I spoke with Shandra Jimence, she stated she left her parrot, ferret and dog with a male she found on Facebook Marketplace. She paid the male \$60 dollars to watch the animals. She stated she went to PR and the parrot was lost in her residence while it was under the males supervision. The male apologized, but when Shandra left the animals with him for the second time, she found dog feces all over her living room area and the conditions of the house were not healthy or her pets. I advised her to file a complaint with the Maple Heights Animal Warden, this information was also forwarded to the animal warden for review for a possible report of abuse or neglect. At this time this information will be documented. HK #553

77yo Alvin Character contacted the MHPD to report missing property from his residence. Alvin lives alone and continues to make missing property allegations, however, no evidence could be found that these items exist nor were stolen. Today, Alvin claims that he was missing several wrist watches that he received from a friend many years ago. Alvin located one watch in the closet but could not find the rest of them. There were no signs of force entry and no one has a key to his residence. Alvin has a camera system, however it does not work. Alvin also has an alarm system but there were no alarm drops recently. I spoke with Alvin's sister, Holly, over the phone. Holly stated she doesn't know what's going on with Alvin. Alvin appears to be suffering from a mental illness, however, he is

alert and aware of his surroundings. I advised Holly that she should check on Alvin and perhaps take him to see a doctor. I also left a message with the Maple Heights Senior Center for assistance.

I spoke with the manager, identified as Capree Jenkins, about two shoplifters. Jenkins stated that two black females wearing hats had taken 2 packages of Twisted Tea Variety 12 packs (12 ounce cans) past all points of sale and exited the store without paying for the merchandise. Jenkins observed the females leave in a black Nissan SUV with a temporary license plate (but was unable to see the plate information) that was parked on the northside of the building. The Jeep pulled off onto Libby Rd an was unable to observe where the vehicle went frm there. Jenkins stated the perchandise total was \$75.96. Should suspect information come to light, Jenkins did wish to pursue charges against the two females. CF573

I spoke to complainant, Joi Rumph. Joi stated that she noticed copper taken from the basement, the air conditioner and the water line to a home that she was fixing up. Joi stated that the house was vacant. Joi last noticed the copper intact on Monday October 16, 2023 at approximately 1030 hrs. Joi noticed that the copper was taken prior to calling the police. Joi believed the suspect(s) entered through the bedroom window located on the northeast side of the residence. Joi believed that the window was locked and that the suspect(s) pried the window open. I did notice the window latch was broken off. I observed the copper to be cut off to the air conditioner that is located outside on the north side of the residence. I observed copper cut off in the basement that was connected to the water tank. The basement was flooded with water. Joi stated that Cleveland water was dispatched to shut the water off. Joi did not have any cameras on the residence. Joi will contact her insurance company to file a claim. Photos were taken and attached to this call sheet. Should a suspect(s) be identified, a report will be generated. JL #574

Amber Falsgiver responded to the Maple Heights Police Department to make a report about an assault that occurred on October 16, 2023 at 1600 hours. Amber stated that her ex-boyfriend Fletcher Brown, came to her now boyfriend's, Raymond Kadas, residence at 5546 Dunham Rd and refused to leave. Amber stated she approached Fletcher while he was in his vehicle and told him to leave her alone. Amber stated while talking to Fletcher through the open driver side door, he either shoved something in her mouth or just put his hands over her mouth, and struck her in the face. Amber stated this caused her head to hid the interior of the driver door. Amber stated she then ran back into the house. Raymond, who was with Amber in the Police department and at the time of the incident, stated he obtained video footage of the incident. Upon viewing the footage, Amber is seen leaning into Fletcher's vehicle and appearing to argue with him. Amber is seen pushing Fletcher and stepping out of the vehicle and hitting her head against the driver door. At no point in the video footage is Fletcher seen putting his hands on Amber. No assault was observed. Amber was advised to obtain a protection order against Fletcher and was given instruction on how to do so.

I observed a vehicle in Stafford Park at approximately 0319 hrs. The vehicle was backed into a parking space near the basketball courts. When the vehicle saw me, the vehicle attempted to leave. I stopped the vehicle bearing registration of OH-R116710. As I was speaking to the driver, Erin Anderson, I observed an open bottle of Don Julio on the rear passenger seat next to rear passenger, Imani Webster. Imani appeared to be intoxicated. I asked her if that was her bottle and she stated that it did not matter. Imani was issued a summons for open container and was given a court date into Maple Heights Mayor's Court. Photo of the alcoholic beverage was taken and attached to this call sheet. JL#574

ASSISTED

The school's issue was the juvenile was not listening and not going to her classroom. The juvenile was also not wearing the correct clothing per the school policy. The female had not made any threats to harm herself or school staff. The school wanted officers to standby with the juvenile since they could not leave the juvenile unattended. The school was informed this was not a police matter and they would have to watch the juvenile until a guardian arrived. STB514

CALLER RECD INFO THAT SOMEONE OPENED A CREDIT CARD IN THE MALES NAME

I spoke to Jonathan Graves. Jonathan advised me that he received a notification from Chase Bank that asked him if he opened a credit card in his name. Jonathan explained that he does not bank with Chase and never had banked with Chase and the credit line that was possibly opened was not from him. A Chase Bank representative advised Jonathan to file a report with the police department and they will cancel the credit line. Jonathan was provided with this CAD number for his documentation.

WILL COMPLETE

On Friday, October 20, 2023, I responded to check the area of 5074 Miller Ave., for a possible hit skip involving a pole that was being used by the police department. The pole was being used for the Raven camera which is run by Flock Systems.

Upon arrival, I located a hole in the ground on the southwest side of 5077 Miller Ave. The pole was missing and I observed part of the pole that was in the ground. I did not observe any tire marks in on the lawn where the pole was located.

I observed a doorbell camera facing the west end of the street directly across where the pole was located at 5074 Miller Ave. I spoke to resident, Cecil. Cecil

stated that he observed the pole missing for several weeks. Cecil stated that he did not see or hear anything regarding the missing pole. Cecil will review his doorbell camera and contact me if he observes anything on video.

I observed a doorbell camera at 5071 Miller Ave. No one appeared to be home. Cecil stated when the resident returns home, he will have the resident check the camera for any video footage regarding this incident.

I spoke to resident at 5064 Miller Ave. Resident stated that she did not know there was a pole at that location. She did not hear or see anything unusual.

Photos of the missing pole and hole were taken and attached to this call sheet. As more information is obtained regarding if this matter is criminal or a hit skip, a report will be generated. JL#574

CALLER ADVISED THAT HE IS REQUESTING TO SPEAK TO SGT FRAZIER REGARDING A NEIGHBOR THAT KEEPS PARKING IN FRONT OF HOME
AND BLOCKING THEIR VEH IN.
REQUESTING PHONE CALL BACK

I, Sgt. Frazier, spoke with the complainant, Guillermo Crosby, who stated his neighbor legally parks on the roadway, but directly across the street from his driveway. Mr. Guillermo stated when his neighbor parks their white Chevrolet Impala on the street, it makes it hard for him to get in and out of his driveway. Due to the vehicle being legally parked along the curb, across from his driveway, Mr. Guillermo was advised we will check during 2-6 and a citation will be issued if necessary. The area was checked during 2-6 parking and the Chevrolet was not parked on the roadway. However a red SUV was cited for 2-6 parking.

MAS1 TRANSPORTED SOUTH POINTE

I spoke with Roddy Prophet who stated his girlfriend Cleo Turpin (DOB unknown) pushed him out of her vehicle. Roddy stated that he and Cleo don't live

together but stay over at each others places from time to time. Roddy stated after exiting the vehicle, he was able to get his wheelchair from the rear of the vehicle before Cleo left. Roddy wanted transported to the hospital because his back hurt him but didn't want to pursue any charges against Cleo. Roddy would not provide any other information about Cleo or any other details regarding the incident Roddy became uncooperative and wouldn't answer any further questions. Roddy's pants were wet, however I didn't observe any injuries on Roddy. Roddy was advised if he wished to pursue criminal charges against Cleo, to come to the Maple Heights Police Department once he is release from the hospital. Roddy was transported to South Pointe Hospital. LK558

IN THE POLICE LOBBY
 CALLER WOULD LIKE TO SPEAK W/ OFFICER REGARDING WORK NOT BEING DOWN TO HIS STANDARDS

I spoke with both parties. Antwyne stated he hired Larry Jablonowski to do work on his deck at his home. Antwyne stated before the work was completed he paid Larry a \$500 deposit. Antwyne stated the total cost of the work was \$1500. Antwyne stated after the work was completed he was not satisfied with the work Larry had done, which he refused to pay the remaining amount. Larry stated he completed the work correctly. I advised on how to file a civil suit through the Garfield Heights Municipal Civil Court. Larry just wanted this incident documented for court purposes. Both parties were advised that this was a civil matter. I provided both parties a copy of the CAD incident number. ML563

574 FOLLOWING SQUAD TO MARYMOUNT.

The owner of Sylks, Sam, contacted the MHPD to report an irate bar patron. Sam advised dispatch that the patron threatened to shoot the bar up, however, no gun was seen. Once I arrived, Sam appeared too busy to come out and speak with me, however, his security informed me of the incident. The guard stated he escorted the patron, he described as in a wheel chair, outside the bar. While outside the patron broke two flower pots, belonging to Sylks and threatened to shoot the bar up. The guard did not see a firearm. Officers located the patron, Roddy Prophet, near Southgate Blvd, where he attempted to take an unknown number of his blood pressure medication. The MHFD was called to the scene. Roddy appeared to suffer from an unknown mental illness. No firearm was located on Roddy's person. The MHFD transported Roddy to Ahuja Hospital as a precaution.

I spoke with Praytell Ford who advised she was with the father of her child, Martez Smith at "Heir", 16939 Broadway Ave. She got into an altercation with an unknown female, and Martez broke apart the fight and may have accidentally injured her while doing so. Praytell was upset and walked back to where she was staying, 5509 Grasmere Ave. While walking back, Martez followed her and Praytell fell while trying to distance herself from Martez before returning home. Martez then left in an unknown direction. Officers checked the area but did not locate Martez. I did not observe any injuries on Praytell. Praytell was re-advised on how to get a protection order and to contact police if Martez returns. LK558

DEBRANT MOORE
LEFT IN A WHITE VW SUV EARLIER TODAY WHEN HE WAS AT THE HOUSE.

I spoke to complainant, Antonia Grady. Antonia stated that she left her residence on Saturday October 21, 2023 at approximately 1940 hrs. When Antonia arrived back at her residence on Sunday October 22, 2023 at approximately 0230 hrs., she noticed that her bedroom window was shattered. Antonia's bedroom window is located on the south side of the residence. Antonia believed that it was her ex-boyfriend, De'Bryant Moore. Antonia recently broke up with De'Bryant and stated that he was upset with her over not returning his PlayStation system. I advised Antonia on how to obtain a protection order. Antonia wanted this documented and will contact the police if De'Bryant returns to her residence. A photo of the shattered window was taken and attached to this call sheet. JL #574
