On the above date and time, I, Ptl. N. Ross #570, along with other Maple Heights Police officers, responded to 5046 Erwin St. for a report of a boyfriend pointing a firearm at a female, Aiyanna Coley, and her baby. The reporting party, stated to be Terrance Johnson, advised he was Aiyanna's brother and that the incident was observed via social media. The caller further stated they had screen recordings of the incident. The caller was advised to provide the screen recordings to CVD and to officers. On arrival officers made contact with Aiyanna who advised there was no issue at the residence. Aiyanna brought her child outside to show officers that the child's welfare was ok. Aiyanna was advised of the complaint that was received and given the caller's name of Terrance Johnson. Aiyanna advised she did not have a brother named Terrance. When asked if she knew a Terrance Johnson, she stated that she previously knew a man by that name but that she has not seen him in a while. Aiyanna and her child checked ok. No video recordings were provided by the caller. NR570.

Upon arrival, I spoke to Kenneth Gaines who informed me that the family of Tyeacha Scott refused to pay for the security that Gaines Funeral Home requires their customers pay for. Kenneth stated since the family was not following the rules, he shut down the viewing and ordered everyone to leave. I spoke to Tyeacha who informed me she is the deceased daughter and that a few days ago (exact date not specified, maybe 06/17/23), her and Wilford Phelps Jr. (who is the deceased son) got into a verbal argument while in the office at Gaines. Tyeacha stated that Wilford ad made threatening comments toward her and her daughter, Heaven Scott (05/24/1985). I spoke to Wilford who informed me that he and Tyeacha verbally argued and denied making any threatening comments to them. At this time, I advised Tyeacha to respond to the Maple Heights Police Station to provide a statement on her alleged allegation against Wilford in order to get all parties off the premises. Once Tyeacha responds to the station to provide a statement, an offense report will be generated. FC567</p>

The caller stated on Friday (June 16, 2023) around midnight, Levi was at her house. Levi left with her vehicle (a black 2019 Honda HRV, OH registration JSE9608, registered to Barbara Thompson) and she has not seen or heard from Levi since then. Barbara has attempted to call Levi, but his cellphone goes straight to voicemail. Barbara knows Levi has a girlfriend who lives on the west side of Cleveland, but only knows her first name (Rachel).

Levi is a W/M approximately 6'00" and 180 pounds with a medium build. He has light brown hair that is worn short and has brown eyes. Levi's ear are pierced but Barbara does not believe he is wearing any ear rings. He has several tattoos on his arms and chest. Levi also has several scars on his head, but they might not be visible under his hair.

Levi is Bipolar, but according to Barbara he takes his medication as prescribed.

Barbara has already contacted the area hospitals without locating Levi.

Levi has not seen a dentist in years, so the dental form was not completed.

The missing person spreadsheet was updated. Levi was entered as missing: NIC # M467462586; IDX # MX12019681.

Speaking with Barbara, she stated Levi uses her vehicle and she does not wish to pursue charges against Levi for the vehicle. STB514

I spoke to store security who stated they had been informed the male had not paid for the items he had left with. When security approached the male in the parking lot, the male did produce a receipt. Security thought the receipt was not for the items with the male and informed the male he would have to come back inside the store. The male refused and started to walk away. Security attempted to take control of the male, but he twisted away and ran from the area. They had no further information on the male. Officers checked the area without locating the male. Giant Eagle will call if he returns. STB514

The employee stated the female came into the store upset because they had taken the apple pay stickers off of the door. The female started yelling and cussing at the employee, who refused to serve her due to her behavior. The employee instructed the female to leave, which she did, but on her way out she pushed over a cardboard display rack containing shampoo. There was no damage to the products. The employee only wanted this documented so his manager would know he had to take time out of his shift to fix the display. STB514

Marvin stated they had been shooting off fireworks, but they had been going straight up and not towards any houses and that everybody in the area was watching the fireworks (I did see several neighbors out watching). When I advised him they had to use his yard to shoot the fireworks off, he stated they had been and pointed out the multiple spent fireworks in his yard and that they had just moved the ones to the street. I did not observe any fireworks that had been shot off in the street. STB514

On Monday, June 19, 2023, at 2329 hours, I met with Bianca Laster, in the Maple Hts PD lobby. Bianca stated she was "shot at by her ex-boyfriend's child's
 mother in Warrensville few days ago." She filed a police report with Warrensville Hts. She stated her ex has been calling her over 10x a day and left her a voice
 note saying "I'm flushing you down the toilet. She took this as a threat. I contacted her ex, Anquonn Carter, he advised me that Bianca has been following him
 and following him around to different cities. She showed up at one of his baby-mama's homes in Warrensville after she was asked to leave several times, shots
 were fired. He stated he is working on getting a protection order. He also stated Bianca has been acting this way because Anquonn advised her he does not wish
 to be in a relationship with her. I advised Bianca to do the same and obtain a TPO. She was given all the information. HK #553

FEMALE WANTS TO TALK TO AN OFFICER ABOUT HER EX-GIRLFRIEND LOCKING HER OUT OF THE HOUSE BECAUSE OF A BREAK-UP.

On 06/20/2023 I responded to the station to speak with a female about her being locked out of the house. Upon arrival I spoke to caller, Natasha Price. Price stated that she had an argument with her girlfriend, Shontiana Barns. When Price returned to the house, Barns locked Price out of the house. Price stated that she has been living there for about a year now at 5573 Waterbury Ave and that she receives mail there.

Price stated that she is currently looking for another place to stay and just wanted this documented. She also stated that she has belongings that she needs to retrieve from the house. I advised her when she decides to retrieve her items she can contact us for a standby if she feels that there may be any issues. Nothing further.

74-SEE DISPO

On Tuesday June 20, 2023, I Ptl. LaVaglio #574 and Ptl. St. John #548, were dispatched to Short stop 16133 Broadway Ave in reference to female verbally arguing with the business owner. Upon arrival I spoke to Kajuana Underwood. Underwood stated that she dropped her vehicle off at Short Stop to get work done. She received a call from her insurance company that the check was cashed on May 30th. When Underwood arrived at Short Stop to speak to the owner, Andrea Octavia, she stated that she bought parts for her truck that was being fixed. Underwood stated that this was not true and a verbal argument started. Underwood claimed that during the argument, Octavia pulled out a gun.

I then spoke to Octavia. She stated that Underwood brought several people with her and started to make threats towards her. She stated that Underwood yelled that she was going to shoot her and beat her up. After Octavia told them to leave several times they refused, she did pull out her weapon but did not point it at anyone and told them to leave the property again. Underwood also demanded cash from the check that she received from the insurance company. Octavia stated that she did cash the check to order parts for her vehicle however, Underwood did not want her business anymore. She stated that once she receives reimbursement from the parts, she will issue a refund back. Octavia wanted to press charges for criminal trespass. Underwood was issued a summons for criminal trespass and is to appear at Maple Height Court on 07/11/23 at 1500 hrs. Both Octavia and Underwood provided a written statement regarding this incident. I advised Underwood that she is no longer allowed at Short Stop or she would be arrested for criminal trespass. Underwood and the rest of her party left without further incident. Upon arriving on scene, officers observed the subject sitting on the sidewalk with no shoes on. The subject then screamed rape multiple times as loud as he could. Officers then exited their vehicles and met with the subject, who walked away across the street. Officers were able to get the male to stop yelling and spoke with him. The male was completely disconnected from reality and he did not make any sense. He screamed profanities as pedestrians and motor vehicles during our conversation. Officers attempted to detain the subject for his safety but he tensed up and resisted officers. Officers had to physically restrain the subject by escorting him to the ground (using a bear hug technique). The subject was not harmed as he was placed into handcuffs. The male was transported to Marymount Hospital for a further evaluation.

Caller stated her granddaughter, Layla, had left work in Cleveland at around 1500 hours today and went to her father's, Justin, house. Caller showed me paperwork where she is the currently the sole guardian of Layla. The caller stated she does not believe Layla is in any danger, but wanted this documented for the court hearing on June 26, 2023. The caller did request that we respond to the Justin's address to check on Layla's welfare. The caller stated she was fine with Layla staying with her father.

When I arrived at Justin's address, he was outside and already knew why I was there. He advised Layla had wanted him to pick her up and bring her back to his house since she didn't want to stay with the caller. Justin stated Layla had just stepped out, but contacted her and she returned back right away to speak to me. Without being asked, Justin stated he was going to step inside to allow me to talk to Layla in private. I spoke to Layla, who did not appear in any duress or upset. Layla informed me she was fine and just didn't want to stay with her grandmother due to the stress of the upcoming court case and the custody issues.

I informed the caller of my findings and she informed me she was ok with Layla staying with Justin and if Layla had called and asked she would have given her permission. The caller further informed me that she was probably going to give custody back to Layla's parents at the court hearing. STB514

Julie Langmeyer came into the MHPD to report that she believes her husband, William Langmeyer, gave his social security number to the wrong person. Julie stated William attempted to contact a medical office but thinks he dialed the wrong number. Julie was advised to run a credit check and check her banking. Erin Deak called the MHPD because Dean Luther struck her vehicle while she was inside her driveway. Erin filed a CPO against Dean today, but Dean has not been served the CPO. I contacted Dean and spoke with him over the phone. Dean was made aware that he has a CPO against him. Dean understood and asked if he was allowed to get his property out of the residence. Dean was advised according to the CPO, he was granted 1 escort to get his property, however, the escort has to be in the presence of police. Dean stated he understood. Erin advised me that she was backing up out of the driveway, based on the very minor damage, it was undetermined who struck who.

Juanita Loper contacted the MHPD to report a custody dispute between her and her child's father, Melvin Lynch. Juanita stated they have an upcoming custody hearing on July 31, 2023, however, currently, there is no custody agreement. Juanita stated she wishes to pick up their 16yo son and 12yo son. Melvin stated they only have a verbal agreement on custody. Melvin was advised that a verbal agreement is not valid. Melvin did not wish to release his son to Juanita because he believes they will not attend the court date which was set of June 23, 2023. Melvin was advised that interfering with custody is a criminal offense, which he understood. The sons willfully walked into Juanita's vehicle and left the scene. Melvin had an active warrant with our department, therefore, he was taken into custody.

KEVERN CALLED IN TO STATE A MALE LEFT HIS WALLET HERE YESTERDAY AND SOMEONE TOOK IT OFF OF THE COUNTER. THEY HAVE VIDEO FOOTAGE OF THE INCIDENT

On the above date and time I, Ptl. N. Ross #570, responded to 20524 Southgate Park for a report of a stolen wallet that occurred the day prior. On arrival, I spoke with Lt. Kevern #508 who was working a side detail at the business. Lt. Kevern advised on June 22, 2023 a customer, Peter Campbell, came in to collect his food and left his wallet on the counter. A second customer came in to the business to collect their food and left the business. The store manager noticed the wallet sitting on the counter and gave it to the second customer. The second customer accepted the wallet and left the scene in a white VW sedan. On June 23, 2023 Peter reported that his credit card that was in his wallet had been used somewhere in Cleveland for a charge of approximately \$200.00. CCTV footage at the business was reviewed and showed a black male, approximately 6'00, with a long braided hair and a beard, and wearing dark clothing, enter the business and pay for his food. The male is then seen walking out of the business and entering into a white VW sedan on the passenger side. The store manager is then seen picking up a wallet from the counter and bring it outside to hand to the male in the passenger seat of the VW. The male in the VW accepts the wallet and drives away from the business. The business provided a meal ticket number for the suspect. The name on the ticket was Antoine, no last name, with a phone number of (216) 632-6554. If contact is made with Antoine, a report will be generated. NR570.

Emma further explained that her GMC Yukon OHRP (Q478139) (1GKS2EEF1BR132281) was not inside of her garage where she left it. Emma stated she bought the Yukon from Heights Boyz Used Carss LLC at 578 S. Green Road, Cleveland, OH, 44121 in February of 2023. Emma claimed she was up to date on her payments and owed approximately \$11,367.88. Emma informed me that the garage was not able to be locked and I did not observe any broken glass while inside the garage. Emma also showed me the set of keys to the vehicle. Emma further explained she used Credit Acceptance Financial Institution to send the payments to her car. I requested Emma to contact Credit Acceptance, and they advised her that the loan of the vehicle was taken over by Auto Mart in Cuyahoga Falls at 3609 State Road. (CVD advised me that there were not any repo logs at her residence or for the vehicle). While at the residence, Emma's neighbor, Michael Jackson came out and stated he recalled a tow truck driver knocking at the residence asking for Emma. Michael stated he informed the driver that she was not home and the driver proceeded to tow the vehicle. I explained to Emma that she should contact Auto Mart and find out if they repossessed her vehicle. I further advised Emma that we are not going to enter her vehicle as stolen at this time since it had been deduced that the Yukon was repossessed. Emma was provided with my name and badge number, along with this CAD number and contact information. If the Yukon was in fact stolen, a criminal offense report will be generated.

Anna is suffering from stage 2 Alzheimer's disease. Herr sister has guardianship over Anna and advised as the disease progresses, Anna has become violent in the past. Today she was acting like she was going to strike her and her husband stepped in to prevent Anna from harming herself or others. When he restrained Anna, she did pull away from him. When I spoke to Anna she still believed she went downtown for work everyday and took care of herself. The guardian wanted Anna transported to the hospital for an evaluation, which MHFD responded and transported. They wanted advice on to handle the situation. After speaking to Anna, the guardian and other family members on scene, I advised they needed to talk to her doctor about getting an earlier appointment for her instead of waiting for the next scheduled appointment in August. I also recommended it would probably be a good idea to look into a home where they have training and more resources in dealing with Alzheimer's. STB514

IN LOBBY TO MAKE A REPORT FOR ACCIDENT
STATED THAT OTHER PERSON LEFT SCENE AND DID NOT HAVE INSURANCE; CALLER STATED THAT IT WAS NOT A HIT AND RUN

Compl states he was traveling northbound on Lee Rd and stopped at the red light at the intersection of Libby and Lee Rd. While he was stopped, Unit #2, a red Pontiac Grand Am, rear ended his grey Dodge Ram 1500 pickup truck. The drivers spoke and exchanged information. The driver/owner of Unit #1 just wanted the incident documented because although the driver of Unit #2 gave him his information, he admitted that he did not have accident insurance. He will possibly be filing a civil suit in GHMC. He wanted this incident documented for his insurance purposes.

Dispatch spoke with Jeteris who stated he did have an issue with a female he only knows at "Keisha". Jeteris stated he made a social media post of a relationship issue and "Keisha" was upset. "Keisha" has been staying at the residence for approximately two weeks and has a key. "Keisha" knocked over dressers coffee tables and broke a second story window. "Keisha" advised 519 she has moved out and was never coming back. Jeteris stated he was satisfied that the female was no longer allowed at the residence. On Saturday, June 24, 2023, at 1714 hours, I, Ptl. H. Kaur #553, responded to the area of 15827 Friend Ave for a disturbance. William Withers advised dispatch his son was "jumped" by two black male juveniles in the area of 15827 Friend Ave. They also advised the juveniles took a pink colored bike from the callers son. The juveniles were last seen running through the library parking lot from Dare Park. While checking the area of the juveniles I observed a gray Volkswagen Atlas traveling at a high rate of speed on Library Lane. The vehicle exited onto Libby Rd and failed to stop at the stop sign on Library Lane at Libby Rd. (At the time I did not know this female was the callers wife.) I turned onto Library Lane and located three juveniles running from the McDonalds Parking lot. They were identified as (Jaylen Phillips), (Jamarion Hope), (Anthony Wright), I observed the gray SUV driving through the parking lot once again at a high rate of speed. The three juveniles stated the female mistook them for the kids that jumped her son and began chasing them in her vehicle. The female, identified as Brandy Pater, admitted to driving recklessly in the area of the Library. She stated "Nobody was around when I was going fast, and I did it to get the police's attention." Brandy was issued a citation for recklessly operating her vehicle in the library parking lot, the church parking lot, and failing to stop at the stop sign on Library Lane. There were several people in the area when Brandy was driving in the lots. William also added that he observed his wife Brandy traveling through the parking lot at a high rate of speed. The juveniles that jumped brandy's son were not located. HK #553

53-TRANS 2 FM TO THE STATION

Officers made contact with Gail and her younger sister, Alexis. They gave conflicting stories about what took place. Gail was intoxicated. It was determined through speaking with all involved that Gail and Alexis both were at a party at Exquisite Lounge (formerly Truth Social Lounge). Gail initially stated that a male she had just recently met gave her a ride home from the party, but stopped at a house on Clare, leaving her and Alexis sitting in the car for a long time. Alexis initially stated that when she was inside of the house, the male pulled out a gun and threatened to shoot her. She later denied this taking place inside of the house and stated it happened inside the car. Alexis stated it happened inside of the house and then changed her story and stated it happened outside the

house. Gail stated the male walked outside with his hand down to his side and threatened to shoot her. Alexis stated the male was waving the gun around pointing it at everyone and threatening everyone.

They took us to the residence where we spoke with Malik Carter. Malik stated that he offered the females a ride home from the lounge because they stated they were stranded. He told them he could take them home, but he had to stop at his mother's house first to check on his kids. Malik stated while he was inside the house he asked the females to wait in the car because he did not know them well enough to trust them in the house. Malik stated while he was in the house with his mother and the young children, Gail, came through the front door uninvited. Both he and his mother told her to get out, however she refused to leave until he came out to take them home. Malik stated he threatened to go get a gun if she did not get out the house, but stated he only said that to scare Gail and that he did not own a gun. Malik's mother showed me clips from their Ring doorbell which showed Gail walk onto the front porch, ring the doorbell, knock, and the turn the knob to open the door. The recording stopped just as Gail appeared to be opening the door.

Gail stated she did not wish to pursue any charges, she only wanted her house key back, which she left in Malik's car. Malik had already returned the key to Alexis, who gave the key to Gail. Neither Malik or his mother wanted to pursue charges against Gail for trespassing in their home. The females were transported to the police station lobby where they called for an Uber to get home. No further police action required. GRA519.

514-519 WAS DROPPED OFF/UNITS BACK IN

Upon my arrival, MHFD RS1 was already on scene. Fire medics were attempting to assist the male subject, Issac Sims, onto the gurney, however, he was resisting, grabbing their hands, unbuckling the belts and yelling and screaming to his mother. His mother stated she was not sure what he was experiencing, however, it was abnormal. Issac was bleeding from his head. She stated he just arrived home in that condition after being out with friends. She believed he was intoxicated and fell. Issac's brother later informed me that Issac had been hanging out with friends he did not know very well somewhere on the west side of Cleveland. He stated he saw these friends drop Issac off on the front porch, slouched against the door and was bleeding from his head. Because Issac was grabbing and pushing firefighters, I handcuffed Issac to the gurney so he could be transported to the hospital for his and FD safety. I performed a safety search of Issac's person before the rescue squad transported him. I located a black grocery store style bag that contained a small clear plastic baggie containing a green leafy substance suspected to be marijuana, another bag containing loose tobacco emptied from a blunt cigar and an open pack of rolling papers. The marijuana was weight (5.04g) and entered into PMI as evidence (TN: 34426). The bag of loose tobacco and rolling papers were destroyed. Issac was transported Southpointe Hospital where his brother met him. Issac was issued citation MA31565 for Possession of Marijuana. He was served his citation and both he and his brother were advised of his court date on 07/11/2023 in Maple Hts Mayor's Court. GRA519.

553-WILL TYPE UP DISPO/UNITS CLEAR

FORWARDED TO 553 FOR DISPO

On Sunday, June 25, 2023, at 0251 hours, I, Ptl. H. Kaur #553, and other Maple Heights Units responded to the area of 5548 Dunham Rd, for the report of a male found sleeping in the upstairs section of the callers rental property. The caller, Raymond Kadas, stated his prior tenant no longer lives at the home and he has been cleaning out the Unit. He was upstairs when he tripped over a male laying in the second floor hallway. Raymond initially stated he does not know the male, who was identified as Ahmad Smith. He later stated his friend, and former tenant, Amber knows Ahmad. Raymond stated he did not locate any doors or windows on his residence damaged. He stated he wanted Ahmad to be advised of criminal trespass and just wants him off the property. Ahmad was able to get his belonging and leave the home. Ahmad stated he was hired by Amber to help clean the house. He stated Raymond is upset because he had a disagreement with Amber. Ahmad stated Raymond acts "cool" and sometimes he acts "like this." Once Ahmad left the area, Raymond requested no further police assistance. HK #553

On 06/25/23 at approximately 0944 hrs, I Ptl. LaVaglio #574, was dispatched to the station to speak to someone in the lobby. Upon arrival, I spoke to Christine Dorman. Dorman stated that her daughters ex boyfriend, Ahmad Smith, has been staying in Dorman's garage at 15405 Northwood Ave. She told Smith several times to get his belongings from the garage and don't return. She stated that he comes and goes from the garage and Dorman does not want him there anymore. I provided Dorman with protection order information and advised her to file for one on Monday June 26. Dorman stated that she is going to start with that and contact us if she has anymore problems or if Smith returns. Nothing further at this time.

On Sunday June 25, 2023 at approximately 1318 hrs, I Ptl. LaVaglio #574, was dispatched to 15224 Maple Park Dr Apt 9 in reference to threats being made from the upstairs unit. Upon arrival, I spoke to caller, Keisha Fredricks. Fredricks stated that she was on the phone with her mother talking about the tenant above her. Fredricks made comments to her mother about the tenant playing loud music and even called him fat. Fredricks stated that the tenant was listening to her conversation and started to make threats toward her stating that he was going to beat her up. Fredricks only knew the tenant name as "Jimmy".

I made contact with the upstairs tenant in Unit #14. Tenant was identified as, James Colbert. Colbert stated that this has been an ongoing issue with Fredricks and that Fredricks keeps harassing him. Colbert stated that the VP of the council association was made aware about it and that Fredricks has been causing multiple issues in the complex. Ptl. St. John advised him the steps to obtain a protection order on Fredricks.

I then spoke to VP of council association, Shaquinta Graham. Graham stated that she is aware of the ongoing issues and that the manager of the building is in the eviction process for Fredricks. Graham stated that she had issues with Fredricks in reference to multiple vehicles that were not permitted on the property among other issues. Both Graham and Colbert were provided the call number and to call us if any other issues arise. Nothing further.

73 TO FINISH

On Monday, June 26, 2023, at 0249 hours, I, Ptl. Field #573, and Ptl. Thomas #560, received broadcast to respond to Maple Heights Police Department Lobby for a report of a disturbance. Upon our arrival, we were met by a male, Miles Beckwith, and his girlfriend, Courtney Greene. Beckwith stated that he and Greene were involved in an argument while driving around Maple Heights. Beckwith, who was the passenger, exited the vehicle on Maple Heights Blvd and "choke slammed" Greene but didn't give any further information or context. I interviewed Greene separately from Beckwith, and she stated that she and Beckwith were driving around Maple Heights and while they were driving they became involved in a verbal disagreement over an female that he had been talking with on Instagram. Greene parked her vehicle in front of her house at 16660 Maple Heights Blvd and Beckwith exited the vehicle and started to walk away to cool off. Greene followed Beckwith and continued to argue with him. Greene proceeded to grab Beckwith's phone out of his hand to try and delete the app he had been talking to the female on. When Beckwith grabbed the phone back from Greene when he yanked it, Greene became off balanced and fell to the ground. Beckwith became scared with how angry he had become, and how he had inadvertently made Greene fall. Beckwith told Greene that they needed to go to he police station to report the incident. Greene and Beckwith stated that they do not reside together nor do they have any children in common. I did not observe any injuries to Greene's neck or body. Additionally, Greene stated that she did not wish to pursue any charges against Beckwith. Both parties were advised of domestic violence laws and went home to their separate residents for the evening. CF573
