On the above date and time, I, Ptl. T. Vasko #566, while in full uniform, driving marked cruiser #4426 observed a vehicle bearing Ohio registration HRR2353. The vehicle had just alerted on Flock that it had been stolen. I advised dispatch I could see the vehicle and dispatch advised it was a confirmed stolen vehicle. I activated my overhead lights and sirens and conducted a high risk traffic stop. I identified the driver as De'shawne Hollimon and placed him an handcuffs. De' Shawn advised me that the vehicle was his sisters in laws and had been stolen the night before by her boyfriend (unidentified) in Brooklyn Heights. At some point the unidentified boyfriend, after stealing the vehicle advised the family of where the vehicle was. De' Shawn went and picked up the vehicle and did not notify police when he has possession of it. Brooklyn Heights Police Department was notified and was able to confirm De'Shawns story. Brooklyn Heights marked unit 17 arrived on scene and gathered all necessary information needed for the Brooklyn Heights Police Department report. De'Shawn took possession of the vehicle and the scene was cleared.

I spoke to the resident at 14423 Tabor who also advised she did not call police but had noticed the bike sitting there for several days. I brought the bicycle back to the police station where Ptl Vasko #566 advised me he had recently taken a stolen bicycle complaint on 05/21/2023 (reference MA23-1011179) that matched this bicycle. I called the complainant, Danielle Celes Jordan who described the bicycle (black and orange Mongoose mountain bicycle with an after market seat and orange spring) and came to the Maple Heights Police Department to claim the bicycle. FEMALE ISSUED 1 CITE // AUNT WILL BE DRIVING VEHICLE HOME

Bedford Hts. PD found a Jeep parked in the lot at the corner of Raymond St. and Northfield Ave. The vehicle had some minor front end damage and they believed the driver may have struck a pole. No poles were damaged. The driver advised that the damage was old. Bedford Hts. then mentioned the driver may have scraped the curb under the Interstate 480 bridge. The fencing appeared to have been slightly pushed over, however it was not clear when that occurred. The driver was issued a citation for having no plates on the vehicle (citation number P31884). Bedford Hts. PD advised they were concerned with how many children were being transported in the vehicle. A family member helped transport the children home.

Officers responded to 17500 Maple Heights Blvd for a report of a domestic violence incident. Upon Officers arrival we spoke with the parties involved. According to Kylan Johnson, he was engaged in a verbal altercation with his 13 year-old brother, because the 13 year-old refused to pour their 5 year-old brother milk in his cereal. When the argument began the 13 year-old ran into his bedroom and locked the door. Kylan admitted that he was yelling at the 13 year-old, but when both the 13 year-old and Kylan were asked if there was a knife involved that both stated no. The 13 year-old further explained that he never say Kylan with a knife and if there was ever a knife involved he would not know because he had locked himself in his bedroom to avoid further verbal altercation with Kylan. Kylan was found to have a felony warrant for CCW and he was transported to CCSO. DF#540

On May 31st, 2023 at approximately 1725 hours, I, Ptlm. Westfield #554, responded to Lee Rd and Raymond St. regarding a stolen 4-wheeler report. Upon my arrival, I met with two juveniles males. The reporting male was later identified as, 16-year old Mason Orelski, who stated he and his friend drove from Pennsylvania to meet with a unknown male to sell a 4-wheeler. Mason stated the male was wearing all black and asked to test ride the 4wheeler. The male drove off with the 4wheeler and never returned. Mason had no info on the subject and did not have info on the 4wheeler. Mason was advised to return to the Maple Heights PD with the title and info for the 4wheeler in order to enter the 4wheeler in LEADS as stolen. Mason was also advised to respond with a adult to file the report. Mason never responded to the police department. No further information was obtained on the make or model of the 4-wheeler. DW554

On 05/31/2023, I responded to the parking lot of Rainbow Apparel at 21614 Libby Road for a theft report. Upon arrival, I spoke to Ameka Gullat who informed me she was shopping at Rainbow Apparel at approximately 1500 hours. While Ameka was shopping she set down her wallet near a fixture in the store and was not paying attention and noticed it was missing after she spent some time shopping. Ameka informed me that her driver's license and her Chime card, and her key fob to her 2022 silver Toyota 4- Runner OHRP (JWC7782) were inside her wallet. Ameka stated she froze the account to her card, and contacted roadside assistance to retrieve her vehicle to prevent it from potentially getting stolen. Ameka stated she wanted this information documented.

On 05.31.2023 at 1836 hours, I, Ptl. H. Kaur #553, met with Deonia Duncan in the Maple Heights Police Department lobby, for a stolen vehicle report. According to Deonia, she dropped the vehicle at this location on June 1, 2022 at 5220 Warrensville Center Rd. (Nationwide Tire and Auto Care.) She stated she has a lean on her vehicle with Westlake Financial, who is suing her because the vehicle has been "missing" she then stated a male had shared photographs of her vehicle from a tow lot after it was dropped off for the service at Nationwide. She was unable to provide me with details about this male. She stated the vehicle was at Nationwide Auto Care and she was paying off a balance of \$6,000.00 to the shop for fixing her engine and other issues with the car. She also stated that she used Cashapp to make the payments and her bank returned her money. She stated she was slowly paying off as they did work on the vehicle. Her vehicle is a 2014 maroon Ford Taurus, Ohio Registration HXG5869, Vin #1FAHP2H88EG154822. Initially she stated the owners daughter, Kelly Wittie has something to do with the vehicle being missing because "Kelly recently quit working there." Deonia was unable to show proof of ownership and I advised her to return with the proper paperwork/title. It is unknown if Nationwide has filed for a mechanic's lein on the car. If this is actually a stolen vehicle issue and not a civil issue. Ptl. Kaur will complete a criminal report. HK #553

contained 13 .40 caliber rounds. 12 rounds were brass full metal jacketed FC21 rounds and one round was a Federal hollow point .40 caliber. I checked the Southgate Cameras near The Lanes 216 INC. and was unable to locate anyone leaving the white plastic bag in the area. There were no spent casings located in the lot. The ammunition was entered into PMI, tracking number, 34039.

Dorothy stated her neighbors observed a male running from officers earlier in the day. When she heard a loud sound she looked down and observed the phone
 from her window. She contacted MHPD right away and advised the male was the only person running in that exact area. The phone did belong to the male that
 was arrested earlier. I turned the phone over to the jail to be placed in the male's property. HK #553

I spoke with the caller, Anthony Williams. Williams stated that his daughter, Aniya Burns, was involved in a physical altercation at Southgate USA Park. Burns stated that a girl, she only knew as Zakriah, and her were play fighting after a water balloon fight in the park. The play fighting then turned into a mutual physical fight between Burns and Zakriah. Neither Zakriah or Burns were injured during the altercation. Williams did not want to pursue charges against Zakriah but just wanted the incident documented should anything further occur. Burns stated that Zakriah went to her school but was unsure of her age or where she may reside at. I provided Williams a copy of the CAD incident number. CF573

I spoke to one of the juveniles involved, Deanthony Steven, and his mother, Cathy Steven. Deanthony stated a boy from his school, Marvon Brown came to the area he was playing with his older brother (not identified) and asked him if he wanted to fight. Deanthony agreed to fight Marvon. Deanthony stated the two of them "slapped boxed" but did not hurt one another. I did not see any signs or evidence of injuries that would indicate Deanthony being involved in a serious physical altercation. Cathy stated she did not want a Maple Heights Fire Squad to respond. Deanthony stated he informed Cathy and she contacted the police. Cathy was advised to contact the Maple Heights Police Department if Marvon and his brother returned. Cathy stated she wanted this information documented. FC567

On Thursday, June 01, 2023, at 0156 hours, I, Ptl. Field #573, along with other Maple Heights Police Officers, responded to 14126 Pease Rd for a report of a domestic. Upon our arrival, we spoke with Crystal Lehecka, who stated that she and her live-in boyfriend, Michael Piecuch, had been verbally fighting for several hours. Both Leheck and Piecuch denied any physical altercations. While speaking with Piecuch and Leheck, I detected the distinct odor of alcoholic beverage emanating off their persons and both were extremely intoxicated. Officers advised both Piecuch and Leheck of domestic violence laws and Leheck left in a friend's vehicle for the evening. CF573

I was flagged down by Mark Drodouski, an employee of 7 Eleven who advised that earlier today on 06/01/2023, the Ohio Lottery Commission came to the store and did an audit of lottery ticket books. They advised the book containing tickets 000 to 029 was missing. The book was not activated and none of the tickets had been used, however they needed to document the incident. A photo was taken of the Stolen/Destroyed ticket book report and attached to this sheet. The book had allegedly been missing for the last year. Should any further information come to light, a criminal report may be generated. LK558

On Thursday, June 1, 2023, I, Ptl. Field #573, and other Maple Heights Police Officers were dispatched to Home Depot (21000 Libby Rd) for a complaint of a shoplifter. While in route, dispatch advised that the suspect had left the area wearing a tan shirt, tan pants, and a black backpack Upon my arrival in the area, I observed the suspect, Richard Minter, walking northbound from Libby Rd towards the Convenient Mart. Officers detained Minter at the Convenient Mart and located on him 2 Husky tool boxes. Loss prevention officer, Timothy Searleys, responded to our location and confirmed that he had observed Minter take 2 Husky tool box sets on camera. The items totaled \$130.00. Minter was cited for theft ORC 2913.02 (Citation #MA33965) and given Garfield Heights Municipal Court Date of June 7, 2023 at 0830 hours. The receipt was attached to the sheet. Walker was advised of Criminal Trespass from Home Depot. CF573

FEMALE CALLER REQ OFFICER CHECK ON 10YR OLD (MARQUISHA) CALLER SAYS THAT HER DAUGHTER STATED THAT MARQUISHA WAS BEING LOCKED IN THE BASEMENT WITHOUT FOOD BY HER AUNT AND MOTHER

 PD SPOKE TO TRACY FISHER // HE ADVISED IT WAS PROBABLY HIS CHILDS MOTHER CALLING // THERE ARE NO CHILDREN IN THE BASEMENT AND NO CHILDREN MATCHING THE DESCRIPTION OF THE JUV // ALL CHILDREN INSIDE OF HOUSE CHECK OKAY

I spoke to the caller via the phone number provided by dispatch; the caller that would only identify herself as Brianna Chorton and would not provide her daughters information or where she resides at besides Kenyon Dr. Charton stated that her daughter is friends with a juvenile white female named Marquisha that resides at 21107 Kenyon Dr. Charton went on to say that Marquisha had approached her on Memorial Day asking for food because she was hungry. Charton asked Marquisha why she was hungry and she said that she has not eaten in several days and that her and 6 other siblings are locked in the basement several days at a time by their mother. Charton also stated that Marquisha does not go to school and that the Cuyahoga County Sheriff Department has done welfare checks on the house. Ptl. Thomas #560 and I responded to 21107 Kenyon Dr and spoke with Tracy Fisher. Fisher stated that he believed that his children's mother was the one that had contacted police due to him not responding to her phone calls because his cellphone had died. We observed all children in the house, they all appeared to be healthy and in good order. Additionally we did not observe any white juvenile females in the house. Fisher also stated that he does not have a juvenile named Marquisha or know any juvenile with that name. CF573

Ptl. Thomas #560 conducted the Standardized Field Sobriety Tests and Rudolph was placed under arrest for OVI, traffic citation #P29951. As I conducted the inventory of the vehicle prior to impound, I found an opened glass Denaka Vodka bottle in the rear seat on the passenger side inside the vehicle. CALLER IN PD LOBBY
 NEIGHBOR HAS BEEN HARASSING HER 11YO VIA PHONE

Quiana Wiggins came into the MHPD to report harassment from her neighbor at 15409 Shirley, Jeffery Boyd. Quiana stated her 11yo son, Carson, gave Jeffery a flyer to cut his grass. Quiana stated that Jeffery began calling often and leaving voicemails that were not related to getting his grass cut. There were no inappropriate or threatening messages, just Jeffery wanted and demanding a call back. I spoke with Jeffery who stated he understood the complaint and will no longer bother Carson or any neighbor.

Both of the juveniles refused to cooperate. Both juveniles refused to provide evidence that there were any threats made. Both juveniles denied any property being taken. Both juveniles stated refused to name any suspect that were involved. Due to lack of cooperation Jasmine just wanted this incident documented and was going to handle this incident in house. Spoke with the complainant. She advised her son was released from the hospital and returned to the residence where he currently resides. He asked her for a ride and she refused. He became upset and began damaging the residence. He left and returned a short time later taking a vehicle that belongs to the complainant. The complainant advised she has allowed her son to drive the vehicle regularly and he had his own keys. She was worried because the vehicle was expired and didn't want to get in trouble. She stated he usually returns at some point to the residence. She did not want to pursue charges at this time. She was advised how to file civilly for the damage to the residence and the vehicle if it returns with any. COB549

566 ADVISED DYALN JETER IS BEING RELEASED TO FATHER VINCENT JETER

Jamil Thomas, 16yo Janiya Swann and 14yo Dylan Jeter were sleeping on a picnic table inside the old concession stand of Stafford Park. City employee Bill stated that people have been sleeping inside this concession for several weeks. Jamil stated he lives "down the street" and was not homeless. Jamil was warned on hanging out with teenagers. Jamil was issued a trespassing citation.

Officers transported Janiya and Dylan back to the MHPD for guardian notification. Officers later discovered that Janiya was a runaway from the County, therefore, I transported her to Jane Edna.

I contacted Dylan's mother, Ashauntia Jeter, who stated she lives in Akron, Ohio and that Dylan was brought to his Dad's, Vincent Jeter, house a month ago. Ashauntia provided me with Vincent's information. I contacted Vincent, who stated he allowed his son to hang out with his friends for a week. Vincent stated that Dylan checks in with him every night. Vincent did not know his son was sleeping in a park. Vincent later arrived at MHPD to take custody of Dylan.

Natori Bates came into the MHPD with a 4yo female named Leanna Tade. Natori stated she located Leanna standing in the middle of Maple Heights Blvd near Stockton Av. Natori does not know who or where Leanna belonged to, therefore, she brought her to the PD. Leanna was unable to tell officers where she lived, however, she was able to show us. Leanna pointed to 19120 Stockton Av and stated she lived at this residence. Officers observed the side door ajar and no one answering to our knocking. Officers checked the residence for the wellness of the occupants but no one was home. Using the mail, officers were able to identify a resident named Djezo Tade. CVD dispatch was able to contact Djezo (language barrier), who stated she is the mother of Leanna, and her brother was suppose to be watching Leanna. Djezo arrived at the MHPD and took custody of Leanna. Djezo was also given an Endangering Children citation for violating the duty of care of Leanna.

4551 NOTICE LEFT ON THE VEH

Ernestine Woods contacted the MHPD to report an unknown vehicle parked in the rear of her driveway. Ernestine residence was vacant. Ernestine stated this happened before with a different vehicle which belonged to her next door neighbor to the west of her residence. Today, an expired white Dodge Caliber was parked in her driveway with a broken rear windshield and heavy passenger-side damage. The vehicle came back to Niland Wilson, who did not have a listed phone number. We spoke with the neighbor next door, who stated she believed the vehicle belonged to her nephew. The neighbor found out that the vehicle belonged to her nephew's friend, Niland. Niland was advised to move the vehicle within 24hrs or it will be towed.

28 ADVISED

Spoke with the complainant. He advised his 7 year old son, Nasir Hudson, texted him from his mother's house stating she was drinking, did not feel safe and wanted his father to come get him. The complainant advised he and Nasir's mother, Alana Jones, have shared parenting agreement in place. Nasir is suppose to be with his mother now. The complainant wanted to go and pick up his son. He was advised that was not feasible. I contacted Alana via phone and she advised Nasir was asleep. She stated she had her sister and a friend over and they had been making dinner while Nasir was playing video games. Alana further stated Nasir was fine and that Daryl could not come and get him. Both parties were advised this was a family court issue. Daryl wanted the incident documented. COB549

Treschauna Burton came into the MHPD to report a private property MVA that occurred on June 3, 2023 at approximately 2100 hours. Ms. Burton stated she was attempting to exit the Valero gas station by turning right (north) onto Lee Rd. Ms. Burton stated before turning right a red Dodge Avenger began to turn left but stopped and reversed into the gas station, however, the action caused the Dodge to strike the rear driver-side door of Ms. Burton's 2021 Mitsbushi SUV. Ms. Burton stated the driver of the Dodge, she only can describe as a female, then drove off and left the scene. Ms. Burton was able to capture the Dodge's license plate of JZM 9611.

After running the Dodge, it came back to Ashantae Grimes out of Maple Heights, Ohio. I spoke with Ms. Grimes via telephone. Ms. Grimes stated she was unsure if she pumped her gas because she was not paying attention due to a phone call, therefore, she attempted to reverse back into the gas station. Ms. Grimes did not have an answer as to why she left the scene.

Ms. Burton was advised to file a civil lawsuit within Garfield Muni Court.

 CITATION ISSUED

On 06/04/2023 at 1427 hours, I, Ptl King #558 was sitting stationary on Gardenview Dr in marked patrol unit #4425 facing east towards the intersection of Gardenview Dr and Clampher Rd. Behind me, I observed a black 2015 Jeep Grand Cherokee bearing OH registration JDD9503 (VIN: 1C4RJFAGXFC791003, R/O: Tracy Allen) travelling eastbound. The vehicle passed me and approached the intersection. I observed the vehicle slow down, but did not come to a complete stop at the stop sign. The vehicle then continued east through the intersection on Gardenview Dr. I initiated a traffic stop and the vehicle stopped at the intersection of Gardenview Dr and Kenyon Dr. I spoke with the driver, Tracy Allen and advised him the reason for the stop. Tracy provided his driver's license. When asked about his insurance, Tracy advised I could "look it up". When I advised him I didn't have that ability, Tracy refused to provide his insurance information. Ptl Vasko #566 arrived to provide assistance. When Ptl Vasko #566 asked about insurance, he stated we should be able to look the information up on our computers. When Ptl Vasko #566 asked about a phone number, Tracy advised he didn't have one. Tracy was issued citation P29664 for Stop Signs ORC 4511.43 and provided a Garfield Heights Municipal Court Date of 06/14/2023 at 0830 hours. LK558

I arrived on scene and observed Alice Delgado in the back of a Maple Heights ambulance. Alice had the obvious odor of an alcoholic beverage coming from her person. Her eyes were bloodshot and watery, and her speech was extremely slurred. Alice was yelling obscenities, however it was uncertain who she was talking to, as she constantly looked around. I was advised Alice was found unresponsive lying on the ground in front of 5342 Northfield Rd. Alice was unable to care for herself due to her level of intoxication and was transported to Marymount Hospital. Alice was issued citation MA35179 for Disorderly Conduct- Public Intoxication, and given a Garfield Heights Municipal Court Date of 06/14/2023 at 0830 hours. LK558

ANDRE KING 10-29-82

I spoke with Isaac King who stated on 06/03/2023 his father, Andre King, texted him saying he was going to pick him up and to let his mother, Beloved Queen, know. Isaac advised he didn't go with his father because he wasn't home at the time. Today, his father came to the house and advised the way Isaac was talking to him was disrespectful. Isaac advised Andre put a closed hand on his chest and began screaming at him. When asked if Isaac had any injuries or marks, he stated he didn't. Beloved was advised how to obtain a protection order. I called Andre who advised he was unhappy with how disrespectful Isaac was and was disciplining his son. I advised Andre of domestic violence laws and he was giving a warning for criminal trespass for 21306 Raymond. LK558

I spoke with the caller, Jasmen Austin. During our conversation Jasmen was very uncooperative and gave misleading information about this incident. Jasmen stated that she was watching her boyfriend, Kenneth Lamar daughter, Bella Lamar (11 Y/O). Jasmen stated that Belle was picked up by her uncle, Bretton Jackson early today without her permission. I made contact with Bretton over the phone, which he advised me that he was given permission from his sister, Arielle Jackson (who had primary custody of Belle) to pick Belle up from Jasmen home. Britten stated that Kenneth and Arielle had been having custody disagreement. I made contact with Arielle over the phone. Arielle advised me that she spoke with Kenneth and advised his that Bretton was going to pick up Belle this afternoon. Arielle stated her and Jasmen did not get along. Arielle advised me that Belle was currently with her, safe and at her home. I advised Arielle to contact the Cuyahoga County Juvenile court to obtain a custody agreement with Kenneth. ML563

 MALE DID NOT HAVE ANY LAW ENFORCEMENT ISSUES THAT NEEDED TO BE HANDLED.

Mr. Quarles came to the police department and called on the lobby phone. He advised he had a duffel bag and needed an officer or detective out there, but would not state what was in the duffel bag. Other officers and myself went out and spoke with Mr. Quarles in the lobby. He proceeded to state his girlfriend/ex-wife packed him a bag and he picked her up. A short time later she abruptly stated she wanted to be dropped off. Mr. Quarles stated he was seeing things in the rear view mirror of his truck and proceeded to tell multiple stories about a multitude of different incidents that did not connect or make sense. Mr. Quarles continued repeating himself and adding new incidents. None of the incidents were law enforcement related. Due to his behavior a rescue squad was requested. Mr. Quarles answered all these questions and advised he was not under the influence of anything. He refused treatment from MHFD and signed off. The duffel bag was checked and it only contain clothing. Mr. Quarles was advised he was free to leave. COB549
