I spoke with Bruce Dillard in reference to a stolen license plate. Dillard stated that roughly a month ago he placed a Dealer tag (004 A7GE) on a Nissan Rogue in order to take it to a mechanic. Dillard stated he dropped the vehicle off at a mechanic shop in Garfield Heights. Dillard stated this was the last time he personally observed the license plate on the Nissan. Dillard stated that the vehicle was at the mechanic shop for a week or two before he went to retrieve it.

Dillard said he brought the Nissan back to Lemons Auto and fixed the vehicle. Dillard stated he test drove the Nissan to make sure and then parked it back in the parking lot. Dillard stated that today he noticed that the dealer tag was missing off the vehicle. The Dealer tag was entered into LEADs as stolen

On the above date and time, Maple Hts Police units responded to the above address for what was assumed to be a kidnapping. Upon our arrival, I spoke with the caller, Debra Bulkoski. Debra stated she believed that her son, Jason Agnew (DOB 03/11/1978) was being held captive in a neighbor's house. Debra believed this because Jason had texted her "police", "I'm at 20713 Hansen" and then texted her "never mind, I'm out front". Officers made contact with Jason who was outside of 20713 Hansen. Jason stated that he and the resident of 20713 (Thomas Banks "slim") were talking about a debt that Jason owed Thomas. Thomas began to become aggressive and Jason got scared and texted his mom to call the police. While speaking with Jason he stated that Thomas never threatened him in anyway and he was just scared. Jason also stated that he was not being held against his will by Thomas but was at Thomas' house to do chores to pay off the debt. Thomas returned to his house with his mom. All units cleared. MAE1 NO HAZARD

On Monday, June 26, 2023 at approximately 1221 hours, I, Sgt. Frazier, responded to the Maple Heights Police Department for a report of down wires. Upon arrival I spoke with the person reporting, Dino Rizzo, who is an employee with the Dyna Green lawn care service. Dino stated Dyna Green is contracted with the City of Maple Heights for lawncare services. While Dino was riding on the back of a power spreader, fertilizing the grass, he stated his throttle got stuck, causing him to strike the brick wall located on the south side of the Maple Heights Police Department, located at 5373 Lee Road. Attached to the wall is a white wire the runs along the side of the building. The wire sustained damage, leaving the wire exposed. There did not appear to be visible damage to structure of the building. The Maple Heights Fire Department responded to the scene and cleared without incident. DF#540

On the above date and time, Maple Hts Police units responded to the above address for a tele communication harassment. Upon my arrival, I spoke with the caller, Mohamad Hussein, who stated that he was receiving texts from (914)-837-0597. The texts were asking Mohammad for an undetermined amount of money because Mohammad "waisted a girls time". When questioned Mohmmad had no idea who this person was and wasn't aware of any girl's time that he could've wasted. The texts were not direct threats but stated that the unknown number was Jesus and Mohammad was being "officially put on notice" that he owed the unknown person using the phone number money. I attempted to call this number but was sent to voicemail three times. I left a voicemail at the number informing who ever was sending the texts they needed to contact me. Mohammad blocked the number and wanted the incident documented. TV#566

The child, Malik Garrett (DOB:3/9/2019) was standing at the corner of Libby Rd and Cato St. Malik appeared to be in good health, however, he was unable to tell us where he lives. A few moments later, mother, Monique Irnich came out 5312 Cato, which was directly next door. Monique stated she had the back sliding door open for air, but the screen was torn and Malik must have gotten out using the broken screen door. I did check and confirmed that the back yard screen door was indeed torn. There did not appear to be any intent or neglect in this matter.

On the above date and time, Maple Hts Police units responded to the above address for an assault. Upon my arrival, I spoke with the caller Sakaiya Rahom, she stated that her and her boyfriend, D'angelo Moore pushed her after an argument while at D'angelo's moms house. SEE CALL #2310139709

On Saturday, June 24, 2023, at 2119 hours, I, Ptl. H. Kaur #553, responded to 15903 Maplewood Ave. I met with April Durkin, she stated her daughter Donarita Durkin, was assaulted by a male by the name of "John". They did not have any further information on this male. The male was later identified as TJ (Latonio Green.) Latonia stated the disagreement was mutual between them both, and that Donrita also participated in the "fight". Donrita showed me video of the incident. In the video, I viewed Donrita walking up on Latonio multiple times aggressively before he strikes her in the face. They juveniles both agreed to go their separate ways and advised me they will not engage in "fighting again." April was comfortable once I spoke with Latonio and advised him to stay away from Donrita and the Maplewood address where she resides.

Note: On June 24, Donrita did not have any suspect information. On June 26, she spotted the male in the park and contacted MHPD. I then ID'd the male and Latonio. The disposition is the same for both (MA2310141249, MA2310139709)

This information will be documented. HK #553

OFFICERS RESPONDING BACK OUT AT 5128 CLEMENT ABOUT THE MALE BEING AT THIS ADDRESS AND BEING FOUND WITH CALLERS 14YO
DAUGHTER.

I spoke with the caller, Joan Edmondson. Joan stated her son, Will'quan Robertson (15 Y/O) was bitten by an unknown brown dog on his left foot when he was taking the trash out at 0355 hours. I spoke with Will'quan about the incident. Will'quan confirmed he was bitten by a dog while taking out the trash. Will'quan was transported by MHFD to Marymount Hospital for further medical treatment. I did not observe any visible injuries on Will'quan left foot (Reference MA23-10141516). Dispatch received a suspicion call at 16104 Raymond St. Dispatch advised that the caller, Antonio Tabb observed an unknown male laying in the bed with his daughter, Couriana Denson (14 Y/O). Antonio stated his American bulldog Casper (3 Y/O) came into Couriana's room and started to bite the male on his left foot. Antonio stated before grabbing the male, the male was able to get the dog off his left foot. Antonio stated the male then jumped out Couriana bedroom window. Antonio stated he then observed the male getting on a blue bike and began to travel eastbound on Raymond St. Antonio described the male as a black juvenile wearing a black T-shirt. I observed Will'quan matching the description of the suspicion call. I determined these two calls were related. I spoke with Couriana she admitted to having Will'quan over her home during the time of the incident. Couriana admitted that her and Will'quan were indeed laying in her bed together when her father, Antonio came into her room. I made contact with Will'quan's mother, Joan, over the phone and advised her about the false statements Will'quan made. I advised Joan that Will'quan did not tell the truth about the incident that occurred. Over the phone Will'quan admitted of not telling the truth about this incident. Both parents were advised of how to file unruly charges against their children. I completed the Animal Bite & Exposure report form and it was faxed to the Cuyahoga County Board of Health. ML563

I Ptl. H. Kaur #553, spoke with Latasha Willis. She stated her ex-fiancé, Denayne Davidson, his brother, Martino Williamson, and Martino's significant other, Jacelyn Haddad, have all been harassing her through phone calls and text messages. She stated this began on Tuesday, June 27. They have been sending her messages from several different "TextFree" numbers after she has blocked multiple. Latasha stated she allowed Martino to stay at her residence after he got into an argument with Jacalyn. They both then began asking Latasha to return his "belongings" she stated she never kept any of Martino's property. Her ex-fiancé has also been asking her to get back with him and when Latasha let him know she does not wish to be in a relationship, Denayne began telling her to get an abortion. This has been an ongoing issue and I provided Latasha with information on how to obtain a protection order. She stated she needs this information documented because these three individuals have threatened to break into Latasha's residence. HK #553

On Tuesday, June 27, 2023, at 1852, I met with Carmalita Banks, she stated her food card had been used in California. She was unable to provide me with an exact City. When Carmalita attempted to use her card to purchase some "juice" her card did not work. The remaining balance was \$1.83 dollars. She stated approx: \$2000.00 was used in total at 10 different stores in different parts of California. She has her card in her possession. She was able to shut down all of her accounts and also started a fraud report with the agency. She does not recall traveling out of State. She stated her phone was hacked a while back and she believes that is when her food card info got out. Carmalita needed this information documented. HK #553

Upon my arrival, to the complainant, Isabell Norris, location at 19019 Maple Heights Blvd. regarding an approximately missing 2year-old male. Isabell stated she observed the male running from Beverly Ave. Moments later dispatched received a call from the father, Ardell Coleman, who stated his 3-year-old son, Amari Coleman, is missing from the house. Dispatch advised Ardell that Amari was located. Amari was transported to Ardell's residence located at 19065 Beverly Ave. I met and spoke with Ardell's mother, Katrina Coleman, who stated she was taking out trash at the rear door and Amari was standing at the door at the time. Katrina stated when she came back inside the residence she noticed Amari was no longer standing at the door waiting for her. Katrina believed Amari was back upstairs on his tablet. However, she did not hear the tablet nor Amari playing. Katrina later found that Amari was not inside the residence. Katrina rushed outside and looked up and down the street but did not see Amari. Katrina contacted Ardell and the police right away. Amari was located at Beverly Ave and Maple Heights Blvd. unharmed and safe. MA23-10142664

3 juveniles came into the store. One of them made a purchase, but declined to take his receipt. The male went back into the store with his items in a bag. Employees stated the 3 juveniles kept walking around, picking items up, and while being watched they would put the items back. When they went to exit, an employee asked to see his receipt (which he didn't have) and asked to see the contents of the bag as per store policy. The employee took the bag and used the store system to locate the receipt. While he was doing this, the other 2 juveniles finished their purchase and approached their friend. All 3 males walked up to the employee and got very close to him. The juveniles then started stating they had not stolen anything and cussing at the employee. The juveniles left the store after the purchase was confirmed. Approximately 1 hour later the mother of 1 of the juveniles arrived at the store. The mother was upset and started yelling at the employees about accusing her son of stealing. She demanded the name of the store manager, which they would not provide nor did they have the number for corporate. When I spoke to the employees they did not know the number of corporate and stated they really do not have a corporate office. I reviewed the security camera footage and observed the juveniles were picking items up and walking around with them as if to check if they were being watched. When the juvenile was asked for his bag, he handed the bag over willingly. The mother left the area before I could speak to her further. STB514

LaVaglio #574, was dispatched to 15910 Raymond St. UP in reference to a stolen vehicle report. Upon arrival, I spoke to victim Emma Daniel. Daniel stated on Friday June 23 at approximately 1200 hrs, she noticed her 2011 black GMC Yukon bearing registration of OH-Q478139 missing from her garage. Daniel stated that she last saw her vehicle in the garage on Tuesday June 20th at approximately 1700 hrs. Daniel checked with her landlord next door however, the landlord cameras were not hooked up yet. I checked with dispatch for any repos loged on this vehicle and I was advised that there were none. I also found a previous call sheet (MA-2310138842) regarding this incident. It stated that the downstairs unit, Michael Jackson, heard a tow truck driver knocking on Daniels door. When Jackson stated that she was not home, the tow truck driver proceeded to tow Daniel's vehicle away. This vehicle will not be entered into LEADS at this time pending further investigation. Spoke to Alexis Dvorak who stated that she was in a verbal argument with her child's father, Theodor Lewis. They were arguing over Dvorak's possible drug usage and Dvorak did not like that Lewis had called her a drug addict. When Dvorak's grandmother, Caroline Lanzara, called Maple Heights Police, Lewis then fled the house (due to several outstanding warrants). Dvorak stated that no threats of physical harm were made towards her, nor was there a physical altercation between her and Lewis. Dvorak was advised of Domestic Violence Laws. Spoke to the caller, Teisha Frederick, and she stated that she has had an on going issue with the resident of unit #16. Fredrick stated that the resident of unit #16 had threatened to have her evicted from the building though the landlord stated that would not happen. Fredrick also stated that earlier in the evening that unit #16's daughter had walked past her 1st floor apartment saying profanities and that Fredrick assumed that they were directed towards her. Fredrick believed that the reason unit #16 has animosity towards her is because she is sleeping with unit #16's boyfriend. At no point was Fredrick threatened with physical harm towards her. We attempted to make contact with unit #16 but received no answer at the door. Fredrick only wanted the situation documented. CF573

KIDS DROPPED OFF TO THE MOM ON STATION

On June 29th, 2023 at approximately 0752 hours to speak with, Chaveeta Agnew, regarding an escort. Upon my arrival, I met and spoke with the mother, Chaveeta, who stated her husband/ child's father, Sherman Agnew, are currently separated for approximately a month. Chaveeta advised a domestic violence transpired to where the father left the residence with their children (Shaylee Agnew, and Sharya Agnew,) in the city of Cleveland approximately a month ago. Sherman been living with his mother, Shera Jenkins, located at 5058 Cato St. Chaveeta advised there was just a protection order put into place on Monday, June 26th, 2023 with her and the children as the protective parties. I responded to Shera's residence and spoke with her regarding this matter. Shera advised that Sherman was currently at work and doesn't have a working phone at the time. Shera stated the children were with their auntie and will transport them to the Maple Heights PD Lobby in approximately 1 hour. Chaveeta agreed with the exchanged. At approximately 1040 hours Sharya arrived at the station to return the children to Chaveeta.

Sharya wanted it document that she and Sherman had the children for a month without a problem and Chaveeta was not concerned. Sharya advised they were unaware of the TPO.

CREDIT CARD FRAUD
WILL MEET AT SPEEDWAY ON ROCKSIDE RD IN BEDFORD HTS

On the above date and time, I, Ptl. T. Vasko #566, responded to the Maple Hts Police Dept. lobby for a report of fraud. Upon my arrival, I spoke with the caller, Stanley Fields. Stanley stated that he noticed a hard inquiry on his credit report. Stanley looked into the matter and was advised that an unknown person attempted to take a credit card out in his name. Stanley reported that he was not the one who was trying to take out the credit card and advised his bank. Stanley's bank was able to block the credit card before it could be opened. Stanley requested for documentation of this incident so he could provide a Police report to his bank at their request. TV#566

TAMMY GOLSON CAME TO HER YARD AND WAS VERBALLY HARASSING HER

Marsha Bean came into the MHPD to report harassment from her neighbor. Marsha thought she had already mediated the issue with her local council person, however, the neighbor recent had guest over and the guest were walking on her grass. Marsha did admit that the guest parked in the proper driveway, however, when they exited their vehicles, they walked on her grass to get to the back yard. I advised Marsha that this was not harassment and the guest are probably not aware of her feud with the neighbor. Marsha was advised to contact her council person for suggestions on handling her neighbor, which Marsha had already left a voicemail for the council person prior to coming into the station.

558 SPOKE WITH FEMALE ON THE PHONE. SHE WAS ASKED ABOUT THE STATEMENTS THAT WERE MADE. OFFICERS WERE NOT SURE IF SHE WAS HOME OR NOT.

I spoke with Loss Prevention Officer Lloyd Shaffer who advised that employee Warren Summers admitted to him during an interview that he stole \$54,000 dollars of alcohol from October 2022 until June 30, 2023. Warren wrote this down on a voluntary statement to Giant Eagle, and signed a form resigning from

Giant Eagle. Additionally, Warren signed a document stating that he would pay back Giant Eagle \$750 a month every month until 07/07/2029. Officer Shaffer advised they wanted to document the incident and have Warren pay back what he stated he stole. Officer Shaffer advised he had not created an itemized list of items taken or gotten a total value yet either. Photos of the documents were digitally attached to the sheet. Officer Shaffer was advised if they entered into a payment plan with Warren, then if he defaulted, the problem was going to be a civil one. Warren was advised of criminal trespass and escorted off the premises. LK558

CUSTODY TURNED OVER TO UNIT 53 OFFICERS CLEAR]

CITATION ISSUED

On Friday, June 30, 2023 I, Ptl. Thomas #560 and Ptl. Field #573 conducted a traffic stop on a silver Chevrolet Malibu, bearing OH registration GZK7797 at Hollywood Ave., at Waterbury Ave. The reason for the stop was speed. I, Ptl. Thomas #560 paced the vehicle driving 40mph. I activated my emergency lights and Ptl. Field advised dispatch that we were conducting a traffic stop. The vehicle was slow to stop and went eastbound on Waterbury Ave., then northbound on Oakwood Ave. The vehicle finally stopped in front of 5566 Oakwood Ave. As Ptl. Field and I were approaching the vehicle, the vehicle took off and then abruptly stopped in front of 5558 Oakwood Ave. The driver, later identified as Quinton Alston, was ordered out of the vehicle at gun point as Ptl. Field and I conducted a Felony Stop on the vehicle, due to him taking off from the initial stop. Quinton was placed in handcuffs, and placed in the rear seat of marked unit 4423. Ptl. Field cleared the vehicle for any additional parties with negative results. Quinton was driving under suspension. While conducting a tow inventory of the vehicle, Ptl. Field located 38g of suspected marijuana. Two packages were located in the center console and one bag was located inside a black backpack that was on the front passenger seat. Inside the backpack was also a scale with marijuana residue on it. Also, inside the vehicle was two loaded Glock 40 Cal. magazines. One magazine was able to hold 22 rounds, but had 19 rounds loaded into it, and the second magazine was a 15-round magazine with 15 rounds loaded in it. It is to be noted there was no firearm recovered inside the vehicle or on Quinton. Interstate towing towed the vehicle. Quinton had a warrant through North Royalton Police Department and Quinton was turned over to North Royalton Police Department shortly after. Quinton received a citation for possession of marijuana (MA35497), and three total traffic citations, speed, 40 in a 25, Failure to Reinstate, and window tint (P32019). Quinton was given a Garfield Heights Municipal Court date of July 12, 2023 at 0830 hours. The loaded magazines and keys that were located inside the vehicle were put into evidence as found property. Davenport to do renovations on the listed address she purchased. The invoice stated Woods would pay \$8,600 and then another \$4,000 when the job was completed. The invoice said Davenport was to replace toilets, sinks, countertops and also new paint, floors, etc. The invoice also stated the job was to start on 04/20 and be finished within 45 days. Woods said the home has had all toilets and sinks removed, however they have not been replaced. She also said Davenport has not been to the home in 3 weeks. Davenport stated that he has not been to the home because Woods wanted more expensive items in the home then was originally quoted. When Davenport asked for more money, Woods said no. Woods also said Davenport's bond is expired. Davenport stated Woods was aware of this, and wanted a "under the radar job". Woods was advised to take this to civil court. MM569</p>

Kainon stated she was stopped at the traffic light at 480E Northfield Rd exit at Northfield Rd when a white Nissan Sedan struck her in the rear. Kainon stated she exchanged information with the other driver, who she identifies as, Brianna Goldsmith. Brianna provided Kainon with her drivers license and license plate. Kainon thought she was in Bedford Hts, so drove to their PD but was turned away and advised to make a report with MHPD. Kainon stated her vehicle was not driveable so she called to notify us of this accident. I attempted to contact Brianna but I had to leave a voicemail. Kainon provided photos that she took of her vehicles damage due to her car not near Maple Hts. I advised Kainon that I would need Brianna's statement in order to complete an OH-1.

Sitara Morris contacted the MHPD because her mother, Syeno Stoner, would not let her 8yo son leave the house. Sitara stated that her 8yo was upset because she disciplined him by taking away his video game. Syeno stated that Sitara was being rude to her 8yo by forcing him to leave her house. Syeno was not interfering with custody, she just wanted her daughter to understand how to treat her children.

MALE SONNY EFFORD AND FEMALE WERE IN A DISAGREEMENT ABOUT SOMETHING STEMMING FROM CLEVELAND. MALE LEFT PRIOR TO
OFFICERS.

On Sunday, July 2, 2023, at 0342 hours, I, Ptl. H. Kaur #553 and other Maple Heights Units responded to 20801 Gardenview Dr. for an unwanted guest. The caller, Armani Mcrae, stated a male followed her from a bar in Downtown Cleveland to her residence. She stated she left her door open. Initially she stated the male followed her and then made entry into her residence. She then stated she spoke with him on the phone and had knowledge that he would be coming to

pick up some of his belongings. She changed her story from "Unknown person following her and entering her home." to "We are dating on and off." She provided dispatch with a name of Andion Efford. However, she advised officers on scene the male's name is Sonny Effort. We were unable to locate any information on the male even after running the phone number the female provided. I observed a small cut on the female's right eye. The cut from a candle the male threw at Amari while she was laying on the couch. I asked if she wishes to pursue criminal charges for Assault. The female stated "No, I just want to go to my mom's house." The female signed a waiver, and also got evaluated by the Maple Heights Fire Department on scene. Amari stated she does not reside with this male and she does not have children with him. She stated she has known him for two years. HK #553

I spoke with Andrea Acy who advised she parked her 2013 Buick bearing OH registration JZM9291 in the driveway of her residence at 15316 Greendale Ave around 2200 hours on 07/01/2023. Andrea advised she is unsure if she locked her vehicle. At 0900 hours on 07/02/2023, her daughter Bianca Drake observed Andrea's ashtray on the trunk of the vehicle. Andrea came out to her vehicle around 1500 hours and observed the contents of her vehicle appeared to have been rummaged through. Andrea also advised the ashtray on the trunk of her vehicle was not where she left it when she returned home. Andrea advised that her gray handbag (unknown brand, valued at \$50), containing Eden Housing papers, and "RAFTA" packets was taken as well as her work cellphone (Samsung A23, valued at \$900). Andrea advised the phone was turned off when she last checked. Andrea advised before my arrival, she had already gone through the vehicle and moved several things. No video footage was located to the event. Photos of the vehicle was digitally attached to the sheet. Should a criminal suspect be identified a criminal report may be generated. LK558

 CITED MA34043

On 07/02/2023 at 1627 hours, Officers responded to the parking lot of Giant Eagle for the report of several children inside of a hot vehicle. On officers arrival, they spoke with Monica McMichael who advised she was in the parking lot of Giant Eagle and heard children crying. She checked the area and located four children inside of a black Audi bearing OH registration JMH9834 (VIN WA1DGAFPOEA024754, registered to Betty Harris). She advised officers that the windows to the vehicle were up and the vehicle was not running so there was no air conditioner (officers note: at the time, the temperature was listed as 81 degrees Fahrenheit). Monica then called police. Monica also advised that by the time police were able to respond, the children had been inside the vehicle for twenty minutes. On officers arrival, the owner of the vehicle, Betty Harris was also on scene and officers noticed the windows of the vehicle were open approximately 4 inches. Betty stated she went inside Giant Eagle to get a refund from being overcharged and stated the children were left in the car for approximately 15 minutes. The children inside the vehicle were Emmie Ora (02/27/2023, 4 months old), Kamora Thomas (03/10/2016, 7 years old), Dikaylon Thomas (12/03/2019, 3 years old), and Daliah Smith (04/15/2017, 6 years old). Betty provided the name of Emmie's guardian, Terri Sanders (216-647-9616). Betty also provided the name of the other children's guardian, Milba Jeter (216-801-0497) and stated that Betty was the children's grandmother. Maple Heights Fire Department (MHFD) was contacted to check on the health of the children. MHFD advised officers on scene that the children appeared ok to them. Betty was issued citation MA34043 and issued a Garfield Heights Municipal Court Date of 07/12/2023 at 0830 hours. 696 Kids was contacted and Elizabeth was notified who provided intake #22704661. I spoke with Patricia Pollard in reference to the rear passenger side window being broken out on her 2015 Hyundai Elantra (OH#JEZ1528 VIN#5NPE34AF1FH037500). I observed the broken window glass on the floor of the garage. I also observed the steering column to be peeled. However, the ignition was not pulled out. Patricia stated that she had the nationwide recall update on her vehicle which prevents the vehicle from starting without the key. At this time there are no suspects. Should further information be obtained a report will be completed. BF572
