Lot, located at 15870 Broadway Avenue for a report of a theft. Upon arrival I met with the store Manager Dennis Flannigan. Dennis stated he was confronted by store employees, who informed him that a male and female were inside of the store selecting items off of the shelf and concealing the items in their jackets. The male and female were identified as Tracie Clark and David Clark, who were with their care taker. Both, Tracie and David were pat down and found not to have property on their person. Dennis then advised that the items were placed in a vehicle. The items were recovered from the vehicle and was found to have been purchased from the Dollar General, this was confirmed by Dollar General. Both, Tracie and David were released without incident. While enroute to Stafford Park, I observed three juveniles on Beverly Ave, two wearing black sweatshirts, and one wearing a red sweatshirt. Officers stopped to talk to them and ask. After speaking with me, Kevin Johnson (15 y/o, mother Rosalynn Ratchford) and Christian Goss (16 years old, guardian Fredrick Royscer) advised they had taken chips from city employees at Stafford park and that it was "stupid kid stuff". They advised they were sorry and wouldn't do it again. The third juvenile, Carlos Hancock (13 years old, guardian Dominique Hancock) was also identified. Sgt Frazier #540 spoke with city employees Devon Moss and Carol Moss who advised they were loading concessions into the concession stand at Stafford Park when the juveniles approached and Christian took a box of chips. Devon followed after the juveniles and was able to get the chips back. Devon and Carol advised they were uncertain about pursuing charges, based on criminal history. A check of Maple Heights records did not show any of the three juveniles in previous calls. I called and advised Carol of the lack of police

contact with the juveniles. Carol advised she was still unsure about pursuing charges. Should Devon and Carol wish to pursue charges, a criminal report may be generated. LK558

Mercedes stated Malik does not know where she lives, but was worried because Malik was jealous of her new boyfriend. There were no direct threats, however, I advised Mercedes to block his number. If Malik continues to call, then she can come to the MHPD to press harassment charges against him.

On Wednesday, June 14TH, 2023 at approximately 1413 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights PD Lobby for a follow up investigation. Upon my arrival, I met and spoke with the complainant, Toni Barnes, who advised she was assaulted by her ex-boyfriend, Isaac Howell, on June 13th, 2023 at approximately 0200 hours. Toni informed me she spoke with an officer after the assault and the officer advised her to respond to the Maple Heights PD Lobby to report this incident. Toni stated the altercation began when she picked Isaac up from work. According to Toni, Isaac believed Toni was talking to another male while in the vehicle with him. Toni got upset and drove to the parking lot of Milkovich Middle School located at 19800 Stafford Ave. While in the parking lot, Toni stated Isaac began assaulting her by striking her with a closed fist and choking her. Toni stated she managed to get away from Isaac on foot. Toni stated when she arrived home she contacted the police who advised her to respond to the Maple Heights PD to report the incident. I observed a scratch on the left side of Toni's neck approximately 1 inch long and another scratch on the right side just below the ear. Toni mentioned her and Isaac do not have children together nor do they reside together. Toni wanted information on how to file for a TPO due to Isaac contacting her and coming to her residence. Toni was provided TPO info and the CAD #. Toni also wanted me to contact Isaac regarding this matter, However, the number Toni provided me was disconnected.

On the above date and time, I, Ptl. N. Ross #570, along with Ptl. D. Westfield #554, responded to 21000 Libby Rd (Home Depot) for a report of an employee that stole goods from the business. On arrival I spoke with the complainant, Patrick Thompson, and the employee, Celestine Robinson. Patrick provided documentation stating that Celestine committed merchandise theft on three separate occasions totaling a loss of \$406.25. The dates of the thefts were on May 15th and 16th. Patrick further provided an internal associate statement completed by Celestine. In the Statement Celestine admitted to have committed merchandise theft on multiple occasions with the total of goods being "triple" of the reported \$406.25, however, there was no proof of the other merchandise theft. All provided documents and a DVD of the incident were logged into PMI as evidence (TN: 34262). Celestine was issued a citation (MA33316) for theft and was given a Garfield Heights Municipal Court date of June 16, 2023 at 0830 hours. NR570.

On 06/14/2023 I responded to the area of Barona's Bakery at 15842 Libby Road for a disturbance. Upon arrival, I did not observe any disturbances. On the east side of Barona's I observed two elderly individuals talking with a juvenile, identified as Jaylen McCintyre. The two elderly individuals left upon my arrival. Jaylen stated that a group of juveniles approached and asked him to fight. Jaylen stated he agreed to fight with the other juveniles. Furthermore, Jaylen stated that he only knew one of the juveniles name since they had fought each other in the past during the school year. The name Jaylen gave me was Corbin (unknown last

name). Jaylen did not have any visible injuries. Jaylen stated he lived with his Grandmother, Brenda McCintyre at 5507 Stanley Avenue. I escorted Jaylen to his residence and spoke with Brenda. I advised Brenda that Jaylen was in a mutual fight with Corbin, and she seemed to already be aware of Jaylen's activities that regarded him getting involved with fights. Brenda stated she wanted to document the incident, and she was going to try to move Jaylen to live with his dad to prevent further disturbances.

On Wednesday, June 14, 2023, at 1956 hours, I, Ptl. Field #573, and Ptl. Colangelo #567, responded to 20500 Raymond St for a report of threats. While in route, we were advised by dispatch that the caller, Emiyah Carroll, had been reported missing since May 1, 2023. Upon our arrival, we spoke to Carroll and her grandmother, Patrica Davis, (via phone) who stated that Carroll has been home since May 1st, 2023 and advised officers of such. Carroll went on to state that today at approximately 1700 hours, she had Cash App'd a male, only known as Rashawn Wallace who lives somewhere in Cleveland, to go to the store for her to buy her a Black & Mild from the store since she is not old enough to buy one. When Wallace refused to do so, Carroll then asked him to return the money which he refused to do also. Carroll continued to ask Wallace for the money and after some time he said he was going to come by her house to fight her. Carroll responded to Wallace saying to come over to fight. When officers asked Carroll to show the text messages showing that Wallace had threatened to physically harm her, she stated that She had deleted them prior to officers arrival because she "didn't think they were necessary." Carroll's grandmother, Davis, was advised of the situation and she stated that she just wanted the situation documented because Carroll had invited Wallace over to the residence to fight. A cancellation sheet was completed for Carroll and she was taken out of LEADs as missing. CF573

LOTTERY BOOK TAKEN, NEEDS TO GET REPORT TO GET REIMBURSED.

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for a report of lost property. Upon my arrival, I spoke with the reporting party Ajay. Ajay stated that he lost lottery book #703-11-9511 at an unknown date and realized it recently while conducting an inventory. Ajay also notified the state, a representative from Ohio lottery was on scene the same time i was, the representative is Vince Vartorella. Vince advised me he would need this incident documented for Ohio lottery purposes. The lottery book has not been activated and Ajay has no reason to believe the Lottery book to be stolen only misplaced.

I spoke to Achana Brown. Achana stated that her daughter, Aangel Brown and another neighborhood girl, Janele Moore got into a fight on a previous date while at her residence. (Maple Heights Police Units were not contacted for a disturbance on the day of the alleged incident). Achana advised me she spoke to Janele's father, Jeremy Moore in regards to the fight and informed us that situation was taken care of amongst them. Achana asked if officers could speak to Jeremy and his daughter to advise them of trespassing onto the property. I spoke to Jeremy and Janele and advised them of trespassing onto the property. I did not observe any visible injuries on either juvenile that would indicate they were involved in a fight.

 67- HOUSE CHECKS SECURE // DOOR WAS LOCKED - THERE WAS PREVIOUS DAMAMGE DONE FROM THE PAST BUT THE DOOR WAS ABLE TO BE SECURED

Officers responded to 15508 Maplewood Avenue for a breaking and entering. Upon arrival, Officers discovered that the address is a vacant residence with an unsecured glass panel on the door. Officers made entry into the structure and verified there were not any individuals inside. There was not any damages inside the structure that indicated further damage from how the house was previously left. The contact number for the key holder was not valid, and no contact could be made with the owner. The neighbor who called wished to remain anonymous. Officers spoke to the neighboring residents that were outside at the time and they stated they have seen juveniles enter the property at prior dates and times. Officers surveyed the area and only observed juveniles playing and socializing at Southgate USA Park. The side entrance to the vacant residence was re secured and locked and we advised the neighbors to contact police if they saw further activity continue on the premises.

I spoke to Dave Lee who informed me that there was a group of juveniles (approximately 4-5, unknown names or genders), that were inside the complex and knocked on his door as a prank and ran away. Dave stated he has seen juveniles in the past smoking what he believed to be marijuana in the garages and laundry rooms. Dave further informed me that the property management staff advised him they could not afford to put locks onto the laundry room doors after he suggested them. Dave stated he wanted this information documented. Dave was advised to call when the juveniles are back in the building so we can speak to them.

IN LOBBY WANTS TO MAKE A REPORT ABOUT A PACKAGE STOLE FROM HOME					
I spoke with Jill Moliff, who advised that she received a notification that an Amazon order had been delivered, without a signature, on June 13, 2023, while she was at work, that contained several baby shower decorations (10 items for a total value of \$156.10). When Moliff returned home after work, she saw that the package was not by her mailbox where the notification stated it had been delivered. Moliff contacted Amazon and they stated that USPS had not actually delivered the items but had just marked it as delivered but that the items would be delivered the next day, June 14, 2023. On June 14, 2022, when the package still had not been delivered, Moliff responded to the Bedford Post Office to inquire as to where the package was and they stated that they had in fact delivered it on June 13, 2023 and put the items next to her mailbox. Moliff spoke with Amazon to have the items replaced and they told her to document the incident with MHPD so Amazon could investigate it. CF573

4566/ SPOKE TO FAY SHE WOULDNT ACCEPT HER SUMMONS, SHE WAS ADVISED OF THE COURT DATE AND THE PAPERWORK PLACED ON HER PORCH-

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for a report of trespassing. Upon my arrival, I spoke with the caller and owner of the property, Daniel Gorsuch. Daniel stated that the residents of 5613 Jefferson Ave have been coming onto his property for awhile now and they have already been advised of criminal trespassing. Daniel showed me video footage from June 14, 2023 from his security cameras showing V Fay Hutson knowingly walking upon Daniels driveway on the west side of the property. Daniel stated that he would like Fay charged with trespassing.

Officers have had multiple calls for this same situation in the past. The following is a list of CAD calls starting on January 1, 2022.

(06/02/2023) MA22-10112705: I responded and advised the residents of 5613 Jefferson Ave (Edward and V Fay Hutson) of trespassing on Daniels property and I also advised Daniel he was not to trespass on the property of 5613 Jefferson Ave.

(06/03/2023) MA22-10113593: Ptl. Colangelo #567 responded to the area for Edward trespassing. The caller, Daniel, was advised of how to acquire a TPO and neighbor mediation was advised.

(06/10/2022) MA22-10118922: Ptl. Scott #552 responded to the area for Edward trespassing on property. Neighbor mediation advised to both parties.

(11/28/2022) MA22-10257503: Ptl. Kaur #553 responded to the area for Edward on Daniels property again. Daniel was issued a citation for trespassing.

With this knowledge it is clear that V Fay knew Daniel did not want her on his property. V Fay was issued a misdemeanor citation (MA34041) for trespassing, the citation was signed by Daniel Gorsuch. V Fay was given a court date of June 27, 2023 hours at 1530 hours in the Maple Heights Mayors Court. V Fay was served her copy of her citation at her residence. I spoke with V Fay and Edward about the citation and explained to V Fay why she was being charged with trespassing. I also advised V Fay the date and time of Mayors Court and where Court would be held. V Fay refused to take her summons and instead continue to ask why I was at her house. I advised V Fay is she did not appear on the date and time she was summoned, a warrant for her arrest would be issued. V Fay continued to argue with me and refused to take the summons. V Fay's summons was placed on the front porch and I left the area.

A copy of my POV footage has been burned to a DVD and entered into evidence (TN#34296).

On 06/16/2023, I, Ptl King #558 received a call to 16021 Northwood Ave for a male who wished to relinquish a firearm. I spoke with Thomas who advised he was cleaning out his late wife's possessions when he found a Davis Industries P-32 (s/n P162647) with her items, along with a box (50 rounds) of 32 caliber

ammunition and a holster. Thomas advised he did not want the firearm in his house. A check of the serial number did not return any results. The firearm was taken and entered into property (TN: 34288). A firearms trace request was completed. LK558

I spoke with Kelly Brown who advised that a (16 years old) has been sneaking into her residence, into the bedroom of Kelly's daughter (16 years old). Juveniles are dating. Kelly advised around 1130 on 06/16/2023, was discovered outside of the residence on the property. Additionally, Kelly stated that juvenile has been posting pictures of female juvenile's bedroom on Instagram leading her to believe that he has been inside the residence. Kelly stated she did not want juvenile to return to the residence. I called juvenile's mother, Gwendolyn Hostetter and advised her that her son was being given a criminal trespass warning and not to return to the property. I then asked Gwendolyn for male juvenile's date of birth and she hung the phone up. I called a second time and after asking for the same information, Gwendolyn hung up on me again. Kelly was advised to contact us if male juvenile returns. LK558

Lisa Folisi came into the MHPD to document two fraudulent checks that were written without her consent. Lisa stated several days ago she placed two checks in the mailbox (either Lyndhurst or Maple Heights). Today, listen checked her Huntington checking account and noticed \$4801.61 missing from her account. Listen went to Huntington Bank to file fraudulent activity. Huntington provided two check images, one for \$3500.67 written to a Raenello Hillbert and another check written to Raenello Hillbert in the amount of 1300.94 for mobile deposit only into Citizen Bank #4562059933. Lisa was given this CAD number to satisfy her bank needs, however, she was advised to file a report with her local postal investigators.

60- KNOCKED ON FRONT AND SIDE DOOR SEVERAL TIMES AND NO ANSWER. ALL UNITS CLEAR

At the time of the original call, I was informed the father had sole custody of the child. I advised since the father had full custody we would not be checking.

Later CPD officer called to speak to me. I was then informed the parents have joint custody and the juvenile was being entered as an endangered missing person since the mom is stating the juvenile is being forced to use crack cocaine and is possibly being sexually abused. CPD also informed me the juvenile might somewhere on 93rd Street, but they wanted to check the Brunswick address before they dispatched their own officers to 93rd. We did attempt to make contact at the address, but there was no answer and it did not appear anyone was home. The information was passed on to CPD. STB514

I spoke with the caller, David Jones. David stated at approximately 30 days ago, he had hosted a family gathering at his home. David stated 2 days after the family gathering, he observed his safe was missing from the basement. David stated that he had approximately \$200, along with his firearm (Taurus unknown model) stored inside his safe. David stated he did not know the serial number on his firearm. David stated he believed he misplaced his safe or a family member took it when he hosted the family gathering. David stated he will be continued to look for his safe. I advised David to retrieve the serial number off his firearm, return back to the Maple Heights Police Department. I advised David his firearm can be entered as stolen upon receiving the serial number. Once David returns with the serial number a report will be generated. David just wanted this incident documented. I provided David a copy of the CAD incident number. ML563

73- JUVENILE TURNED OVER TO HOSPITAL STAFF. 72 WILL DISPO

On Sunday, June 18, 2023, at 0040 hours, I, Ptl. Field #573, and other Maple Heights Police Officers responded to the area of 15808 Wingate for a disturbance. Upon officers arrival, we were advised that a juvenile, Symphony Watson, had been arguing with the entire family after a party at the residence when she was told she was not allowed to leave. After Watson's mother, Felicia Oliver, had disciplined Watson for her behavior; Watson then ran away from the residence. Officers located Watson on Northwood Ave near Dunham road and transported her back to her residence. While officers spoke with Watson, she made statements of suicidal ideations. Watson was transported to Marymount Hospital for further evaluation and placed under the care of hospital staff. CF573

On 06/18/2023, at approximately 2145 hours, I responded to the Maple Heights Police Department Lobby and spoke to Dionna Lanovara for an unauthorized use of a motor vehicle complaint. Dionna stated she bought a blue 2004 Mercedes C-Class Sedan JEY9934 from Arwinerpal Atwal and had him present with her since the vehicle was still in his name. Dionna stated that she hired a Stephen Kuckoleck to work on her vehicle, and Steven picked up the vehicle from her residence, 21402 Raymond Street on 06/17/2023 between 1800-2000 hours. Dionna further informed me that Steven's garage was somewhere in Cleveland but did not know the exact address or street. Dionna advised that she attempted to call Steven (216-355-2109) about her car but he has not been answering. Dionna wanted to report the vehicle stolen as unauthorized use but since it has not been a complete 48 hours she was advised to return tomorrow, 06/19/2023 to file a report.
