4553 WILL COMPLETE

On Monday, September 18, 2023, at 0847 hours, I, Ptl. H. Kaur #553, responded to 19604 Longview Dr, for an MVA report. Upon arrival, I spoke with Preschus Segines, who stated the sun blinded her and she went to go around a parked vehicle. As she made her way back into her lane she did not see the parked trailer on the roadway. She struck the rear of the trailer. There was very minor damage on the trailer. Preschus stated she does not have insurance, and she is a single mother. Due to the damages on Unit #1 being minor, they advised they would just like the MVA documented for thier insurance. HK #553

****IN THE POLICE DEPT LOBBY*****

NEEDS TO SPEAK WITH AN OFFICER REFERENCE HIS 12YOA DAUGHTER BEING ASSAULTED TWO DIFFERENT TIMES IN THIS AREA
DAUGHTER IS NOT WITH HIM RIGHT NOW

I met with LaMarco Battle in the Maple Heights Police Department lobby. for an assault report. He stated his daughter was assaulted in front of 19000 Libby Rd. His daughter, LaMarieya Battle was walking home from Milkovich Middle School, when Tonyah Barry approached her and pulled her to the ground using her hair. I went to the Middle School and spoke with the principal, a meeting was set for the parents and juveniles so the issue does not continue. He was able to go up to the school and have a mediation with the parents of the other juvenile involved and the parents no longer needed police assistance. Nothing further to add. HK #553

ROBERT IS IN CHARMAINES CUSTODY ALL UNITS BACK IN

Charmaine La'Vette responded to the Maple Heights Police Department Lobby to report her father, Robert Miller missing. Charmaine stated that Robert has dementia and left his apartment at 14416 Granger Road #204 building E at approximately 0920 hours. Charmaine stated Robert was last seen at approximately 0900 hours by her daughter. Robert did not have a change of clothes and was wearing a black pull over Ohio State jacket with block lettering and gray sweatpants. Charmaine filled out a missing persons packet and Robert was entered as missing in LEADs LID/12118142. I responded to Robert's address and confirmed he was not inside the residence. Maple Heights Patrol Units surveyed the area and multiple businesses. While units were surveying the city, Chagrin Valley Dispatch notified units that Garfield Heights Police were with the male on Warner Road in front of Ohio Aluminium. Chagrin Valley Dispatch contacted Charmaine to advise her that Robert was found. Sergeant Faunce #528 and I, Ptl. Colangelo #567 responded to GHPD's location and Charmaine was on scene upon our arrival. Charmaine took Robert into her custody and Robert was taken out of LEADs as missing.

The pot hole caused her front passenger side tire to come off the rim and lost all it's air on a gray 2020 Jeep Compas OH RP (HZQ7138). The vehicle came to a final rest on West Glen Drive south of Rockside Road. Kelly stated she contacted a City of Maple Heights representative and they advised her to contact the police department to make a report. A traffic cone was placed over the pot hole by Maple Heights Service Department prior to my arrival. Kelly informed me she contacted her own tow company to have the vehicle removed from the street. Kelly was provided with this CAD number and advised she wanted this information documented. FC567

I spoke to Amillyan Bonds who advised me that she had her vehicle parked in the lot of 15309 Maplepark Drive. When Amillyan was inside her parked vehicle, a gold Honda Civic OH RP (KAX8049) a gray Ford Escape OH RP (JWL7818) backed into her front bumper. The owner to the Ford Escape, identified as Dashanae Perry exchanged her information with Amillyan. Dashanae was not on scene at the time of the report. Dashanae's insurance company is Ohio Indemnity Company. Amillyan further explained that Dashanae informed her that she only had coverage for her vehicle and was willing to pay Amillyan out of pocket for her damages to the Honda Civic (KAX8049). The Honda Civic sustained damage to the front bumper and hood. Photographs of the Honda Civic are attached to this sheet. Amillyan was advised this information would be documented for her insurance claim.

Jazman McMichael contacted the MHPD to report Cherie Jackson on her property banging on her door. Cherie and Jazman have been disputing over ownership of a dog for nearly one week. MHPD has been to both residences over four times within a week. Jazman and Cherie both were advised of trespassing onto each others property in the past (CAD 2310207895). Jazman and Cherie were both advised on how to handle the matter in civil court, however, tonight, Cherie decided to handle the matter at Jazman house. Jasman provided a cell phone video of Cherie knocking on her door, in addition, Cherie admitted to being on the property. Jasmine stated that she does possess a firearm and will use it to defend herself, children, and property.

PDN

I observed the subject, later Idenitified as Devonaire Ingram traveling eastbound on Rockside Rd. At the intersection of Rockide Rd and Dunham Rd., the subject proceeded through the red traffic light without stopping. I activated my overhead lights and siren, initiating a traffic stop. I made contact with the vehicle operator, Mr. Ingram, and found that had has a suspended drivers license (Non-Compliance suspension).

While issuing a citation for driving under suspension and red light, Officer Fronzaglio #572 intitiated a traffic stop at a seperate location, which resulted in a vehicle pursuit. At that time, Mr. Ingram was advised he would be contacted at a later time and issued the citation. He was advised not to drive the vehicle and await the arrival of the vehicle owner, who was currently enroute to his location. I then cleared to assist other officers that were engaged in the pursuit.

Mr. Ingram was later contacted via phone and advised he needs to come to the station to be served a citation for the above offenses. He stated he would come in Friday (9/22/23) between 1900-2000 hours. Mr. Ingram was advised that a warrant would be issued if he fails to come in on the arranged date and time.

Brandon was unable to complete the loan. Ashley is going to report identify fraud through the Ohio Attorney's General Office and just wanted this documented at this time. Cherie Jackson at 19415 Maple Heights Boulevard, informed me that her dog ran out of the residence yesterday 09/19/2023. Cherie believed that the resident at 5177 Camden Road, Jazman McMichael, is now in possession of her dog a shorkie (Shitzu - Yorkie mix). Cherie did not have video or photograph proof that Jazman was in possession of her dog. There have been multiple CAD Logs generated for this matter (Reference CAD #'s 2310207198, 2310207895, 2310207873, 2310211083). Officers went to the Camden residence yesterday and spoke to Jazman McMichael who stated she did not have the dog (CAD #2310211083). Cherie was informed that this is a civil matter and advised to go to the Garfield Heights Municipal Court to file her claim.

Sergeant Allen #519, and I contacted Cherie at approximately 1400 hours. Cherie explained that her Shorkie was not neutered and had a small birthmark on his belly near the penis. Additionally, Cherie described her dog to have a dent or dip in the center part of the dog's head.

I responded to 5177 Camden Road at approximately 1427 hours with the Maple Heights Animal Warden Houchins 610, and spoke to Jazman McMichael. Jazman stated that she bought her dog on March 18, 2023, and provided a bill of sale as proof of ownership. (The dog was a gift from her child's father). The breed of dog that was on Jazman's bill of sale was listed as a Poodle - Terrier mix. Jazman allowed me to examine her dog and take pictures. Upon looking up the two breeds of dogs on the internet, the dog that was in Jazman's possession appeared to closely resemble a Poodle- Terrier mix rather than a Shorkie (Shitzu- Yorkie mix). I did not observe an obvious dent or dip on the dog's head. There were small birthmarks on the left and right side of the dog's penis, however the Maple Heights Animal Warden explained that it is common for male dogs to have birth marks in this area and stated that this birthmark did not appear relevant to Cherie's claim.

I spoke to complainant, Quinta Daniel. Quinta stated that back on May 26, 2023, her husband, Reginald Daniel, was arrested for Domestic Violence in Maple Heights. Quinta stated that she has since separated from Reginald and is in the process of getting a divorce. Quinta stated that she noticed six of her photo

albums missing. Quinta believed Reginald took all the photo albums back in May of 2023. Quinta was advised on how to file a small claims case. Quinta just wanted this documented at this time. JL #574

CALLER WOULD LIKE TO SPEAK WITH AN OFFICER ABOUT THE CLERK AT 7-11 TRYING TO KIDNAP HIM.

I called and spoke with Terrion Howell who advised that his mother, Tiffany Howell, sent him to 7-11 to pick up several items. Terrion went to use his mothers bank card and the female employee would not return the card stating that it wasn't his. Terrion advised he took the card back from the employee and the employee locked the door and stated he couldn't leave. Another male employee unlocked the door for him and let him leave. I spoke with the 7-11 employee, Juanita Jacobs who advised she found the card on the ground inside the store and Terrion stated it was his mothers. Juanita didn't want to give the card to him as it didn't have his name on it and he refused to call Tiffany to confirm he was allowed to have it. Juanita advised she locked the door but Terrion forced the door open and left. The door did not sustain any damage. Both parties advised they wanted the incident documented and Juanita was advised to call police the next time there was an issue. LK558

On 09/21/2023 Ptl St.John #548 and I responded to the area of 5824 Lee Rd S for the report of a 911 hang up call regarding an argument over car keys. On my arrival, I observed a 2011 Mitsubishi Endeavor bearing OH registration HNO3065 (VIN 4A4JN2AS1BE031497, R/O Courtney Hulburt) in the southbound lane of Lee Rd S. The vehicle was off and I observed a female later identified as Talitha Mitchell standing outside the vehicle who stated she was looking for car keys. The second female later identified as Tiesha Mitchell was sitting in the front passenger seat of the vehicle. Talitha advised officers that they were looking for the keys to the vehicle, but would not advised officers how the keys ended up out of the ignition. Tiesha exited the vehicle to speak with officers when asked and had the strong odor of an alcoholic beverage emanating from her person. Tiesha's speech was slurred and repetitive and shuffled while she walked, appearing to have a hard time keeping her balance. Talitha and Tiesha both stated that there had been no physical violence between them, however they were unable to move the vehicle due to not having the keys. Both females were advised the vehicle would have to be towed as it was in the roadway and they could come to the police department in the morning to get the vehicle released. Talitha began to walk away with Tiesha who began to walk in the street before officers directed Tiesha to the sidewalk. Talitha walked away while Tiesha sat on the ground and was argumentative about officers having to tow the vehicle. Tiesha was advised several times by Talitha and officers to leave with Talitha . Tiesha initaly began to walk with Talitha but turned around and continued to ask officers not to tow the vehicle. Tiesha began to walk towards the vehicle searching for her keys in the grass after Interstate Towing arrived on scene and began towing the vehicle. Officers again advised Tiesha to go with Talitha and find the keys after she had sobered up, however she did not. Due to Tiesha's level of intoxication and behavior, Tiesha did not appear to be able to care for herself and was placed in handcuffs and taken back to Maple Heights Jail. Tiesha was issued citation MA34614 for Disorderly Conduct, Public Intoxication, and issued a Maple Heights Mayor's Court Date of 10/03/2023 at 1530 hours. LK558

CALLER IS THE DEAN OF STUDENTS
VICTIM IS NAMED CHAUNCEY, CALLER ADVISED THAT HE DIDNT NEED A SQUAD

I responded to Castle High School for an assault report. I spoke to principal, Alexandra Kolb. Alexandra stated that a former student, Bobby Ford, came to the High School to say hi to Alexandra. After a brief conversation, Alexandra stated that she thought Bobby left the building. Alexandra then realized that Bobby was in a physical altercation with juvenile student, Chauncey Humber (17-year-old male). Alexandra stated that this physical altercation started at the basketball court in the back of the High School during lunch time at approximately 1130 hrs.

I spoke to Chauncey. Chauncey stated that Bobby jumped on him and began kicking and striking Chauncey with his feet and hands. Chauncey stated that he did not know why Bobby wanted to fight him. Chauncey refused to provide anymore information and did not want to provide any further information. I did observe a cut on his left elbow and a scratch above his right eye.

Alexandra stated that there is a camera in the back by the basketball court. I was unable to capture the fight due to the video quality being really dark. Alexandra stated that they could not get a hold of Chauncey's mother, Brandi Durham, due to Brandi being at work. Alexandra did contact Chauncey's grandmother, Karen Durham, and advised her of this information.

I will attempt to contact Brandi and see if she would like to press charges against Bobby. If Brandi's wishes to press charges, a report will be generated. JL #574

1359- MALE ON STATION

On Friday, September 22, 2023, at 1413 hrs, I, Detective M. Scott #552, responded to the Maple Heights Police Department lobby for private property hit-skip report. I met with the complainant Joe Kovalesky who stated he parked his 1999 Pontiac bearing Ohio registration KBV8269 on the east side of the Gabor's Deli parking lot, 5700 Dunham Rd, at approximately 1320 hrs. Joe stated while in the store, a white 2019 Kia Soul, bearing Ohio registration JGK8692, attempted to pull into the space to the right of his vehicle and in doing so, struck his vehicle's right side with its left paint. I observed damage to the right side of Joe's vehicle to include white paint transfer. Photographs of the damage are added to the electronic report record.

Joe stated a construction worker, Ethan Durrant (216-386-2677), who was doing work at Dunham Rd and Tabor Ave witnessed the accident and took video of the Kia Soul with his cell phone. I spoke with Ethan who stated the white Kia Soul struck Joe's vehicle on the right side with its left front. The female driver then moved to another space and briefly entered Gabor's Deli. The female driver then emerged a short time later, leaving southbound on Dunham Ave. The description of the driver of the vehicle matches that of the registered owner, lasia Kennedy.

I completed a traffic citation for lasia for hit-skip private property and driving under suspension. Ptl. Kaur #553 attempted to serve lasia the citation at her listed residence, however, was unsuccessful. I also left messages on several listed phone number for lasia to contact MHPD. MNS552

CALLER JUST GOT HOME AND THE WINDOW IS BROKEN OUT OF THE DOOR

I spoke with the caller, Analesa Dudley. Analesa stated she arrived home and observed her front door window to be damage. Analesa stated she did not have any cameras attached to her home. I canvassed the area for cameras but none were found. Analesa believed it was possibly her ex boyfriend, Patrick(unknown last name) who damage her property. Analesa did not have any sustainable evidence that Patrick was a suspect. Analesa provided me with Patrick current phone number 216-200-2494. I attempted to make contact with Patrick over the phone but there was no answer. I advised Analesa on how to obtain a protection order. Analesa just wanted this incident documented. Shirley stated the funds went into her account, she purchased the requested gift cards, and sent them back to the sender. Shirley further stated that she attempted to cash a check for the total amount of \$2,000.00 at a Citizens Bank in the City of Maple Heights. Shirley stated that the bank teller advised there was a hold on the check due to it not matching the provider account number. Shirley also stated that the bank in the City of East Cleveland contacted her today and advised her that the check she had previously cashed was fraudulent and she needed to return the funds. Shirley was advised to contact the East Cleveland Police Department to file a report on the fraudulent activity that took place within their city. Shirley was also advised to contact her bank's fraud department and report the incident to them. Shirley was provided this CAD number for documentation. NR570.

2 JUVENILES TURNED OVER TO TRACY JONES.

On Friday, September 22, 2023 Officers were patrolling the area of the Maple Heights High School for the High School football game. I, Sgt. Frazier, was parking in the south parking lot near the main entrance. While in the south parking lot I observed a large group of juveniles run towards the center of the parking lot. Upon the juveniles seeing Officers arrive to the area of the disturbance, the juveniles began to disperse and scatter. Shortly after, I observed a large group of juveniles start to form near the front steps of the high schools main entrance. I exited my marked Maple Heights Police cruiser #4429 and I observed several females take a fighting stance. Chief Hansen and I began separating the group and identified four juveniles, who are listed in the name file. The parent/guardians of the juveniles were contacted and the juveniles were turned over to their respective parent/guardian. DF#540

On Saturday, September 23, 2023, at 0826 hours, I, Ptl. Kaur #553, responded to the Maple Heights Police Department lobby. for an MVA hit-skip report. I spoke with Courtney Williams, she stated her vehicle was involved in a MVA on 9/22/2023 between 1745-1750 hours. She stated a smaller model Chevy Cruze, came from behind her on Libby Rd while she was changing lanes to turn into the turning lane. The vehicle struck the drivers side of her Ford Fusion and left the scene. She stated the damages on her vehicle are minor, however - she wishes to document this in case the other party responds to the PD to file a report. HK #553

MALE IN LOBBY TO MAKE A THEFT REPORT

Spoke with the complainant. He advised he hired a sub-contractor, Jason Faulkner, with a \$600.00 deposit to do some work at a vacant house he owns at 5109 Catherine St. Jason has shown up, done a little work, left and then stated he needs more money. The complainant is considering civil litigation for the repayment of the deposit. He also believed Jason took around \$100.00 of building material from the house. The complainant wanted Jason informed his contract has been terminated and no longer allowed at the property on Catherine St. The complainant also wanted Jason advised he could be looking at civil litigation for the deposit and cost of the building material. I spoke with Jason on the phone and advised him of everything the complainant wanted him advised of. Jason was advised of criminal trespass from the property. COB549

75 WILL FINISH

I spoke to the caller, Tom Lovell at his residence. He advised he has been receiving harassing phone calls and text messages from an unknown male from phone number (815) 307-9970. He stated he has been receiving these calls since July. Lovell stated he sometimes receives 50 plus calls a day from the same number. I asked him if he had tried blocking the number. He advised he had. Lovell then showed me a text thread between he and this person (see attached photo). The thread was a mutual back and forth argument. I advised him that if he had properly blocked the number, he would not be able to engage this person in conversation. I then asked if he had contacted his service provider (Verizon) regarding this number. He stated, "I did, but I got an automated recording" and "it wouldn't do any good anyway."

I advised Mr. Lovell to stop engaging in conversation with this person, block the number and contact his service provider should the block be ineffective. I ran the suspect phone number through Truepeoplesearch.com and USphonebook.com. Both came back to a Paul Lomax (76 y/o male) out of McHenry IL. This does not appear to be a match to the person calling Mr. Lovell. An incident report may be generated at a later date should we receive additional information regarding criminal activity. While in the area of Grant Ave and Raymond St for MA23-10214632, Officers observed a white SUV parked on the street, running, and a male, later identified as Patrick Wagner standing in the front yard of 16313 Raymond St. As the previous call referenced someone knocking on doors in a white truck/SUV, officers got out and spoke with Patrick. Patrick advised he was at his friend Analesa Dudley's house and asking her to go to a football game. Patrick advised another male had been driving the white GMC bearing OH registration JMK7039 (VIN 1GKKNKLA1MZ158413, R/O Patricia Wagner), however there were no one else outside in the area. A check of LEADS indicated that Patrick had a suspended driver's license. Analesa came outside and advised Patrick was an ex-boyfriend and that she wanted him to leave the residence. She also advised she wanted Patrick advised of criminal trespass. Patrick was advised and notified that due to his driving status and the location of the vehicle it would be towed. Patrick left the area and officers left to respond to MA23-10214643. I returned and Kelly's Towing was contacted and took possession of the vehicle. LK558

MALE IN THE PD STATION LOBBY WOULD LIKE TO TALK TO AN OFFICER ABOUT ASSISTING WITH A PROPERTY EXCHANGE TO AVOID A CONFRONTATION WITH HIS EX-WIFE.					
I spoke with Marcus Womack, he stated his ex-girlfriend, Sophia Tayeah, went to his son's Hockey Game, with him. His son's biological mother arrived at a game, and his girlfriend became agitated. Sophia did not like that Marcus's ex showed up at the game and she began swearing towards the ex and Marcus. He stated he ended ties with Sophia due to her behavior and wants nothing to do with her. He dropped her off at home last night and she left her keys in his vehicle. Marcus showed me text messages on his phone from Sophia advising him that " The police is looking for his car and that she will report he stole her keys." Marcus stated he did not take any property belonging to Sophia and wants to drop the keys off at the station for Sophia to pick up. I contacted Sophia and she advised she will come pick up the keys sometime tomorrow 9.25.2023, or following day. Sophia did not express any safety concerns or mention theft when I spoke with her. CALLER HAS A TPO AGAINST TONY MCKAY CALLER STATES THE MALE PARKED AT THE END OF THE STREET FOR A FEW MIN AND THEN DROVE PAST HER HOUSE 5 MIN TIME DELAY MALE IS IN A LARGE WHITE WORK VAN					

PER LEADS THERE IS NO TPO ATTACHED FOR THE FEMALE

I was dispatched to the above address at 2059 hours in reference to a possible TPO Violation. I arrived on scene at 2103 hours.

Upon arrival, I spoke to the caller, Sadie Jeffries. She advised that on Sept 12th 2023, she broke up with her boyfriend of thirteen years, Anthony McKay. Jeffries advised at approximately 2054 hours tonight, she heard a loud vehicle drive past her residence. She then looked out her window and observed a white full-size work van driving past her home. The vehicle allegedly pulled up in front of her neighbors residence at 15516 Benhoff Dr and stopped briefly before leaving the area. Jeffries stated she believed the vehicle was McKay's. I asked if there were any markings, company logos etc. on the vehicle. She stated there was not. She also advised Mr. McKay lives nearby on Rockside Rd. There was no communication or interaction of any kind between Jeffries and the vehicle operator this evening.

I then spoke with the neighbor at 15516 Benhoff Dr., as he has a ring doorbell camera on the front door. He checked his camera footage for the white van. However, nothing was picked up on the camera.

A check of both parties though LEADS indicated there is no protection order on file for either party. I patrolled the area but were unable to locate the suspect vehicle. Ms. Jeffries was advised to call us back should the van return again. I cleared the scene at 2128 hours. JL575 / LK558
