On January 16th, 2023 at approximately 1226 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights Police Station for a report of an escort. Upon my arrival, I met and spoke with the complainant, Fatima Kamara, regarding a custody dispute. Fatima stated her children's father, Idrissa Aidara, was to supposed to exchange their children at Garfield Heights PD. However, Idrissa did not show up. I attempted to contact Idrissa on the Maple Heights PD telephone, but no answer. Fatima stated they have court paperwork stating Idrissa supposed to exchange on Monday 12pm noon. Fatima wanted this matter documented for court purposes. #554 (REF:MA23-10009337)

On January 17th, 2023 at approximately 1438 hours, Sgt. Jividen #537, received a call from Milkovich Middle School Staff regarding a video a student was sharing with classmates. I was assigned to respond to Milkovich Middle School, located at 19800 Stafford Ave. Upon my arrival, I met with the staff member who stated a student, Armani McNair, had a video of a shooting on her cell phone. I spoke with Armani and asked her about the video. Armani stated the video was no longer in her cellphone and that she deleted it. Armani was about to show me her recent deleted file in her cellphone which showed no video of any shooting. Armani stated she was inside her cousin "Darrell McNair" house in the City of Cleveland when she heard the arguing outside and shooting. The incident occurred on a week day, according to Armani. Armani stated she recorded the incident, however, did not capture the subject shooting. I spoke with both Armani's friends who stated Armani showed them the video during lunch time and they did not observe any subjects, but heard the sound of gun shots. I responded to Armani's house and spoke with her mother Brittney McNair. Brittney stated she do not have a family member by the name Darrell and that Armani was home all week.

On Wednesday, January 17, 2023, at approximately 2353 hours, I observed a Jeep Cherokee traveling S/B on Lee Road with the headlights off. I initiated a traffic stop near the intersection of Lee Road and Broadway Avenue. The driver was identified as a juvenile male, Andre Anderson (02-26-2006). Andre did not have a valid Ohio drivers license. The vehicle belonged to his aunt, Lonicka Knott. The vehicle was towed by Kelly's towing and Andre was cited for Headlights Required, and Driving without a License, citation #P29143. Andre was given a curtesy escort to his residence and I spoke to his mother, Latecka Jackson and explained the situation. Andre will receive a court date from Cuyahoga County Juvenile Court. 567

The manager at Redi Storage, Gloria Gempko, contacted the MHPD to report illegal dumping inside their dumpster. Gloria did not have an exact date and time of the offense but stated it was sometime between 1/14/23-1/16/23. The offense was captured on their security video, which captured a white RAM truck enter the front gate (which was broken and open) and drive up to the dumpster. A white male was seen throwing tires from the bed of the RAM into the dumpster. The

video also captures the license plate (PMD5539) of the RAM which comes back to Phillip Litvak. Gloria did not wish to pursue criminal charges at this time, however she wanted Phillip to return and clean up his mess. If Phillip fails to do so, she will sign charges for trespassing and illegal dumping. I contacted Phillip via telephone and advised him of Gloria's wishes. Phillip stated he will clean up his mess today.

I spoke with Daezah Shakir in the police station lobby in reference to a custody dispute with her child's father, Nicholas Avery. Daezah stated she dropped her 3 y/o daughter Zaniyah Avery off to Nicholas in July of 2022. Daezah stated Nicholas lived at an address in Cleveland Heights. Nicholas was only supposed to keep Zaniyah for a week but according to Daezah, Nicholas had been avoiding her calls, moving houses without notifying her, and keeping Zaniyah for Daezah. Daezah stated she filed for child support in October 2022 from Nicholas but he has never showed up for court. Daezah stated she has not spoken with or seen Zaniyah since July 2022. Daezah said she just found out Nicholas was living at an address in Maple Heights and wanted police assistance to get her daughter. I went to Nicholas's address (18717 Fairway) to speak with him. Nicholas stated that Daezah had dropped Zaniyah off in July 2022 and he was only supposed to keep her for a week. However, Nicholas stated Daezah never came back to pick Zaniyah up. Nicholas stated he tried calling Daezah multiple times but she never answered. Both Nicholas and Daezah stated they have no court paperwork showing custody but they have a verbal agreement. I advised both parties they need to settle this in family court. Nicholas stated he would bring Zaniyah to the police station to give her back to Daezah. Nicholas came to the police station at 1800 hours with Zaniyah and completed the custody exchange. I advised both parties a sheet would be completed.

CALLER ON STATION TO REPORT AN ACCIDENT

Andre Conway came into the MHPD to report an MVA from January 14, 2023 at approximately 1130 hours. Andre stated he was traveling southbound on Dunham Road approach Rockside Road in the left turn lane. Andre stated he attempted to make a left turn into a residence just before Rockside when he was struck on the front driver-side fender by a tan Buick SUV causing minor damage. Andres stated both vehicles pulled into a parking lot nearby, but the female driver began arguing with him. Andre was able to take a photo of the Buick's license plate.

After running the plate provided by Andre, I spoke with Camille Cargill, who stated that Andre was in the thru lane of Dunham Road southbound near Rockside. Camille stated Andre's vehicle was over the white solid line and not inside the turn left, so she thought he was going forward and not turning. Camille stated she got into the turn lane at which time Andre pulled into the turn lane causing her to strike his vehicle with her right side mirror, which caused no damage. Camille stated they pulled into the Family Dollar parking lot, at which time Andre began threatening to beat her up. Based on Andre's attitude, Camille left the scene.

Andre had Progressive Insurance #941280489

Camille had Progressive Insurance #963928294

 560- NOTHING PHYSICAL HAPPEN AND NO DAMAGE // 560 TO FINISH

On Thursday, January 19, 2023 at approximately 0031 hours, I, Ptl. Thomas #560 spoke with Brandon Thomas via telephone. Brandon wanted to report his now ex-girlfriend, kicked the front door of the residence of 15812 Rockside Rd., while attempting to retrieve her personal item. His ex-girlfriend whose name was not added in the sheet and unable to get ahold of, previously requested an escort to the residence but left the Maple Heights Police Department prior to officers arrival. Brandon stated his ex-girlfriend lived with him at that address with his mother. Brandon stated earlier in the day, he packed up her belongings and threw them in the front yard. The ex-girlfriend then got into his face, and started yelling at him. Brandon stated nothing physical happened and wanted the incident of her kicking the front door to be documented. No damage was done to the property. MWT#560

On Thursday, January 19, 2023 at approximately 0202 hours, I, Ptl. Thomas #560, was dispatched to 15400 Maplepark Dr., for a suspicious male wearing all black pulling on door handles. Upon arrival, I located a black jeep Grand Cherokee bearing OH registration JCT1158 with a broken back window. I canvassed the area to see if any other vehicles were damaged with negative results. I had dispatch attempt to make contact with the owner of the Jeep, and a voicemail was left. Other units checked the surrounding area to see if they can locate a male matching the description the caller provided with negative results. It appeared nothing was tampered with inside the vehicle. Suquana Talley came into the MHPD to report work place harassment by fellow employee, Janice Gordon. Suquana stated that she has had a problem with Janice for several months now and their supervisor, Sharnita McDonald, has yet to address the issue. Today, Suquana stated while getting her school bus ready, Janice pulled up to her and stared at her. Suquana stated Janice then got off her bus and started to cuss her out for telling a supervisor the day prior. Suquana feels Sharnita is not handling the issue so she contacted the school superintendent, who advised her to document the incident with the police.

Janice later came into the MHPD because she noticed Suquana's vehicle at the PD while on her bus route. Janice stated that she was pulling her bus into the lot and noticed Suquana making "faces" at her while she parked. Now inside the bus office, Janice and another co-worker were inside talking about their husband when Suquana came in and yelled out "no body cares about your husband".

I contacted their supervisor Sharnita McDonald -216-799-4920 and left a voicemail. Sharnita has yet to return my call.

NEED TO REPORT FAKE \$100 BILLS FROM LAST NIGHT

566 TO COMPLETE

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for a report of counterfeit bills being passed at Dollar General. Upon my arrival, I spoke with the manager and caller, Brenda Sugg, Brenda advised me when she went to turn in the money to the bank they refused to take 7 \$100 bills because they were fake. Brenda handed me the bills and after inspecting the bills I observed the bills all had 2 serial numbers. 5 of the bills shared the serial number FK14786111AK11 and the other 2 bills had serial number HB75283597GB2. Brenda explained that a black male wearing a black hat, black coat, blue, jeans and red shoes came into the store and asked the cashier to put the money onto his chime account. The cashier scanned a bar code on his phone took the \$700 in counterfeit bills and then uploaded the money to the subjects' chime account. I asked Brenda if there was any record or receipt for the scanned barcode

but she stated there is not log she is aware of. I reviewed the video footage of the store and could see the subject walking out and proceeding north east into the parking lot. The camera angle did not record where he went next. I was able to check surrounding cameras from other stores however, they did not record the subject. Photographs of the fake currency were taken and uploaded along with a photograph of the subject. The fake currency was entered into evidence (TN#32474).

OUT AT 15317 EDGEWOOD

551 TO COMPLETE

Salvatore Lioni was walking his small brown dog on the north side of Edgewood when Melanie Martinez was walking her medium sized white pitbull on the south side of Edgewood. Both dogs were on a lease and began barking at each other. The white pitbull was able to jump and release himself from the collar and lease. The pitbull then ran across the street and attacked the small brown dog. During the attack, Salvatore attempted to protect his dog and was bit by the pitbull in the process. Salvatore and Melanie were able to get the pitbull under control, at which time Melanie took the pitbull home. The small brown dog suffered a bite to the stomach, which skin and fur were missing (photo attached). Salvatore suffered several small puncture wounds to his left and right hands (photo attached).

I spoke with Melanie, who advised me her pitbull was vaccinated over a year ago and did not have a current tag. I advised Salvatore that he should seek medical attention, however, he refused at the time. Melanie admitted to her pitbull escaping the collar by jumping wildly while on the lease.

A Cuyahoga County Board of Health form was faxed over and then turned into LT. Berger's tray.

Salvatore was advised if he was to seek medical treatment, then we would need a copy of the hospital dog bite report.

Upon arrival, I spoke with Calvin and Tanya Clark. Tanya stated around 1810 hours she heard a loud thud outside. When Tanya looked outside she observed a truck parked next to their 2007 GMC truck (OH# PMB4440 VIN#1GTHK29K77E526037) on the street in front of their house. Tanya stated her and Calvin opened the door at which time the individual was yelling go to the driver and hopped in the back of the truck. The truck then took off east on Fairway Ave. Tanya and Calvin stated they started following the vehicle when it left from in front of their residence. Tanya and Calvin stated they observed the vehicle traveling northbound on Lee Rd into Cleveland. Tanya and Calvin described the truck as a tan truck with a rusted bumper. A Craftsman tool box with misc. tools was taken out of Calvin's truck. Calvin stated the tool box contained about \$250 worth of tools. I checked the Flock cameras in the area and could not locate any vehicle matching the description. Should anymore information be collected a criminal report will be completed.

UPON MY ARRIVAL, I MET AND SPOKE WITH COMPLAINANT, LASHAUN FRANKLIN, WHO STATED HIS EX GIRLFRIEND, MARI PRIOR, MADE MULTIPLE ARRANGEMENTS TO COME PICK UP HER PROPERTY (DEEP FREEZER AND MICROWAVE) FROM HIS GARAGE WHICH SHE FAILED TO DO. LASHAUN PLACED MARI'S PROPERTY IN THE FRONT LAWN. I ADVISED LASHAUN TO PLACE THE PROPERTY BACK INSIDE THE GARAGE SO IT WOULD NOT GET DAMAGED. LASHAUN STATED THERE'S NO ROOM IN THE GARAGE AND THAT HE COULD PLACE THE PROPERTY UNDER A BLUE TARP BEHIND HIS RESIDENCE UNTIL SHE CAN COME GET IT TODAY. I CONTACTED MARI AND ADVISED HER THAT HER PROPERTY IS AT THE REAR OF LASHAUN'S RESIDENCE. MARI STATED OKAY SHE WILL GET HER PROPERTY WHO SHE GETS OFF WORK TODAY. #554

On Saturday, January 21, 2023, at approximately 2139 hours, I, Ptl. Colangelo and other Maple Heights Police Units, responded to Speedway gas station at 16400 Rockside Road for Auxiliary Officer Cowling #796 that notified dispatch he had one individual at gun point. Upon arrival, myself, and Ptl Ross #570 spoke with the store manager outside who stated the male is unarmed and behind the counter. When officers went inside, we observed Aux. Ofc. Cowling at the front of the counter with his weapon trained on a male, later identified as, Kanye Clements. Kanye was behind the counter on the ground with his arms spread out away from his body. Kanye was hand cuffed and escorted to marked patrol unit 4430 and placed in the back of the cruiser. Kanye stated when he was getting checked out at the cash register, he saw a red dot on his chest that he thought was a laserbeam from a gun someone may have pointed at him. Kanye got scared and jumped over the counter to protect himself. Kanye further explained he was shot sometime last year in 2022, and suffers from post traumatic stress disorder, and stated this incident caused him to panic in fear of being shot again. I spoke to the clerk, Randy Duebel. Randy explained Kanye is a regular customer and when he was checking him out the scanner had an infrared laser that scans the items. Randy believed the scanner must have projected onto Kanye's sweatshirt and it caused him to panic. Aux Officer Cowling stated while he was working the detail he observed Kanye walk in and grab items then proceeded to the counter to be checked out. After a few seconds he observed Kanye jump over the counter. Aux. Ofc. Cowling approached the counter and drew out his weapon to since it appeared as a suspected robbery, and immediately called for back up. Kanye was examined by Maple Heights Fire Department due to his heightened anxiety and denied transport to the hospital. The staff at Speedway advised that they were okay with Kanye to return to the store. I gave

Kanye a curtesy transport to his residence at 16225 Maplewood Court.

On the above date and time, I, Ptl. N. Ross #570, along with Ptl. F. Colangelo #567, responded to the area of 17302 Mapleboro Ave for reports of a black car playing loud music. On arrival, I observed dark colored Hyundai Sonata, parked on the side of the road near 17204 Mapleboro Ave. with the inside cabin lights on. Ptl. Colangelo and I approached the vehicle and observed two occupants inside. The individual in the driver seat of the vehicle, identified as Alaysia Brown, opened the door when I knocked on the vehicle. Upon Alaysia doing so, I could smell the odor of burnt marijuana emanating from the vehicle. When asked how much marijuana was in the vehicle, Alaysia and her passenger, identified as Tyrone Leonard, stated there was no more left and that they had already smoked what they had. Both Alaysia and Tyrone were ordered out of the vehicle. Alaysia exited the vehicle and was directed to the rear of the vehicle. As Tyrone was exiting the vehicle, he placed, what appeared to be, a firearm in the center console. Ptl. Colangelo was positioned near the passenger side of the vehicle and alerted me of the possible firearm. Tyrone advised the item was a lighter and not a firearm. Tyrone then exited and was directed towards the rear of the vehicle. A probable cause search was conducted of the vehicle. The suspected firearm was inspected and found to be a novelty lighter. Upon searching the glove box, a plastic bag containing suspected marijuana and a digital scale was observed. No other incriminating findings were located in the vehicle. I established contact with Alaysia and Tyrone and began to ascertain who the marijuana belonged to. Tyrone admitted to be the owner of the marijuana. Tyrone was placed in the back of patrol vehicle 4426 while a citation for possession of marijuana was completed. Tyrone was issued the citation, citation number MA34604, and given a Maple Heights Mayors Court date of February 7, 2023 at 1530 hours. Both parties were released at that time. The marijuana and digital scale were entered into PMI as evidence. Marijuana TN: 32467. Digital scale TN: 32468.

COPIES OF CAD CALLS PRINTED TO STATION FOR 4570 TO ATTEMPT TO MAKE CONTACT VIA PHONE FIRST

On the above date and time, I, Ptl. N. Ross #570, received a call in reference to a suspected assault that occurred at 5166 Theodore St. at 0127 hours (see 2310015856). The complainant, Al Anderson, requested an officer respond to Marymount Hospital and speak with the suspected victim, Sonya Murphy. Ptl. M. Thomas #560 contacted the caller, Cleveland Clinic Police Officer Akiki #139, and questioned him on about the circumstances of the call. Officer Akiki advised that Sonya's visitor, Al, wanted to talk to officers about the suspected assault. When Akiki was asked if Sonya wanted to speak to officers, he stated that she did not want any police involvement. I contacted Al via telephone in place of responding to the hospital. Al advised that he suspects his friend Sonya is being abused by her roommate, reported to be Robert Miller. Al was advised cooperation from Sonya would be needed for an incident investigation to be opened. Al advised Sonya had no interest in speaking with the Police and that he only wanted documentation. On January 22nd 2023, I, Ptlm. Westfield #554, was radio dispatched to Libby Rd. and Northfield Rd. for an MVA. Upon my arrival, I met and spoke with operator of Unit #1, Dionte Pierce, who stated he was travelling southbound on Northfield Rd. in his 2019 Hyundai Elantra bearing Ohio License Plate #HIW5758 VIN: KMHD84LFXKU780596. approaching the intersection at Northfield Rd and Libby Rd. when the operator of Unit #2, Shalinda Taylor, was pulling out of the gas station parking lot located 5270 Northfield Rd (Circle K) in her 2019 Nissan Murano bearing Ohio License Plate #JUH7112 VIN: 5N1AZ2MS8KN115366, Shalinda failed to yield to oncoming traffic and struck Dionte's unit. Both units sustained minor damage to front lower fender.

Upon arrival, Jody stated that she is Jon's power of attorney and noticed unauthorized transactions on his EBT Snap card ending in 3546. Jody was able to show me the three unauthorized transactions. Two of which occurred at a Walmart in New York. The other occurred at a turnpike in New Jersey. The total amount stolen was \$525.33. Jody stated she will be contacting the number on the EBT card to have it cancelled and will seek reimbursement. This is for documentation only.
