Ms. Barnes stated she received a call from her neighbor informing Ms. Barnes that she had just seen 2 subjects inside of Ms. Barnes' car parked in the driveway. The neighbor yelled and the 2 ran away on Waterbury towards Broadway, but cut through the Jackson Boulevard area. The neighbor provided the above description. When Ms. Barnes checked her vehicle she stated \$20.00 was missing. Ms. Barnes admitted the vehicle had been unlocked at the time. Ms. Barnes attempted to contact the neighbor to allow me to speak to her to attempt to obtain a further description, but the neighbor did not answer. There was no damage to the vehicle and Ms. Barnes only wanted this documented at this time. STB514

On Tuesday, February 28, 2023, at approximately 2130 hours, I, Ptl. F. Colangelo #567, and other Maple Heights Police Units were in the area of 5113 Cato Street investigating the area for a report of shots fired. Officers observed a Nissan Altima OH RP unoccupied and running. Officers checked the vehicle for potential damage from bullet strikes, and possible injured person(s). The car checked clear of people and damages, however a clear plastic bag filled with suspected marijuana was in plain sight of the center console of the vehicle. The operator of the vehicle, identified as, Thomas Armstrong Jr. came outside and approached the vehicle. Thomas stated he was visiting a friend that lived on the street. Thomas was found to have an active warrant with the City of Rocky River, and was later advised of his warrant per Rocky River PD request. Thomas stated the marijuana belonged to him, and when officers patted Thomas down, Thomas had an additional cigar with suspected marijuana wrapped inside in the front pocket of his hooded sweatshirt. Officers searched the Nissan. Thomas informed me that he had a firearm inside his back pack that was inside the vehicle. Inside Thomas' black back pack was a Glock 17 with 23 rounds in an extended magazine that held a capacity for 24 rounds. (Refer Report #2310045962). The firearm was confiscated and swabbed for DNA. Additionally, there was approximately 7 bags with labels that contained suspected marijuana. The suspected marijuana weighed approximately 31.99 grams combined. Thomas was cited for possession of suspected marijuana, and received citation #MA31093. Thomas will appear in the Maple Heights Mayors Court on March 07, 2023, at 1530 hours.

Unit 1 was travelling South on South Blvd. Unit 2 was travelling East on Mapleboro Ave. Unit 1 approached the intersection of South Blvd and Mapleboro Ave, stopped at the stop sign and continued South through the intersection. Unit 2 continued East on Mapleboro and turned South onto South Blvd striking Unit 1 in the passenger side with the front of Unit 2. The driver of Unit 1 and Unit 2 exchanged information. Upon arrival, I spoke with Gwendolyn Haamid who stated her 2022 Kia Sportage was parked in a parking spot in the lot of Home Depot. While she was getting into the car Gwendolyn stated a 2007 Dodge Ram riven by Fred Bey backed into the front right of her front bumper. I observed a paint transfer on the Kia's bumper. I photographed the damage to Gwendolyn's bumper which also appeared to have been pushed back. Fred's vehicle had damage to his bumper that appeared to be old as it was rusty. Upon speaking with Fred he did not give an explanation for the accident. Fred has Allstate Insurance and Gwendolyn has Allstate Insurance. Both vehicle's were able to be driven away from Home Depot. I advised both parties I would document the incident. BF572

A teacher at Milkovich Middle School, Lacey Marinaro, came into the MHPD to document an incident that occurred on February 24, 2023 at the school. Ms.

Marinero stated she attempted to break up a physical fight between 7th grader, juvenile one, and another student. Ms. Marinero stated once the fight was over, the juvenile threw several punches at her, which caused bruises to her right collar bone. These injuries were no longer visible. Ms. Marinero advised she did not wish to pursue criminal charges, but was advised by Principal Rosewell to document the incident with the police. Ms. Marinero advised me that the school was handling the discipline and advising the juvenile's parents. Ms. Marinero signed a waiver of prosecution form.

On the above date and time I, Ptl. T. Vasko #566, responded to the above address for a report for theft of a cellphone, called in by Rodney Rutledge. Upon my arrival I first spoke with the manager of the Cato house, Xavier Moore, I told Xavier why I was at the Cato house and Xavier advised me Rodney had thrown the cellphone away months ago. Xavier also advised me that Rodney suffers from mental disabilities. I then spoke to Rodney who stated the cell phone was stolen from his room but he could not say when. Rodney also said that when he called the number he could hear the cellphone ringing in the building. I and other staff attempted to call the number Rodney provided and it went straight to voicemail. Xavier advised me he would help Rodney get a new cell phone by contacting Rodney's brother (Rodney's point of contact). tv566

553- SEE REPORT

553 spoke with the female who was extremely under the influence. Suspected methamphetamine use. On the original call to dispatch the female was locked in the house. Then on call back she was outside and sounded under the influence. The male half was cooperative and stated the female has been there for a couple days and they were doing drugs and having consensual sex. Due to the females intoxicated stats she was transported to the hospital. 553 will follow up with the female on Monday 3/6/23. CWF528

On Thursday, Mach 2, 2023, at 1854 hours, I, Ptl. H. Kaur #553, responded to 5695 Dunham Rd for a disturbance. Upon my arrival, I spoke with Rachael Mull. She appeared to be highly intoxicated. Rachael was holding several bags containing her personal belongings and advised me that she was involved in a physical altercation with Richard Veal. Rachael was sweating profusely and repeated several statements. I asked Rachael if she had been doing any drugs. Rachael advised me she does not do drugs and she has no history of such. Due to Rachael's mood swings and irate behavior, I called for the Maple Heights Squad to evaluate her. Rachael advised me she has elbow/arm pain because she had been at the hospital earlier in the week and the "hospital caused her injuries."

After denying drug use several times Rachael admitted to smoking a cigarette. She then added that she was smoking "weed" and finally added that she had smoked Methamphetamine inside Richards home prior to officers arriving on scene. She also said she smoked it earlier in the day. Rachael stated she has known Richard for 6 months. She stated she has been at Richards residence multiple times on and off. She said he picked her up from a shelter today. I asked her if this was against her will and Rachael responded yes. Rachael also did not have a working phone, but communicated with Richard for the transportation to his residence. Rachael continued to make several conflicting statements.

She was transported to Marymount Hospital for further evaluation. While on scene, I spoke with Richard. He stated Rachael was inside his residence willingly. He stated she left the residence 3-4 hours ago to go and "purchase drugs" When Rachael came back, she smoked the Methamphetamine and began acting irate. Richard admitted to Rachael smoking the Meth inside his home. Richard stated he had sexual intercourse with Rachael more than two times today. He stated she also performed oral sex on him consensually. Richard stated he did not force Rachael to perform any of the sexual acts on him.

When Richard advised Rachael that he will not go with her to purchase more drugs. Rachael became agitated and began throwing furniture inside the home. Rachael then went outside and "created a scene."

I spoke with a male at Gabor's Deli, who stated he observed Rachael yelling outside the house for the past 30 minutes. (confirms Rachael was not locked inside the home) He said Rachael walked over to the Deli and asked for money twice. The male did not wish to be identified. He stated this is usual behavior for Rachael and Richard. He also added that Richard and Rachael have talked to him about having threesomes with other females involved.

I forwarded the drug related information to Det. Griffis from SEALE.

This information will be documented.

On 3/7/23 officers responded back to this address and spoke with Rachel. Rachel indicated she was high on PCP when she was making the rape and kidnapping allegations. Rachel stated she is back on her medication and not high today. Rachel stated she spent the night at the residence last night and they will continue to be friends. There will be no report for this incident and it will be documented and a medial issue. CWF528

On March 3rd, 2023 at approximately 1025 hours, I, Ptlm. Westfield #554, wa radio dispatched to Maple Heights Police Department Lobby to speak with a complainant regarding her missing packages. Upon my arrival, I met and spoke with, Timeeka Williamss, who advised she ordered three items (Lady Hand Bags) on 1/3/2023 and never received her items. Approximately 2weeks ago she ordered a replacement phone (IPhone 14 Plus) from Verizon Wireless and had not received the phone eventhough she received a notification that her IPhone was delivered. Timeeka mentioned she contacted Verizon regarding this matter. Timeeka also stated she made several complaints to US Mail Service regarding the mail carriers delivering wrong mail to her residence. Timeeka was provided a CAD #. #554

514-DONALD WAS CITED FOR THEFT/TRESPASS

Donald was inside the store, after being advised of trespass several times in the past. While inside the store, Donald was observed taking a pack of cookies from the shelf. While inside the store, Donald ate the cookies and threw the empty package into another aisle. When employees attempted to stop Donald and escort him into the security office, Donald refused to comply. At one point Donald swung his arm around and made contact with the manager's, Mr. Mogart, arm. Donald left the store and Mr. Mogart followed him until officers arrived on scene. Mr. Mogart demonstared when Donald made contact with his arm it was a brushing motion while Donald was trying to wheel his wheel chair from the store. Store security officer Keffer signed summons for criminal trespass and petty theft againt Donald. These charges will be heard through Garfield Heights Municipal Court.

Ms. Scott stated while she was working, Mr. Williams came downstairs to her work area and started talking to her. During the conversation, Mr. Williams asked if he could interrupt her relationship. When Ms. Scott said "no chance in hell". Mr. Williams said you can't talk to me like that or "I'll fuck you up". Ms. Scott repeated her previous comment which caused Mr. Williams to repeat his comment. After an exchange of words, Mr. Williams opened the doorway into the reception area and approached Ms. Scott saying "I'll fuck you up". According to Ms. Scott, Mr. Williams got very close to her, but walked away. Ms. Scott was not sure if Mr. Williams had left the building or returned to his room upstairs. When officers knocked on Mr. Williams door, he originally yelled through the door and said he didn't want to talk to us. Mr. Williams did open the door and when I started asking him what had happened downstairs, Mr. Williams told us to enter the room. While attempting to speak to Mr. Williams, he at times denied anything had happened, stated Ms. Scott was lying, and walked up on officers. When instructed to back up, Mr. Williams became agitated and clenched his fists. Mr. Williams did back away, but continued to be uncooperative and belligerent. Ms. Scott wanted advise on how to have Mr. Williams removed from the assisted living facility. She will be reporting Mr. Williams behavior to her supervisors and will attempt to have evicted from the premises. STB514

WAIVER OF PROSECUTION SIGNED BY COMP.

Caller stated right away that she did not want to enter the vehicle entered as stolen. She stated she loaned her friend the vehicle, but at about 2000 hours, the

friend stopped answering her phone. The caller thought this was strange. When attempting to gain more information on the friend, the caller did not know her birthday. The caller only knew that the friend is currently living in a hotel and used to live with her mother somewhere in Maple Heights. The caller stated this is the first time she has loaned the friend her vehicle. I again asked the caller if she wanted to sign criminal charges against the friend and enter the car as stolen. She again said no. When asked how long she has owned the vehicle, she stated approximately 1 year and that she had put her old plates on the vehicle but has not had them transferred over to the new vehicle. She was advised this needed to be done as soon as possible and that she could not just put the plates on the vehicle without informing the BMV. While speaking to the caller, she stated her friend had probably hooked up with some one for the night. At this time, the caller only wanted MHPD aware of the situation in case we came across her friend or the vehicle. The caller signed a waiver of prosecution. STB514

DRIVER OWNER

ADVISED LIGHTED LIGHTS AND CITATION FOR POSSESSION ISSUED INTO MAYORS COURT

On the above date and time, I, Ptl. N. Ross #570, observed a white Ford Focus travelling northbound on Dunham road with no headlights on. I initiated a traffic stop while on Dunham Rd with the cross street being Maplewood Av. The vehicle had two registration plates on it, one being an Ohio temporary of P728559 and the other being Ohio plate. Both registration plates returned to the same vehicle, being a 2018 white Ford Focus. The driver, Victoria Netter, was advised for the reason for the stop and was directed to provide her drivers license and proof of insurance. Victoria was unable to locate her drivers license inside of her purse. While Victoria was searching through her purse, I noticed a clear plastic bag containing green vegetation inside of her purse. Victoria provided her Social Security number as a form of identification. Victoria and her passenger, Thomas Ison, were ordered out of the vehicle for a probable cause search. Victoria was questioned if there were any other narcotics in the vehicle to which she stated there was a "blunt" somewhere in the vehicle. Victoria also gave officers the plastic bag containing green vegetation at that time. A probable cause search yielded one partially burnt Marijuana cigar. Victoria was given a verbal warning for lighted lights on her vehicle and issued a citation for Possession of suspected Marijuana. Citation number MA34605. The suspected 2.3g of Marijuana was entered into PMI as evidence (TN: 32826). NR570

On Sunday, March 5, 2023, at 1226 hours, I, Ptl. Field #573, along with other Maple Heights Police Officers, responded to 14393 Rochelle Ave to assist with an escort. We were advised by a female, Tonya Herrell, that she wanted police assistance while she gathered her belongings from the above-mentioned address. Herrell stated that her ex-boyfriend, Orlando Lee, knew that she was gathering her property from the house and that his sister was responding to let her into the garage. Herrell also stated that she had a locksmith in route due to Lee changing the locks to the house and did not provide her with a key even though she is currently on the lease for the property. Upon our arrival, Lee's sister was on scene and advised us that on January 31, 2023 Herrell had emailed Lee that she was vacating the property within 30 days. Lee's sister provided officers with the email and Herrell confirmed that 32 days ago she did email Lee stating that she was giving up her residency at that address by March 3, 2023. At this point officers beleived she gave up her residency as she clearly stated in the letter. Also, officers observed Herrll's property was already bagged up and in the gargage ready for transport. Officers did not beleive that Lee was able to bag up all of of Herrell's property on his own and place it in the garage, due to him being ran over by a vehicle at work, walking with a back brace a cane and being on disability.

Lee's sister stated that the locksmith was not allowed to unlock the doors for Herrell to retrieve any property from the house and that she was only allowed to retrieve the property that was in the garage. When officers advised Herrell and her family members that they were not allowed to retrieve any property from inside the house, they then became hostile towards officers ans began shouting obscenities at Lee's sister. Herrell stated that she had receipts for the purchase of several items that were used by her and Lee. A short time later, Lee arrived on scene and produced a venmo receipts for the reimbursement of the cost for the items Herrell had purchased. While Lee was speaking with officers, Herrell's father purposely crossed the street towards where officers and Lee were standing, in an attempt to antagonize Lee, and yelled, "Why don't you let her grab her shit!" Officers then placed themselves inbetween Herrell's father and Lee and asked Herrell's father several times to go back to the house in an attempt to de-escalte the situation.

When Herrell's father refused to go back across the street, officers then ordered him across the street. While Herrell's family was gathering her property from the garage, they continued to yell obscenities at Lee and his sister. Herrell stated that she was missing several items including: her Chrome laptop for work (value of \$500.00), a closet organizer, office furniture, ottoman, couch, and several other items. Herrell was advised on how to file a temporary protection order against Lee and advised on how to file a civil suit against Lee. After Herrell and her family had left the area, Lee allowed officers to conduct a video recorded walk through of the house. Lee stated that the Chrome laptop was with Herrell's property in the garage and officers did not observe it during their walk through of the house. Lee opened all of his dress drawers and closets. Officers did not view a tablet or any other electronic items. Officers did see one small handful of womens underwear that Lee forgot to give back. Lee stated that the closet organizer, an ottoman and a work desk was Herrell's. Additionally Lee was advised on how to file a temporary protection order against Herrell. CF573
