On 02/13/2023 at approximately 1324 hours, I, Ptlm. Duncan, along with other Maple Heights Officers responded to 16011 Maplewood Ave for a disturbance. Upon arrival, officers made contact with Jayden Hardnick and Mykae'l East. Mykae'l stated that she and Jayden recently broke up and she was there to drop off his personal items. Mykae'l admitted to dumping the items in his front yard, as well as other trash. Jayden stated he did not invite Mykae'l to his property and requested that she was advised of trespass. Mykae'l was issued a citation for littering (MA35090). This matter will be heard in the Maple Heights Mayor's court.

PING WITH T MOBILE WILL CONTINUE FOR 48 HOURS

On Tuesday, February 14, 2023 at approximately 1200 hrs., I, Sgt. Jividen #537, was in the evidence room while Aux. Sgt., Feathers when he spoke on the phone with Girard Craig. Aux., Feathers stated Craig told him he was going to kill himself. Aux., Feathers then placed Craig on speaker phone so I could hear the conversation.

Craig told Aux. Sgt. Feathers that times were getting tough and that he did not know how much longer he would hold on to life. Craig refused to come to the Maple Heights Police Department to pick up his property. Craig also refused to tell us his current location. After the conversation, I spoke with dispatch and had them begin a phone ping on Craig. I then called his estranged wife, Maxine Craig. She told me that Girard was recently released from Southwest General Hospital for a two month stay for a mental evaluation. A court order was also issued for Girard to have no access to his firearms. She was in the finalization process of getting divorced from Craig and that he also lost his job. She did not know where he may have gone to or where he currently was. When I was on the phone with her, she told me Craig sent her a message that stated he wanted to commit suicide. I asked Maxine to come to MHPD to complete a missing person packet, she said she was not able to because she was at work. She told me she would respond to the station around 1730 hours to complete the packet.

After I spoke with Maxine I had dispatch issue an attempt to locate for Craig and to stop and check on his welfare.

(Officers note: Girard was under the impression his wife gave all of his guns to MHPD. These are the items he was trying to retrieve from evidence.)

A ping of Craig's cell phone was showing he was on the railroad near the area of Hill and Morgan off of Broadway Avenue. Ptl. St. John and I traversed the woodland for approximately an hour and did not locate the subject. Several updated pings showed the subject was in this area for quite some time, but still officers were unable to locate him. A short while later, the drone unit from Garfield Heights Police Department responded to the area. A drone was used to fly a grid pattern over the wooded area, but the subject was not located.

After the search concluded, I responded to the Maple Heights Police Department and made contact with Commander Wickawitz from the Missing Person Unit and updated him on the call for service. It was decided that at this point in time Craig would be entered into LEADS by the Maple Heights Police Department and if Maxine responded to the station, the report would be updated.

As of 1800 hrs., a recent Flock search and ping have yielded no viable results for identifying the whereabouts of Craig's person. The missing person spreadsheet was updated and Craig was entered into LEADS

LEADS AND CCH SENT OVER FOR ALL 3 PARTIES INVOLVED PER 573

On Tuesday, February 14, 2023 at approximately 1559 hours, I, Cdt. Field #573, and other Maple Heights police officers received broadcast to respond to 20680 Southgate Park Blvd for a robbery report. While in-route, dispatch advised that the suspect vehicle, a gray Jeep, was leaving the area towards Warrensville Center Rd. Upon our arrival in the area, I observed a 2019 Jeep bearing OH License Plate leaving Southgate USA Shopping Center towards Warrensville Center Rd. I activated my overhead lights and siren and conducted an investigatory stop of the Jeep at 5310 Warrensville Center Rd. Upon our approach of the Jeep, we advised the driver, identified as Qeonte Jones, of the reason for the stop. While conducting a search of the Jeep, officers located on the driverside floorboard a clear plastic bag containing three clear plastic bags of 14.37g of suspected marijuana. Jones was issued Minor Misdemeanor Citation #MA30568 for drug abuse marijuana. Jones' citation, he was given the court date of February 21, 2023 at 1530 hours in Maple Heights Mayor's Court. The clear plastic bag containing 14.37g of suspected marijuana were entered into evidence (TN:32647). CF573

I responded and spoke with Amy. She stated she is being held against her will and wanted to leave the residence. I spoke further with Amy and while speaking to her, her time lines of her history and events were off. Amy also said that she was divorced in 1988 and her husband just disappeared. At various points Amy informed me she was an author, an interior decorator, used to work for the mayor of Shaker Heights, and at one time worked for George Washington.

There was no staff present at the home, but the owner, Erica, called me and informed me Amy suffers from paranoid schizophrenia and her family has guardianship over Amy.

When asked about her children, Amy stated they lived in San Francisco.

The Maple Heights Fire Department transported Amy to Marymount Hospital for evaluation. STB514

CALLED IN BY 567

On Tuesday, February 14, 2022, at approximately 2230 hours, I spoke to Damian Evans in regards to a Fraud account that was made in his name through T-Mobile. Damian stated he never opened an account for T-Mobile, and a collections agency, Law Office of Maury Cobb, informed him that someone opened up an account. The account was charged over \$2,000.00 worth of phones and services. Damian stated he could not meet with me until Friday, February 17, 2023 to provide further information. Damian further explained he wanted the information documented so he could clear his name with the credit agencies.

On Friday, February 17, 2023, at approximately 1930 hours, I contacted Damian to obtain further information about his fraud report. Damian advised me he was not able for me to come to his address, and he was unable to come into the police station to provide further information. I advised Damian to go to the Ohio Attorney General's Office website to file his report there as well. Damian stated he wanted all the information documented, and he will follow up with the Ohio Attorney General's Office.

I observed a white SUV driving on the opposite lane of travel on Raymond E/B at Lee Rd. I briefly spoke with the driver as she slow passed my unit. The female driver stated she had an emergency at home. I attempted to advise her to follow the traffic laws, however she sped off and went northbound on Lee Rd. The female driver continued northbound on Lee Road at a high rate of speed and then drove through the red light at Lee Road at Old McCracken, nearly causing an accident. I did not pursue the vehicle for the safety of the public, however the vehicle continued to drive at a high rate of speed. I noticed the vehicle turned E/B on Tarkington. CPD was advised. After reviewing the Flock Camera, I was able to positively identify the vehicle and driver/owner. A cite was issued for the Red Light violation (P29505). The driver/owner, Kenza Baldwin, will be notified of this citation.

I spoke with loss prevention employee Orlana Wright who stated she observed a patron steal a bunch of clothes. Orlana stated she observed a black male that was wearing a face mask, an orange hat, a white shirt, and dark colored pants come into the store and ask for help with items. Orlana stated the male grabbed several shirts and a few pair of jeans and walked out of the store. The male got into a 2007 Pontiac G6 and leave the store parking lot. The vehicle was captured on the city's Flock camera system leaving the city limits north on Warrensville Center Rd. Orlana stated she did not know exactly what the male took and would not be able to determine it because their camera system is down. If more information is collected a criminal report will be completed. BF572

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for a complaint of a domestic, upon my arrival I spoke with the caller, Jasmeire Owens who stated the father of her child, Ronnie Hawkins had kept her from leaving his mother house (14217 Kennerdown Ave.) by blocking the door when she attempted to leave. Jasmeire was asked if anything physical happened and she stated "no, well he threw a box at me". Jasmeire stated if she was hurt or had any injuries and she stated she did not. Jasmeire also refused to be seen by an ambulance. Jasmeire was not exactly sure what she wanted the officers to do. Jasmeire was advised on how to acquire a protection order through the courts. Jasmine left the scene shortly after. Tv566

Upon Officers arrival to the motor vehicle accident, witnesses to the accident stated the witnessed the accident and they observed a male and female occupant arguing in unit # 2, a white Ford Escape, OH registration # S8VDX (VIN # 1FMCU0GD4JUD07784) just prior to the accident. Witnesses pointed out the male occupant and Ptl. King approached the male, who was later identified as Reginald Mahome, who is also the owner of the Ford. Ptl. King informed Reginald why we were there and asked Reginald to identify himself as part of the investigation. Reginald walked away from Ptl. King and eventually sat down on the ground. Reginald was then asked for his driver's license and he stated he did not have one. Reginald was asked for his social security number and he stated he did not know it. Reginald was asked for his name and date of birth, Reginald responded by providing his first name and stopped. Reginald further talked over Officers and avoided any further questions regarding his identity. Reginald was then detained and a wallet was recovered from his property and Officers learned of his identity. Due to Reginald's behavior, Officers were delayed in our duties and Reginald prevented Officers from investigating the motor vehicle accident. Reginald was issued MM citation # MA34034 for obstruction.

Upon arrival, I spoke with Catrina Sandifer who stated while she was sitting at the light on Libby Rd at Warrensville Center her vehicle was struck in the rear bumper. The driver of the other vehicle was Logan Butler driving a 2011 Nissan Rogue. There was no damage to Catrina's bumper. Logan stated while she was sitting at the light as well she believed she observed the light to turn green and had let off the brake which caused her to tap the back of Catrina's vehicle. There was no damage to Logan's vehicle either. Both parties exchanged information if they needed something in the future. Both parties were able to drive their vehicles away. No photographs were taken as there was no damage to either vehicle. Both parties did not want police involved as they would sort it amongst themselves. BF572

Juvenile one and juvenile two have been running into problems with older kids on the walk home from school. They stated its different kids every time, but today, older kids were bullying them by trying to take their bookbag. Officers provided them with a ride home. Calude was able to tell me that the bullies went inside 15917 Edgewood. I spoke with the older brother at this address who stated he will advised his mother of his little brothers actions. Due to their mother not being present, the child's name was not asked. The mother of caller, Ms. Boyd, did not wish to pursue any criminal charges.

On Friday, February 17, 2023 at 1015 hours, I, Ptl. Field #573, received broadcast to respond to the Maple Heights Police Department lobby for a theft report. Upon my arrival, I spoke with a female, identified as Tomika Hogue. Hogue stated two days ago her children's father, identified as Rafi York, had come to her address apartment (14404 Granger Rd Apt #204). York and Hogue's children let York into the apartment. While York was in the apartment he took the spare key to Hogue's 2015 Kia Sorento and the key to a safe. York texted Hogue today at 0057 hours, that he would return the keys after he got off work. York stated that she did not want to pursue charges but just wanted the incident documented. CF573

On Friday, February 17, 2023, at 1144 hours, I, Ptl. Field #573, received broadcast to respond to 15017 Reddington Ave for a damage to vehicle report. Upon my arrival, I spoke with Michael German. German stated that last night, February 16, 2023, his son, Joseph Dotson, had parked their 2018 Chevrolet Cruze bearing OH License Plate on the street in front of their house. When Dotson went to get into his car this morning, he saw metallic brown paint on the front right quarter panel of the Cruze. After Dotson and German reviewed their camera footage they observed at 2021 hours, two unknown juveniles walking towards the Cruze. As the juveniles pass it, one of them bends down by where the passenger side quarter panel is and after the juvenile stands up, the two juveniles run away towards Dunham Rd. German located on the grass just past where the Cruze had been parked a bottle of washable metallic brown paint that matched the paint on the Cruze. After canvassing the area, I was unable to locate any further video of the incident or any witnesses. If suspects should be identified, a criminal report maybe generated. CF573

On February 18th, 2023 at approximately 1520 hours, I, Ptlm. Westfield #554, was radio dispatched to 14711 Tabor Ave. for a disturbance. Upon my arrival, I met and spoke with the caller, Dorris Collins, who stated a 15-year-old female, later identified as, juvenile one, knocked on her door stating she was afraid of her mother, Telicia Boyd. I asked the juvenile why was she afraid of Telicia. The juvenile stated because Telicia was attacking her. The juvenile stated Telicia was upset because she found out she was gay and like other females. I spoke with Telicia who was outside the residence searching with the juvenile. Telicia stated she was attempting to discipline the juvenile due to her being suspended from school and also having company at their residence without permission. The juvenile had no injuries and did not appear to been in no physical altercation. The juvenile spoke with her Telicia while officers were there and she stated she wish to go to a family member house for the weekend. Telicia agreed and both parties went home to pack clothing for the juvenile. Telicia was also advised of DV law. #554

On Saturday, February 18, 2023, I, Ptl. Field #573 and other Maple Heights Police Officers were dispatched to the Giant Eagle (5321 Warrensville Center Rd) for a complaint of a shoplifter. Upon my arrival, I spoke with the theft prevention officer and complainant, Jesse Keffer. Keffer stated that they observed the subject, Emanuel Walker, putting various food items into his backpack and then walk into the bathroom and stay in the stall for approximately 42 minutes. The items totaled \$8.64. Walker was cited for theft ORC 2913.02 (Citation #MA30565) and given Garfield Heights Municipal Court Date of March 1, 2023 at 0830 hours. The receipt was attached to the media section of the sheet. Walker was warned and sent from the Giant Eagle and advised of Criminal Trespass. CF#573

Upon officers arrival, Theodore Uber was conscious and breathing. The Maple Heights Fire Department loaded Theodore onto the ambulance, and I surveyed Theodore's common area, where he was found on the floor by his family. I did not observe any signs of narcotic abuse or drug paraphernalia. His mother advised that she thought he had been drinking earlier in the day, but no alcoholic beverage containers were located in his living area. He did have cold medication and might have been ill. The Maple Heights Fire Department transported Theodore to Marymount Hospital to be treated. Family members arrived to care for his mother.

On Sunday, February 19, 2023 at approximately 0125, I, Ptl. Colangelo #567 was patrolling the City of Maple Heights Service Department. While I checked the dog kennels, I heard shouting coming from a large group in the parking lot of the Ka'Lon spa. I observed what appeared to be two individuals engage in a fight. Shortly after the two individuals engaged in a fight, I observed more people from inside the business, run to the area of the two individuals. I contacted additional Maple Heights Police Units to arrive to the area for a fight in progress. I approached the scene inside marked vehicle 4430 with my lights and sirens, and observed two females shoving one another. After I gave verbal commands to stop, the two females who engaged in the fighting stopped. The first female I spoke to was identified as, Amaari Glass. Amaari did not have any visible injuries, and stated her and her friend got into a disagreement and she was fine and did not want to pursue charges. Amaari was released and left the scene with her cousin. The other female was identified as, Ashanti Mcpherson. Ashanti stated she was upset at Amaari for bringing her to the listening party at Platinum Studios. I did not observe any visible injuries on Ashanti and she did not want to pursue charges. Ashanti left the scene in an uber. Officers spoke to the owner of Platinum Studios, Demariel Baker. Demariel stated he was unaware of the incident, and provided his number that was put on the night file as the contact number.

FC567

Damariel was advised of his responsibilities as the business owner. It appeared that several people inside the building were intoxicated. He denied them serving alcohol, and stated the venue was a music studio and they were having a listening party event. He was advised that neither he nor anyone with the business can serve alcohol there without a liquor license for that location. The crowd dispersed itself as the party seemed to be over.

On Sunday, February 19, 2023, at 0837 hours, I, Ptl. Field #573, received broadcast to respond to the Maple Heights Police Department lobby for a theft report.  
Upon my arrival, I spoke with Shaniya Hale. Hale stated that on February 14, 2023, she was supposed to have received a delivery from Amazon for a Ysxbui

4573 TO COMPLETE

On Sunday, February 19, 2023, at 1512 hours, I, Ptl. Field #573 received broadcast to respond to 16771 Gerard Ave for a theft report. Upon my arrival, I spoke with Curtis Morris, who reported that his wife parked their 2011 Mercedes bearing OH License Plate in their driveway at 1500 hours yesterday. While Morris' wife was at work today at approximately 1100 hours, she observed that she was missing a \$50.00 dollar Honey Baked Ham gift card and a Samsung S20 ultra with a shattered screen was missing out of the vehicle. Curtis reviewed their Ring Doorbell camera and observed at 2112 hours, an unidentified male was walking westbound on Gerard Ave towards their house. The male then went opened the front passenger side door and a few seconds later closed the door and continued westbound on Gerard Ave out of camera frame. I observed that there was no damage to the Mercedes and the Samsung phone had been turned off. I canvased the area for any other surveillance footage or witnesses to the incident but was unsuccessful. Should suspect information come to light a report maybe generated. CF573

I spoke with the complainant, Regina Martin. Martin stated that she had backed her 2020 Jaguar bearing OH License Plate into the driveway of her house at approximately 0130 hours and observed on her ring door bell camera that her rear license plate was on the vehicle. When Martin went to move the Jaguar today at approximately 1540 hours, she observed that the license plate and screws were missing. It is unknown when the plate was taken or who had taken it. Martin's Ring Doorbell camera did not pick up video of the incident. After canvassing the area, I found no surveillance cameras on neighboring residence or witnesses to the incident. Martin's rear license plate was entered into LEADS as lost/stolen. Should suspect information come to light, a report maybe generated. CF573
