On 03/27/2023, I spoke to Brianna Pruitt, who stated her child's father's girlfriend, Destinee Simmons (approx. 26-27 Y.O.) messaged her via Instagram. Destinee's Instagram page name "triplex.v" private messaged Brianna's phone and Destinee accused Brianna that she bleached her clothes. Furthermore the message ended with the following statement "... you got a rude awakening coming your way. Be easy." Brianna stated that she wanted this information documented in case she has to make more reports about Destinee contacting her. Brianna was also advised on how to obtain a protection order. FC567

On Monday, March 27, 2023, at 1836 hours, I, Ptl. Field #573, responded to the Maple Heights Police Department lobby for a report of falsification. Upon my arrival, I spoke with Pamm Williams. Williams stated that she had received a text from T-Mobile advising him his information was leaked during a data breach. A couple days after receiving a text, Williams had received a phone call from a phone number based out of Mexico stating the same. Williams provided the person with her T-Mobile account and personal information. Williams found out later that someone activated a Zelle account under her name and attempted to deposit \$1400.00 dollars in it. Williams contacted Huntington about the account and they had put a hold on any further account activities. Williams was advised to contact the credit bureau and the social security office. Williams was given a copy of the CAD incident number. Williams just wanted this incident documented. CF573

The caller stated a juvenile had been posting derogatory comments about her son on InstaGram. She showed me the comments. Her son is a shadowy figure in the background with the comments being made. There were no threats. The caller also showed me a video of the juvenile showing a BB pistol. The video had been made inside a house. There were no threats made with the pistol. The caller stated she will contact InstaGram about the comments and will be contacting the school on Monday about the incidents. Speaking further with the caller, this all started when the juvenile put his hands on her son's shoulders and jumped over his head. The next time the juvenile did this, her son grabbed the juvenile in mid-jump and pushed him causing the juvenile to fall on his back in front of his friends. On 03/28/2023, Maple Heights Police Units responded to 20808 Clare Avenue for a disturbance. Upon arrival, officers observed a male, later identified as, James West standing outside on the side walk of the residence. James stated that he and his wife, Shrika Crawford got into an argument while he was moving his belongings out. James informed officers that neither him or Shrika hit each other, only verbally argued. I spoke to Shrika, and she stated that she did not hit James and he did not hit her, they only verbally argued and she threw his stuff outside of the residence. I spoke to the caller who stated that he explained to Chargin Valley Dispatch that they were not being physical toward one another and only arguing verbally. Neither James or Shrika had any visible wounds or marks on them. Officers stood by while James gathered the rest of his belongings and he left the residence. Shrika explained she was in the process of moving out of the residence but did not give a move out date. James and Shrika were notified that this information would be documented.

 CALLER ADVISED THAT THE MALE HAS LEFT THE AREA

I spoke with Lindy Burdyslaw, she stated she was in her backyard when a Silver Kia SUV pulled into her neighbors driveway and got out to "yell" that Lindy took her dog. Lindy stated he was a black male, 5'9" wearing a sweatshirt and sweatpants. The male appeared to be in his thirties and Lindy never met him in the past. She wanted to make PD aware of this information in case the male returned. I checked the area for the vehicle and did not locate anything. Lindy observed the male drive onto Thraves Ave from E141st St. HK #553

Allison James came into the MHPD to report that an unknown person opened a checking account at Key Bank in her name. Allison was made aware of this when she opened a welcoming email from Key Bank. Allison contacted Key Bank who confirmed that there was a checking account in her name. There was no money inside the account nor was there any money owed to Key Bank. Key Bank has since closed the account. I advised Allison to perform an annual credit report to look for fraudulent activity. I advised Allison to file discrepancies with the respected Credit Bureau if they apply. I also gave Allison the IC3.GOV website to file a compliant if there are any identity crimes against her.

I spoke with Marcia Caldwell, the bartender/caller, who stated there was a heavily intoxicated female inside the bar refusing to leave. While trying to gather what transpired inside the bar, the female identified as Angela Pennington, rushed outside the bar and began arguing with Marcia in the middle of our conversation. Angela smelled heavily of alcohol, could not stand without stumbling and was heavily slurring her words. Marcia stated that Angela became too intoxicated while in the bar so she asked Angela to leave. Angela refused to do so. Angela became irate and slapped Marcia knocking off her glasses while she was calling the police. Marcia stated as an act of self defense she hit Angela back. Marcia stated that several patrons attempted to help remove Angela from the bar but she became combative. Marcia stated she just wanted Angela to leave the bar and did not wish to pursue charges for the assault. Marcia stated she is pregnant but did not need an ambulance. I spoke with Angela who stated that while she was sitting on the barstool she was attacked by Marcia. Angela stated she never touched Marcia. Angela did have a small bump on her forehead. I advised both parties I would be documenting the incident. Angela was advised once she sobers up I will speak with her again at 1900 hours when I return to work. BF572

On Thursday, March 30, 2023, at 1048 hours, I, Ptl. H. Kaur #553, responded to 21103 Gardenview Dr for a Criminal Damaging report. I met with Shadonna Illyce, she stated she believes her child's father Christopher Gray, broke a window in her basement. The window was a 5x12inch window. She stated she does not have video evidence of Christopher doing this, but she got into an argument with him which might have led to Christopher breaking the window. She stated she wants this information documented. HK #4553

KELLYS HAS THE VEHICLE

Carlos Pinkard stated he thought the police were following him prior to us being dispatched to the call. He pulled the vehicle into the driveway to take the "heat" off of him and walked into the backyard. Carlos and juvenile started walking eastbound on Mapleboro Ave. as officer pursued other juveniles believed to have been involved. It was later determined they were not and released to parents. Laurie Jones came into the MHPD to document a suspicious male on her property at 0047 hours this morning. The male did not cause any damage or knock on the door. The male on camera can be described as a heavy-set medium complexion black male wearing a black hoodie with white lettering and red sweatpants (photo attached). I advised Ms. Jones that extra patrol would be in the area tonight and if she sees the male on her property, then contact the MHPD.

566 GIVING THE MALE A RIDE TO THE MARATHON AT RAYMOND AND LEE

Officers received a call of a male engaged in a physical altercation with a female. The male was described as wearing all red and last seen walking westbound on Raymond Street. The female was described as having blonde hair and getting into a black SUV traveling eastbound on Raymond Street. Ptl. Vasko #566 and Ptl. Fronzaglio #572 located the male on Raymond Street. The female, later identified as Meleka Terry, was located exiting a black SUV at 5081 Cato Street by Sgt. Frazier #540 and Ptl. Mijangos #551.

The male, identified as Darryl Borden Jr, stated he found distrustful information on his girlfriend's phone which led to a verbal altercation. Darryl stated he exited the vehicle and wanted to walk but Meleka followed him on foot.

Meleka was crying profusely. Meleka also had visible scratches on her chin and the left side of her neck. Meleka stated she was only engaged in a verbal altercation with Darryl and nothing physical took place.

Meleka and Darryl have been boyfriend and girlfriend for only a few weeks. They do not live together nor do they share any children together. Meleka did not wish to pursue criminal charges against Darryl, however, she also refused to sign a waiver of prosecution form. Meleka and Darryl were both issued citation for Disorderly Conduct.

540- FEMALE WAS ISSUED MULTIPLE CITATIONS, KELLYS HAS THE VEHICLE

On Friday, March 31, 2023 at approximately 0002 hours, I was patrolling the area in marked cruiser #4429 when I observed a silver 2008 Volkswagen Passat, bearing OH registration stopped at the stop sign on Thomas Street at the intersection of Raymond Street. While the Volkswagen was stopped, I did not observe any vehicles traveling through the intersection. Due to the length of time (approximately 7 seconds) that the Volkswagen was stopped at the stop sign, I blew my air horn and the Volkswagen began to travel South through the intersection and continued on Thomas Street. I ran the registration # through LEADS and learned the registration was expired as of August 28, 2022. I initiated a traffic stop on the vehicle on Libby Road near Thomas Street by activating my emergency lights. The operator of the Volkswagen turned onto Philip Street and slowed to a stop. Upon approaching the Volkswagen I observed heavy tint on the front and rear windows. I made contact with the operator/owner of the vehicle, Takashi C. Holmes. The Volkswagen was towed due to the expired plates. Upon inventory of the vehicle two bottles of open alcohol (375 ml Patron and 375 ml Casamigos). Takashi was issued MM citation # MA31139 for Open Container, and traffic citation # P32670 for slow speed, expired plates and window tint. Takashi was given a mandatory Maple Heights Municipal Court date of 04/18/2023 at 1530 hours. DF#540

On Friday, March 31, 2023, I, Ptl. H. Kaur #553, responded to the area of Maple Heights Blvd and Warrensville Center Rd for an MVA. I met with Shirley Witherspoon. She stated she was traveling southbound on Warrensville Center Rd. when a black SUV struck her vehicle. She stated the black SUV appeared to be a Dodge Durango with heavy window tint and no visible registration. Shirley's vehicle had minor paint transfer on the rear left side of her bumper. I photographed the damages and added the photos to this report. At this time I am unable to obtain any further information on Unit #2. HK #553

<p>SHEET PULLED PER 4549, WHO WILL UPDATE.</p> <p>Spoke with a complainant who wished to remain anonymous. They stated they were hired as an "online assistant" through social media. They began to see after being introduced to the position that it's a new scam where money was sent to the "assistant" and then it was sent to someone else. As the complainant started doing their job they began receiving emails from scammed people complaining and wanting to speak with the owner. The complainant provided information to people contacting them giving the owner's Instagram and a telephone number. The complainant was worried that scammed people having their information. I spoke with the complainant via phone today. They advised since initially contacting the police they have changed a bunch of personal information and just wanted the incident documented. Taniyah believed she bought the firearm from a gun shop in parma located on state road. After I researched gun stores in parma off state road, I found On-Target Firearms, and Taniyah stated she believed this was the store she got the gun from. I spoke to the employee, David, who stated Taniyah will have to come in to the store and request for the receipt and it will take approximately 3-5 days for them to get her receipt. On Friday, March 31, 2023, at 2304 hours, I, Ptl. Field #573, and other Maple Heights Police Officers, received broadcast to respond to 5335 Vine St for a report of a disturbance. Upon my arrival, I was met by the caller, Sierra Ivy. Ivy stated that she had been verbally arguing with her live-in boyfriend, Johnathan Hunt. Hunt gathered his property and asked to wait inside while he waited for his ride to arrive. Ivy told him that he wasn't allowed to and closed the glass storm door in his face. Hunt punched the top pane of glass out of the storm door shattering it. Hunt then left the area. Due to both Hunt and Ivy residing at the residence, Ivy was advised it was a civil matter and how to proceed. CF573

On April 02, 2023, at 0200 hours, I, Ptl. Field #573, was dispatched to a parking complaint located at 16100 Mendota Ave for a white van. Upon my arrival, I observed the vehicle, a white Mercedes Bluetec bearing OH License Plate PDN. Upon running the license plate through LEADS, it returned the vehicle returned to a black 2013 BMW 528 with the VIN PDN. The Mercedes associated VIN was found to be PDN associated with the license plate PDN. The Mercedes was registered to Federal Express Corp out of Columbus OH. The fictitious plate returned to Cesar Mugaburu out of Bedford Heights OH. Due to the fictitious plate on the vehicle, Kelly's responded to the scene and towed the vehicle. The license plate was removed and entered into PMI as evidence (TN: 33231). Photographs were attached to the digital media section of this sheet. Citation #R14370 has been pre-filled out for prohibited parking and to be issued to whomever attempts to retrieve the vehicle. At 1912 hours, Cesar Mugaburu, responded to the lobby for the release of the Mercedes. Mugaburu stated that he had the plates registered to his BMW on it due to the Mercedes being unable to pass inspection. Mugaburu was issued uniform traffic ticket #P29508 for fictitious plates and given Maple Heights Mayor's court date April 18, 2023 at 1530 hours. Additionally Mugaburu was issued the above-mentioned Citation for prohibited parking. CF573

On April 2nd, 2023 at approximately 0540 hours, I, Ptlm. Westfield #554, along with other Maple Heights Units were radio dispatched to 5750 Longwood Ave. for a report of a disturbance. Upon our arrival, I met and spoke with the complainant, Henry Perrymond, who stated at 0530 hours, while at home his ex-girlfriend, Swahesha Mcrae, showed up at his residence and shattered his front window to his residence. Swahesha was upset regarding infidelity. Swahesha was later detained for criminal damage, however, Henry did not wish to press charges against Swahesha. Swahesha was release and advised of criminal trespassing and left the area. #554

FEMALE IN THE LOBBY FOR A HIT SKIP REPORT
SHE GOT A PHOTO OF THE OTHER PERSON'S PLATE

Unit 1 was parked at a gas pump (number unknown) at the Circle K gas station at 5270 Northfield Road. Unit 1 began to pull away from the pump, and unit 1 operator stated that the unit 2 operator drove around the pump and caused minor damage to the rear driver side bumper. Unit 1 operator stated unit 2 operator drove away. Unit 1 operator stated she followed unit 2 a short distance and stated to her, "you hit my car..." Unit 2 operator stated to unit 1 operator, "No I did not," and drove away. Unit 1 had a minor surface scratch on the rear driver side bumper area that was close to the tire fender. No injuries were reported. I informed unit 1 operator, Valerie Nathan this information would be documented. At approximately 1545 hours, I spoke to the operator of unit 2, Valerie Moore via phone. Valerie stated she did not hit unit 1, and stated Mrs. Nathan followed her and accused her. Mrs. Moore continued to explain she was not parked at the pumping stations, and parked in a parking space and went inside the store to get some items. Mrs. Moore informed me she would come to the Maple Heights Police Station to provide a written witness statement, and allow either myself or another officer to look at her vehicle. They were both given the CAD number and advised that they can file a claim in GHMC if they cannot come to an understanding on what actually occurred. Photo attached.

On Sunday, April 4, 2023, at 2005 hours, I received broadcast to respond to the Maple Heights Police Department lobby for a report of harrassment. Upon my arrival, I spoke with Rucker who stated that her son, earlier in the day was at Stafford Park (5400 Mayville Ave) with friends. While at the park, the juvenile saw Rucker's ex-cousin, Contstance Turner, drive past. When Turner saw the juvenile, she told him to tell Rucker that she wanted to fight her and continued out of the park. Rucker did not want to pursue charges against Turner and wanted the incident documented. CF573

I met and spoke with the caller, Jeff Spesic, who resides across the street from 5570 Dunham Rd. Jeff stated while parked in his driveway he noticed an older model red pick-up back in into 5570 Dunham Rd. Two unidentified males exited the vehicle and began going back and forth from the vehicle and the garage. Jeff stated he was unable to determine the race of the males and that he only could see their shadows. Jeff stated the red pick up truck left the area traffic northbound on Dunham Rd. Jeff advised the pick-up truck did not have a license plate. The property owner, Arthur Gray, arrived on scene and advised earlier today person(s) unknown entered his garage and stolen a lot of his property REF#(MA2310072081). A report was filed. Arthur believed person(s) unknown was returning to take his experience lawn mower, however Arthur mentioned he took them to his residence. Arthur was provided a CAD number for the damage garage door.

On the above date and time, the Maple Heights Police Department received a call from Ambrosia Felder stating that the father of her children, Anthony Buchanan, called her and made threats to "burn her house down". Ambrosia lives at 5146 Erwin St. in Maple Heights, I, Ptl. N. Ross #570, contacted Ambrosia via telephone and spoke with her about the complaint. Ambrosia advised Anthony last told her that he was in East Cleveland at the time he called her. Ambrosia also advised Anthony did not own a vehicle. Ambrosia refused any charges be filed against Anthony for the threats made and her reasoning was "he was having a temper tantrum". Ambrosia stated Anthony makes threatening statements when "he isn't getting his way". Ambrosia was given information on how to obtain a protection order through Cuyahoga County and advised to call back if Anthony came to her residence. At 0353 hours, Ambrosia called back and stated Anthony called her to advise he was responding to the house. Officers responded to the residence and spoke with Ambrosia who advised Anthony did not arrive yet. I had Ambrosia contact Anthony via telephone so officers could speak with him. Anthony answered the phone and upon announcing myself, he hung up the phone. Officers remained on scene for approximately thirty minutes in the event Anthony showed up at the house. Anthony did not arrive at any point while officers were on scene. Ambrosia was advised to contact the Maple Heights Police Department if any further disturbances occurred. NR570
