610-REF A BARKING DOG COMPLAINT					
I told the caller to email me video showing when the dogs are barking creating a nuisance. I sat in front of the home and didn't hear any dogs barking. I also knocked on the door to talk to the owner and still did not hear any dogs barking. Behind the house is a few tie outs present where it appeared dogs are being tied out. I told the caller to call next time the dogs are creating a nuisance. J Houchins 610

-- From 10/09/2023 13:19:26 To 10/09/2023 13:19:27 Disp R231 -- 75-WILL COMPLETE					

On 10/09/23 at 1258 hours, I was dispatched to the station lobby to speak to a female in reference a harassment complaint. I arrived on station at 1305 hours.

Upon arrival, I spoke to Dazsha Bush. She was with her son.. She advised her son (age 18) is being verbally harassed by an adult male in reference to a previous case from May 2023. Ms. Davis advised the case is in reference to an alleged rape where her son, is the suspect. The alleged victim, is a seven year old male. Ms. Bush is related to the victims mother.

I then spoke with son regarding the complaint. He advised the father of the juvenile male in the previous case, Davon Davis is verbally harassing him as he walks to school. The son passes the alleged victims residence on his normal route to school. He stated Davis has confronted him on multiple occasions, advising him he is not to walk passed his home. If he does, he needs to walk on the opposite side of the street.

Ms. Bush advised the previous rape case was closed and unfounded. I informed her that I was not familiar with the case, and would look into it and advise her if I needed any other information. Meanwhile, I asked the son if he could take a different route to school to alleviate and potential problems. He stated he could.

I then attempted to contact Mr. Davis via phone to speak to him regarding the complaint. A message was left with his wife, Devrin to contact us. Her number is the only number on file. Upon further investigation, the previous case is listed as under investigation. The Detective Bureau was notified. At this point, I am awaiting response from Mr. Davis. A criminal report may be generated at a later date should the situation develop into menacing. I cleared at 1319 hours. JL575

On 10/10/23 at 1645 hours, I was dispatched to 5226 Phillip St. in reference to a possible sexual assault that occurred at Obama Elementary School that day. I arrived on scene at 1652 hours. Upon arrival, I spoke to the caller, Asia Smith. She advised her son, Adrien Smith (age 10) came home from school and advised her he was sexually assaulted at school by another student. Asia stated she received a call from Principal Hugley earlier that day advising there was an incident but she was unable to get much information about it from Adrien or the other student. Ms. Smith asked if she could come to the station to talk to me about today's incident. I advised I would meet her there and cleared from the residence.

At 1807 hours, Ms. Smith came to the station with her son, Adrien. I took them into interview room A and gave Ms. Smith a written statement form to fill out. I then sat down and spoke to her and Adrien. He advised that he walked into a restroom stall. At that time, another student, Michael Monroe (same grade) followed him into the stall and began "humping" the stall wall while making inappropriate hand gestures, that were sexual in nature. At that time, another student (unknown) came into the restroom and observed the odd behavior. The student then summoned the school principal, who intervened and removed Adrien and Michael from the restroom. Adrien advised me that Michael does this to other students and stated he is a "weird" kid. Ms. Smith advised me the school had called Michael's parents as well and informed them of the inappropriate behavior. Adrien advised me that at no time was he assaulted, as Michael never made any physical contact with him.

No sexual assault has occurred. This incident will be handled in-house at the school level. I will follow-up with Ms. Hugley at Obama Elementary in the event there are any future related incidents. JL575

Aubrey Wiggins contacted the MHPD for the second time within 15minutes about his upstairs neighbor Ms. Smith. Aubrey stated he heard Ms. Smith throwing rocks at his living room window. There was no damage to the window and no rocks were found near the living room window. I spoke with Ms. Smith who stated that this is an ongoing neighbor dispute and that she feels harassed because Aubrey will call the police everytime they cross paths. Ms. Smiths stated she spoke with the apartment management, however they will not help her. Ms. Smith will be moving out of the complex soon. Both parties were advised to video record any interactions they have between them.

IN THE LOBBY TO MAKE A REPORT REGARDING A STOLEN CELLPHONE  
ADVISE JEREMY SINGLETON 03/06/1992

On Wednesday, October 12, 2023 at approximately 1924 hours, I, Sgt. Frazier, responded to the Maple Heights Police Department lobby for a report of a stolen phone. Upon arrival I spoke with the complainant, Briana Pruit. Briana stated she and her ex-boyfriend/child's father, Jeremie Singleton, has her phone and has refused to turn it over to her. Briana stated she asked Jeremie if he has her cellular phone several times and each time he would state he did not have the phone. Brianna used the Find My iPhone application which showed the phone in the area of 1378 Hampton Road where Brianna states Jeremie is currently residing. Briana also showed text messages between her and Jeremie where he admitted to having Brianna's phone. I contacted Jeremie at his phone number

which was provided to me by Brianna. Jeremie stated he did indeed have Brianna's cellular phone, but he did not plan to return the phone because Brianna used his information for a utility bill. Jeremie stated Brianna owes him \$400 for the outstanding utility bill. Jeremie was advised to bring the iPhone to the MHPD which he agreed to do so on October 13, 2023. Jeremie also stated he wishes to file a police report for identity fraud. Jeremie was advised that a report can be made for the identity fraud when he arrives to the MHPD to turn over Brianna's cellular phone. DF#540

 OFFICER ADVISED HE IS OUT WITH A PRIVATE PROPERTY MVA.

Christopher Kane approached officers while fans were exited the HS football game. Christopher stated he parked his dad's 2006 Toyota Solara inside the parking lot of Maple Heights Convenient Market. While walking towards his vehicle, Christopher noticed the front passenger-side headlight was broken out and a dent to the front passenger side fender. I spoke with the store owner, Thaker, who stated he witnessed a grey Ram pick up truck strike the vehicle around 2000 hours, however, he did not get the license plate. I reviewed that security camera footage and noticed a gray Ram reverse into the Toyota. Two unknown black males exited the Ram to asses the damage and then left the scene without leaving their information. No plate could be seen on video. Flock did pick up a Ram in the area, however, the plate was not visable.

Officers responded to the scene and spoke with the caller Latonya Whiteman who stated her 19 y/o daughter invited other men into her house. Latonya wanted her daughter removed but Officers could not legally remove her due to the fact that she had established residence to the property. Officers explained the rights of tenants and how to complete an eviction process to Latonya. Officers later came back to the residence after Latonya called again stating that her daughter stated she was going to burn the house down. After speaking further with Latonya, she explained that she only overheard her daughter speaking on the phone and never made a direct threat to Latonya.

CALLER STATED A MALE THAT USED TO LIVE W/ HER MADE THREATS TO HARM HER. THERE ARE RECORDINGS OF THE MALE MAKING THE THREATS. INITIAL THREAT WAS MADE LAST MONTH AND NOW HE IS MAKING THREATS AGAIN.

Shontanese Patterson came into the MHPD to document a threat from her boyfriend, Eugene Colbert, from September 4, 2023. Shontanese stated they both lived together on South Blvd when Eugene told her un-named friend that he was going to leave Shontanese before he killed her. Shontanese was not present at the time. Tonight, Shontanese and Eugene allegedly got into a physical altercation in Warrensville Hts, which WHPD did not arrest any parties involved. Instead, Shontanese stated that WHPD told her to come to the MHPD to tell them about this indirect third party threat she learned about on September 4, 2023. I advised Shontanese on how to obtain a CPO and she should contact the Warrensville Hts Prosecutors office about the physical altercation that happen tonight.

I spoke to the caller by telephone, she stated sometime over Wednesday night that her ex-boyfriend, Javon Brewer, had removed his belongings from the apartment. Leeya also stated she was missing money from her apartment. Leeya believes Javon had taken the money when he took his belongings. Leeya admitted she was not home during this time. Leeya further explained that Javon had been staying with her and has keys to the apartment. During the conversation, Leeya stated she did not want for Javon to get into trouble.

When I asked Leeya if she wanted to make a police report and sign criminal charges against Javon, Leeya hung up the phone. When I attempted to contact her again, Leeya did not answer the phone. STB514

When the traffic signal changed, # 2 backed up by mistake and struck the front of vehicle # 1. The driver of # 1 Latoya Elam exchanged information with # 2 and left the area. However, the caller did not get the license plate of vehicle # 2. Vehicle # 1 had minor damage with a cracked front grill. She needed this documented for her insurance.  The complainant, Terra Graham, advised she was in her apartment with her daughter and her a loud crashing noise through her living room window. Terra advised it sounded like someone was trying to come inside. Upon looking at the window it was apparent it had something thrown at it. I checked the inside of the apartment and observed two rocks in the living area. I spoke to Terra and she advised she had cameras in the residence however nothing was captured on camera. Terra advised she has no enemys or issues with people and does not know who would have done this. Terra advised she thinks it might have been the "backpack man" the homeless guy who is always hanging around outside. Terra was given a CAD number for documentation and was able to get ahold of her maintenance worker to board up the windows. BWS548

On Saturday, October 14, 2023, at approximately 0117 hours, I, Ptl. Field #573, responded to the Maple Heights Police Department lobby for a theft complaint. Upon my arrival, I was met by Teandre Davis. Davis stated that on Friday, October 13, 2023 approximatley 2030 hours, she had parked her silver 2020 Toyota Highlander in her driveway and left it unlocked. At approximately 0030 hours, Davis' husband had woken up off the couch and observed that the front door to the Toyota was opened. Davis went outside and observed that it appeared as though someone had gone through the vehicle. Davis reported that she was missing her pink and tan Guess wallet from the center console along with a blue iPhone Xr with a cracked front screen. Davis reported that her wallet contained her identification cards, PNC bank card, medical cards, her family's social security cards and \$100.00 dollars. Davis stated that she was unconcerned about the missing items in her wallet due to several password protections on the bank card and social security cards. Davis stated that she did not know the value of the iPhone or the serial number. Additionally, Davis stated that they do not have any security cameras on their house nor did any of her neighbors witness the incident. Should any suspect information come to light, a report maybe generated. CF573

548 - CALL IS NOT AS ADVERTISED / I spoke to the complainant, Linda Hood, who advised the female, Lisa Kocher came down to her apartment and began arguing about the laundry in the laundry room. Linda advised Lisa got in her face and she pushed her out of her apartment. Linda further advised while this was going on her grandson (8y/o) grabbed pepper spray from a car key chain and sprayed the hallway to get Lisa away. Linda advised Lisa went upstairs. Linda advised she just wanted to be left alone and did not want to press charge(s) against Lisa. I spoke to Lisa and she advised she just wanted to be left alone and advised she did not want to press charge(s) against Linda. Both parties were told to stay away from each other to keep the peace. Upon checking Lisa there were no physical injuries. BWS548

FEMALE CALLED THE NON EMERGENCY 10 TIMES AND THE EMERGENCY LINE 1 TIME

Lisa originally called officers because she wanted them to give her a ride somewhere. She was advised by dispatch that officers were not going to provide her a ride and to call for an Uber. Lisa refused to listen to dispatch and called back several times. Lisa then said she was being held against her will and she couldn't leave. Officers arrived on scene and made contact with Lisa at the front door. Lisa was standing inside the front door with her dog and talking on her phone. Lisa was not in any distress or trouble as officers could see clearly into the home and the glass door she was standing behind. Officers told Lisa to open the door and step outside, Lisa refused to open the door and speak with us. She told us she was afraid she was going to jail. DJ#537
