For about two years, he's been sending letters in the mail. For the last 8 months, Greg has been dropping off letters without a stamp, and just recently began dropping items off at Regina's house, 5207 Theodore St. Regina showed me two identical journals that were dropped off at her residence in between her security door and her main door. The journals listed Greg's name, his phone number, and showed an acronym for DREAMS (Dominate, Regina's, Exercise, Ass, Muscle, Sex). I advised Regina the incident would be documented, and she should hold onto the journal, as well as any letters. I explained to Regina how to get a protection order. I called Greg and advised him of criminal trespass, which he stated he understood. LK558</p>

When Connor left his residence, Steven realized his Samsung Galaxy 8 was missing. Steven did not want to blame Connor because he did not see her take it. Steven was unable to provide me with the serial number to the phone. Steven only wished to document the incident.

I spoke with the landlord, Stephan, who stated he will handle the matter. Both parties were advised on how to fill out a CPO packet.

FEMALE WANTS TO TALK TO AN OFC ABOUT A SITUATION WITH HER HUSBAND LAST YEAR AND GUNS BEING TAKEN AND NOW HER HUSBAND WANTS THEM BACK BUT IT ISNT SAFE AND SHE WANTS ADVICE.

I spoke with Maxine Craig who advised her husband Girard Craig was being let out of Southwest General Hospital from the Behavioral Health Unit. Maxine stated Girard had several firearms that she was concerned about being in the home due to Girard's mental status. Maxine advised she and Girard were still legally married. Maxine stated she had placed the firearms in a storage unit only she had access to and wanted to drop them off at the police department for safe keeping. I advised Maxine to have Southwest General send over paperwork from the hospital stating Girard should not have the firearms in the house and that she could drop the firearms off to the police department for safe keeping at that time. Paperwork was sent over from Southwest General containing a Doctor Polster's note that Girard should not have firearms and a cover sheet with notes on it. Copies of both were digitally attached to the sheet. I called Maxine on 01/28/2023 and 01/29/2023 after not hearing from her and left two messages. As of 0918 on 01/29/2023, no additional contact has been made from Maxine. Should she reach out to police, a new sheet will be created if firearms are secured or this sheet will be updated. LK558

**\*\*IN THE PD LOBBY\*\***  
 CAR WAS KEYED IN THE PARKING LOT HERE YESTERDAY

I spoke with Michelle Winebrenner who advised that on 01/23/2023, she parked her 2022 Chevy Malibu bearing OH registration GYB5082 in the parking lot in a space in front of Drug Mart, 6148 Dunham Rd. Michelle advised before parking and while driving through the lot, a heavysset black female with a brown skull cap holding a big phone case was talking on her phone exiting the store. Michelle believes she may have angered the female by not waiting for her to cross. Michelle parked her vehicle and the unknown female entered the passenger side of a Silver Caravan with an unknown plate. Michelle advised the two made eye contact and Michelle went into the store for a short amount of time. She exited Drug Mart at 1521 hours entered her vehicle and drove home. Later that evening, Michelle advised her husband noticed scratch marks on the passenger side of the Malibu. Michelle believes it was the unidentified female who scratched her car. I went to Drug Mart and looked at their security cameras during the listed time frame. The only car I observed that may have been Michelle's parks in the lot at 1512 hours, just off camera. I was unable to see any female enter any vehicles nearby that vehicle and was unable to locate any other usable video footage for the incident. Should any identifying information become available, a criminal report may be generated. Photos of the vehicle were digitally attached to the sheet. LK558

I spoke with Jay Whooper Jr who advised on 11/22/2018 around 1230 hours, he was at 20186 Raymond St, at his mother's house (Birdine Jackson). While there, a verbal argument occurred and his brother, Hassan Shakur, threw a lamp at Birdine. Jay advised he stepped in the way and was struck by the lamp causing a bruise on his arm. Jay advised he did not seek any medical attention at the time. Birdine advised Jay that she did not want him reporting the incident. Jay advised me he was at the station today because Birdine recently passed away and Jay wanted to report the incident. I relayed the facts of the case to Sgt. Jividen, who advised it will not be sent to the Prosecutor. LK558

On 01/25/2023, at approximately 2020 hours, Maple Heights Police Units responded to Sunrise Point for a call of a combative psych patient, identified as Leslie Tucker. Leslie began to act irate toward medical staff after she received her medication. Leslie threw items inside the room, and punched and pulled the hair of an employee, identified as Jasmine Carlton. Jasmine stated to me that she is pregnant (unknown status), and when she observed Leslie throwing the items, she went to the area to remove any potential items Leslie could use as a weapon. Leslie walked up to Jasmine and punched her in the face and grabbed her hair. Jasmine was able to separate herself from Leslie, and called for her ride home. Jasmine informed me that she felt okay, did not need medical attention, did not want to pursue charges and just wanted to go home.

PER 554, THEFT OF PACKAGE. NO REPORT NUMBER NEEDED  On January 26th, 2023 at approximately 1038 hours, I, Ptlm. Westfield #554, received an assignment from Sgt. Jividen #537, to contact a party later identified as, Tyree Burton, regarding an online report (Maple Heights Email System) for theft of package. I contacted and spoke with the complainant, Tyree Burton, who stated he ordered an Apple iPhone 14 from Verizon. Tyree stated he received a notification stating that his package was delivered on 1/23.2023 by UPS at his front door. Upon checking the front door and exterior of his residence he did not locate the package, according to Tyree. Tyree advised he contacted Verizon regarding this matter who later advised him to file a report in order for Verizon to investigation. The Apple iPhone 14 is valued at \$1,200 #554

Store manager of Metro PCS, Jarek Berden, contacted the MHPD to report that he suspects his employee of stealing two Iphone 12 (valued at \$849ea). The employee, Lanece McDonald, was notified of Jared's suspicion, therefore she was not on scene. Jared had security camera footage of Lanece placing phones in a brown box in the back of the store. The video does not show Lanece taking the phones out of the box. Jared suspected this employee because there was no reason to place phones in the back of the store. Jared stated he will contact Lanece and advised her to return the phones or he will pursue criminal charges against her. Jared was provided this CAD number and advised to contact me if the phones are not returned.

\*\*\*\*\*IN THE POLICE LOBBY\*\*\*\*\*  
FEMALE IN THE LOBBY TO REPORT THAT HER SISTER'S SIGNIFICANT OTHER, NYRESE BYRD STOLE HER WII GAME SYSTEM

On 01/28/2023, I spoke with Nadia Jones. She advised at the beginning of January she left her kids with her sister Jasmine Brown (DOB 03/29/93) and Jasmine's girlfriend Nyrese Byrd (unknown DOB). Nadia returned to the house on 01/27/2023 and could not find several items of her children's, including a Wii Game system (S/N KU613745503, valued at \$89), Wii games (various games, valued at \$149), and nunchucks (unknown brand valued at \$20). Nadia checked several stores in the area. When she checked Electronics Flip 5322 Warrensville Center Rd, Maple Heights, she was advised that a Nyrese Byrd sold a Wii and Nunchucks to them on 01/15/2023 around 1237 hours and was given a paper from Electronics Flip documenting the purchase. When asked if she wanted to pursue criminal charges, Nadia advised she really just wanted the items back but would pursue criminal charges if she needed to. The paper from Electronics Flip was scanned and digitally attached to this sheet. I was later advised by Sgt Frazier #540 around 1700 hours, Nadia called and advised she got her Wii back. I called and left a message to see if Nadia wanted to continue to pursue charges. If Nadia returns my call and advises she wishes to continue with charges, a criminal report may be generated. LK558

 New Location MAS1 01/28/2023 08:15:31 MARYMOUNT HOSPITAL

I was advised by a neighbor that no one lives at 19315 Raymond, however vehicles from 19317 Raymond park in the driveway. There were several cars in the driveway of 19317 Raymond which appeared to have had a party (LEEZGRL, JUM3947). The vehicle parked in the driveway of 19315 Raymond (JLS1045) was not driven by the registered owner, however the driver advised he was not familiar with the female, identified as Kapa Nyonee. The female was not able to be understood due to her level of intoxication. She was transported to Marymount by EMS. LK558

I spoke with Henry Fowler at 15412 Northwood Ave. Henry stated he believed John Iacano, who was the previous homeowner, broke into the house and left a cat inside. Henry said he was at the residence on 1/26/2023 and he secured the doors with new locks. Henry stated when he showed up on 1/28/2023 the side door was open. When Henry went inside he observed a cat running across the living room. Henry said he checked the house and did not observe anyone inside. Ptl. Vasko #566 and Ptl. King #558 cleared the residence. The inside of the residence was in total disarray. However, all the damage done appears to have been old and under construction. Officers did not locate a cat inside the residence. It should be noted there are several small openings where an animal could squeeze into the residence. Also, there were several animal tracks outside leading up to the sliding glass door.

 GRAY HONDA ODESSEY WAS REAR ENDED BY A WHITE FORD EXPLORER AND THE WHITE FORD EXPLORER TOOK OFF  
 THE DRIVER OF THE EXPLORER WAS IN HIS MID 30S

Edgardo Simon came into the MHPD to report a MVA that occurred between him and Sage Mark-Robinson. Edgardo stated he was stopped at the traffic light facing westbound on Granger Rd and East 141th, in his 2019 Honda Odyssey, when Sage Mark-Robinson struck him in the rear. Sage and Edgardo pulled over to the side of the roadway. Sage provided Edgardo with his drivers license but got upset when Edgardo called the police. Edgardo stated Sage left the scene. I attempted to call Sage, however, I had to leave a voicemail for him to return my call.

Officers responded to a disturbance at the above address. Officers spoke with Charles Sheron, who stated his live-in girlfriend, Tiffany Ross, was going to slash his vehicle tires. Charles was attempting to leave the residence but was unable to do so because of Tiffany near his vehicle with a knife. Tiffany did not threaten Charles with the knife. Tiffany stated she was upset because Charles did not buy her a birthday present. Tiffany admitted to threatening to cause damage to Charles' vehicle, however she did not. Officers checked Charles' VW and did not locate any damage. Both parties were advised of the DV laws. Charles got an uber and left the scene.

 566 ADVISED THEY CAN HEAR ALOT OF YELLING AND BANGING INSIDE

On the above date and time, Maple Heights Police units responded to the above address for a suicidal female who stated she was going to harm herself and her children. The caller was a 3rd party and identified the suicidal female as Paris Penn. The caller, Toniki Moncriesse, is the mother of Paris' boyfriend. Toniki stated Paris called her over the phone and made these verbal statements. Upon my arrival I could hear yelling coming from inside of the residence. I knocked on the side door and Paris opened the door. Paris was crying and stated that her children's father (who she refused to identify) stole the license plate off her Monte Carlo. Paris showed me the vehicle the license plate was registered to and I was able to confirm the vehicle belonged to Paris. The license plate was later discovered to be Ohio registration JUH-2181. Officers checked on the two children inside who had no visible signs of injury and they appeared to be in good spirits. Paris was asked if she wanted to hurt her children, herself or anyone else and she responded by saying "no". Paris' was more concerned with the fact that her license plate was gone. Due to only alleged verbal statements given, no physical injury to the children or Paris no further action was taken. Paris stated she does not want to pursue charges against her children's father and wanted Officers to leave. TV566

I attempted to speak with the caller, however, a woman answered the door who identified herself as Shirley Fuller stated no one at the residence called 911. Another female, who I seen in the living room did not wish to speak with officers and left out of view into another room of the house. Shirley stated everything was ok at the residence and her husband stepped outside to have a cigarette. Upon my approach to the house, a male wearing a blue jacket and black hat ran behind the garage. Later, Ptl. Vasko saw the male a few houses west and ordered him to come here, however the male ran off. Based on the lack of cooperation from the house residents, we did not chase the male.

Dawn Sewell and Johnae Brown came into the MHPD to report a MVA between them. Dawn was traveling westbound on Libby Rd near Granger in her 2018 Chevy Cruze, when she was struck in the rear by Johnae. Johnae stated the vehicle in front of her moved out the lane and did not leave her enough time to stop, therefore she struck Dawn with the front of her 2010 Kia Forte. Dawn and Johnae's mother agreed to handle the matter civilly. Dawn will contact the MHPD if Johnae's mother doesn't fix her vehicle.
