| On Monday, May 08, 2023, at 0742 hours, I, Ptl. Field #573, observed a black 2011 Hyundai Sonata bearing OH License Plate #GQZ5353 parked on Elmwood Ave, in the middle of the street, at the intersection of Maple Heights Blvd with its hazard lights flashing. I activated my emergency lights and conducted a welfare check of the vehicle. Upon my approach of the Hyundai, I spoke with the operator, identified as Ashley Wilson, who stated that she was lost and was looking for Hollywood Ave. I asked Wilson for her identification and she complied. Upon running Wilson through dispatch, they advised that she had a valid warrant through Bedford PD. Bedford PD #48 arrived on scene and took custody of Wilson. Ptl. Colangelo #567 completed a tow sheet and inventory of the Hyundai. Kelly's Tow Truck #7 arrived on scene and took possession of the Hyundai. CF573 | | | | | |

The caller is upset that the neighbor is trimming the bushes in the backyard without asking. Speaking further with the caller, he stated the bushes are on the property line of the 2 houses. When I pointed out that if the bushes are on the property line it could be considered both of their property, the caller stated the last neighbor did not trim the bushes, but would ask him to do it. The caller then went on to complain about the neighbor shoveling snow onto his property (which was previously documented). The caller even stated he did not like the neighbor. At this time there is no criminal offense they want documentation. STB514

Forwarded to 567 for dispo

On 05/08/2023, Maple Heights Police Units and myself responded to the RTA Transit Center Stop #2 at Southgate for a weapons offense. Upon arrival I spoke to the bus driver Moniere Wirt. Moniere stated a passenger on his bus, later identified as Nillie Terry brandished a red handled knife at him after he requested her to turn her music speakers off. Moniere stated that this took place on the bus and on the RTA property near pizza hut. Moniere stated that Nillie continued to walk away once she got off the bus and Moniere informed me that he did not contact the police since she left the property. Police units found Nillie in the Southgate Plaza near Payless Shoe Store. Nillie was detained and Ptl. Field #573 checked her for weapons and found a red handled blade located in her pants pocket. Nillie stated that she did pull out a knife that she keeps on her for protection. RTA Police was contacted and could not give an estimated time of arrival. After everyones information was obtained, Chagrin Valley Dispatch relayed the information to RTA Police.

On the above date and time, I, Ptl. N. Ross #570, responded to the Giant Eagle located at 5321 Warrensville Center Rd. for a report of a stolen bicycle. On arrival I spoke with the complainant, Alexia Spott. Alexia stated she and her sister drove their bicycles to the store to get some items. They parked their bicycles outside of the entrance near the southern side of the building and went into the store. Upon returning to their bicycles, Alexia noticed hers was stolen. Alexia described the bicycle as a silver mountain bike, unknown make or model, being valued at approximately \$100.00. Alexia's parents were on the phone at the time of the encounter. Alexia was provided the CAD number for documentation purposes. After I cleared, Alexia called back and advised she located her bicycle across the street at the Save a Lot and was taking it back home. No further police assistance was needed. NR570

HISTORY WITH CALLER'S NAME SHOWS 15809 EDGEWOOD AS A POSSIBLE ADDRESS. INCORRECT/ NEW RESIDENT IS THERE.

On Tuesday, May 9, 2023, at 1326 hours, I, Ptl. Field #573, along with other Maple Heights Police Officers were dispatched to the area of E 141st St and Corridon Ave for a report of a weapons offense. While in-route, dispatch advised officers that the caller, "Michelle Greene", advised that a female in a blue Chrysler with American flags on it was blocking traffic and had pulled a firearm and was pointing it at her. Greene advised that she was in a gray Hyundai Sonata. Upon my arrival, I initially did not observe the Chrysler or a Hyundai. As I was touring for the victim, the driver of a blue Chrysler 300 bearing OH License Plate #JTA7957 with American flags on it flagged me down at by the above-mentioned intersection. Ptl. Colangelo #567 and I activated our emergency lights and siren and conducted an investigatory stop of the Chrysler.

I approached the Chrysler and spoke with the operator, identified as Jionna Hawkins. Hawkins stated that a female in a gray Hyundai had followed her from her house, 5301 E 141st St. Hawkins said that the driver of the Hyundai told her that the American flags on her vehicle were "dumb" and that she was a "honkey lover." Hawkins feared for her safety and proceeded to use her cellphone to record the Hyundai from out the top of her sunroof. As Hawkins and the Hyundai were traveling southbound on E 141st St, Hawkins yelled at the driver of the Hyundai to stop following her. The female of the Hyundai started to yell profanities at Hawkins and she stopped her the Hyundai in front of 5528 E 141st St. Hawkins once again yelled at the driver of the Hyundai to stop following her and continued to record the driver. The Hyundai pulled up next to Hawkins' Chrysler, in the center turning lane, and continued to yell at her. The driver of the Hyundai got out of the vehicle and approached the Chrysler and yelled profanities at Hawkins while recording Hawkins with her phone. The Hyundai driver got back into her vehicle and when Hawkins tried to record the plate to the Hyundai, it backed up and turned around and fled the area. Hawkins provided Ptl. Colangelo and I the video footage that she recorded of the incident. On the video Hawkins provided, it showed her travelling southbound on E 141st St from her house. Hawkins started to yell at a gray Hyundai to stop following her. Hawkins then stopped her Chrysler in front of 5528 E 141st St. The Hyundai driver yelled at Hawkins to move and Hawkins yelled back at her, "I could stay here all day!" The driver of the Hyundai pulled up next to Hawkins's vehicle and started to record her. The Hyundai backed up and Hawkins' video ended. Hawkins gave me verbal consent to search her vehicle for any weapons. I conducted a search of the Chrysler and did not locate any firearms.

Sgt. Allen #519 attempted to locate "Greene" but was unable to locate her. The address that the phone number that "Greene" had contacted dispatch with returned to 14676 Brunswick Ave. Officers responded to Brunswick Ave in an attempt to locate "Greene" but were advised by the residents of the address that she did not reside there.

Officers canvassed the surrounding area and did not locate any firearms. Additionally, I spoke with the resident of 5528 E 141 St. She stated that she saw the driver of the Chrysler stop her vehicle in front of her house and have her cellphone out the sun roof of her vehicle. The gray Hyundai that was behind her then pulled up next to Hawkins vehicle and both women started to yell at each other. When the resident heard the the women yelling, she went inside. The ring door bell at that address did not record the incident. Officers continued to canvas the area for any houses with security cameras that would have recorded the incident but no cameras in the area captured it. We were not able to make contact with the caller again. CF573

Upon officer's arrival, the store security guard, Ron Jones, was no longer at the store. Ptl. Colangelo spoke to store manager, Brian. He stated that Security Officer Jones saw the male attempt to steal two cases of Corona Beer. As the suspect walked towards the exit with the beer, without paying for it, Jones stopped the suspect male and attempted to take the beer from the suspect. They pulled back and forth on the beer cases until Security Officer Jones grabbed the suspect by the black hoodie he was wearing. The suspect twisted his way out of the hoodie and fled on foot. The store got their merchandise back and did not want to pursue criminal charges. They stated they would call again if the male returns so he can be advised of criminal trespassing.

Tanisha Parris contacted the MHPD to report damage to her 2009 Chevy Tahoe. Tanisha was upstairs inside her residence when she heard glass breaking from outside. Tanisha looked out her window and noticed the back windshield broken out which was parked in her driveway. Tanisha did not know who would break her window, however, her boyfriend stated his ex-girlfriend, Areal Johnson, does "stuff" like this. No one witnessed this incident and Tanisha's residence

cameras were not working at the time. I checked Flock cameras and ran 8 vehicles in the area at the time, however, no of which belonged to Ms. Johnson. Tanisha was given this CAD number for insurance purposes.

53-WILL COMPLETE

On Wednesday, May 10, 2023, at 0813 hours, I, Ptl. H. Kaur #553, responded to 15300 Maplepark Dr for a damage to vehicle report. I met with Charnasia Larkin, she stated her vehicle was damaged sometime overnight. She found her rear drivers side window was broken, the ignition was not punched. I photographed the damage. Charnasia stated she tried to contact her insurance but they advised they cannot cover Hyundai's or Kias under policy. Charnasia wished for this to be documented. Nothing was missing. This happened sometime between 1800 and time of call. There was no cameras in the area. HK #553

Officers checked the exterior of the building without locating any evidence of a deceased person inside. They were able to cut off a little piece of the garage door bottom seal and did not see any vehicles inside the garage. At this time, entry was not made into the residence. The caller was advised we can be called back out to check again.

As I was leaving, 2 females on Royal Street stopped me to see if we had made contact with the male. While speaking to them, they informed me last year they had the same concerns over his grass not being cut and a neighbor had actually cut the grass for him last year.

They also stated that the male is a loner and does not come outside much and it is not unusual for them not to see him for long stretches of time. They did not know of any relatives or friends who could be contacted. They also did not have a phone number for him. STB514

I Ptl. Lowe responded to 14400 Brunswick Avenue for a report of a disturbance. Upon arrival I spoke with a male involved, Demetrius Smith, Jr. Demetrius stated he was cutting grass at 14400 Brunswick Ave. when the neighbor, Shannon Creer, Jr, who resides at 14320 Brunswick Ave. exited the front door and started to complain about the cut grass getting onto his lawn while holding a machete in his hand. Shannon eventually put the machete in the house, prior to Officers arriving on scene. Demetrius admitted to engaging in a verbal altercation and wanted to fight Shannon about this issue. Both parties denied to press any charges. Both parties were cited for disorderly conduct. Both parties were given a mandatory court appearance at Maple Heights Mayor's Court on 5/30/2023 at 1530 hours. ML563

Manager April Sibley advised she was outside helping a male identified as Donald Thrasher with some items. Thrasher appeared intoxicated and began to walk

up on April and her associate. April pushed Thrasher away. A male inside the store saw this and came outside to assist with getting Thrasher to leave the area. The male then walked back inside. Thrasher then got into his car and pulled up next to April. Thrasher showed a firearm and then left the area. April did not want to pursue charges, however she did want him advised of criminal trespass. I spoke with Thrasher over the phone and advised him that he was not to return to Foreman Mills in Maple Heights or he will be arrested.

FEMALE IN POLICE LOBBY TO REPORT SHE LOST HER PURSE WHILE AT THE BUSINESS.

Celestine Jollymills came into the MHPD to report her purse missing. Celestine stated she last saw her purse while paying for her merchandise at Family Dollar on Northfield Rd. I observed the Southgate cameras and noticed Celestine walking in the parking lot and dropped her purse while she carried her grocery bags. A few moments later, a male exits a white Cadi Escalade and picks up Celestine's purse from the ground. I then received a call from Celestine stated that a male, in a white Cadi, dropped off her purse at her residence. Celestine was not missing any items.

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address, 15716 Fernway Drive, for a male that had been stabbed in the hand. Upon my arrival, I spoke with the male who had been stabbed and identified him as Nicholas Hamilton. Nicholas stated that while he was in Cleveland he and his girlfriend (who he refused to identify) got into a fight when his girlfriend stabbed him in the hand. Nicholas then walked from Cleveland to the above listed address in Maple Heights. Once Nicholas was in the ambulance and his wounds were able to be observed the medic believed the wounds to be caused by punching something and medics believed that his wrist was broken. I also observed what appeared to be road rash on Nicholas' hip. Nicholas' bag was turned over to Ptl. Fronzaglio by the caller, Jeremy Moore and it contained a bullet proof vest, a black bear back pack with a US bank card, Nicholas' ID, 2 ear buds a earbud case two gloves, another back pack, a Shein bag with underwear and a red umbrella, two more Shein bags with blood on them and misc. clothing inside, a black ski mask, a black hoodie that is bleach stained and smells of bleach were located and entered into evidence as found property (TN#33806) Dispatch was able to contact Cleveland Police Department and they stated that this incident occurred at 1802 E 13th on the 11th floor around 2138 hours. When Cleveland arrived on scene the male ran from them and the ambulance reference CPD CAD Call # 2023-133860. Once at Marymount Hospital, about a 4-inch knife was found in his underwear. The knife was turned over to the Cleveland Clinic Police. Cleveland was advised of all information gathered and units cleared the call.TV#566

| I spoke with the caller, Eboni Vincent. Eboni stated she was an employee at KeyBank in downtown Cleveland. Eboni stated she was placed on administrative leave due to a fraud investigation that KeyBank was conducting on her. Eboni stated she possibly lost her debit card and 3 unknown withdraws came out of her banking account. I advised Eboni to close her bank account. Eboni just wanted this incident documented. I provided Eboni a copy of the CAD incident. ML563 | | | | | |

Upon officer and firefighter's arrival, the female, Diamond Spinks, had been cut down from a piece of fabric she was hanging from in her closet. When I located Diamond she was breathing and began talking with medical personnel. Diamond's friend that had found her, Corday Lawson, said when she found Diamond, she was not breathing and there was blood coming from her mouth. Corday used a kitchen knife to cut the fabric that Diamond was hanging from in the closet. Diamond made multiple statements saying, she did not want to be here, etc... Diamond was transported to Marymount Hospital for physical and mental evaluation. MH547

CUSTOMER ASSAULTED A CASHIER LAST NIGHT AND THEY NEED TO MAKE A REPORT
 SECURITY AT STORE DID NOT CALL POLICE LAST NIGHT
 MEET CALLER OUT FRONT

On Thursday, May 11, 2023, at 1631 hours, I, Ptl. H. Kaur #553, spoke with Mike Vendely, he stated a minor employee was assaulted at register four. The customer was extremely rude towards the workers. The male left his phone and came back for it later. One of the employees, Taniyah Poston, who advised the irate customer that his phone is with Justin Sanders, another minor employee. Justin placed it in the customer service desk area. The customer continued to be irate over his phone being placed in a different location. The male, who appeared to be an adult, stated "Shut your little bitch ass up before I get my cousin up here to whoop your ass." Justin then returned with the customer's phone and asked him not to speak with Taniyah in that manner. The male then stated "What are you going to do about it and got in Justin's face. Justin asked him to step away from him. The customer then punched him in the face, showed Justin into a display and continued to punch him. Security did not contact the police at the time of the incident. I requested video of the incident from Giant Eagle Loss Prevention, once video is obtained I will make effort to identify the unknown customer. HK#553

Spoke with the caller, Marquis Flowers, who stated that he had talked to his ex-girlfriend's daughter, Bella, "not a full week ago" and she said that she was

scared of her mom's two dogs and "hinted" at that something had happened. When Flowers asked Bella what happened she stated that their 2 year old pug, Tyson, had been killed by one of her mother's dogs. The Flowers stated that he talked to his ex-girlfriend, Kai Carter, and she had told him that while the pug was in the room with the two other dogs it had been attacked and died. Carter told the Flowers that she had buried the dog in the backyard and had put the dog's crate over top the grave to hide it. I asked Flowers if he knew when the dog had died and he said between "not a full week ago" and about two weeks. Flowers also stated that he had not been to Carter's address since the 2022 Browns' home opener. I asked Flowers how he knew the dog crate was over the dog's grave and he stated he saw it while on facetime with Bella. I advised Flowers that I would be attempting to contact Carter in regards to the allegations and he stated to not bother because she would just lie and to only speak with her children.

At approximately 1540 hours, I attempted to conduct a follow-up with Carter at the above-mentioned address but was advised by neighbors that she was not home at the time. I did not observe any fresh dirt mounds in the backyard nor did I observe any dog crates attempting to conceal any dog size graves.

While entering Flowers' information through LEADs it appeared as though Carter has a TPO against Flowers. Additionally Flowers had a warrant for aggravated menacing. I attempted to contact Carter with the phone number Carter provided but was only able to leave a voicemail. CF573

On Friday, May 12, 2023, at 0815 hours, I, Ptl. Field #573, responded to 21112 Hillgrove Ave for a report of a damage to vehicle. Upon my arrival, I spoke with Summer Adkins. Adkins stated that they had parked their 2005 gray Nissan Frontier bearing OH License Plate #599ZKW last night at approximately 1830 hours on Prayner Rd. next to their house. At approximately 0745 hours, Adkins stated she came out to drop her children off for school and observed fresh damage to their Nissan. There was a hole in the back windshield and the rear passenger window had been broken out. Adkins stated that they did not see who did this nor do they know anyone who would have. I asked if their Ring doorbell cameras caught the incident but Adkins stated that they are currently not working. I canvassed the area for any witnesses and cameras but were unable to find any. Should a suspect be identified a report maybe generated. CF573

On 05/12/2023 I spoke to Kursten Hemphill who stated he received a text message from an unknown number that stated "I'm a kill u. On everything I love." The number is 1-216-798-4954, and Kursten stated he does not know who this number could be since he does not have any problems with anyone. I ran the number through police records and did not get anything back in the system. Additionally, on 6/10/2022, the same number sent him a text message that stated "You dont clean that house I'll make sure u don't have it." Kursten stated he owns his home and does not rent. I looked up the number on a google search and the number does not match to any persons, and when I called the number it continues to ring without a voicemail message. Kursten was advised to contact the Maple Heights Police Department if he received more messages, or if he had any further information on possible suspect(s). Kursten stated he wanted this information documented.

On 05/12/2023 I responded to 6028 Dunham Road for a family trouble call. Upon arrival, I spoke to the male caller, Reginald Cavor. Reginald stated that he and his wife, Yatanya Cavor had been having issues, and they argued earlier today over Yatanya's purse and car keys. Reginald explained that he and Yatanya had her father, and daughter in law over for a cook out and he asked Yatanya if he could move her vehicle out of the driveway. At this time, Reginald and Yatanya began to verbally argue. During their argument, Reginald grabbed Yatanya's purse in order to grab the car keys out of it, and Yatanya attempted to grab her purse out of Reginald's hands. Reginald stated he and Yatanya both put each others hand's in their faces but did not physically fight. Reginald stated he contacted the police so an officer can speak to Yatanya. I spoke to Yatanya who stated that her and Reginald had been having marital issues, and Reginald is upset that his in-laws are over. Yatanya informed me that Reginald wanted to return the food they bought for the cook out in order to inconvenience her. Yatanya continued to explain that Reginald grabbed her purse to get the keys, and both of them attempted to gain control of the purse. Furthermore, Yatanya stated they did not physically fight, just stuck eachother's hands in their faces. I did not observe any visible wounds or marks that indicated a physical fight amongst the two individuals. Both parties were advised of the Domestic Violence Laws, and they agreed to stay separated at the residence to prevent any conflict.

ALBERT SIMONE

THE PD WERE OUT THE OTHER DAY TO CHECK ON HIM AND HE STILL HAS NOT BEEN SEEN, HE HAS NOT TAKEN HIS GARBAGE OUT TODAY EITHER. HIS GRASS IS STILL HIGH

514-KNOCKED NO ANSWER, NO CHANGES FROM PREVIOUS. THE NEIGHBORS WILL BE KEEPING AN EYE ON IT

I responded to the address. I again checked the exterior of the residence and found the doors and windows were all locked. There is mail in the mailbox with post dates going back to March of 2023. I did not detect any odors or evidence coming from inside the house that would indicate a dead body inside. I attempted to open the man door for the garage but was open to open the locked door. From the previous call (23-10101944) I knew there was not a valid phone number for the male.

The neighbors do not know of any relatives or friends of the male. The neighbors also did not have any phone numbers for the male. The neighbors also stated the male is a loner and does not come outside much and it is not unusual for them not see him for stretches of time. STB514

54-ENDING MILEAGE 163452-13140 HATHAWAY, JADE TURNED OVER TO HER GRANDFATHER JERRY FORTON

Officers were dispatched for a fight in the area. When we arrived, Shaynaya stated she had been walking home when Jade walked up to her. When Jade got to Shaynaya, Jade started pulling her hair and punching her in the face and head. When asked what the fight was about, Shaynaya stated it was because a boy liked her and not Jade. Shaynaya stated she normally walks home from school.

Jade stated she had not taken the bus home today, because she had been in a fight yesterday and the girl she fought had been on the bus. Jade stated she was supposed to have been picked up by her grandfather, but for some reason that had not worked out and she had to walk home. Jade stated Shaynaya had approached her wanting to fight and they had.

A witness stated she had observed Shaynaya walking on Mayville from Libby back towards the school and Jade walking up behind her. The witness did not observe any blows being exchanged.

Neither juvenile had any obvious injuries, but Shaynaya's hair was messed up.

Shaynaya's mother was already on scene. She stated she just wanted to talk to Jade's parents about the problem so the parents can work it out to prevent any further issues from their daughters. STB514

 54-ANDRE WAS LOCATED AND TRANSPORTED BY THE SQUAD TO MARYMOUNT FOR A PSYCH EVAL

On 05/12/2023 at approximately 1523 hours, I responded to 5270 Beech Avenue for a missing persons report. Upon arrival, I spoke to Shauntalle Kimble who informed me her brother, Andre Pettis had been missing. Shauntalle stated Andre was a non verbal autistic male, and last seen him in his room at 1100 hours. Shauntalle could not state exactly when Andre went missing but stated she attempted to look for him in the house, backyard, and Beech Avenue. Andre's mother, Syconda Pettis arrived on scene and described Andre as 5'10" approximately 160 lbs and had a long black afro hairstyle. Additionally, Andre had scruffy facial hair, and was last seen wearing a red shirt, with blue shorts and white socks. Shauntalle also informed me that Andre was not wearing shoes, but he still had a hospital bracelet on that Syconda never removed. I asked Syconda if Andre had ever left the residence before and she informed me that they rarely leave the house since the Covid-19 pandemic, and that Andre doesn't frequent any businesses in the area. Syconda stated Andre was in good physical health and did not take any medications. Syconda advised me that she did not have any dental forms for Andre and all the photographs that she had of Andre were outdated. Andre was entered into LEADs as an endangered person NIC/M267319158, LID/11980287. Maple Heights Police Units checked the area and Andre was located at 5225 Forest Avenue. Syconda, and Maple Heights Fire Department arrived on scene and Andre was transported to the hospital for an evaluation. Andre was cleared from LEADs as an endangered person.

On Saturday, May 13, 2023, at 1050 hours, I, Ptl. Field #573, was dispatched to the Maple Heights Police Department lobby for a report of a missing wallet. Upon my arrival, I spoke with Lachaune Lyons. Lyons stated that yesterday between 0600-0800 when she went to her apartment building's mail room she had her purse with her that contained her black Marc Jacobs wallet. When Lyons went to take her keys out of her purse, to open her mailbox, her wallet fell out of her purse. At approximately 1200 hours, Lyons realized that her wallet was missing from her purse but when she checked her mailroom it was not there. Lyons stated that the wallet contained several credit cards (with no fraudulent activity) and her Ohio ID card. Lyons stated that the apartment management team would not be able to view the camera footage till after the weekend. CF573

Spoke with the caller who advised me that an unidentified female only known as Chaney Creasandra had come into the store on 05/04/2023 for a blouse to be cleaned for a cost of \$7.51. Today, an unidentified female who stated that she was Creasandra's daughter came in to pick up the item. When picking up the item, the daughter stated that her mother had paid though the caller stated she did not. While the caller and the daughter were arguing, Cresandra came into the store and stated that she had paid and then took the item and walked out and drove off. The caller informed me that she would contact the police if the female returned to identify her and advise her of trespass and cite for theft. CF573

On the above date and time, officers received notification of a 911 hang up in the area of 14290 Reddington Av. On arrival, offices determined the address to be 14300 Reddington. The Caller was identified as Destiny Wilson. Destiny advised she was picked up by her brother earlier on in the evening and they went to the residence to see family. While they were there they got into a verbal altercation that required other family members to break it up. Destiny was intoxicated at the time of the encounter due to her bloodshot eyes, rapid speech, and the odor of alcoholic beverages coming from her person. Destiny advised she wanted to press charges against her brother for "choking her" however, when officers attempted to identify him, she became uncooperative and refused to complete a written witness statement. Destiny returned back to the residence after speaking with officers. Destiny's brother was not able to be identified while on scene. NR570

The female had no visible injury to her chin where she indicated she was pushed. The male half also did not have any physical injury. It was later learned the female was upset that the male came home late after being with another female. There was a verbal argument that took place and the female wanted the male arrested. She later calmed down and stated she was going to leave for the night to cool down. CWF528

On Friday, May 12th, 2023 our complainant, Malia Foster, stated she gave her child's father, Zecairah Mcnair, access to her 2019 Nissan bearing Ohio License Plate #JDB8260 (VIN: 3N1AB7AP1KY380500) for the weekend while she was in Atlanta GA. Malia stated she returned home on Sunday, May 14th, 2023. Malia mentioned Zecairah was driving her vehicle at the time. At approximately 0313 hours May 15th, 2023 Malia contacted the Maple Heights Police Department to report an Unauthorized Use. Malia stated she woke up and noticed her vehicle was not parked in her driveway. I advised Malia that she could not report her vehicle stolen or Unauthorized because she gave Zecairah permission to operate her vehicle. If Malia wishes to report the vehicle as stolen she would have to wait 48 hours to do so. Malia completed and signed a Maple Heights statement form. Moments later when I cleared Malia residence, she stated that she contacted Zecairah regarding her vehicle and Zecairah told her that he left her vehicle on the highway with the keys inside the vehicle. Sgt. Faunce responded to the location where Zecairah stated he left the vehicle and Sgt. Faunce was able to locate the Nissan. #554
