I spoke with the caller, Erin Mincz. Eric advised me that her son left his bicycle laying in the front yard. Erin stated she believed an unknown male juvenile took  
the bicycle. Eric did not know the serial number. I advised her once she retrieve the serial number to contact the Maple Heights Police Department so the  
bicycle can be entered as stolen. Eric just wanted this incident documented. ML563

CALLER WOULD LIKE TO SPEAK WITH AN OFFICER ABOUT HER NEIGHBOR MAKING THREATS TO HER AGAIN.  
 SHE LAST SPOKE WITH 569 ABOUT THIS ISSUE AND HE TOLD HER TO CALL IF IT CONTINUES.

I spoke with Denise Coleman-Barnes who advised she had been watching two females at an unknown white vehicle parked on the street next to her house and after the females went inside 21107 Kenyon, Carolyn Fisher exited 21107 Kenyon and asked Denise if there was a problem. Carolyn then stated she would take care of the problem tomorrow. Denise advised she wanted the incident documented in case there were any further issues. Denise was advised on how to obtain a protection order and to talk to her council representative. I spoke with Carolyn who advised she stated she would "take care" of the problem by going to the police department and filing a report. I advised her to contact her council representative for mediation between her and Denise. Both parties were advised to contact police if there were any further issues. LK558

MALE IN THE LOBBY TO SPEAK WITH AN OFFICER REF THE THREATS HIS EX GIRLFRIEND HAS MADE TOWARD HIM  
HE ALSO WANTS TO SPEAK WITH AN OFFICER REF THINGS THAT HAPPENED YESTERDAY WHEN SHE WAS AT THE HOUSE

-- Clearance From Unit 4566 09/06/2023 05:17:58 --

On the above date and time I spoke with Milin Butler in the Police Dept. lobby. Milin wanted to document that his ex girlfriend Tiffany Wilson, who he recently broke up with is constantly texting him and calling family members. Tiffany has come to his house wanting to talk about the break up. Milin does not feel threatened by Tiffany at this time nor did he report Tiffany made any sort of threat towards him. Milin requested that we know and document Tiffany's behavior in the event anything does happen. I advised Milin, Tiffany could be criminally trespassed from his property and if she continues to text and call him he could pursue telecommunication harassment charges in the future if a pattern emerges. Milin stated he did not want anything further done at this time other than this documentation. Milin also stated he has blocked Tiffany's number. TV#566

SEE REPORT

On Wednesday, September 06, 2023, at approximately 1518 hrs., I Ptl. LaVaglio #574 and FTO Colangelo #567 received a call over the radio from Auxillary Officer Hantak #731 regarding a group of males that did not belong at the Maple Heights High School. Auxillary Officer Hantak stated that males did not go to school there and wanted them to be given a trespass warning. The kids were last seen in the Mr. Hero lot, 16473 Broadway Ave.

Sgt. Jividen arrived and all three males were detained for further investigation. While Jaysean was being searched, a small bag of marijuana was located in Jaysean's front left pocket. The other two males were identified as, Brandon Reed and Keondre Hinton (08/05/2006 a 17-year-old male juvenile). Brandon initially gave FTO Colangelo a false identification of Antonio Rivers and later gave me the correct information in which I confirmed through the LEADS BMV image.

Jaysean was issued a summons for possession of marijuana and was cited into Maple Heights Mayor's Court. Jaysean was then released.

The marijuana weighed 2 grams and was entered into evidence (TN:35698). JL#574

CALLER DOESN'T LIVE AT LOCATION / NEAR THE DUMPSTER

On Wednesday, September 06, 2023, at 1851 hours, I, Ptl. Field #573, was dispatched to respond to 16210 Maple Heights Blvd for a complaint of criminal damage. Upon my arrival, I was met by Camille Schaeffer. Schaeffer stated that approximately 1 hour prior she had parked her black 2017 KIA Optima bearing OH License Plate JOYCENI in the parking lot of the above-mentioned address next to the dumpster. When Schaeffer returned out of the building she saw that the rear driverside window had been broken out. Schaeffer stated that nothing from the vehicle was taken nor was any other damage to the vehicle done. Shaeffer wanted the incident documented for insurance purposes. I canvassed the area for any witnesses or security camera footage and was unable to locate either. Photographs of the damage to the KIA were taken and downloaded into the media section. CF573

Mariah stated that an individual by the name of Melanie Williams had been contacting her from various phone numbers and harassing her. Mariah stated that Melaine told her that she was going to file a police report against her for similar complaints of harassment. Mariah advised the conflict between the two was caused by Melanie's husband. Mariah stated she just wanted Melaine to cease contacting her. Mariah was provided information on how to obtain a civil protection order and given the CAD number for reference. NR570.

Loss prevention observed the male open a bag of cough drops and remove a few cough drops and put them in his pocket. Loss prevention observed the male walk past all points of sales without paying for them. The male was stopped and escorted to the security office. The male refused to provide loss prevention with any information and they called MHPD for assistance. The male provided me with his information. We were unable to make contact with the male's mother. I did contact his school (Pep Phoenix) to verify the male's information and to see if they had any other contact information for the mother. The school did verify the male's information, but the information they had for the mother was no longer valid. While attempting to gather further information on the male's family, I had to break for call 23-10201119. The store had told me they did not wish to prosecute the male, but he was advised of criminal trespass. STB514

JOSPEH AND PAUL BOTH UNCOOPERATIVE. PAUL WAS UNHAPPY WAS OPTIONS GIVEN BY PD ON SCENE. MAY COME IN LATER TO PROVIDE A STATEMENT. NOTHING FURTHER AT THIS TIME.

I spoke with Paul and his son Joseph. Joseph was very high strung and standoffish. Paul stated him and Joseph have been living with other son Damian for the last six months. Paul stated he smelled and weird smell and confronted Damian and his girlfriend about it. Things escalated due to them all living together, being

business partners and family. Paul and Joseph claimed Damian drove at them before leaving the residence. Joseph became aggressive when I asked for his information and then left to make phone calls. Paul became wavering on the circumstances of the incident after stepping away to talk to someone on the phone, which was later determined to be Damian. I spoke with Damian over the phone. He advised him, his father and brother were involved in a heated argument over the family business and living arrangements and that he left the residence angrily at a high rate of speed, but never drove at this father and brother. When I asked Paul if he wanted to complete a statement, he stated he wanted to consult a lawyer first and would respond later to the police department. There seemed to be a lot going on and everyone seemed to be coming from different angles about multiple different facets of their relationship. COB549

CALL TYPE CHANGED TO FAMILY TROUBLE PER 4528

Connie Finley stated that her grandson, Jordan Higgins (07/09/2009) had a doctor's appointment at the end of June, 2023. The examiner asked the question has Jordan ever been touched inappropriately? Jordan said yes, by his uncle while they were playing at grandmas' home (Connie Finley). He stated that he and his uncle, Angelo dowell, were play boxing/wrestling. During this, Dowell touched Higgins on butt and near his private area, which made him feel uncomfortable. This occurred approximately one year ago. The doctor contacted CPS. There was an exam completed at the hospital, which showed no signs of trauma. The family continued to work with CPS. Jordan advised he did not want to press charges and wants to just move on. Jordan then said they were just playing, Dowell wasn't mean and it was probably accidental. CPS worker Courtney had Dowell stay away from Higgins unit their investigation was completed. Courtney stated that there will be a meeting with the family on Monday the 11th to close the case. Courtney advised for her to close the case, a police report number was needed.

4551 COMPLETE

On 9/9/23 at 0303 hours, I was dispatched to the above address in reference to a suicidal male identified as Therin Calhoun. The call came in from Cleveland PD after Mr. Calhoun called the mobile crisis line and advised he had a gun and wanted to kill himself. Officer arrived on scene at the residence at 0312 hours.

Upon arrival, Officer Mijangos #551 made contact with Calhoun at the side door of the residence. Calhoun stated he did not want to speak with officers. He then exited the residence and began walking southbound on Sunny Lane. Officer King #558, Officer Vasko #566 and I followed, attempting to talk to Calhoun. He then ran from officers, cutting through backyards and over fences, toward Dunham Rd. We lost site of him and, returned to our vehicles to patrol the area in an attempt to locate and check the welfare of Calhoun.

Officer Mijangos spoke with Therin's live-in girlfriend, Kichari Jones, who advised that she did not hear Therin talking to mobile crisis. Kichari also stated that Therin does not own a firearm nor does he have one in his possession. Officer Mijangos then spoke with Therin's mother, Katrina Berger, via telephone. Katrina advised that her son does not have a mental illness and believes Therin was feeling down because of relationship problems with Kichari. Katrina stated she will look for her son and call the police once she finds him. Officer Mijangos also spoke with Komi with Mobile Crisis. Komi stated that Therin told her that she has written several goodbye letters in the past. Tonight, Therin stated "if" he had a gun, he would shoot himself in the face.

At 0401 hours, Calhoun's mother, Katrina Berger called and advised She has her son with her. She advised she picked him up on Rockside Rd. Officer Mijangos then made contact with them and spoke to Calhoun directly. He advised he has just been going through some tough times. He stated he did not want

to harm himself and does not have a gun. Ms. Berger stated Therin is going to stay with her so she can monitor him. She will talk with him tomorrow about seeking help for his mental health. All officers cleared the scene at 0410 hours. JL575 / LK558

COMP CHANGED FROM DOMESTIC TO WELFARE CHECK OFFICER TO COMPLETE.

On 9/9/23 at 0310 hours, Kiyana Jackson called for a welfare check on her friend, Hallie Yamamoto. Jackson advised she received a text message from Yamamoto at approximately 12:00 am advising her boyfriend had pushed her to the floor and choked her. Jackson stated she and another friend, Ariyon Williamson then went to Yamamoto's address to check her welfare. They were unable to make contact, and called the police.

At that time, all Maple Heights Officers were on another call. Two Garfield Heights Officers responded to the address to assist. Garfield Officers, Badges 10 and 22 made contact with the boyfriend at that address, identified as Darion Greene. He and Yamamoto have a child together and both reside at the above address. He stated he and Hallie got into a verbal argument this evening and she left the residence voluntarily at 1217 hours. He then showed the officers footage from his Ring camera, showing Hallie leaving at that time. He advised he did not know where she went.

At 0345 hours, I cleared from the previous call and arrived on scene at 0349 hours. Upon arrival, Officer King #558 and I made contact with a neighbor in unit 4. He advised he came home this evening and saw Hallie sitting on the steps outside her apartment. He asked her if she was ok. He advised she stated she was. He did not observed any visible marks on her at that time. I then made contact with Darion Green at his apartment. He invited officers in and advised he and Hallie got into an argument because she wanted him to help clean up the apartment, and he chose to continue his video game. She then got angry and left. Darion then allowed us to look around the apartment to make sure Hallie was not there. We confirmed she was not in the residence. He also showed us the Ring camera footage. Darion stated he took her phone and has it at the apartment, which is why there has been no contact with her. Darion was advised to call us when she returns so that we can check her welfare. Once contact is made with Hallie, a criminal report may be generated. We cleared the residence at 0426 hours. JL575 / LK558

Later today, I received a call from Hallie's friend, Kiana Jackson (caller), who stated he got in touch with Hallie and she was ok. I called Hallie and left a voicemail for her to call me back to discuss any potential criminal act.

 JAIL STAFF HAS FEMALE 4566 BACK EN ROUTE TO DANNYS

On September 9, 2023, I, Ptl. T. Vasko #566, while in full uniform was dispatched to 15313 Broadway Ave. (Danny's Tavern) for a report of a female, later identified as Denicka Turnage, who was intoxicated and refused to leave the bar. Upon units arrival, I first spoke with Denicka who would not identify her self. She stated that she was left at the bar and could not get a ride home. Due to Denicka being slurring her words, repeating herself, not making sense in her statements and trouble keeping balance I believed Denicka to be highly intoxicated. I asked Denicka multiple times for her social. Denicka quickly gave her social security number. I asked Denicka to slow down and repeat her social so she could be identified but Denicka refused to do so. Denicka was placed in the back of my marked cruiser until she could be properly identified. I then spoke to the owner of Danny Tavern, Nancy Haydoo. Nancy stated that Denicka was kicked out of the bar around 0230 hours. Denicka attempted to get back into the bar and continued pounding on the locked front door of the bar. Nancy further stated that Denicka was running in the street (Broadway Ave) and had knocked the mailboxes off the front of the business (this did not cause any damage to the mailboxes and they were put back onto the wall by Nancy). Nancy then called for the Police but soon after cancelled because two unidentified males offered to take Denicka home. The males later returned with Denicka and stated that she was acting crazy and they did not want her in the vehicle with them. Denicka then somehow got back into the bar and Nancy called Police again for her to be removed from the bar. Due to Denicka not identifying herself, no one to care for her while she was intoxicated and Nancy wishing to pursue charges Denicka was transported to the Maple Heights Jail. Denicka was cited with minor misdemeanor citation MA-30571 and given a Maple Heights Mayors Court date of September 19 at 1530 hours. Denicka later identified herself while in the jail.

She provided me with several different documents showing ongoing disputes involving Tiffany and other employees of the daycare. Connie stated she was going through cancer treatment and was supposed "die." She stated things improved and did not end up passing away. Connie's sister in-law took documents out of Connies name and took her daycare business, the other business is located in North Randall. She stated she has filed several reports with multiple police departments. I provided Connie with information on how to obtain a protection order against Tiffany. Connie also showed me an Instagram direct message which showed Tiffany making a comment about Connie's daycare stars being taken away from her. She also added "Yourenext" in a hashtag. I advised her to continue to document these problems and to get the TPO. I contacted Tiffany two times via department landline and she did not answer my calls. On the above date and time, I, Ptl. T. Vasko #566 and other Maple Units responded to the above address for a report of a car v. motorcycle. As units were on the way dispatched advised that it sounded like a hit/ skip but the caller was uncooperative. Upon my arrival I found Marcelus Williams laying on the side walk. Marcelus was conscious and breathing but stated his ribs and back hurt. Marcelus could not tell me what happened or where the incident happened. I asked him where his bike was and at first he stated he did not know and then stated that the bike was in the garage in the backyard. Officers located the bike right side up in the garage about 100 feet from where Marcelus was located. The bike did have small amount of damage to it but the damage did not appear to be fresh. It should be noted the bike was on its kickstand and appeared to have been walked into the garage. It is highly unlikely that Marcelus would have been able to walk the bike through the driveway that was filled with cars into the garage in his current state. Marcelus was taken to Metro hospital to be evaluated. I spoke to Marcelus' friends and they stated they did not know what happened and they found him laying on the ground. Marcelus' shoes were in a truck near by and no one knew how they had gotten there. I then went to Metro to check on Marcelus. He received a CAT scan and it revealed that there was no serious bodily injury. Marcelus did suffer a small amount of road rash.

In conclusion there is no evidence Marcelus was hit by a vehicle, the location of the alleged accident is not known and the motorcycle used cannot be confirmed. I left Marcelus a note with my badge, report number and a phone number to get into contact with me.

On 9/10/23 at 0234 hours, I was dispatched to the above address in reference to a suicidal male. The caller, PDN advised his ex-boyfriend, PDN was making suicidal comments to him on the phone. I made contact with PDN at his residence to check his welfare. He eventually opened the door to speak with us, but was initially uncooperative. He advised he is not suicidal and did not make any such comments to anyone. PDN stated, "whoever called you, made a false report." He asked if he could file charges on someone for making a false report but did not provide officers with information on who he had been speaking with prior to officers arrival. PDN was advised to seek a protection order if he is having any problems with anyone. I cleared the residence at 0248 hours. JL575 / LK558

MARTASIA WILL RESPOND TO THE STATION TO SIGN A WARRANT FOR KAYLA

On Sunday, September 10, 2023, I, Ptl. H. Kaur #553, responded to 20654 Centuryway Rd, for a report of two females physically fighting. Upon arrival, I spoke with Martasia Gideons. She stated her sister's girlfriend, Kayla Lett, arrived at her father's residence and assaulted her. I spoke with Martasia's sister, Anastasia Gideons. She stated she got into a heated verbal argument with her girlfriend (Kayla), her sister exited the home and intervened into the altercation. At which point Kayla struck Anastasia and Martasia. Anastasia stated she does not wish to pursue charges against her girlfriend. Martasia stated she wants to pursue charges for Assault. I advised her to come sign a warrant at the Maple Heights PD in 30 minutes and she agreed. She was a no call no show. I called Martasia at 1335 hours and asked what time she will respond to the station and she stated 4pm. She did not arrive at the given time. I contacted Kayla to ask about the incident. Kayla stated she arrived at her girlfriend's residence after she spoke with Anastasia. Kayla showed me messages on her phone showing the conversation between her and Anastasia. Kayla was invited to the home by Anastasia. They were standing at the door arguing when Martasia came upstairs from the basement and shoved her with an open hand and pushed her back by her shoulder. Kayla stated she does not wish to pursue charges against Martasia if it's the same for her. Martasia did not contact me as of 9/10/2023 at 1735 hours. If any further information is obtained it will be added. HK #553

Carmen Dortch contacted the MHPD for a disturbance in the parking lot of the above apartment complex. Carmen reported seeing a female striking a gray SUV. Once I arrived, I observed a female, Lakesha Knight, standing at the apron of the apartment complex crying. I also observed a small amount of blood on her right hand. Lakesha stated that she was engaged in a verbal argument with her brother, Bernard Knight, and his girlfriend, she only knows as Marget. Lakesha was intoxicated but was able to tell me that Bernard was kicking her out of his car because she was being rude to Marget. Lakesha did not want to get out of the car because she was unfamiliar with the the area. Lakesha stated Bernard pulled her out of his car and she fell in the parking lot causing a small abrasion to her right wrist. Lakesha stated Bernard does not live in the area and she could not provide why they were here. Lakesha was cleaned up by the squad and I provided her with a ride to the RTA station per her request. Lakesha was given this CAD number and advised to come to the station to provide a written statement when she's sober.
