THIS CALL WAS NOT AS BROADCAST\*\*

On March 13th, 2023 at approximately 2029 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights PD lobby for a report of sexual assault. Upon my arrival, I met and spoke with 17-year-old juvenile. The juvenile mentioned she was never sexual assaulted and that she told dispatch that she was just to get police to speak with her. I explained to the juvenile that she could be charged for filing false report. The juvenile stated she did not know and that she understood now. I asked the juvenile why she come to the MHPD station she replied she wanted officers to make her boyfriend talk to her because they are having problems and he refuses to talk to her without being insulting. The juvenile was advised officers can't make her boyfriend talk to her. The juvenile was upset and wanted to talk to her boyfriend regarding their relationship. The juvenile stated that her boyfriend made her come to his job at Giant Eagle to fight another female that worked with her boyfriend. The juvenile also mentioned that her boyfriend assaulted her two days ago at his residence located at 5224 Stanley Ave. The juvenile stated she wanted to press charges on her boyfriend for assault or to get a protection order. The juvenile was advised that we needed to speak with her parents and have them pursue charges. The juvenile was transported to her residence to speak with her mother, Paula Dumas-Brown, regarding this incident. Paula stated she was not filing a report for assault because the juvenile's boyfriend and the juvenile argue on the daily and she did not believe the juvenile was assaulted. Paula was provided info on how to file for a TPO and DV information sheet. #554

OWNER OF SWISS CHALET CALLED WANTS TO SPEAK WITH 4514 RE: THIS MALE AND SHE NEEDS HER KEYS BACK - 216-253-6212

I spoke to Shelbie who stated she had meet "Michael" on FaceBook a minute ago. When I tried to narrow down the time frame, Shelbie was hesitating to narrow down the time frame, but finally told me she has been in contact with him for abot 2 months. Michael had reached out to her and said he needed a place to stay since he was homeless. Shelbie picked Michael up a couple of days ago and brought him to her apartment. Today she had taken a shower and when she got out Michael was gone and her cellphone and keys were missing. (NOTE: When I asked Shelbie for her idenification information she provided me with her name, birthday, and social security number. Dispatch was unable to find any infromation on Shelbie). When I attempted to gain more information on Michael, Shelbie stated she did not know his last name or phone number. Shelbie stated Michael lived on Opportunity Corridor in Cleveland, but did not know the address and had also said Michel was homeless. Shelbie stated her cellphone was an Apple 12 with a black case. The keys included her apartment, mailbox, and vehicle keys. Shelbie stated this was the first time she had been with Michael. At this time, Shelbie does nto have a way to track her cellphone, but was advised to contact Apple to have them track it and to provide me with the information.

Later in the shift, I had a message to call Angela Sanders, who is the manager for the home owners association. When I contacted Angela, I was able to gain more information on the situation. According to Angela in November of 2022, Michael had been at Shelbie's apartment and when Michael left the apartment, it

was on video of Michael stealing a package from the hallway from another resident. Angela did not have Michael's information from this incident, but had confronted Shelbie about the incident and advised her Michael was not allowed back on the property, even though Shelbie had stated she had never met Michael before. Angela also informed me Shelbie was from Nevada, even though Shelbie had not provided me with this information when I informed her we had not located her information. Angela is attempting to assist Shelbie in tracking her cellphone and will provide me with any information she is able to obtain.

CALLER SAYS HE HAS A NO CONTACT ORDER AGAINST A FEMALE NAMED AJANAE LEE FROM AN OPEN CASE IN BEDFORD COURT. TODAY, SHE HAS BEEN CALLING/TEXTING HIM AND FOLLOWING HIM AROUND MAPLE HTS IN HER CAR. HE EVENTUALLY PULLED IN TO HOME DEPOT, SHE FOLLOWED, AND WHEN SHE REALIZED SHE'D BEEN SEEN SHE LEFT.

ADV STEPS IN GETTING PROTECTION ORDER

I spoke to Dominique Ross. Mr. Ross stated that he believed he had a no contact order from Ajanae Lee however he did not provide any form of paperwork indicating that he had a no contact order or protection order. Furthermore, Mr. Ross did not have any LEADs notifications that indicated he was a protected party from any individuals. Mr. Ross informed me that he had an open case with Ajanae in Bedford and believed Ajanae had a protection order against him. Mr.

Ross wanted to obtain more information on how he could file for a protection order and Bedford Police advised him to respond to Maple Heights. I advised Mr. Ross he needed to respond to the Cuyahoga County Sheriffs Office and bring his information from the open case in Bedford and file for a protection order. Mr. Ross stated he would respond to CCSO as soon as he could.

I spoke with District Manager, Lori Rossi, she stated she was in the back room. She advised there were two males in the store taking photographs of the cameras. The male was in front of the bathroom and said he was "waiting to use the restroom." Lori asked the male several times, she said he denied taking any photographs. The male used the restroom, he was with another male. They got into a white work van from the Bedford City Schools. One of the employees also confirmed that the males worked for Bedford Schools, both male's were white and in thier early fourties. The male advised he works for IT and was interested in the wiring of the cameras. As they all walked out, the males waved at them. I spoke with Bedford City Schools staff, they advised they have an IT department and two white males do operate the van. CALLER REPORTS SOMEONE STOLE A TV THAT WAS DELIVERED BY FED EX.  
CALLER IS IN A GREY JAG

Upon arrival I spoke with Ray Johnson who stated that his 52" Insignia TV was stolen. Ray stated he was notified by FedEx that his TV was delivered outside of his apartment door. Ray stated he was not home at the time but when he arrived home it was missing. I spoke with a neighbor who stated she observed the TV around 1030-1100 hours. The building manager stated she had a contractor come in around 1300 hours to fix something in the laundry room and she did not observe any package. The building manager stated the cameras are still not working in the building so the incident was not captured on video. Ray stated he does not know who would have taken his TV. The TV price is \$250. Should any information come forward in regards to a suspect a report will be completed.

Trevana Pollard contacted the MHPD to report damage to her front apartment door. Ms. Pollard stated her friend, Jayquan Turner, who lives upstairs at APT 302, came over and was hanging out inside her apartment. They began to verbally argue, at which time, Ms. Pollard told Mr. Turner to leave. Mr. Turner gathered his video game system and leave Ms. Pollard's apartment. A few moments later, Mr. Turner returned and kicked open Ms. Pollard's door. The door came off the bottom hinge and busted the wood at the dead-bolt. Ms. Pollard stated that Mr. Turner did not enter the apartment, he only knocked down the door and ran off. Ms. Pollard was given instructions on how to obtain a CPO against Mr. Turner. I spoke with the property manager, Ed Muse, via telephone. Mr. Muse was sending emergency maintenance to fix the door. Mr. Muse was advised to come to the police station if he wished to pursue criminal charges against Mr. Turner.

I spoke with bar employee, Tara Whitley, who stated an unknown customer argued over her bar tab and refused to pay \$28.00 because she was not given the happy-hour prices. The customer left the bar after being told not to leave by Ms. Whitley. Ms. Whitley provided me with a license plate number. The owner was not present, however I attempted to call the owner with no success. Ms. Whitley advised me that this customer comes in every Wednesday and would contact the MHPD if she comes back in.

While on patrol I observed a 2020 Kia Soul backed into the parking lot on the corner of Libby Rd and Arch St. I observed the rear driver side window to be broken out. I advised dispatch of my findings and to try and locate a phone number for the owner. Dispatch advised the car was not reported stolen and they were able to locate a phone number. Dispatch stated they were able to get in contact with the owner, Robert Dennison, who looked outside and noticed his car missing. I advised dispatch to let him know we recovered his vehicle and it would be at Kelly's towing. The vehicle had scuff marks on the front driver and passenger side of the bumper. The steering column was peeled and the ignition had been pulled out. I photographed the vehicle and attached them to the CAD. BF572

563-UNABLE TO GET IN CONTACT WITH ERICK, ESCORT NOT COMPLETE

I spoke with the caller, Maurice Johnson. Maurice advised that he was employee of Dominion Energy. Maurice stated a customer, Airick Rodgers (residence at 5125 Catherine St.) failed to make multiple gas payment in the past, which caused his gas to be turned off. Maurice stated Airick was all caught up with his missed payment. Maurice stated he reached out to Airick over the phone and advised him in order to turn back on the gas he needed to enter his residence. Maurice stated Airick refused for any Dominion energy worker to enter his residence. I attempted to make contact with Airick over the phone, but he did not answer. Maurice just wanted this incident documented. ML563

Officers arrived on scene and separated the parties. Officers were advised the daughter of Samika Coleman and the niece of Gregory Johnson were in a fight. This turned into several kids fighting, so adults began to break the fight up. Coleman stated that Johnson was punching her daughter. Upon viewing the video, I observed Johnson spend several minutes trying to break the fight up while being kicked and punched several times. Johnson could not be seen punching anyone. Coleman was advised that the school would handle mediation however the police would document the incident since adults became involved. No adults were seen throwing any punches in the video. All I observed was the adults breaking up the fight that was stopped and then restarted again several times by several different people. Coleman was advised she could speak with me at a later time if she has any more information that becomes known on what started this issue.

The owner of the vehicle contacted the MHPD to report his Kia Sportage being broken into. The owner stated he saw two males inside the vehicle so he pounded on the storm door window to scare them off. The owner stated the two males ran off southbound on Lee Rd. The males were described as one wearing all black clothing and the other one wearing a grey hoodie with dark pants. Officers search the area but were unable to locate the males. The front driver side window of the Kia was broken out with a brick laying on the front driver seat. In addition, the steering column was broken, however the ignition was still operable. The owner was given this CAD number for insurance purposes.

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for a report of domestic violence. Upon my arrival, I spoke with the caller and complainant, Debra Bethea. Debra advised that she and her husband, William Bethea, had gotten into a verbal argument. During the argument William had taken Debra's cell phone and told her to leave the house. While they were walking down stairs Debra stated she tripped and fell over her foot, causing her to fall down the remainder of the stairs. Debra sustained no injury and refused EMS. I was later able to call William via a phone number provided by Debra and advised him of Domestic Violence laws, Debra was also advised of Domestic Violence laws.

I spoke with Michael Maust about money being transferred from his CashApp. Michael stated that he came to Maple Heights to see his friend Andrew

Saradakis. While with Andrew, Michael stated he and Andrew engaged in sexual activities together. Michael stated during a break Andrew asked to see his phone. Michael stated after their activities ended he called for an Uber ride home and noticed \$250 missing from his CashApp. Michael checked his transaction history and saw that \$250 had been sent to Andrew. Michael stated that he never gave permission for Andrew to send himself the money. I advised Michael that he would need to come to the police station to file a formal report and sign charges. Michael stated that he did not know when/if he would make it to the Maple Heights Police Station because he does not come down here very often and has no money. I advised Michael I would document everything I was told. Should Michael come in to the police station a formal report will be completed. BF572

The caller stated on 03-17-23, at approximately 0100 the occupants of apartment # 9, which is directly above her, woke her up at around 0100 hours, by arguing in loud voices. The caller went into the living room to sleep, but the occupants above her also changed rooms and continued arguing. This was off and on until she called the Maple Heights Police Department to report the incident. Night shift did arrive, but had to break before they could finish the call due to a higher priority call. When I spoke to the caller, she stated this is an ongoing issue with apartment # 9. The caller stated she would sign disturbing the peace charges against both occupants. The occupants of apartment # 9 were contact and identified. Both parties were issued disturbing the peace summons and given a Maple Heights Mayor's Court date.

On the above date and time, I, Ptl. N. Ross #570, responded to the area of Mayville Av. near Milkovich Middle school for a report of a manhole cover road hazard. On arrival, I observed the hazard and partially placed the cover back on the manhole. A traffic cone was placed over top of the manhole cover until the Maple Heights Service Department could completely have the cover put back in place. The caller, Cory Merritt, was on scene and had damage sustained to his work vehicle caused by the road hazard. Cory advised he was travelling northbound on Mayville when drove over the manhole cover causing it to dislodge and strike the rear driver side bumper of the vehicle. The vehicle was a 2022 Ford transit bearing Ohio license plate. Photographs were taken of the road hazard and of the damage sustained to the vehicle. The CAD number was given to Cory for his employer's records. NR570

Desmond stated that his neighbor at 14812 Wheeler Road, Curtis Hall, had been calling the police department and the animal warden about his dog barking. Desmond continued to explain that his dog only barks when it sees another dog is being walked by his neighbor in the area. Desmond informed me that he has not received a citation from either the police or animal warden, even though he has had several encounters from the complaints made by Curtis. I informed Desmond that although Curtis may be calling the police and animal warden frequently for the same complaint, the City of Maple Heights has an ordinance in place for barking dogs. Desmond believed Curtis is only doing this to inconvenience him. I further advised Desmond to reach out to his City of Maple Heights Council Member to set up a mediation between him and his neighbor, Curtis to ultimately resolve the issue.</p> |          |                  |                         |             |         |

| <p>On 03-15-23, at approximately 1630 hours, the caller was backing out of the driveway at 15417 Fernway. As she was backing out, the driver's rear corner of her vehicle struck the driver's side rear corner of a vehicle that was parked on the street. The was able to locate the owner of the vehicle and they exchanged information. The caller's company was also contacted and advised of the situation and the company has already spoken to the owner of the vehicle. The caller's vehicle had no obvious damage. Per the caller, the other vehicle (which had not responded to the MHPD) had a minor gap between the body panels (as if a retaining clip had been broken) but there was no other visible damage. The caller needed this documented for her company's insurance. STB514</p>  |          |                  |                         |             |         |

OFFICERS OUT WITH A FEMALE IN THE LOT FOR A CUSTODY EXCHANGE

Female arrived on station with her small child for a custody exchange. Female waited in the lobby for approximately 10 minutes before the male (child's father) arrived. The male refused to walk into the PD lobby to pick up his child. The male started getting upset and demanded the female to walk out side with the child. Sgt. Duncan #568, was dispatched to assist Garfield Heights PD with an MVA injury E 126th and Granger Rd. Upon arrival, I observed a ford stopped on E126th st, facing east bound. The Ford sustained heavy rear end damage. I located the other vehicle involved, a Buick , which was still in the west bound lanes on Granger Rd. The Buick sustained heavy front end damage. When I approached the vehicle, I observed a male in the driver seat, later identified as Leroy Wallace. Leroy was placed in the back of cruiser 4403, until a Garfield Heights unit arrived. While in the back set of cruiser #4403, Leroy unfastened his pants and urinated in the cruiser. A Sgt. with Garfield Heights arrived on scene and handled the MVA. I spoke with Mariah at her residence. Mariah stated that earlier she and her boyfriend, Robert Watts, got into an argument in her vehicle. Mariah kicked Robert out of her vehicle and took the phone back which she stated previously gifted him. Mariah stated that since then, Robert has called her and threatened to shoot up her house on North Blvd. Mariah showed me text messages she stated were from Robert. None of the messages she provided showed any threats. In the text Robert asked for his items back and for Mariah to apologize.

CALLERS GRAND DAUGHTER RASHAY RANDALL TOOK HIS WALLET LAST THURSDAY, HE WOULD LIKE TO FILE A REPORT

On Saturday, March 18, 2023, I responded to 15100 Krems Avenue for a theft report. Upon arrival, I spoke to John Randall. John stated his granddaughter, Brishae Randall was at his residence on 03/16/2023 to visit. Brishae informed John that she was travelling to Florida for a vacation. John stated he noticed his wallet that was missing after Brishae left his residence on 03/16/2023. John stated he believed he left his Calvin Klein brown leather wallet on the kitchen counter top, and it was not there. John stated he had approximately \$45.00 in cash, his Key Bank Card, his drivers license and his social security card inside the wallet. John informed me that he cancelled his card and froze his accounts. Furthermore, John informed me that Key Bank notified me that there was not any recent activity on his account, and they would notify him if anyone attempted to use the card. John stated he wanted this information documented.

60-JACKSON TOWNSHIP IS COMPLETE

On March 18, 2023 at approximately 1440 hours, I, Ptl. N. Ross #570, was assisting Jackson Township Police at Ultimate Wash located at 16601 Broadway Av. with a stolen trailer investigation. The suspect, Thomas Benner, and his girlfriend, Natalie Vansickle, were detained inside of their vehicle and being questioned by Jackson Township Detectives. Thomas exited the vehicle and was behaving in an erratic manner and continuously kept reaching back into his vehicle to grab miscellaneous items multiple times after being instructed not to. Due to his behavior, I requested consent to search his vehicle. Thomas gave consent for the search. Natalie was sitting in the passenger seat of the vehicle at the time. Natalie was instructed to exit the vehicle and complied. Upon commencing the search, an odor of Marijuana was detected inside of the vehicle. When asked where the Marijuana was, Natalie advised it was in her purse that was sitting on the passenger side floorboard. Upon inspection of her purse, one glass smoking pipe and one metal grinder was located. The grinder contained 1.2 grams of suspected Marijuana. The contraband was confiscated and Natalie was issued a citation for possession of suspected Marijuana, ticket number MA 34607. The contraband and Marijuana were entered into PMI as evidence.  
Marijuana TN: 32973. Contraband TN: 32974. NR570.

 FEMALE CATAEIA CRAIG STATED SHE DID LOCK HIM OUT OF THE HOME.. FEMALE STATED IT WAS A VERBAL ARGUMENT, FEMALE PUSHED THE  
 MALE AND THE MALE PUSHED HER BACK. NO WEAPONS. FEMALE DOESNOT WANT THE MALE AT THE HOME. FEMALE WAS ADVISED THE  
 HOUSE IS MARITAL PROPERTY.

On 03/18/2023 I responded to 15901 Turney Road for a family trouble. Upon arrival, I spoke to the female, Capathia Craig. Capathia explained that she found  
 out her husband, Michael Craig cheated on her, and she confronted him. Capathia stated that they got into a verbal argument. Capathia informed officers that  
 the verbal argument continued when they went outside and when Craig was in the driveway, Capathia went inside and locked Craig out of the residence. Craig  
 left the residence. Capathia stated Craig moved out when they initially started to have marriage troubles and Capathia allowed him to return on 03/17/2023 to  
 work their issues out. Capathia was informed on how to obtain eviction paperwork if she did not want Craig to continue to remain at the residence.

The caller is the manager for W Home Rental for the above property. The property is currently vacant and being remodeled. They received a cite from the building department for excess garbage on the property. The caller reviewed the security camera footage. It shows a person (possibly w W/M) bringing the garbage onto the property. The caller contacted the building department and explained the situation to them. The building department advised they might know who the person is, but would not provide the information to the caller. The caller asked the neighbors and thinks the person might be from 19976 Raymond. At this time, the caller only wants the person to remove the garbage they have placed on the property, advised not to do this in the future, and advised of trespass. When I return to work on my next shift, I will contact the building department and obtain the information for the possible suspect and follow up at that time.

On Monday, March 20, 2023, at approximately 0205 hours, I, Ptl. Field #573, and other Maple Heights Police Officers received broadcast to respond to Clare Ave/Warrensville Center Rd for a welfare check. Upon our arrival, we were met by the caller who reported that a male, identified as Michael Arvay, was laying on the ground in the middle of the intersection. The caller was able to move Arvay from the middle of the intersection so that he would not be hit by a car. I attempted to talk with Arvay but he was barely able to articulate his name or where he lived at. While speaking with Avary, I detected the distinct odor of an alcoholic beverage emanating off his breath and he had urinated on himself. Avary stated to EMS that he had approximately 20-30 drinks. Avary was issued Minor Misdemeanor Citation #MA33960 for disorderly intoxication. Jones was given the court date of April 4, 2023 at 1530 hours in Maple Heights Mayor's Court. Due to Avary not being able to care for himself, he was transported to South Point Hospital for further evaluation. CF573

On Monday, March 20, 2023 at 0334 hours, I, Ptl. Field #573 and other Maple Heights officers responded to 5455 Hollywood Ave for a report of a car alarm going off. Upon officers arrival, I observed a 2020 Kia SUV bearing OH License parked in the driveway with its headlights on. On further inspection I observed that the Kia's left rear passenger window had been broken out and the steering wheel column had been peeled. I spoke with the owner, identified as Donna Bookbinder who reported that she was asleep inside when at approximately 0330 hrs, she heard her car alarm go off. When Bookbinder looked outside she saw that her headlights were on. Bookbinder stated that no items were missing from the Kia. Bookbinder provided insurance for the Kia. Officers canvassed the area for any security cameras that may have captured the incident, but were unable to locate any. This incident was documented for insurance purposes. Bookbinder was given the incident number. Should any suspect information come to light a report maybe generated. CF573
