Ptl. Vasko #566 and I located Emery Robinson at the corner of Warrensville Center Rd and Watercrest standing on the sidewalk. Emery said he was waiting for

the bus to pick him up at 0840 hours. Emery said someday he walks down to the bus stop or his parents drop him off there. Ptl. Vasko was able to speak with a school bus that was passing by who told him that John F. Kennedy Elementary School was closed due to no heat. Emery had a cellphone on him and I was able to speak with his mother Chloe Robinson. I advised Chloe that school was closed and I would drop him off at their residence. I transported Emery home and dropped him off to his father Alexander Hall. BF572

572 TO COMPLETE

I spoke with Tiffany Golden in the police lobby in reference to a private property accident. Tiffany stated while she was in the drive-thru line at McDonald's (5114 Northfield) a black Hyundai (OH# GQZ5353) hit the rear bumper of her car. Tiffany stated she went to the driver of the vehicle to exchange information. The driver of the vehicle stated her name was Ashley Wilson but the car belonged to her boyfriend Dennis Richmond and provided her phone number to Tiffany. Tiffany stated prior to the two of them exchanging insurance information Ashley left the scene of the accident. I went to photograph the damage on Tiffany's car but could not locate any marks. BF572

REPORT NOT NEEDED PER 568

--568--

On 01/09/2023 at approximately 1355 hours, I, Ptlm. Duncan #568, received a FLOCK notification of a stolen license plate JGY3510. The FLOCK camera indicated that the plate was on a white Audi and entering the city on Broadway Ave from McCracken. I provided Chagrin Valley Dispatch with the license plate

information and they advised that the license plate was entered into LEADS as stolen by Cleveland PD. I observed the vehicle traveling south east on Broadway near Libby Rd. I requested for any available Maple unit to head to my location before I initiated a traffic stop on the vehicle. The vehicle turned in to the parking lot behind the Just 4 Kids Hair Salon (15821 Broadway Ave). I then pulled in behind the vehicle and initiated a traffic stop on the vehicle. I observed a female, later identified as Aariona Thompson, in the driver seat of the vehicle.

I ordered Aariona to turn off the vehicle and place her hands out of the window. Aariona complied with my orders. Ptlm. Vasko #566, Ptlm. King #558 and Ptlm. Fronzaglio #572 responded to assist. Officers requested Aariona to exit the vehicle with her hands up and she complied. Aariona advised officers that she is a CCW holder and was currently in possession of her firearm. Officers were able to safely remove Aariona's firearm from her possession. Aariona was advised that the reason for the traffic stop was that the license plate that was currently on her vehicle was listed as stolen on 01/03/2023. Aariona stated that she left for Florida on 12/30/22 and returned to Ohio on 01/06/23. Aariona stated that during that time, her vehicle was left and Cleveland Hopkins Airport. I verified that the VIN:WAUFGAFB5AN064119, returned to Aariona's white Audi. Aariona was also able to provide me with the plane ticket information which showed her arriving at Cleveland Hopkins Airport on 01/06/2023. Aariona was advised to contact Garfield Heights Police Department to report her license plate as stolen.

Ptl. Duncan spoke with prosecutor John Thomas, who did not wish to pursue criminal charges against Aariona.

I spoke with assistant principle Ms. Morris, and advised her of this complainant. Ms. Morris did not hear of any potential fight after school. I also spoke with the security guard, Mr. Reed, who also did not hear of any fights. Mr. Reed, Ms. Morris and myself spoke with Rhonda Reeves' 7th grade son, Edgen. Edgen admitted that three other students (John, Colbert, and Kenton) approached him on the walk home and wanted to fight him. Edgen did not want to fight and continued to walk home. Edgen was told to walk another way home from school by his friend "Nick" because of Kenton wanting to fight him. Edgen told his mother, Rhonda, that there might be a fight at school because Kenton thinks Edgen was talking to his girlfriend. Edgen stated he never told his mother that there will be any guns involved. Ms. Morris was advised that the MHPD will be in the area to deter any fights at dismissal. Ms. Morris stated she will speak with the other students and handle the matter internally.

I spoke with Mikhail Muntyan at 5300 Greenhurst. Mikhail advised while he was coming into the train yard to drop off his trailer a male, later identified as Jevondal Carr, became irate and told him he was going to get a pipe and hit him over the head with it. Mikhail stated he does not know why Jevondal would do this as he does not know him nor has he ever talked to him. Mikhail stated he just wants this incident documented and wants to get back to work. Mikhail signed a Waiver of Prosecution. We then spoke with Jevondal who stated Mikhail was speeding and cut him off coming into the train yard. Jevondal got out of his truck to ask Mikhail why he did that because he almost caused a wreck. Jevondal stated Mikhail started coming towards him as if he was going to attack him so he grabbed his pipe to defend himself. Both parties agreed to go their separate ways. Jevondal was advised he was being trespassed from the property by the manager. BF572

****MALE IS IN THE PD LOBBY****

MALE NEEDS TO REPORT MVA / HAPPENED IN THE LOT

I spoke with Dwayne Nelson in the police station lobby. Dwayne stated he was pulling out of the Save-A-Lot parking lot when an individual who was in front of him began backing up striking the front of his car. Prior to exchanging information the individual driving the vehicle left the parking lot. Dwayne just wanted the incident documented as he sustained no damage to his vehicle (OH# 303ZMK). After photographing the vehicle I was able to wipe off the dirt that was transferred to Dwayne's vehicle. I photographed the area where Dwayne was struck and attached it. BF572

<p>On Wednesday, 01/11/2023 at approximately 0144 hours, I, Cdt. Field #573, Ptl. Kaur #553 and other Maple Heights Police Officers responded to 5550 Waterbury for a report of property. Upon our arrival, we spoke with Cynthia King who stated that at approximately 7-10 min prior, while she was asleep upstairs, she heard an extremely loud bang. King then observed that her front living room window had been broken by a large rock. King saw a male wearing all black with a hood and a mask on running from the area. While King was on the phone with dispatch, she observed that her first floor bedroom window had also been broken. We observed that both windows were broken and that the glass was shattered. I documented the above-mentioned damage and downloaded the pictures in to the media section. King stated that she believed that her ex-boyfriend, Ulysses Davis, who she has an active Protection Order against, was behind the damage to her property. We were unable to retrieve any footage of the incident from King's home security camera. If a suspect is able to be identified a report will be generated. CF573/HK553</p>

On 01/11/2023, I, Ptlm. Duncan #568 responded to 17001 Broadway Ave. for a report of illegal dumping. Upon arrival, I spoke with Charlise Freeman. Charlise stated that she recently acquired this business and was in the process of renovating it. Charlise noticed that the dumpster she rented (that was placed behind the business) was full of items that she did not place in there. Charlise stated her minor son observed a white van drop off the items then leave north on Dalewood Ave. Charlise observed a white van parked in front of 5571 Dalewood Ave and observed David Stoudmire doing home renovations on the residence. Charlise believed David was the one who put the items in her dumpster but had no camera or video footage to support this claim. David denied the allegations and was able to show me pictures of the home before he started his renovation. The pictures he showed me did not fit the items that were found in the dumpster.

On 01/11/2023 at approximately 1332 hours I, Pltm. Duncan #568, responded to 5212 Cato St. for a neighbor trouble. Upon arrival, I spoke with Yasmin. Yasmin stated that she has been getting continuously harassed by her neighbors at 5213 Cato St. Yasmin stated that the house is a group home and she knows the occupants have mental issues. Yasmin requested that officers speak to the occupants of the home and request that they do not speak to Yasmin or her family. I made contact with Donald Beard and Anthony Drolson. Anthony and Donald stated that they were only trying to be friendly and communicate with Yasmin. I advised them that Yasmin did not want them to speak to her or her family. Anthony and Donald stated that they understood.

FEMALE WOULD LIKE TO REPORT A THEFT OF ITEMS FROM A PROPERTY SHE OWNS.

On January 12th, 2023 at approximately 1648 hours, I, Ptlm. Westfield #554, was radio dispatched to 5373 Lee Rd. Maple Heights PD Lobby for a complainant of theft.

Upon my arrival, I met and spoke with complainant, Marcia Hollinger, who advised she is the owner of the residence located at 17356 Broadway Ave. and last year 2022 the month of August Marcia rented her property to Danny V McCall. Marcia mentioned before Danny moved into the residence she provided kitchen appliances in the residence (Stove, Refrigerator, Microwave, Kitchen table and table wooden bench). McCall was recently evicted due to nonpayment of rent on January 6th, 2023, according to Marcia. Marcia advised the Bailiff responded to the residence to evict Danny (CASE# CVG2223627). When Danny moved out he took Marcia's property without her permission. The stated the total value of the appliances were \$5500 in US Currency.

I spoke with Sgt. Jividen #537 who advised this matter was a civil matter due to Marcia not providing proof that she purchased the items. I spoke with Marcia who advised she will send me email of the lease agreement and photos of the items before the Danny moved into the residence. #554

CAR IS PARKED IN THE GARAGE SPACE

On Sunday, January 15, 2023, at 0423 hours, I, Cdt. Field #573, responded to 16112 Maplepark Dr for a report of a theft. Upon my arrival, I spoke with Devin Wilson, who stated that at approximately 0245 hours, he parked his 2012 Kia Sorento in the garage of that address. When Wilson went to leave at approximately 0423 hours, he saw that the Kia's front passenger window had been broken out. Wilson also saw that two pairs of well worn tennis shoes (a pair of white Air Force 1's, and red/white/black retro Jordans) were missing from the Kia (value of \$100.00). I observed that the front passenger window was broken out. Wilson provided State Farm insurance for the Kia. I canvassed the area for any security cameras that may have captured the incident, but was advised by Wilson that the property manager had removed the cameras from the parking lot. This incident was documented for insurance purposes. Wilson was given the incident number. Should any suspect information come to light, a report maybe generated. CF573/CB549.

Dharee showed me the text messages from a phone number ending in xxx-xxx-2454 who she identified as Asha Rivers. Dharee sent no threatening texts and the number has now been blocked. Dharee was advised if this behavior continues she can update the Maple Heights Police Department and other options will be pursued. Additionally, Dharee was given advice on how to obtain a CPO. I later attempted to contact Asha but was unsuccessful. I left a voice mail regarding the reason of my call and advising Asha of Criminal trespassing at 19261 Stafford Ave. TV566

ASIA FORD USED THE LOBBY PHONE , SHE STATED SHE WAS IN THE POLICE LOBBY AND THAT HER CHILD'S FATHER JUST CAME INSIDE THE
LOBBY AND HE IS REFUSING TO GIVE THE CHILD TO HER AND POLICE NEED TO HURRY UP AND COME OUT THERE.

Sgt. Faunce #528 spoke with Ashia Hunt in the station lobby. Ashia stated she is to pick up her son at 1800 hours. She advised Her child's father, Vernon
Jackson did not arrive until 1830 hours. Ashia stated her mother was outside and Vernon would not give her the child. I went outside where Ashia's mother was
video recording Vernon's car that he was sitting in. Ashia's mother had power of attorney paperwork in her hand so that Vernon would give her the child. Vernon
spoke with me and advised he would only give his child to Ashia as that was what the court order says. We walked to the front door of the police department
where he set the child down and he ran to the door where Ashia was. This incident will be documented for court purposes. CWF528

Not as advertise. I spoke with the caller, Keisha McKinney. Keisha stated her daughter, Kalyssia and her boyfriend Sollie were involved in a verbal altercation that she heard from her bedroom. Keisha stated she broke up the verbal altercation and called 911 for assistance. Keisha wanted Kalyssia to leave for the night but I advised her since Kalyssia was a residence here police could not force Kalyssia to leave. All parties at the scene were advised of DV laws. I advised Keisha on how to obtain an eviction notice. ML563
