On the above date and time, I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department lobby for a civil matter. Upon my arrival, I spoke with the caller Lakita, Lakita advised me she was evicted out of Smartland apartments on Lee Rd. on March 18, 2023. Lakita was not able to get her personal items on the day she was evicted but did schedule a day (04/03/2023) when she could pick up her items. When she returned to the apartment she was living in (Apartment # 9) she found some of her items were missing. The items she immediately noticed were 75 inch Samsung TV, 8 Ft. mirror, a waffle maker, toaster, juice maker, knife set, vacuum cleaner, Timberland boots size 9, 3 pairs of Ray bands, Puffy coat, Wilson leather jacket, Earrings, various sets of perfume, and a drill set. Lakita contacted the manager of the Apartment who she identified as "Taylor" however Taylor has not gotten back with Lakita at the time of this documentation. Lakita requested this incident be documented and was given a CAD number for this disposition.

Upon arrival, Crystal Gordon waved officers down in the parking lot. Crystal advised that a male by the name of Antonio (unknown last name) had just broke her phone and pushed her into the wall. Crystal stated she met Antonio about a month ago on a dating app and they have been hanging out. Crystal stated that while she was doing her hair in the bathroom Antonio believed her to be texting another male. Crystal stated that Antonio proceeded to slap her phone out of her hand causing it to shatter and completely break. Antonio then proceeded to puch Crystal into the wall before running out of the apartment. Crystal stated that she would like to pursue charges against Antonio. Officers explained to Crystal that we are unable to proceed with any official charges until we know Antonio's full name and birthdate. Crystal advised she understood and would contact police should she find out the information. Crystal stated that Antonio was wearing a black hoodie with white lettering on the front when he was at her residence. Ref report 23-10073281. I attempted to make contact with Crystal at a later time by knocking for several minutes and yelling "Police department". The TV was on while I was knocking and eventually turned off while I was there. BF572

I spoke with John Sears at the police station. John stated that he and his boyfriend Isiah got into a verbal altercation over something found in John's phone. John stated that he told Isiah that he was gathering his belongings and leaving. John stated this made Isiah irate and at which point he grabbed a knife and just held it. John said Isiah never threatened him with the knife but he just held it. John left the residence to put his stuff in the car and Isiah shut the door. John went back to the door to get the rest of his stuff and Isiah refused to answer it. Eventually, Isiah opened the door and began helping John, but according to John he did not want his help. John stated that he grabbed the rest of his stuff and went to the car at which point John stated isiah fired off a round at his car. Other Maple Heights units went to the residence and spoke with Isiah. Isiah stated that he and John were engaged in a verbal argument and nothing physical transpired. Isiah stated that John called him on the phone and told him that he was going to tell the police that isiah fired a gun at him. Maple units spoke with several neighbors who stated they did not hear any gunfire. John stated all he wanted to do was file a TPO at GHMC. I advised him on the process. Isiah denied all allegations against him and stated all he wanted was for the two of them to cool off before they spoke again. BF572

NOT AS ADVERTISED

On Tuesday, April 4, 2023, at 0900 hours, I, Ptl. H. Kaur #553 and other Maple Heights Units responded to 17916 North Blvd. for the report of an assault. Upon arrival, I spoke with Michael Devoe, he stated he was "jumped" and also said a female struck him in the face with a bat. After speaking with multiple people inside the home, it was determined that no "bat" was involved in the altercation. Michael went into the bathroom, when Cheyvon Tremell's 3 y/o daughter was in the bathtub. Cheyvon went into the bathroom and asked Michael to get out of the bathroom due to her child being in the bathroom. Michael did not comply with Cheyvon's requests and they both exchanged words and "tussled." Michael was very intoxicated and irate. Michael became highly uncooperative and began yelling over officers. Michael called Cheyvon and her mother "bitch's." Michael was advised to go for a walk to calm down and cool off. Michael was advised to come to the station if he wished to file a more detailed report. HK #553

On Tuesday, April 4, 2023, at 1032 hours, I, Ptl. Kaur #553 responded to the Maple Heights High School, located at 1 Mustang Way. I spoke with the Director of Personnel, Tajuana Hunnicutt. She stated a teacher was placed on medical leave for five years due to some medical issues and mental health issues. The same staff member, Kelly Ohlsen, began emailing the school Athletic Director about her personal life. The emails then turned into Kelly complaining about five specific staff members at both Milkovich Middle School and Maple Heights High School.

Ms. Hunnicutt stated the school is suspending Kelly's email accounts and will be investigating with their District Attorneys office. She stated she needed this incident of emails documented since Kelly made some concerning remarks. One of the emails referenced to Nick Kaliszewski was written as follows: "Die a painful young death." A second email to Nick was written as follows: "Matt Bennett should have died in a painful car accident, burst into flames like the devil that he is."

Ms. Hunnicutt stated they are not concerned for the safety of the schools as this is not a security risk. They believe Kelly has been dealing with severe mental health issues since she's been put on disability.

I attempted to Kelly to speak with her about the emails. Kelly did not answer my calls. I will attempt to call Kelly on Thursday, April 6, 2023. (next shift) HK #4553

On Tuesday, April 4, 2023 at approximately 1548 hours, I, Ptl. M. Lowe #563, along with other Maple Heights Police units responded to 16784 Gerard Ave. for a male and female fighting that involved a knife.

Upon my arrival, I spoke with a female that was involved, Kenya Sims. Kenya stated her and her boyfriend, Kenneth Moore were involved in a verbal altercation in the front yard. Kenya denied that there was a knife involved during this incident. While speaking with Kenya I observed a strong odor of an alcoholic beverage coming from her. While Maple Heights Police units were present at this scene, Kenya and Kenneth continued to cause a disturbance by yelling and not following officer's orders. Due to Kenya and Kenneth's behavior they were both issued disorderly conduct citations. Kenya has a mandatory court appearance date on 4/18/2023 at 1530 hours at Maple Heights Mayor's Court. On Tuesday, April 4, 2023 at approximately 1635 hours, I, Sgt. Frazier, responded to the Giant Eagle located at 5321 Warrensville Center Road for a report of a theft. Upon arrival I was met by Loss Prevention Officer, Albert Dent II. Albert stated he had a male, identified as Jimmie Washington II, detained in his office for theft of steaks, valued at \$83.84. Albert stated Jimmie selected the steaks and concealed them under his clothing, and passed all points of sale. Albert also believed Jimmie was in the store earlier in the day stealing meat, which Albert believed the meat to be inside of the vehicle Albert arrived in, a white 2018 Mercedes Benz GLC bearing OH registration PDN. Jimmie gave Giant Eagles security permission to retrieve the meat from the Mercedes. Inside the Mercedes on the rear driver side floor board were several packs of steaks and ribs valued at \$170.87. The total loss of product is \$254.71. Jimmie was issued misdemeanor citation # MA31140 for theft ORC 2913.02 and was given a mandatory Garfield Heights Municipal Court appearance on April 12, 2023 at 0830 hours. Jimmie was also found to have several warrants, which he was advised and released on. Jimmie was trespassed from all Giant Eagle locations, including GetGO. Photographs of the product and receipts were attached to this CAD sheet. DF#540

I spoke with Tyche Campbel who stated her child's father, Devin Berry, was over her residence because he was visiting thier child. Tyche stated that she told Devin he needed to leave because her boyfriend would be coming home soon. Tyche said Devin called his brother to see if he would allow Devin to come over and he said no. tyche said Devin became irate and stormed out of the house. As Devin was opening the door he knocked out a glass panel but it did not break. While Devin was outside he knocked over a plastic tub that Tyche's daughter had outside. Tyche stated Devin did not make any threats towards her or the children nor did he become physical with her. Tyche stated Devin left the area on foot. Officers located Devin at Jackson St and Dalewood Ave. Devin was placed under arrest for his warrant through the Cuyahoga County Sheriff's Office. Devin was transported back to the City of Maple Heights Jail to await his transport to the county jail. Tyche stated all she wanted from officers was to have Devin leave for the night. BF572

Queen Todd responded to the Maple Heights Police Department lobby to provided Officers with her gun box which obtained a serial number for a SIG SAUR 365 XX, PDN A photograph of the gunbox was taken and attached to this CAD sheet. Queen stated she was robbed in Cleveland 5th district, report # 2023-093190 and during the robbery, her gun was stolen. Queen stated she was not sure if the gun box that she provided is hers or her brothers because they have the same gun; Queen was informed that she needed to reach out to the gun store where she purchased the firearm from and get her receipt to confirm the serial number. I informed queen that we will document the serial number for her, but she needed to follow up with Cleveland PD because they are the only ones who can enter the firearm as stolen.

On Wednesday, April 05, 2023, at 0331 hours, I, Ptl. Field #573, and other Maple Heights Police Officers, received broadcast to respond to 5338 Hollywood Ave for a complaint of family trouble. Upon our arrival, I spoke with the caller, Shante Boone, who stated that her son, Te'shan Boone, was trying to take his son from the house. On 04/05/2023 I spoke to Carol Beckwith and Jannice Edwards in the Maple Heights Police Department Lobby. Carol and Jannice advised me that they were being harrassed by their former neighbor, Courtney Greene. Carol and Jannice further explained that their family member, Miles Beckwith was in a relationship with Greene and recently broke up with her. Since the break up, Carol and Jannice advised me that they believed Courtney called 696-KIDS on them (case number unknown), only to inconvenience them. Carol and Jannice also stated Courtney contacted the police on them in the past and made false claims (report/CAD numbers unknown). Carol also stated she believed Courtney to contact her via phone from a private number multiple times and make threats. Carol and Jannice further advised that Courtney informed her that they call her "killer Courtney" and she was in jail before from a homicide. Carol also stated she believed Courtney to cause further damages to her vehicle, a maroon Hyundai Sonata OHRP. Carol explained that there are key marks on the driver side rear door and quarter panel, and damage to the interior passenger side door handle. Carol stated she did not have any proof that it was in fact Courtney that caused the damages. Photographs of the damage was attached to this CAD log. Carol and Janice stated they wanted this information documented, and they were advised on how to obtain a protection order.

On Wednesday, April 5, 2023, at 1855 hours, I, Ptl. Field #573, and other Maple Heights Police Officer received broadcast to respond to 5044 Arch St for a report of a disturbance. Upon our arrival, we spoke with Ebony Cole and her mother Linda Maple. Ebony and Linda both stated that they had been in a verbal argument over their living arangements. Ebony then went to a bedroom where her daughter, Xaria Cole, was already in to get away from arguing with Linda. As

Xaria went to close the door behind Ebony, Linda slammed the door shut, inadvertently closing the door on Xaria's left hand. Ebony, Xaria, and Linda all stated that Linda did not intentionally injure Xaria. Xaria also stated that she did not require further medical treatment at that time. Linda stated that she no longer wanted Ebony and her children to reside at the above-mentioned address and was advised on how to proceed with the eviction process. To elevate any further tention for the evening, Linda and her children left for the evening. All parties were advised of domestic violence laws. CF573

553 TRANSPORTING JUVENILE TO THE STATION FOR SOCIAL WORKER TO PICK UP, SM/148236.

SOCIAL WORKER - CASSANDRA 216-326-9554

The juvenile is staying a respite residence. He does not like staying there due to the household smoking. When the foster father arrived to pick him up, the juvenile spit on his truck and stated he would not get in the truck to go to his foster home in Garfield Heights. The foster father did not want the juvenile in the truck due to his behavior of fear that he was going to damage the inside of the truck. The foster father stated the juvenile has on going issues and does not listen. The foster father called the social worker and was advised of the situation. The social worker requested the juvenile be transported to MHPD where she would pick him up and reassign him to a new home.

IN THE PD STATION PARKING LOT.

On Thursday, April 6, 2023, at 1602 hours, I, Ptl. H. Kaur #553, was in the Maple Heights Police Department parking lot, located at 5373 Lee Rd. I was flagged down by a female who identified herself as Tameika Diggs. She stated she was being followed by a female in a black vehicle. I observed a black Nissan pull into the parking lot behind Tamekia. Tamekia admitted to going to Courtney Greene's residence, located at 16600 Maple Heights Blvd. She stated Courtney has been harassing her family, and other members. Tamekia stated she needed Courtney's address to file a report and that is why she went to the address. She also stated Courtney made threats to cause physical harm to her family. Tameika was advised on how to file for a protection order. Courtney was given the same information. Tamekia was also advised to stay off of Courtney's property and that she could be arrested for Criminal Trespassing if she returns in the future. HK #553

On the above date and time, I, Ptl. N. Ross #570, along with other Maple Heights Police Officers, responded to the Sunoco located at 5601 Warrensville Center Rd. for a report of a fight between two males in progress. The complainant, Omar Khanfar (store owner), advised he was not on scene, however, observed the altercation on CCTV cameras inside of the Sunoco. On arrival, no active fight was observed and the two males had left the scene. Inside of the Sunoco, multiple display shelves were knocked over and merchandise was on the floor. While officers were on scene, one of the males involved in the fight came back to the scene and spoke with officers. The individual, Anthony Mapson, confirmed he was involved in the altercation. Mapson stated he entered into the Sunoco and was confronted by the other individual, stated to go by the name of Anthony (no last name given), and was punched in the face. After Anthony punched Mapson, the two engaged in a physical altercation inside of the Sunoco, causing the merchandise displays to be knocked over. The CCTV footage captured by the Sunoco confirmed Mapson's statement. Mapson advised he knew Anthony from years prior and knew where he lived. I then followed Mapson to 20679

Donnybrook Rd. I made contact with Anthony Hall who confirmed he was involved in the altercation. Hall stated that he and Mapson were involved in an intimate relationship years prior. Hall stated Mapson created a fictitious Facebook page posing as Hall and had multiple persons come to his house. Mapson's actions angered Hall and when he saw Mapson he initiated the altercation. No injuries were reported from either party involved. Both parties were issued citations for Disorderly Conduct, for recklessly causing inconvenience and alarm to the employees of Sunoco by fighting. Mapson's ticket number MA 33315. Hall's ticket number ZMA 34609. NR570.

On Friday April 7, 2023 at 0059 hours, I, Ptl. Field #573, along with other Maple Heights Police Officers received broadcast of a report of a suspicious male at 19216 Maple Heights Blvd. Upon officers arrival, we toured the area and did not observe any one in the area. Additionally, the windows and the doors to the house were not tampered with. At 0119 hours the caller, Kenya Henderson, responded to the lobby. Henderson stated that in her Ring camera (in the back of the house), at 0056 hours, sent her an alert of someone in the backyard. Henderson observed a male in a light colored jogging suit, a full mask, and black gloves on look at the camera, then continue through the back yard towards Libby Rd. Hendrson stated that this was not the first time this has happened and it happened several times in the past two years and that this male was similar in build as the male prior. Henderson went on to say that she did not know the male. Henderson was advised to contact Maple Heights Police if he was to return. CF573

On the above date and time, officers received multiple notification of shots fired near the area of 18208 Edinboro Ave. The initial caller advised a silver sedan, unknown make or model, backed into the field next to 18208 Edinboro near the time of the shots being heard. On arrival officers observed a white Toyota sedan, bearing Ohio license plate PDN, however the vehicle was unoccupied. The hood of the vehicle was warm indicating that the vehicle had recently been placed there. The registered owner of the vehicle, Barry Boone, with last listed address of 18116 Edinboro, was not on scene at the time of arrival. Additional reports of shots fired came in from near the area of 19655 Rockside and another near 18300 Edinboro. As officers were canvassing the area looking for shell casings and signs of gunfire, the owner of the white Toyota sedan, Barry Boone, made contact with officers. Barry advised he had his vehicle parked in the vacant lot next to 18208 because he was trying to hide his vehicle from his ex-girlfriend. Barry further advised he also heard the shots and advised they sounded like they were coming from the east. No shell casings were located near the Toyota sedan. No shell casings or property damage was discovered on Edinboro. The Bedford Police department also searched the area in their jurisdiction. No evidence of gunfire was located. No suspects have been identified at this time. NR570.

563 REQUESTING ANOTHER UNIT ASSIST HIM AS HE RESPONDS TO THE ABOVE ADDRESS TO SPEAK WITH ANDREW N

On Friday, April 7, 2023 at approximately 1437 hours, I, Ptl. M. Lowe #563 responded to the Maple Heights Police Department lobby for a report of a disturbance that occurred at the caller, George Saridakis residence early today.

Upon my arrival, I spoke with George Saridakis. George stated that him and his son, Andrew Saridakis had a verbal altercation today. George stated while he was cleaning his home, Andrew walked into his personal space and began to yell at him on why he was cleaning in the bathroom while he was in there. George stated Andrew's behavior lately has been unacceptable and disrespectful. George initially wanted police assistance to remove Andrew from the residence. I explained to George that due to Andrew establishing residency at his home he was going to have to evict Andrew. I made contact with Andrew at the residence. Andrew denied all allegation of arguing with his father George. Andrew stated that George was making false allegation in order to get him arrested again. Andrew denied any physical altercation with George. Both parties were involved of DV laws. George was advised on how to obtain an eviction noticed. Both parties agreed to keep separate for the day. SHE HAS A SMALL PARKING LOT AND THE PEOPLE FROM NATIONWIDE BRAKE ARE PARKING IN HER LOT

Molly Kelly contacted the MHPD to report National Auto employees are parking their customers cars in her lot off of Gardenview. At my time of arrival, National was closed and there were no cars parked in Molly's lot. I advised Molly to contact the MHPD when the violation is current and during National business hours so that we could follow up with them. Molly was also advised to make a contract with a towing company as another option to fix her problem.

I responded to 15189 Broadway Ave for the report of a glass break alarm. On my arrival, I observed a damaged (spider) window at the front of the store, however the window was still intact. I also observed scuff marks on the door from a heavy object. The doors and windows were secure and it did not appear as though anyone gained entry to the store. Officers checked the area and did not observe anyone in the area. I spoke with the keyholder, Hansa Patel, who advised she left Maple Beverage and Deli at 1940 hours on 04/07/2023 and advised the broken window was new damage and believed the scuffs on the door were also new damage. Photographs on the damage are digitally attached to this sheet. I was advised there is no useable camera footage from the incident. LK558

On 04/08/2023, I spoke to Gwendolyn Willis. Gwendolyn informed me that she was notified by Garfield Heights Police Department that they recovered her vehicle, a gray Hyundai Sonata OHRP PDN somewhere within the city of Garfield Heights. Mrs. Willis could not state the exact location where it was recovered. Mrs. Willis further explained she parked her vehicle outside her residence at approximately 1800 hours, on 04/07/2023 and did not realize it was gone until GHPD contacted her at approximately 0930 hours on 04/08/2023. Mrs. Willis stated that GHPD informed her that the steering column was peeled and exposed the interior wires, and they had it towed to a tow lot in Bedford (tow company unknown). Mrs. Willis was advised that this information will be documented for her insurance claim.

On 04/08/2023, I spoke to Ralph Drake who informed me that his vehicle, a white Hyundai Elantra OHRP PDN, was damaged sometime last evening or early

this morning. Ralph stated he arrived home at approximately 1900 hours, and parked his vehicle in the rear parking lot located on the northwest corner of the apartment complex. Ralph continued to explain, when he walked out to his vehicle at approximately 0900 hours, he noticed the rear driver side window was broken. I observed shattered glass outside and inside of the vehicle. Ralph stated his vehicle was stolen in the past and he received a club lock that was fastened on the steering wheel. Ralph informed me that he will notify his landlord about potential video surveillance that may have recorded the incident. Ralph also stated he did not believe that the camera located on the rear of the apartment building reaches out to the rear parking lot but he would still check with his landlord. Ralph stated he wanted this information documented.

On 04/08/2023, I spoke to Carolyn Singleton who stated her rear driver passenger side window was damaged last night or early this morning. Carolyn continued to explain that she arrived to her apartment last evening at approximately 1900 hours, and parked her vehicle, a Hyundai Sonata in the garage space. Carolyn then stated when she came out to her vehicle she noticed shattered glass outside and inside the vehicle. The vehicle did not have any items taken from the inside and the steering column was not damaged. Carolyn stated that the section of the complex she parked at did not have exterior cameras. Carolyn stated she wanted this documented for her insurance claim.

On 04/08/2023, I spoke to Stephanie Eafford. Stephanie stated that she wanted it documented that she was being harassed by her boyfriend's child's mother, Marietta Wilford (approximately 18y.o.). Stephanie informed me that she could not prove that it was Marietta, but strongly believed it was her since the female caller kept making rude comments about her boyfriend, Cecil Fluker. Stephanie informed me that she recieved multiple calls from an unidentified number, and text messages from a text only number that she did not recognize. When I asked how was this person harrassing you, Stephanie explained that the female is claiming that Cecil had venereal diseases, and mentioned other rude things that regarded Cecil Fluker. Stephanie informed me she wanted this information documented.

On the above date and time, I, Ptl. T. Vasko #566, along with other Maple Heights Police units responded to a call to 17800 Dalewood Ave. Garfield Heights auxiliary Officer Taj Martin called into Maple Heights Dispatch and stated that he received a call on his personal cell phone from a neighbor in the area that stated they could hear yells for help coming from the basement at 17800 Dalewood Ave. The caller wished to remain anonymous. Units arrived on scene and attempted to hear these calls for help from the curtilage of the residence. Voices could be heard coming from the basement of the house however, all windows were covered and Officers could not see inside. Officers made contact at the side door of the residence after knocking, with Michelle Jonke. Michelle came outside and we advised her why Officers were making contact with her. Michelle stated that only her son, 16 y/o, and her husband, Brian Ferguson, were in the basement and she stated that her son is autistic and often listens to the TV too loud. Officers asked if everyone was ok and if they would come up for Officers to

check on their well being. Michelle complied and went back into the basement to get her husband. While Officers were waiting outside an odor of fecal and cat urine could be smelled coming from the house. Brian, Michelle and the juvenile exited from the basement, I initially observed the juvenile had no shoes or socks on and had what appeared to be dirt covering the juvenile's feet and hands about half way up his elbows. We asked Brian and Michelle if Officers could do a walk through of the residence in order to check to make sure no one else was inside and to check on the welfare of the juvenile. Michelle initially consented to the walk through as did Brian. Brian then went back into the basement to put the dogs away. Brian went into the basement, retrieved a large dog, put the dog in the kitchen and closed the door. Brian then went back into the basement and stayed there for approximately 15-20 seconds. Sgt. Frazier then called for the juvenile from the side door and he became agitated and uncooperative. It appeared that the juvenile was attempting to delay Officers coming inside and possibly conceal the conditions of the residence. The juvenile began walking upstairs towards Officers and was told he needed to exit the residence. Brian refused to exit the residence and attempted to close the side door on Officers. Brian was removed from the side door and detained in handcuffs in order to prevent the concealment or destruction of evidence pertinent to the conditions of the residence. A squad was called in order to check on the wellbeing of the juvenile and the squad advised they were unable to determine what is a normal or abnormal state for the juvenile. I was able to make contact with Jessica at 696 Kids. Jessica was advised of the situation and photographs of the juvenile were sent to a phone number she provided. An Officer was able to take pictures of inside the kitchen of the residence from the exterior window. Pictures of the juvenile have been uploaded to this documentation. Jessica created a call number of 22637097. Brian refused consent to enter into the household. Brian was released from handcuffs and went back into the residence with the juvenile and Michelle. It should be noted that the juvenile also smelled of the cat urine and feces even after leaving the residence. TV#566

Officers checked the area on their arrival and was unable to locate Jahaad Jackson. I spoke with Bryanna Poole who stated she and Jahaad got into an argument when he arrived home far later than he was expected and that she and her oldest son had been worried about him. Jahaad had gone outside before officers arrived and Bryanna advised she only wanted officers to mitigate the argument between them. Bryanna advised she had not gotten punched in the face but Jahaad had put his hand in her face during the argument and her glasses fell off. Bryanna and Jahaad have 3 children together. Sgt Frazier located Jahaad at the corner of Ramage and Dunham and gave him a courtesy ride to his grandmothers at 17401 Deforest Ave in Cleveland. Jahaad advised Sgt Frazier that when he returned home, Bryanna had been verbally hostile with him and he wanted to get out of the house and separate himself. Bryanna and Jahaad were advised of domestic violence laws. LK558

DUPLICATE CALL, ORIGINAL CALL FOR THIS ENTRY CAME IN AS DOLLAR GENERAL ON WARRENSVILLE CENTER RD

On Sunday, April 9, 2023, at 1619 hours, I, Ptl. H. Kaur #553, and other Maple Heights Units responded to Family Dollar, located at 5323 Warrensville Center Rd. for a disturbance. Upon arrival, I spoke with juvenile. He stated juvenile one and juvenile two threatened to shoot him. The juvenile stated he observed juvenile two reaching into his pocket but did not see a firearm. I spoke with the store clerks and also viewed the video inside the store. There appeared to be no altercation between the juveniles. The store clerk advised he did not see a firearm or any other weapons. In the video footage, I did not observe any of the juveniles with weapons.

juvenile, juvenile one and juvenile two all went to school in the past. They are not friends anymore and that is the reason for the verbal altercation.

Juvenile one and Juvenile two were taken home and juvenile went home with his mother. HK #553

1 BICYCLE FOUND AT THE RESIDENCE W 2 SERIAL NUMBERS
PDN

Officers received a call from an anonymous neighbor that they heard the sound of a door open from 5247 Erwin, saw what they believed was a flashlight in the yard, and saw the motion sensor lights turn on. Officers responded to 5247 Erwin and located an open front door to the residence. From looking in the windows, the house was empty and there was no property inside the residence. While searching the residence, I located a juvenile hiding in a closet next to the front door. The juvenile had attempted to hold the door closed, but I was able to open the door. The juvenile did not respond to officers commands to put his hands in the air, and he was placed in handcuffs. Sgt Frazier #540 and Ptl Mijangos #551 checked the rest of the residence and did not locate anyone else. They did locate a white Roadmaster Granite Peak bicycle that had two separate serial numbers on it PDN, and two electronic tablets. The juvenile refused to provide his information and was taken back to the Maple Heights Jail. The phone the juvenile had on him began to ring and Ptl Mijangos answered it. Ptl Mijangos was able to communicate with the caller to have the juvenile's mother come to the station to get him. Charlene Stewart arrived at the station and was able to provide the juvenile's information and his birth certificate. Charlene advised the juvenile does not have a white bike. Ptl Mijangos entered the bicycle into evidence (TN: 33314) as found property. I called the last known tenant, Nikki Mitchell. Nikki advised she only knew the landlord was from Hong Kong. Nikki provided a number for her realtor for the residence, Devonna Mauldin (216-374-6277). I called and left a message for Devonna to contact us with the landlord's information. If a victim is located who wishes to pursue charges, a criminal report may be generated. LK558
