I spoke to Tamika Sistrunk. Tamika explained that her son (5/18/2010) had been "acting out" and stated he would not go to school. Tamika stated that the juvenile had only been verbally expressing potential actions to skip school and has been acting out more frequently. Tamika stated she wanted to know what she could do if the juvenile began to skip school and stay out. I advised Tamika if she needed to, she could file the juvenile for unruly at the Juvenile Justice Center, and I also provided her with contact information for the Mobile Response and Stabilization Services.

519-OUT AT MARYMOUNT EM 49038

Brothers, Shawn and Albert are constantly engaged in sibling rivalry confrontations. They antagonize one another and often take clothing items from one another and damage each others belongings when they get mad at the other. Upon officers arrival, Shawn was extremely agitated and was yelling. He refused to talk to officers and walked away. While officers were talking to Albert, Shawn returned and was still agitated. Albert then became highly agitated and they started to argue again. During the argument, Shawn became irrational and kept saying he was going to kill himself if officers did not get Albert out of the house. While Shawn was yelling, he ran into the garbage and tackled it like a football player. At that time, Shawn was showing that he was willing to attempt to harm himself or others so he was detained in handcuffs and a squad was called to transport him to the hospital for a psychiatric evaluation. Martha stated that Albert has been diagnosed with mental disorders, but stated Shawn has never been diagnosed with anything. However, they show similar traits. Sgt. Allen transported Martha to the hospital to meet Albert and authorize treatment. GRA519.

On the above date and time I, Ptl. N. Ross #570, along with other Maple Heights Police officers, responded to the area of Lee Rd. and Broadway for a report of a black female wearing a red jacket and red shoes stealing mail from 5445 Lee Rd. apartments. Lt. Berger #512 located a female matching the description given on the corner of Broadway and Grasmere. As Lt. Berger made contact with the female she mentioned the mail before being questioned. Lt. Berger then requested identification, to which she refused and began to walk away from officers. The subject walked into Broadway to cross the street, causing alarm to drivers and impeding traffic. Ptl. Colangelo #567 and Lt. Berger followed the subject and took control of her by grabbing her arms. Mail addressed to 5445 Lee Rd. Apt. 1 was located inside of a bag being carried by the subject. The subject was shouting and attempting to pull away from officers control. She was then placed in handcuffs, checked for proper spacing and double locked, and placed in patrol vehicle 4403 for transport to the Maple Heights Jail. While in route back to the Jail, the subject identified herself as Monique Smith. Ptl. Colangelo responded to 5445 Lee Rd. Apt. 1 and discovered the apartment being vacant leaving no victim to be identified. Monique was issued a citation for disorderly conduct for impeding traffic and causing alarm. While in the jail, due to Monique's demeanor and mannerisms, she agreed to be transported to the hospital for a mental health evaluation by the Maple Heights Fire Department. Citation number : MA33523. NR570

William stated he believed his family is trying to kill him for insurance money. When asked how so, he could not elaborate. William stated he does not have any life insurance policy taken out in his name. I advised William since he does not have life insurance, no money would be given to his family if he were to die. William appeared to be all over the place while talking. It was later found out, William had a warrant through the Maple Heights Police Department. William was taken back to the Jail where he was booked in. MWT#560</p>

On 04/24/2023, at approximately 1520 hours, I spoke to Janel Taylor and her Juvenile Son who informed me that the juvenile was being bullied at school. The juvenile stated that his group of friends and him got into a fight while at school with another group of boys, on two separate dates. One time in November, and more recently in January. Both incidents the school administration suspended all students involved. The juvenile informed me that a student named juvenile two (last name unknown) asked the juvenile to fight him in the bathroom on a previous date. The juvenile could not name any of the other people involved and would not provide further information in regards to the quarrel. Janel stated she wanted this information documented in case the boys fight in the future.

Mikayla Coleman made an online report stating her Apple AirPods 2's were pinging in the area 5700 block of Dunham Rd. I spoke with Mikayla on the phone on Tuesday, April 25, 2023 and she stated her and her husband landed in Cleveland Hopkins Airport and accidentally left his bookbag in the baggage claim area. Inside the bookbag was Apple AirPods 2's. When they realized they forgot the bag they went back to the airport and filed a report with Cleveland Police Department. Cleveland Police Department advised her they will look at the cameras and see what they can do. Throughout the night they were pinging the AirPods. The AirPods were pinged in Public Square, throughout Garfield Heights and throughout Maple Heights. Mikayla stated she filed a report with all three cities. MWT#560

Sgt Allen contacted CCSD to confirm the DVCPO. After multiple calls, I was not able to make contact with anyone in the civil division. I called dispatch and was transferred by them and was able to speak to a civil deputy; however, they did not have anything in their system showing the order had been given by the court. They transferred me to the administrative supervisor, however, I was not able to speak with her or leave a message. Ms James was advised to attempt to contact the court and find out when the CCSD is scheduled to serve the order. She will return within the suggested 72 time frame given by the court if the SD has not served the order by then. GRA519.

Spoke with the complainant. She stated around 1230 hours today a navy blue older vehicle pulled in her driveway to the back of her house and then immediately backed out and left. She further stated about a half an hour later, a black male wearing a maroon shirt and jeans walked up her driveway and posted a note (photo attached to the sheet) on her door a left. The note does not make sense to the complainant and she doesn't know who it could be from. She believes someone has the wrong house. It doe not contain anything threatening. The complainant has never met, seen or spoken to Taylor ever. The complainant is receiving text messages from multiple fake phone numbers from who she believes is also Taylor. There are indirect messages to a male party that were passed from the male on to the complainant that she showed where the other party had made threats of harm. There was nothing directly linking Taylor to any of the messages. The complainant had searched for all Taylor's information on the internet. CALLER REQ PD RESPOND HERE - SHE WANTS TO SPEAK TO PD REF ONGOING ISSUES WITH HER NEIGHBOR. THE NEIGHBOR IS NOT CURRENTLY THERE

On Wednesday, April 26, 2023, at 1735 hours, I, Ptl. H. Kaur #553, responded to 5613 Jefferson Ave. for the report of neighbor trouble. I met with Fay Hutson, she advised me that she has had ongoing issues with her neighbor, the owner of business, D&D Mower. She also said "I know you side with him but I'd liek to show you something." She stated the neighbor placed several "old broken and unusable lawn mowers on her property line. She stated the neighbor, Daniel A. Gorsuch, signed a trespassing ticket against her husband last year making claims that they stepped foot on D&D's Mower's property. D&D Mowers did provide video at the time and Mr. Hutson was issued a citation. Fay stated in order to place the lawn mowers on the property, the owner would have had to step onto Fay's property. I advised Fay she can sign a trespassing ticket against the owner of D&D Mowers if she is able to provide evidence showing Dan on her property. Fay stated she wants to end the issue with her neighbors for good. I advised her that the building department will reach out to her. I did make contact with the building department and advised them of this neighbor complaint. I forwarded the complaint to building inspector Carrington. He also advised this was an ongoing issue. He stated someone from the building department will respond to the home.

On 4.2.2023, the owner of D&D Mowers advised me that Mr. Hutson was sending out "letters" sladering his business. He stated Mr. Hutson also wrote a negative review about him on his business page. This stemmed from that incident and the letters. Fay contacted me at approximately 1400 hours and advised me nobody had reached out to her all day. She stated she wishes to move forward with signing a Trespassing ticket for the owner of D&D Mower's. Sgt. Faunce went to the address to view any video evidence Fay had. At this time there is no evidence showing Daniel on the Hutson's property. HK #553

DEBORAH IS IN THE MAPLE PD LOBBY TO MAKE A REPORT ABOUT A MALE THAT WAS PEEPING IN HER WINDOW ABOUT 10MIN AGO,

On April 26, 2023, I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department Lobby for a report of a suspicious male. Upon my arrival I spoke with Deborah Morris who lives at 17208 Libby Rd. Deborah stated that around 1900 hours a light skinned male, possibly Hispanic, who had a beard, short hair, approximately 5 foot 9 inches around 170 pounds, wearing a beige puffy jacket was in her backyard looking through her back window. Deborah stated she could see the man through her back window and when she made eye contact with him he didn't appear to have any sort of reaction. The male then walked to the front yard and proceeded west on Libby Rd and Deborah lost eye sight of him. The male is unknown and Deborah states she has never seen him before. Once I was done speaking with Deborah I toured the area and could find no male matching that description.

Daniel Stokowski came into the MHPD for an escort to pick up a puppy he claims he purchased from Vera Sanders. Daniel stated he paid a total of \$225.00 for the puppy and Vera will not give him the puppy until he pays another \$50.00. I advised Daniel that he would need to file a civil lawsuit in Garfield Muni Court. I attempted to call Vera, however there was no answer. Vera's address comes back to a Warrensville Hts, Ohio, therefore I advised Daniel that he might have to file a lawsuit in Bedford Muni Court.

I spoke with the school security officer Hantak. Officer Hantak advised me that he observed an unknown black Kia (unknown plate and model) with front end damage, drove around the parking lot three time. Officer Hantak advised that he last observed the vehicle traveling northbound on Lee Road exiting the school parking lot. Maple Heights Police units canvassed the area and located the vehicle on Maple Heights Blvd. at Clement Ave. Maple Heights Police units initiated their overhead lights to perform a traffic stop on the vehicle. The vehicle did not stop and continued traveling eastbound on Maple Heights Blvd. Maple Heights Police units did not pursue the vehicle. I observed camera footage of the vehicle circling around the school parking lot. Due to the quality of the cameras I was unable to read the license plate. Sgt. C. Faunce #528 advised me that the vehicle was the stolen vehicle that was report on 4/26/2023 at 1541 hours (reference report MA23-10091146). ML563

I spoke with the caller, Justine Mack. Justine (unit #1 RP: PDN) stated she was stopped at the stoplight on Lee Road at Libby Road. Justine stated a vehicle rear ended her vehicle while she was stopped. Justine stated she exchanged information with the other party (Justine did not provide the other party information)

to me). I observed no visible damage on Justine's vehicle. Justine just wanted this incident documented for insurance purposes. I provided Justine the CAD incident number. ML563

Upon arrival at the RTA station in response to MA23-10091980, I observed a black male, later identified as Dylan Taylor, with his genitalia out urinating near the side of the bus station. Dylan acted surprised like I was imposing on him. Dylan believed it was acceptable for him to urinate there because no one could see him. Dylan was in clear view of vehicles traveling on Warrensville Center Rd. Dylan was issued a citation for public indecency and given a Garfield Heights Municipal Court date of 5/10/2023. COB549

 PARTIES ARE SEPERATE AT THIS TIME

I spoke with Arnold Taylor at 5163 Arch who stated that earlier in the day, his daughters were sitting on the porch of 5165 Arch and the neighbor told Arnold's daughter to get off his property. Arnold advised the neighbor also called his daughters "little bitches". Arnold advised he only wished for the incident to be documented. I advised Arnold how to contact the council member for his district if he wanted to have a mediation with his neighbor. Arnold was also advised his daughters shouldn't be on the neighbor's property without the neighbors permission, to which he stated he understood. Arnold was advised to contact us if there are any more issues. LK558

On the above date and time, I, Ptl. T. Vasko #566 was on scene of a disabled motor vehicle when Lynnette Harris flagged me down from her vehicle. Harris advised that the truck that was in front of her was following her. When asked to elaborate Harris stated that while she was at PNC bank she first noticed the truck. The truck then left PNC bank and when she came home to her house on Mendota Ave she noticed the truck again. She made eye contact with the driver of the truck, who Harris described as a Hispanic male and then the truck left the street. Harris followed the truck until she saw me. While dealing with the DAV that was unrelated I was unable to see a description or registration of the vehicle. I later checked the area for a suspicious truck but could not find one. I then spoke with Harris again at her residence and advised her if she sees the truck to give police a call and do not follow the vehicle. TV566

 REQ TO SPEAK WITH OFFICER ABOUT A SUSPICIOUS VEH TRYING TO SPEAK WITH HER 11 YO SON

Ikeisha wanted to report sometime in January her son was walking to school and a black 4 door sedan was following her son to the Middle School. On Thursday, April 20, 2023 at approximately 0730-0745 hours, a black rusted out truck followed her son to school. The driver was a black male, short, large build, bald with a short beard. The male claimed to be his uncle. The son called his uncles and they all confirmed it was not him. Ikeisha wanted this documented.

 JOSEPH HALL ALSO IN THE LOBBY

On Friday, April 28, 2023 at approximately 0955 hours, I, Ptl. Thomas #560, was dispatched to the Maple Heights Police Department Lobby for a report of a private property motor vehicle accident at Key bank located at 5301 Warrensville Center Rd. Upon arrival, contact was made with Berquita Bonner, and Joseph Hall. Berquita stated she was in lane 3 at the bank, but realized she was in the wrong lane. When she backed up her 2015 GMC Terrain, she backed in Joseph's 2013 Blue Buick Verano. The damage done to Berquita's vehicle was minor, causing scuffs on her rear passenger bumper and her bumper clips broke off. Joseph's damage was to his front driver side bumper, suffering scuff marks. MWT#560

-- From 04/28/2023 10:35:51 To 04/28/2023 10:35:52 Disp R231 --

The caller has allowed Kimberly and her adult daughter, Lauren, to stay at the residence since they did not have any place to stay. Kimberly has been acting aggressively the last few days and Mario told her she would have to leave the residence, but her daughter could continue to stay at the residence. Kimberly became upset and started telling Mario he owed her money for the rides she has been giving back and forth for work. Mario informed her there was no

agreement for him paying her money, but he was willing to pay her, but it would be a little while before he could get the money. Kimberly did not like this and came over this morning and broke a window to the residence. Kimberly also stated she would continue to break windows until she got the money.

Lauren informed me that her and her mother have been living at the residence for approximately 3 weeks. Lauren stated her mother has used crack and meth in the past, but does not know if she is currently using or not. Lauren also believes Kimberly has mental issues, but had not been diagnosed. Lauren confirmed that Kimberly has been acting strangely in the last few days.

Mario just wants Kimberly to stay away from the residence. He was advised he would have to evict Kimberly from the residence. Mario was also informed on how to obtain a protection order.

Mario will call if he needs anything further. STB514

Gary related the following: On 04-26-23, at approximately 1500 hours, he was standing in front of the store talking to some kids (Gary explained he physically conditions kids for sports). While speaking to the kids a thin B/M pulled up in a black GMC car. The male called him a pedophile and told him to get away from the kids and held up his hand like he was holding a gun. Gary explained he condition the kids and the male stated he was calling his mother. While the male was on the phone, he reclined his car seat. When Gary walked towards the car, Gary stated he saw a handgun laying on the passenger seat of the vehicle. The gun was never brandished and no threats were made with it. The driver left the area and Gary returned home. When asked why he had not reported the incident at the time, Gary stated he was having a medical incident and went home. STB514

567 - TRANSPORTING JEFFREY TO THE CITY JAIL.

On 04/29/2023 at approximately 0924 hours, I responded to 20503 Raymond Street. Upon arrival, I spoke to Nichole Justice who stated she was a staff member/caretaker for this sober living facility. Nichole continued to explain that a resident, identified as, Jeffrey Howard had an unauthorized female visitor (not identified) during the early morning hours on the above date. Nichole continued to explain when she confronted Jeffrey about it he denied the accusation. Nichole stated she believed that Jeffrey and the female visitor got into a fight since she observed small drops of blood on the floor. Nichole could not confirm her allegations since she did not witness any of the events. Nichole stated she found out this information from another resident inside the home that wished to remain anonymous. Nichole informed me that the resident told her that he saw Jeffrey with a female and heard them fighting while they were in the basement. Nichole also stated she found what she believed to be crack cocaine on the floor of the residence, however no one claimed ownership to the contraband. Nichole stated she disposed of the suspected crack cocaine by dropping it in the sewer. Other residents also advised her that after the unidentified female left, she returned with a male who knocked on the door, but when no one answered, they pulled away in a blue car, backed back to the house and fired gunshots in the air. I spoke to Jeffrey and Jeffrey stated he was asleep last night and did not have a female visitor. Jeffrey stated Nichole woke him up and told him he had to leave. Jeffrey stated he would not leave since he did not do anything wrong. I directed Jeffrey to show me his hands and arms and I did not observe any wounds that would indicate he had punched anyone nor did I see any defense wounds on them. Jeffrey had a confirmed warrant with Mansfield Police Department, and was placed under arrest and transported to the Maple Heights Jail for extradition. Nichole was advised this information is documented. We have not had any calls from any women stating they had been assaulted in Maple Hts. We also checked the area and could not locate any drug evidence or evidence of shot fired in front of the house.

If any information is obtained on a possible victim of assault from this incident or if any evidence is obtained, a criminal report will be completed by Ptl. Colangelo.

I called the female back. She stated she called over 2 hours ago and has not heard anything back. I apologized to her that I believed dispatch called her and I informed her the daughter was fine and happy. She then stated she wanted the message delivered. I informed her I had delivered the message, but since she originally told dispatch that she had given permission for the daughter to be at the residence for the weekend, I could not make the grandparents bring the daughter back. I informed her if she wanted to pick the daughter up, she could come to the MHPD and request an escort and we could go over there with her. She stated she could not go to the house, I informed her that was why she could come to the MHPD and request an escort. She then said she had her son with her, I told her she could bring her son with her to the MHPD, however, she was still not happy with her options. STB514

When I located Gary, he was intoxicated to the point where he could hardly walk and had to lean against a parked vehicle so he would not fall over. Gary's story was inconsistent and rambled. From what I could understand he had went over to his girlfriend's house. While there, Gary stated they were in the basement and she beat on him. Then Gary said she asked him to mow her yard, which he agreed to do. While they were outside Gary stated she poured gas on him, but also stated once that he spilled gas on himself. When I asked Gary if she had beat on him why did he agree to mow her yard afterward, he stated because he loved her. When asked why he kept going over to her house, Gary stated he loved her (he stated this several times). Gary also kept saying we were going to arrest him. I did smell a faint odor of gas around Gary, but could not determine if it was poured on him or spilled on him. I also did not observe any injuries or other evidence that Gary had been beaten on. Due to the lack of physical evidence and Gary's intoxication level, he was advised to contact Cpl. Basiewicz on 04-30-23 if he wished to follow up on this. Gary was transported to Marymount Hospital by the MHFD for his intoxication level. STB514

04/29/2023 19:37:41      5373 LEE RD      DEPARTMENTAL INFORMATION      2310093700

PER SGT ALLEN THIS VEHICLE TRIED TO RUN HIM OFF THE ROAD ON THE FREEWAY  
PDN

I was driving in my personal vehicle on Broadway Ave (northbound), as I was waiting at the red light to change. As soon as the light changed, a dark colored Jeep Cherokee with tinted windows all the way around, was directly behind me, waiting for the light to change as well. The driver hit the horn as soon as the light changed. I then turned westbound onto the Libby Rd bridge, and got into the right lane. The driver of the Jeep accelerated past me at a high rate of speed. The vehicle then got into the right lane to continue westbound on Granger Rd. Because traffic was backed up, I ended up directly behind the dark jeep. The vehicle appeared as if it was going to drive against oncoming traffic to go around the vehicles in front of it (because of the traffic backed up on Granger)

however, the driver veered back into the lane and continued on, following closely behind the vehicle that was in front of it. The Jeep continued westbound on Granger, driving over the marked burum to get into the right lane to enter onto I480 W. I was also going to I 480 W, so I ended up directly behind the Jeep again as they entered the on ramp. The driver of the Jeep came to an abrupt stop at the bottom of the winding ramp. Thinking the driver was not paying attention and mistakenly got on the freeway ramp, and planned on turning around, I continued past the Jeep. The jeep then followed me, tailgating me very closely. I continued to enter I 480 W making my way over to the 2nd lane as traffic passed. The driver of the Jeep followed, as I changed lanes. Traffic slowed down directly in front of me, as well as the lane to my left. The driver of the Jeep then jumped over two lanes to the right and accelerated past all 3 lanes of traffic at a high rate of speed. The driver then came over into the 3rd lane, to my immediate right and veered over into my lane, forcing me partially over into the 1st lane. The driver then accelerated again, but immediately slowed down and started to roll the driver's side window down. Not being able to see inside the vehicle and fearing that the person was possibly about to produce a weapon, I pulled my back up gun from the holster on my hip and pointed it at the Jeep. The driver of the Jeep immediately pulled into the lanes to the right and slowed down. I was not able to clearly see the driver, other than being able to tell it was a black male wearing sunglasses. The Jeep got onto I 77 out of my sight.  
This is serving as documentation for this incident.

While patrolling the area I observed a white Kia traveling south bound at a high rate of speed. The vehicle cut down a side street and turned its lights off and disappeared from the area. I observed the vehicle driving westbound on Tokay and turned left south onto E141st . completely disregarding the stop sign. The vehicle turned left (east) onto Tabor Ave. and took off at a high rate of speed. I activated my emergency lights and sirens in marked Maple Hts. Unit 4424. The vehicle then turned left (north) onto E146th St. completely disregarding the stop sign and almost lost control. The vehicle Turned right (east) onto Krems Ave. and parked in the driveway of 14706 Krems where there are multiple alerts on the residence. The driver, Daonte Dancy, exited his vehicle and walked into the residence and then walked out with his grandmother. Daonte advised he had been followed by a vehicle while in Cleveland and didn't believe I was in a police car. Upon checking the vehicle for a tow inventory a baggie of Marijuana was located in the front center console weighing at 18.81g. Daonte was cited for reckless operation, headlights required and possession of marijuana and given a Maple Hts. Mayors court date of 05-16-2023 at 1530 hours. The marijuana was entered into evidence TN: 33625

\*\*\*\*IN THE PD STATION LOBBY\*\*\*\*

MALE WOULD LIKE TO REPORT AN INCIDENT OF MENACING THAT HAPPENED AT THE RESTAURANT.

This stems from a private property accident Eric had in January in Bedford. At that time the other driver was a female, but her boyfriend (unknown name) showed up and was upset. They resolved the accident at that time.

On 04-26-23, at approximately 1400 hours, Eric was working at Subway when the boyfriend came into the store. The boyfriend started yelling he knew Eric's face. According to Eric, he attempted to talk to the boyfriend, but he continued yelling at Eric, insulting him and stating he knew his face and where he lived. Due to other people in the store, Eric told the boyfriend they could talk outside. Once outside, the boyfriend put up his fist and told Eric he could beat him up anytime he wanted, but made no moves towards Eric. Eric admitted from there both parties yelled and insulted each other. Eric went back into the store and the boyfriend left the area. When asked why he had not called the MHPD at the time, Eric stated he had not thought about and had not reported it until now because he has been working. Eric does not know any information on the boyfriend. Eric stated he only wanted the incident documented at this time. Eric will call the MHPD if there are future problems. STB514

FEMALE WILL COME TO THE STATION TO FILL OUT THE STATEMENT. THE REAR DOOR TO THE RESIDENCE WAS KICKED OFF THE HINGES.  
THE MALE CONTINUES TO CALL HER BUT IN HER IRRATE STATE, THE OFFICERS HAD DIFFICULTY GETTING INFORMATION FROM HER

Sgt. Faunce spoke with Marquita on scene who was highly upset and wearing only a robe. Due to Marquita not being dressed she agreed she would respond to the station to file a report once she was dressed and got her kids to school. At approximately 1700 hours, Marquita had still not arrived at the station. I called her and spoke to her. She advised Brian had kicked the back door off the hinge and came into the house looking for his property. She advised her and Brian had recently broken up and she no longer wanted him to be around her. She stated she only wanted a protection order. I explained to Marquita how to get a protection order through CCCP. Marquita stated she did not want to press charges from the damaged door but wanted the incident documented. CWF528
