CALLER THINKS SHE KNOWS WHO DID IT BECAUSE HER AND A FEMALE NAMED ELYSE HAD A DISAGREEMENT AT WORK LAST NIGHT AND ELYSE SENT HER TEXTS AT 3AM ABOUT COMING TO HER HOUSE I spoke with Angela Applegate who advised that on 07/09/2023 while working in Valley View Cinemark, she had a verbal altercation with an Elise Steele (age and date of birth unknown). Angela began receiving messages from 216-256-8756 and 216-577-1521 around 0300 hours on 07/10/2023 stating they would come over to her house, however did not mention any specific threats. Angela believes these numbers belong to either Elise or one of her friends. Brian Applegate returned home from work at 0730 hours on 07/10/2023 and noticed eggs had been thrown against the front of the house and toilet paper was in the front yard. Photographs were taken and attached to this sheet. I was unable to locate any usable video footage regarding this incident. Should a suspect be positively identified, a criminal report may be generated.

Officers spoke with homeowners who advised they were concerned with several things around the property after the alarm company contacted them. There were three screws missing out of the door lock on the side of the house and some bending of the trim around the awning on the front door. I spoke with the caller, Scott Slaby. Scott stated while walking his dog there was a group of juveniles at the park sitting at the picnic table. Scott stated once he
walked passed the picnic table the group started to yell at him that they were going to kill him, his girlfriend and his dog. Ptl. C. Barfield #549 was able to identify
one of the juveniles involved, Marquise Sistrunk (13 Y/O). Ptl. C. Barfield advised me that Marquise denied all accusation of yelling at Scott. Scott stated this
had been an ongoing issue with juveniles at the park acting disorderly. Scott stated" nothing is not going to be done anyway" and proceeded to walk away from
myself and Ptl. Barfield. Scott did not want to pursue criminal charges. Scott just wanted this incident documented. ML563

569 ADVISED THE DAUGHTER GOT HER THINGS AND LEFT WITH HER BOYFRIEND. KANIKA WAS ISSUED A CITATION FOR DISTURBING THE PEACE.

Officers were dispatched to the above address for a report that Kanika Braxton was arguing with her daughter, Dejanae Braxton, who also just kicked a hole in the door. Officers were at this location earlier because Dejanae was locked out of the house and Kanika would not let her in. Officers called the home three times and knocked loudly on the front and side door several times. Officers also observed people looking out of the window. There was no answer at the door. Officers advised Dejanae that since she resides here, she is legally allowed to get in however she needs. After two hours, Dejanae kicked the front door. This caused Kanika to call us to the scene. When asked why she would not speak to us the first time we were at the home, Kanika said she was sleeping. Kanika yelled over officers several times and made a scene out in the front yard. Kanika's neighbor, Melissa Belknap was outside during this incident and agreed to sign a citation for Disturbing the Peace against Kanika. Dejanae went inside to get her belongings and left the scene with her boyfriend. Kanika was issued her citation.

I spoke with Carlos Browning in the police station lobby in reference to a text message he received from his ex-girlfriend Kiara Young. Carlos stated that he and Kiara had recently broken up but she has been staying with him until she finds a place to live. Carlos stated on 7/10/2023 he stayed the night with his grandmother as she had just moved into a rehabilitation center. Carlos stated prior to him leaving the residence he shut off the central air because he did not want to have a high electric bill. Carlos stated that Kiara texted him and began to argue with him about the air conditioner not being on. I observed a text message sent from Kiara to Carlos that stated "I have babies and toddlers I'll kill about omm". The alleged threat made to Carlos was not made in person and Kiara did not have means of carrying out the alleged threat. Carlos stated that he wanted to know the process for eviction. Carlos was given guidance on the process. I also explained DV laws to Carlos and he stated he was going to stay with his grandmother until the eviction notice was served. BF572

FOR AN MVA THAT JUST HAPPENED ON THE ROADWAY
RP916821

Pamela stated she was traveling northwest bound on Broadway Ave in a 2017 Toyota Tacoma when she attempted to turn right (northeast) on South Blvd when she was struck from the rear by Destiny Nay Nicole Robinson. Destiny stated that Pamela made an illegal right turn from the inside lane of South Blvd causing her to strike Pamela's vehicle. Pamela could not remember which lane she was in, but thought Broadway Av was only one lane due to construction. I went to the scene and noticed that the construction barrels end approximately 20feet just before South Blvd (north). After the barrels, Broadway turns into a two lane road going northwest. It is undetermined if Pamela turned from the inside lane due to having 20feet of space to get in the curb lane and make a right turn.

Pamela could not find her proof of insurance because the vehicle belongs to her disabled brother.
Destiny provided the General Insurance #OH5345587.

BEARD 19-95 FOR MAPLE OUTSTANDING CAPIAS

Spoke with both parties. Donald Beard stated he inserted himself in an argument involving his neighbors across the street. The male neighbor, Kenneth Tabor, yelled for Donald to mind his business. Donald did not like his response and yelled back. Donald stated Kenneth said "You don't think I have guns in here." Donald took that as Kenneth was going to shoot him, so Donald yelled back about getting a firearm. Donald stated he didn't know he couldn't say that. Kenneth Tabor stated Donald is an ongoing problem yelling things from across the street at him, his wife and his son. Kenneth has spoken with Donald's case workers about his behavior on multiple occasions. The case workers were not able to offer much assistance. Kenneth just wants Donald to leave his family alone and stop yelling across the street at them. Donald was arrested on outstanding warrants with the MHPD. Kenneth was satisfied with Donald being arrested and leaving the area for awhile. Sgt. Faunce and I advised we would strongly lecture Donald on keeping to himself and leaving Kenneth and his family alone.

-- Clearance From Unit 4563 07/12/2023 03:09:42 --
I spoke with the caller. He stated an unknown black male wearing a all gray outfit came into the store and walked out with a can of beer that he did not
purchased. I advised the caller if the male returns to contact the Maple Heights Police Department to respond. The caller just wanted this incident documented. I
provided the caller a copy of the CAD incident number. ML563

On Wednesday, July 12, 2023, at 0446 hours, I, Ptl. H. Kaur #553 and other Maple Hts units responded to 16105 Rockside RD. for a disturbance. Upon arrival, I spoke with Shaquasia Hedges. She stated she believes her child's father damaged her vehicle (slashed three out of four tires on her vehicle.) She stated she invited him over earlier in the day, before she left for a friend's house. Her child's father, Anthony Spivey, contacted her and advised her he was leaving the residence and she needs to return home to the kids. She stated when she returned home she found her tires damaged. Initially, Shaquasia stated Anthony struck her in the face, when I asked for contact information - she stated Anthony would make stories up against her. She also added "I don't want any warrants or nothing, I'm just gonna let it go." From the initial time Anthony was invited over, to when she left for her friend's house, there was no actual physical assault. Hedges stated she would contact MHPD if Anthony returns and causes any issues. Shaquasia stated the issues between her and Anthony have been ongoing for many years. She stated this happens often. She also added that she wishes to walk to Anthony's residence in Oakwood so she can be petty and damage his property as well. I advised her against this. Shaquasia does not have vehicle insurance to get her vehicle fixed. She advised she will attempt to speak with Anthony about paying for the tires once they're on good terms. HK #553

SHEET FOR HARASSMENT STARTED FOR 4570, WHO WILL UPDATE WITH DISPOSITION.

On the above date and time, I, Ptl. N. Ross #570, received an email complaint from a Rosemary Scott with concerns about telecommunications harassment occurring on the Bingo app. Per the email, an individual by the name Anthony Q Hall, residing at 20679 Donnybrook Rd, was using the Bingo app to harass other users. Rosemary advised she reported Anthony's videos due him stating someone's child is going to die from AIDS. Rosemary further advised Anthony used a "government website" to obtain someone's social security number and address. Rosemary provided screenshots of Anthony's social media accounts and the suspected victims, Demetrious Anderson of Brunswick Georgia, and TaQuan Jones of unknown location. One of the screenshots provided had a listed supposed social security number for TaQuan, however, when ran through LEADS, did not return to anyone. In response to the email, I requested a phone number for Rosemary for further communication. Rosemary responded with "I do not want to talk to the police, because I know he is a little off in the head. I do not need him posting my information on the internet, or giving out my address." I then requested Rosemary provide the victim contact information to which she responded with "If the victim cannot be reached, Anthony Q Hall is still going to continue to post illegal things on his social media. What if the victim is deceased from the harassment?" Due to Rosemary not being victim to telecommunications harassment and lack of cooperation to provide actual victim contact info, no report will be generated at this time. NR570.

VEHICLE REMOVED BY KELLY'S. FEMALE WAS CITED FOR CHILD ENDANGERING, HER CCH WAS SENT TO THE STATION PRINTER.

Tiscisia Cole, arrived at the Library at 0914 hours, on July 12th, 2023 (verified by viewing security footage from the library). Tiscisia left 8-year-old, Nyalove Cole, in the backseat of her vehicle with the car off and windows up in 85 degree weather, while she used a computer in the library (terminal 49). Nyalove was left in the vehicle for more than two hours while Cole used library services. The caller, employee, Deva Walker said she heard a car alarm going off in the parking lot of the library, when she went to check on the vehicle, she saw the 8 year old juvenile sitting in the backseat of the vehicle sweating. Cole said the child was not in the vehicle the entire time and that she was sitting at the computer next to her. Library staff said they never saw the juvenile as they were helping other patrons in the computer lab (where Cole was seated). Cole did not have a valid excuse for leaving her child in the vehicle. Cole's vehicle was towed due to her having fictitious plates. Additionally, her vehicle could not be found in LEADS upon running the VIN. Cole Tiscisia was Issued a citation for child endangering and fictitious plates. She was given a Garfield Heights Municipal Court date of 07-26-2023 at 0830 hrs.

MOM WILL TRY GOING TO GO TO SISTERS HOUSE IN CLEVELAND // SHE DOES NOT KNOW THE ADDRESS BUT KNOWS HOW TO GET THERE

Officers met with and spoke with the mother. She stated her son came home and got into an argument with his brother. During the course of the argument, the subject said he was going to harm others and then kill himself. The mother said the subject became calm and left the home to go to his sister's house somewhere off E. 176th Street. The mother tried calling the subject's sister, but did not get an answer because her phone was off. She also did not know the address. She simply knew how to get there. Officers located the sister in LEADS, but she did not have a current address. The subject was still entered into LEADS as missing. A notation was added to the subject's entry for local agencies to stop and check on the subject's mental health.

On Thursday, July 13, 2023, at 1046hours, I, Ptl. Field #573, responded to 18641 Raymond St for a report of fraud. Upon my arrival, I spoke with the caller, Jabria Williams. Williams stated several days ago she had answered an ad on Indeed.com for Kroger Co in reference to a customer service job. Williams completed the application process with all of her personal information through the Indeed website. Williams was told to have a text interview with "Shari Mays" using the phone with a 202 area code. After completing the interview and the application process she was told that she had been approved for the job and to provide her bank account information. When Williams stated that she did not have bank account information they no longer contacted her until today when she attempted to contact them, in response they sent her "laughing" emojis. Williams advised Indeed of the fake job posting and was advised on how to report this to the credit bureaus along with the social security office. CF573

Yesterday, July 12, 2023, two of the unidentified males from the group the day prior came into the store, when the clerk told the males to leave, they proceeded to take 3 Tyson 2.0 Delta 8 Disposable Vape Ice Cream Cake pens totaling \$119.97 out the store without paying. THIS WAS A FRAUD THEFT OF \$500

On the above date and time, I, Ptl. N. Ross #570, responded to the 7-Eleven located at 16303 Libby Rd. for a report of theft. The suspect description given was a light skin tone black male, approximately 6'4 in height, driving an orange "truck". On arrival I spoke with the complainant, Mandeep Kaur. Mandeep advised that at approximately 1155 hours a male came into the store and took \$500.00 from the store clerk. The store clerk, Angel Jefferson, advised a customer came in and asked to scan his barcode on a "cash card". Angel scanned the barcode and the customer told her to finalize the sale repeatedly and that he was taking money off his card. Angel advised the customer that she could not do that. The customer told her again to finalize the sale to which Angel did, causing the cash drawer to her register to open. Angel asked the customer for the money that was owed, \$500.00. The customer then stated he had to go get a card. Angel told the customer no, she needed \$500.00, and called for her manager, Mandeep. Angel advised Mandeep came over to the register and closed the drawer. Angel advised she felt like it was Mandeep's issue at that point. I then spoke to Mandeep who advised after stepping in, the customer became upset and fled out the rear door of the business due to Mandeep locking the front doors. The customer was then observed entering an orange colored Nissan Rogue, bearing PA license plate LZ1564 and VIN JN8AT3CB9MW239645, and drove away from the business. The license plate information returned to Ean Holdings LLC as the registered owner. The incident reported by both parties was verified upon reviewing CCTV footage. No suspect has been identified at this time. NR570.

On July 23, 2023 at approximately 1345 hours, I, Ptl. N. Ross, was requested to assist Interstate Towing with found property from a released impounded vehicle. The vehicle, a 2022 Hyundai Kona bearing Ohio license plate JJF4512 and VIN KM8K3CA31NU908916, was a recovered stolen vehicle. The vehicle was recovered by Shaker Heights Police Department (SHPD) and transported to Interstate Towing. The Interstate Towing employee, Jeffrey Derosett, advised the owner of the vehicle, Cryshae Phillips, came in to collect her vehicle and when she was collecting documents from the vehicle, discovered a small plastic bag containing several multi colored pills. Cryshae gave the pills to Jeffrey and advised they were not in her vehicle prior to it being stolen. Jeffrey handed the pills/ suspected narcotics over to me. I had CVD contact the SHPD and advise them of the found suspected narcotics that were in the vehicle. SHPD advised they did not need the evidence and requested it be destroyed by our agency. The suspected narcotics were entered into PMI as found property for destruction (TN: 34701) . One photograph attached to the digital media section of this sheet. NR570.

FEMALE IN THE LOBBY TO REPORT GETTING THREATENING PHONE VOICE MAIL.

On Thursday July 13, 2023 at approximately 1908 hrs, I was dispatched to the Maple Heights Police Department Lobby for a harassment report. Upon arrival I spoke to complainant, Shatya Emmanuell. Shatya stated she has been receiving harassing text messages and phone calls from an unknown male. Shatya resides in Maple Heights at 5386 Lee Rd. Shatya stated the male claimed his name is Malik Sabastian and was a black male with a goatee. Sabastian knew where she resides along with what she did in her past including a fight she was in during fifth grade. He also knew her name and her life history. Sabastian made comments he saw Shatya's mother, Shondreya Emmanuel, leave Shatya residence and stated he was going to come over to rape and kill her. The phone number Sabastian kept calling from was (630) 439-4129. FTO. Thomas #560 checked the number through Hawk Analytics. The number showed it was through T-Mobile out of Illinois however, there were no names associated with it. I asked Shatya if she knew anyone that was out to get her and she stated no. Shatya believes the male may be someone she knows however, she did not know who it would be. I advised Shatya to block his number and not to engage in future conversations with him. I also advised her to contact the police if she notices any suspicious activity at her residence. Shaya just wanted this documented at this time. JL #574

Darren Motely contacted the MHPD to report his ex-girlfriend, Britny Johnson, stealing his doorbell camera on July 12, 2023. Britny was on camera tampering with the device prior to the camera going offline. Darren called the police for Britny refusing to leave but did not notice she took the camera until July 14, 2023. Darren wished to sign a summons for theft against Britny.					
I spoke with Britny who agreed to come into the MHPD. Britny returned the device and stated she needed an escort to get her belongings from Darren. Darren stated he no longer wished to press charges because Britny returned his device. Darren also agreed to return Britny's property that is at his residence. Darren will call the MHPD when he packs up Britny's items. Britny was advised to only pick up her items with a police escort.

"Ms Jackson" provided Margaret her phone number, 216-235-1082 to contact her to fix the vehicle. A check of OLEN shows this phone number belongs to a Gloria Jackson. Margaret advised me she noticed a dent in front of the front driver's tire which she believes was where her vehicle was hit. UNMARK SEE REPORT PER 4540

Upon arrival, I spoke with Tayveon Grant who stated that he was over his friend, Chester Rodgers', residence because Chester had asked if he could use Tayveon's charger. Tayveon stated he and Chester began to argue about \$100 that Tayveon allegedly owes him. Tayveon stated that Chester brandished a black Glock firearm and demanded his black and red iPhone 9. Tayveon stated Chester took his phone and would not give it back. Tayveon stated he pleaded with Chester to give him his phone back and told him that he had \$10 to give him for the phone. Tayveon stated that Chester then demanded that Tayveon give him the \$10. Tayveon stated that he gave it to Chester and then ran out of the house and called the police. Officers knocked on the door of Chester's residence and he exited the residence. Chester was placed in handcuffs pending our investigation. After being mirandized, Chester gave consent for officers to search his room for a potential firearm with him being present. Officers located a replica revolver that was determined to be a pellet gun. Officers also located a box of Blazer 9mm ammunition. The box was suppose to contain 50 cartridges but 10 were missing. The SNR357 pellet gun and ammunition were logged into evidence. Chester was brought back to the City of Maple Heights Jail on his warrants. Tayveon stated multiple times that he did not want to pursue charges against Chester. Prosecutor John Thomas was contacted about potential charges against Chester. Prosecutor Thomas declined to pursue charges against Chester. BF572

Officers spoke with Dasjanay O'Neal who advised she received a text from 513-694-0919 at 1207 hours on 07/15/2023 which is an unknown number to her. The number advised an unknown older female had been hit and the number began messaging other numbers it saw in her phone book. Dasjanay believed it was her mother Shontai O'Neal, and Dasjanay took a flight from Georgia to Maple Heights when she was unable to contact her via phone (216-434-8019). After speaking with Dasjanay, she advised Shontai works at Cuyahoga County Jail. Sgt Frazier #540 called Cuyahoga County Jail and spoke with Shontai who advised she was at work and okay. I called and advised Dasjanay. LK558

 MALE IN PD LOBBY FOR THREAT/HARASSMENT REPORT

I spoke with Kaleeo Taylor who advised that someone who calls themselves "Loki" is logging into four different SnapChat accounts, using his Boost Mobile phone number, and logging into his Instagram Profile. "Loki" sends messages to other friends and family members including Destiny McClary, the mother of

Kaleeo's 8 month old child. In these messages, "Loki" tells Kaleeo to kill himself as well as other messages, which are harassing in nature. Kaleeo advised he believes his phone was "hacked", however after changing his phone number and creating new social media accounts, "Loki" is still able to access these accounts. Kaleeo advised he has been having this issue for around a year and a half. Kaleeo advised he doesn't know who would be trying to harass him but advised he and Destiny have had arguments about their relationship recently. Kaleeo also advised Destiny lives at the same residence as him and claims "Loki" is able to access several of her social media accounts as well but wasn't present to report the incident. I advised Kaleeo to contact the social media customer service and ask for the IP information for what IP addressed accessed his account as well as report the unauthorized access. Kaleeo was also advised to change his phone password and turn off facial recognition then contact me in several days to see the issue is still continuing. Kaleeo was provided a sheet number. LK558

FEMALE ON STATION

On Saturday, July 15, 2023, at 1335 hours, I, Plt. Field #573, responded to the Maple Heights Police Department Lobby for a complaint of a disturbance that occurred at 18211 Knoll Dr. Upon my arrival, I spoke with Jaylen Houston, who stated that after an earlier incident from South Blvd he had returned to the above-mentioned address to retrieve his property so he could move out. While retrieving his property, he was surprised by his ex-girlfriend, Dalia Whiley, being there. Whiley told Houston several times to get out and he initially refused and she then dumped cold grease on him as he walked out. Houston was uninjured during the incident and declined to pursue any charges against Whiley. While speaking with Houston, Whiley responded to the police department lobby. Whiley stated that she had returned home from the hospital when she saw that the back door to her address was open and Houston packing his items. Houston went to the kitchen and grabbed a small pot of cold grease. Whiley assumed that Houston was going to pour the grease on her when she preemptively pushed Houston back towards the side door. While Houston was being pushed back, he then dramatically poured the grease onto himself to make it appear as Whiley had poured it on him. Whiley stated that she was uninjured during the incident. Houston stated that he officially relinquished residence of the address on Knoll Dr and provided the key to officers to give to Whiley. Both Whiley and Houston were advised of DV laws, and Houston was advised to respond to Maple Heights Police Station prior to retrieving any property from the residence. CF573

RESIDENTS ON PAUL CLAIM ARIANNA IS NOT THERE. OFFICERS CLEARING

This is an ongoing issue between Arianna and Nyeshell. They both have children with Derrick. Nyshelle and Latoya were in the white Hyundai when officers observed it driving from the residence and stopped it. Both Nyeshell and Latoya stated Arianna is lying and calling the police to the house. Officers responded with Bedford to 211 Paul to talk to Arianna as the ping was at that location. Arianna's family would not let her come to the door and were caught in numerous lies as they talked to us. They eventually slammed the door and told officers to get a warrant. 528 spoke with Arianna on 7/16/23 who advised she dropped Derrick off at Nyeshell's residence prior to her texting that he was there. Arianna was advised Derrick was not in the car and that Nyeshell stated Derrick was never there. CWF528

CVD was contacted to place an alert on this address of potential swatting at this address due to the issued between Nyeshell, Arianna and Derrick. CWF528

Upon arrival, I could hear music coming from 16215 Maplewood Ct. I knocked on the door with no answer. I knocked again with Darion Johnson eventually answering the door. Darion advised that he is living with his sister at the residence. I advised Darion that we have received numerous calls this year in regards to loud music coming from the residence. I advised Darion he needed to lower the music because it was loud and told him that I would speak with our complainant to see if they wanted to pursue charges. I spoke with Sandra Williams who lives next door at 16213 Maplewood Ct. Sandra stated this is an ongoing issue with the neighbor and she would willing to sign the citation. Darion was issued MA34081 for Loud Music. BF572

I spoke with Charlie Gardener Jr and Jacqueline Bradley Duru who advised that on 07/15/2023 around 1320 hours, they were driving south on Lee Rd with a gray Ford SUV bearing OH registration KBA3713 (VIN MAJ6S3GL2KC251793, R/O Reanna Strong) behind them. They advised the driver was a black female in her early 20s with long pink nails. The driver of the Ford was honking the horn and appeared to be agitated at them. When Charlie and Jacqueline stopped at the intersection, the Ford pulled up next to them and the driver threw a water bottle at them, which hit both of them. They advised they weren't injured and the vehicle did not sustain any damage. Jacqueline then recorded the rear of the vehicle on her phone to get the license plate. They advised they wanted the incident to be documented. LK558

On Sunday July 16, 2023 at approximately 1239 hrs., I, Ptl. LaVaglio #574 and FTO. Mijangos #551 observed a silver Ford Focus with OH registration HEE2986 (expired as of 2020) parked near 16204 Maplewood Court that appeared to not have been moved in a while. There were two orange cones placed next to the vehicle. One was next to the driver side of the vehicle and one was near the front left bumper. The vehicle had a broken driver side mirror on it along with tree dust on top of the vehicle. I ran the registration on the vehicle and the plates came back nothing on file. Dispatch ran the VIN and the vehicle returned to a Elissa Lindsay with an address of 16204 Maplewood Court. A twenty four hour notice was left on the passenger side windshield. Photos of the vehicle are attached to this call sheet. Vehicle will be towed after twenty four hours if vehicle is not removed. JL#574.

Upon arrival, I spoke to complainant Jabir Abdul-Basit. Abdul-Basit stated he was traveling on 480 eastbound in the left lane passing the Lee Road exit when a vehicle passed him illegally to the left striking his trailer on the rear driver side. Abdul-Basit did not have any vehicle description for the other vehicle. I also did not observe any damage to his trailer that he was pulling(OH registration SZN9733) and truck plate (OH registration HIX4649).

Abdul-Basit just wanted this documented in case the other driver comes to the police department to say it was Abdul-Basit fault. Abdul-Basit was unable to provide insurance info. JL#574

Upon arrival, MHFD Rescue Squad 2 advised that the child had fallen out of the first story window. I observed the security screen on the window to be ajar. I made contact with Trayvon Singleton in Apt 208. I asked Trayvon if he had a 2 year old daughter, identified as Nova Singleton, and he stated he did. I advised Trayvon that she had fallen out of the bedroom window. Trayvon stated he was changing his 1 year old daughter in his bedroom while Nova was in her bedroom playing. Trayvon stated that he had the bedroom glass window open for a breeze with a secure screen in the window. Trayvon stated that Nova must have climbed on top of the storage tote that was blocking the window and pushed the screen out. Nova did not sustain any injuries or scratches from the fall. Nova was evaluated by the rescue squad and Trayvon refused for Nova to be transported and stated he would take her to the hospital if anything changes. Nova appeared to be healthy. I advised Trayvon I would be contacting Child and Family services to advise them of the incident and he should expect a follow up. BF572

FEMALE IN THE LOBBY TO REPORT A MALE STOLE HER WALLET AT THE BUSINESS ABOUT 15 MIN AGO.

I spoke with Janice Williams in the police station lobby. Janice stated that she was at the Food Mart, 16501 Broadway Ave, buying lottery tickets. Janice stated that she placed her wallet on the counter while buying her tickets. Janice stated she then left the store and once she realized she left her wallet she returned to the store. Janice stated that when she returned to the store her wallet was gone. Janice stated she and an older black male possibly in his 60's were in the store. Janice stated the owner had left for the evening and stated he would get the security footage when he returns to work. I advised Janice I would follow up with the store owner. When more information is obtained a report will be generated. BF572

I responded to 15926 Friend Avenue for an unwanted guest report. Upon arrival, the two individuals involved were Tomika Hogue, and Rafi York. Tomika wanted Rafi to leave and he refused her request. After Chagrin Valley Dispatch notified us that Rafi York was the protected party against Tomika Hogue in LEADs, Tomika was placed under arrest for violating a protection order. Once officers got back to the Maple Heights Police Station, we looked up the case (CRB2300528) on the Garfield Heights Municipal Court website and the case was dismissed and the protection order was cancelled on 7/14/2023. Tomika was taken out of custody and brought back to her residence. Rafi agreed to leave the property for the remainder of the evening.
