On the above date and time, I, Ptl. N. Ross #570, responded to the area of the Rockside Rd. Dunham Rd. intersection for a report of a female walking on the

sidewalk with no shoes on who was also nonverbal. On arrival, the Maple Heights Fire Department was on scene with the female, Joyce Johnson. Joyce spoke with me and advised she was released from the hospital earlier on, was homeless, and did not know where her ID or jacket was. Joyce initially requested that she be taken to the Maple Heights Police Department to file a report on her missing property, however, it was determined that her property was lost/ taken in the Brunswick area. Joyce was advised to contact the Brunswick Police for the report. Joyce was then offered a courtesy ride to the BMV to obtain a new ID. Joyce accepted the ride and was taken to the BMV in Bedford. According to Dashoun him and Manten have fought each other in the past. Dashoun was honest and admitted him and Manten had been texting each other earlier in the day and had agreed to fight. When asked about the firearm, Dashoun stated there were no guns involved but he had heard Manten had been known to carry a pistol in the past.

I spoke to Dahoun's grandfather, Gary Hogan, and informed him of the incident. At this time, with the fact that Deshaoun had agreed to fight Manten, he only

wanted the incident documented. Gary is going to contact Deshoun's school and inform them of the incident. STB514

On Monday, June 6, 2023, at 2115 hours, I, Ptl. Field #573, along with other Maple Heights Police Officers, responded to 5335 for a report of a person refusing. Upon officers arrival, we spoke with the caller, Sierra Ivy, who stated that she invited her boyfriend, Johnathan Hunt, but when she realized he was intoxicated she then locked him out of the house. Hunt then proceeded to break the door in an attempt to enter the house. Ivy went on to state that Hunt has been living at the residence for a significant amount of time though he is not on the lease to the property. Ivy was advised that even though Hunt is not on the lease, he does still legally reside there. Ivy was advised on how to file for eviction with the Garfield Heights Municipal Courts. Both Ivy and Hunt were advised on domestic violence laws. Hunt left the residence willingly and was transported to the RTA bus stop at Granger Rd/Dunham Rd. CF573

On Tuesday, June 6, 2023, at 0436 hours, I, Ptl. Field #573, received an email report for an identity theft. I spoke with the caller, Ronnita Stearns, who reported that when she was pulling her TransUnion Credit report she observed several accounts (ranging in dates from 2021-2022) that she did not recall opening. Stearns also reported that someone had been using her name in reference to an a Cuyahoga Metropolitan Housing Authority address of 4209 Green Ct., Cleveland OH 44104. Stearns stated that she did not know anyone that lived at the Green Ct address or anything that had occurred in the past 2 years because "it was a blur." Stearns reported that she had not received any contact from creditors for any repayment on bills and just wanted this incident documented to dispute the credit report so she would be able to purchase a vehicle in the future. Upon running Stearns through LEADS, Stearns had a valid Conceal Carry License through Lake County Sheriff's Office that was registered through the address at 4209 Green Ct. When I asked Stearns about her CCW permit and why it would be registered to the Green Ct address if she did not know who lived at that address; she stated she doesn't remember what address she registered the license through. Stearns said that she no longer has her CCW card to help her remember why she would register it with that address. Stearns was provided the CAD incident number. CF573

On 06/06/2023, Maple Heights Police Units responded to 5391 Sunnyslope Road APT 11, for a verbal argument between Antonio Evans and Treyvon Trammell. Upon our arrival, I spoke to the caller, Antonio. Antonio advised me that Treyvon had already left prior to our arrival. Antonio advised that Treyvon and him are live in boyfriends that are going through a break up. Antonio explained that Treyvon arrived to the apartment to retrieve clothing but began to verbally argue with Antonio. Antonio explained that Treyvon and him did not get physical with each other, but before Treyvon left he punched the Insignia television located in the bedroom and caused the screen to crack. Antonio advised he wanted this information documented.

Manten yelled at Dashoun to get off the block or that he would get him. Manten did not brandish any firearms at Dashoun at the time of the incident. Gary stated that he only wanted the incident documented at this time due to what had occurred the previous day. Gary is going to contact Deshoun's school and inform them of the on going incidents between Dashoun and Manten. CF573

When I checked the front window I did not observe any hand prints or marks on the window, nor did I observe any disturbance to the grass or foliage in front of the house. CF573

While leaving another call, officers observed a vehicle stopped at the stop sign on Longvale at Dunham. When the vehicle did not proceed, officers conducted a traffic stop to check on the driver, Korie. She stated she had stopped to check her phone and did not observe us behind her vehicle. While Ptl. Field was speaking to the driver, I was on the passenger side of the vehicle. While looking through the window, I observed the end of a pistol in the center console. Korie was removed from the vehicle for safety and detained on her warrant and to determine the status of the pistol.

Korie stated her friend, Lance Lindsey, had used her vehicle and the pistol must have been his. Lance was contacted and agreed to respond to our location to sort this out. He stated he had been working on Korie's vehicle and must have left the firearm in her car. When he reported the pistol missing (23-10077465) he did not think to check her vehicle. He could not explain how Korie was unaware the pistol was in her console. Lance had information proving he was the owner of the firearm. The pistol was returned to Lance at the scene and Korie was sent on her way with instructions to take care of the warrant. The original report was supplemented and a cancellation form was sent to dispatch. STB514

On 06/07/2023 at 0934 hours, I, Ptl King #558, was stopped in marked unit 4426 at the intersection of Cato St and Libby Rd facing south on Cato St. The traffic light turned green with a green left turn arrow for Cato St, and I observed a silver 2002 Oldsmobile Intrigue bearing OH registration JTM9292 (VIN: 1G3WH52H12F276156, R/O Armoni Crenshaw) drive westbound through the intersection on Libby Rd, which had a red light. I initiated a traffic stop on Libby Rd at Philip St and spoke with the driver, Armoni Crenshaw. I advised her the reason for the traffic stop and she advised me she believed the light was yellow when she went through. Through LEADS, Armoni was found to not have a valid driver's license, and to have a disorderly conduct warrant through Maple Heights (OCA 1900797). Armoni was brought back to Maple Heights Jail where she was booked into the jail for her warrant. Armoni was issued traffic citation P29665 for Red Light and Driving without a Driver's license. Armoni was given a Garfield Heights Municipal Court Date of 06/21/2023 at 0830 hours. LK558

558 TO COMPLETE

I spoke with Raviele Lane who advised while at 20008 Clare Ave to assist the father of her child, a female whose name Raviele doesn't know drove past in a gray Jeep grand cherokee and pointed something at her that Raviele initially believed was a firearm. Raviele advised she believes the female's name starts with an "S" and her last name is Pollard. When asked to describe the gun, Raviele stated she couldn't describe what was pointed at her because she wasn't wearing her glasses and needs them to see. Raviele then showed me a video on her phone of a verbal altercation with the female inside the residence. However the video does not show any firearm in it. Raviele was advised on how to get a protection order and to contact police if there is any further altercations with the female. LK558

FEMALE RECOVERED HER VEHICILE IN WASHINGTON DC AND DROVE IT HOME AND NOW WOULD LIKE TO HAVE IT REPORTED AS FOUND

On the above date and time, I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department Lobby for a report of a recovered stolen vehicle. The caller and owner of the vehicle, Cynthia Gordon, stated that she took her Blue Toyota bearing Ohio registration JXX9189 (VIN 5TDDCRFH1GS018704) down to D.C. She parked her vehicle in a parking garage and went to visit the local museums. Upon her return she could not locate her Toyota and reported it stolen to a D.C. Police Officer. Cynthia stated she reported this incident to Officers A. Fresso report number 23-088317. Cynthia returned the next day to the area and found her vehicle where she originally parked it. Cynthia believes that because it was dark and she was new to the area she lost her Toyota and it was never stolen. I observed the vehicle and confirmed that Cynthia was the registered owner. Dispatched advised the Toyota was confirmed stolen and sent the hit confirmation to the entering agency. The vehicle has been taken out of LEADS as stolen.

540 ADVISED

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for a report of a theft that occurred around 1630 hours. Upon my arrival, I spoke with the manager of Family Dollar, Alex Roubert. Alex stated that around 1720 hours he noticed the back, fire exit door had been opened and the seal on the door had been broken. Alex viewed camera footage and had seen 3 black males and 1 black female stealing an unknown amount of what Alex believes to

be laundry detergent. Alex estimated about \$500 worth of product was stolen and the suspects ran out the back door. Photographs of the suspects have been uploaded with this document. I canvassed the outside area but could find no working cameras at the time to see where the 4 suspects went. Tv#566

ANASTHAZIA WAS ADVISED TO COME TO THE STATION TOMORROW BETWEEN 0700-1900HRS.

I spoke with Anasthazia Wills who advised that she got into a physical fight with Ashley Johnson at 5049 Thomas St in the driveway. Anasthazia advised her father and Ashley's mother are dating. Ashley was moving out of the house when she made racial slurs alluding to Anasthazia's boyfriend. Anasthazia swung at Ashley and the two began fighting when a neighbor called police. Anasthazia advised she was knocked to the ground and struck her head. EMS was called and Anasthazia declined to be transported. She was also unsure if she wanted to pursue criminal charges. She was advised to come to Maple Heights PD on 06/08/2023 between 0700-1900 and speak with me if she wished to pursue criminal charges. If she does, a criminal report may be generated. LK558

Howard went to 18216 Knoll Dr. to pick up her daughter. Harmon began arguing with Howard about an issue with her phone. Harmon pulled the phone out of Howards hand. Both Howard and Harmon were trying to keep ahold of the phone. After the struggle over the phone, Howard had an extremely minor scratch on her hand. Howard did not know what actually scratched her hand. Howard stated that Harmon had a gun on him when this occurred, however he did not threaten her with it. Harmon left the house with Howards' phone. I advised Howard I would go speak with Harmon. Upon arrival to 18216 Knoll Dr., I spoke with Harmon, who brought the phone back to his mother, who in turn brought the phone to the police department to give to Howard. I spoke with Gloria Gempko, an employee at Redi Storage, who advised damage to a pole near building #6 was noticed on 05/09/2023. They checked their security camera footage and stated they believe the damage was caused by a Uhaul truck (unknown license plate/VIN), which was moving items out of Unit #924, rented by a Zelma Seats Starks. Zelma spoke with employees on 05/23/2023, and I was advised that Zelma told them due to the length of time which had passed, she was not paying for any damages. Additionally, Zelma had already moved her belongings out of the storage unit at that time. Today, Gloria contacted police to report the damages, however when asked about the time delay, she advised her boss, Joseph Salemi, had only notified her today to contact police. I watched the security video of the Uhaul on Gloria's phone, however, I was unable to see the pole getting damaged. I called the phone number provided for Zelma, 216-315-8079, however the call rang several times then disconnected. I then had dispatch call Garfield Heights to attempt to make contact with Zelma at her listed address, 5509 Turney Rd, however Garfield Heights left a note for Zela to contact the MHPD. Photographs of the damage were attached to this report. LK558

 4540/ AFTER SPEAKING TO THE WIFE HE HAS CHF WHICH IS LIKELY THE CAUSE OF TODAY'S ISSUE.

I arrived on scene and observed a male later identified as Terry Bowen sitting in the driver seat of a white schoolbus. Terry was non-responsive, and had a weak pulse. Terry was removed from the bus and I could no longer feel Terry's pulse. At that time, EMS arrived on scene and began chest compressions. A coworker, Monica Jeffries, advised Terry worked at Bright Start Child picking up children and bringing them to the day care. Terry arrived at work, walked from his vehicle to the bus, began pulling out of the parking lot with the bus then stopped. Monica wondered why the bus had stopped and walked over to observe Terry unresponsive in the driver's seat. No alcohol or drugs were detected in the area. Terry's wife, Linda Bowen arrived on scene and advised Terry had a history of congestive heart failure and diabetes. EMS transported Terry to Marymount Hospital. LK558

On the above date and time I, Ptl. T. Vasko #566, responded to the above location for a theft report. Upon my arrival, I spoke with the caller who stated that a

black female ran out of the store with various items of merchandise in her hands with out paying. After watching camera footage the female ran from the store and got into a white SUV. I was not able to observe a registration plate on the vehicle due to the cameras low resolution. If the subject is identified the caller would like to pursue charges. A photograph of the subject taken from camera footage has been uploaded.

 4560 -- DANIEL JUST WANTED THIS DOCUMENTED / UNITS CLEAR

On Friday, June 9, 2023 at approximately 2334 hours, I, Ptl. Thomas #560, was dispatched to 14605 Schreiber Rd., for a report of a broken mail box called in by Valley View Police Department. Upon arrival, contact was made with Daniel Bertovich. Daniel stated he called Valley View Police Department to report the incident. Since the incident happened in Maple Heights, I responded. Daniel stated he was having a bonfire at his neighbors' residence in the backyard when he heard boom / bang sound coming from the front yard. Daniel went to his neighbors' front yard and noticed his mailbox had been struck and broken. Daniel

stated when he was in the front yard he saw an unknown make, model and color of the vehicle drive westbound on Schreiber Rd., towards Valley View. By the time I responded, Daniel already cleaned up the broken mailbox. Daniel was also unable to obtain a plate number for the vehicle that struck his mailbox. Daniel was unable to give any information on the vehicle involved, and stated he did not even want to report the incident to the Maple Heights Police Department, but since Valley View Police Department did, he just wanted the incident documented. PRINTED TO STATION / OIC ADVISED

On Saturday, June 10, 2023, at 1900 hours, I, Ptl. Field #573, contacted the caller, Tiara Marrow, and her mother, identified as Emaleasa Marrow, in reference to the phone message they had left for a Emaleasa's previous foster child Kyla Firnk. Both stated that Kyla no longer resides at 5705 Harrison Ave and nor do they know where she resides at currently. Emaleasa stated that last night at approximately 2100 hours, she had received a call from an unidentified number. When Emaleasa did not answer, the person texted her saying "Hey Kyla, It's Lawrence, are you ok?" When they called the number back they received no answer. Tiara stated that she assumed from the formal name of Lawrence that it was an adult but had no other proof. Emaleasa stated that she wanted to wait to contact the police till she knew a little more about the situation and did not want to jump to conclusions especially since Kyla no longer resided there. The female did come to the front area of the house and spoke to Ptl. Thomas through the closed front door and a window. She stated she was fine and not in any danger. While she was speaking to Ptl. Thomas, I was at the side door and could observe her through a gap in blinds on the door. I could not observe any evidence of injuries. I also did not observe anybody else in the house. Where the female was standing by the kitchen window, she would have access the side door to inform officers of any issues. The female was insistent she was not opening the door to speak to officers. CALLERS VEH AND HIS SONS VEH HAD TIRES FLATTENED OVERNIGHT

UNABLE TO COME TO THE STATION FOR OBVIOUS REASONS

On Sunday, June 11, 2023, at 0626 hours, I, Ptl. Field #573, responded to the above address for a complaint of a damage to vehicle. Upon my arrival, I spoke with the caller, Douglas Cranfield. Cranfield stated that this morning at approximately 0545 hours, his son saw that Cranford's 2013 Acura bearing OH License Plate #JBV1213 and 2016 Honda bearing OH License Plate HUF 4473 both had rear flat tires. Upon closer inspection of the tires, Cranfield saw a large hole in the side wall of both rear tires of the Honda and the driver side rear tire of Acura. Cranford stated that he had no idea who would damage his tires. I canvassed the area and was unable to locate any surveillance cameras with usable footage. At this time there are no suspects but should a suspect come to light, a report maybe generated. CF573

On Sunday, June 11, 2023, I, Ptl. Field #573, and Ptl. Ross #570, responded to the Maple Heights Police Department lobby for an escort. Upon our arrival, I spoke with Christina Williams who stated she saw her child's father, Aaron Bowling, on her street and came to the police department for an assist with an escort to her house. Bowling then also arrived at the police department stating that he Williams was filing false charges against him. When officers attempted to advise Bowling that there was no report being filed against him, he refused to listen to officers. Bowling then repeated previous allegations that he had made against Williams for prostitution and drug usage. When officers advised him that those allegations had been determined to be unfounded and the case would not proceed any further, he then stated that Williams had threatened to "blow his brains out." When Bowling was asked to elaborate further about the threats, he refused and would not elaborate further. Bowling then left the station. While officers were speaking with Bowling, Williams left the police station and no longer needed police assistance with an escort. CF573

ISSUED MANDATORY COURT DATE FOR GHMC - CHILD SERVICES TO BE CALLED BY OFFICERS

Officers located the 2 year old male who was wearing a diaper and red shirt. The child was wearing soiled old clothes. Officers located the mother who stated someone in the home was supposed to be watching the child. The front screen door to the home appeared to be unsecured and this may have been the method the child used to leave the home. The subject was issued a mandatory court date for Garfield Heights Municipal Court.
