IN THE PD LOBBY
CALLERS TIRES WERE SLASHED ON SATURDAY

On Monday, March 20, 2023, I, Ptl. H. Kaur #553, responded to the Maple Heights Police department lobby and met with Grace Spacagna. She stated she is an employee at Baraonas Bakery, located at 15842 Libby Rd. She advised she was in a verbal altercation with a juvenile employee. After the altercation, the juvenile's mother arrived at the business with the juvenile's two older brothers. Grace stated everyone was able to de-escalate the situation at the time. However, when she went outside after work, she saw that her tires did not appear to be normal. She checked with a local tire shop and was told her tires had been slashed. After Grace spoke with her manager, Frank. They looked at video footage and observed the juvenile pointing towards Grace's vehicle in the parking lot. The video did not catch the actual incident, but the two brothers are seen walking towards Grace's vehicle. I spoke with the juvenile and her mother Latasha on 3.21.2023, the juvenile stated her half brother Damon Moore. Jr. asked her what vehicle Grace was driving and she pointed it out to him. Damon was seen on video walking across the street to Grace's vehicle before the damages. I called Damon and he said the juvenile told him a someone put their hands on another person. He said "I'm not saying I did anything but why put your hands on someone." Damon agreed to come up with a payment plan to pay for

the damages on Grace's vehicle. HK #553

I spoke with the caller, Margaret Monroe. Margaret stated her neighbor (unknown name) (possibly address was 1517 Shirley Ave.) walked onto her property early today and looked into her mailbox. Margaret observed this incident on her doorbell camera. I ran the address through OLEN to attempt to receive a recent name and phone number, but none were found. Dispatch discovered a Tonya Pierce who lived at that address in the past but she was not involved in this incident. I advised Margaret to contact the Maple Heights Police Department immediately to respond to her home if her neighbor come onto her property again. I provided Margaret the CAD incident number. Margaret just wanted this incident documented. ML563

On 03/21/2023 at 2205 hours I was on Philip Ave facing South toward the intersection of Raymond Street in marked patrol vehicle 4423. I observed a green Kia Soul bearing OH registration PDN (PDN registered to Aiyahna Braxton) travelling Westbound on Raymond St approaching the intersection at Philip St. I observed the vehicle drive past the stop sign and through the intersection of Raymond St and Philip Ave without coming to a complete stop. I got behind the vehicle and initiated a traffic stop on Raymond St west of Anthony St. The driver, Truvron Spencer, advised me he did not have a driver's license or insurance for the vehicle. A check of LEADS showed Truvron's license was suspended. Truvron was issued citation P29656 for Stop Signs (ORC 4511.43) and Driving Under Suspension (ORC 4510.11). He was given a Garfield Heights Municipal Court Date of 03/29/2023 at 0830 hours. LK558

On Wednesday March 22, 2023, at approximately 0839 hours, I, Ptl. F. Colangelo initiated a traffic stop at 5137 Libby Road. While I conducted traffic enforcement on the intersection of Raymond Street and Philip Street, I observed a white Dodge Journey OHRP not make a complete stop at the four way stop sign. The driver, Shawn Harper informed me that he was in a rush to take his son to school, and notified me that he had a warrant with Garfield Heights Police Department. I contacted Chagrin Valley Dispatch to confirm the warrant. Ptl. Ross #570 arrived on scene and observed two clear plastic bags filled with suspected marijuana outside the passenger side of the vehicle. I asked Shawn if the bags of marijuana belonged to him, and he replied "yes." Shawn was issued a citation for possession of marijuana, citation #MA34608. The suspected marijuana weighed at approximately 58 grams, and was entered into PMI, tracking number 33002. Shawn will appear at the Maple Heights Mayors Court on 04/04/2023 at 1530 hours. Shawn's warrant was confirmed with GHPD and was transported to 14101 Granger Road to meet with GHPD #12 to be booked into their jail.

Erika was saying her ex-husband, Francis Durochia, has filed police reports on her for stalking and she wanted to prove she was not in Maple Heights at the time he is saying she was there. I pulled up the history under Erika and Francis. There has been no actual reports made, but there were some CAD entries. I explained this to Erika several times before she understood there was no reports, no reports waiting for a prosecutor ruling, or any pending charges. But one of the sheets was Frances requesting information on how to obtain a protection order. Erika was also informed of this. I explained what a protection order meant if it was granted. Erika stated she never contacts Francis' girlfriend. Erika wanted advice on how to proceed. I informed her to retain the proof she has if something comes up later. Erika stated due what she believed was outstanding reports, she was afraid to come to Ohio to visit her friend in case Francis tried to say she was stalking him. I found out the friend lives in Cleveland by the Rock and Roll Hall of Fame and pointed out that is she was visiting there, Erika had would not be in Maple Heights and would have no reason to be in Maple Heights or near Francis' residence. On 03/23/2023, I responded to 5710 Garfield Avenue. Upon arrival, I spoke to Freddy Rice. Freddy stated his neighbors at 5706 Garfield Avenue, backed their Uhaul moving truck into their driveway and struck his cable wires that was attached to the house and caused it to dislocate from it's fixture. The wires did not break, however, they wrapped around the gutter and caused it to detach from the main spout. The resident of 5706 Garfield Ave., Jeanette Allen spoke to me and Freddy, and stated she would cover any costs from the damages. Freddy stated he was ok with their agreement. Freddy and Jeanette exchanged their information, and they advised me that they wanted this incident documented.

On Thursday, March 23, 2023 at approximately 1250 hours, I, Ptl. Thomas #560 was dispatched to Meuti Dr., in Bedford Heights for a report of an accident that happened in Maple Heights. William Spencer was driving a tractor trailer and Bianca Wright was driving a 2021 silver Volkswagen Atlas. William and Bianca were on the Interstate 480 exit ramp at Northfield Rd., making a southbound turn when the rear bumper of Williams trailer made contact with Bianca's front bumper. There was no damage to the trailer. Bianca's front bumper suffered minor damage. Bianca's vehicle was still drivable. Due to it not being clear who was at fault, no one was cited. Bianca was checked out by the Bedford Heights FD but refused medical transport. MWT#560

I spoke with the caller, Vince Vesinia. Vince stated he was the maintenance worker for the church. Vince stated while reviewing the church security cameras. A white Hyundai (unknown plate and model) on 3/23/2023 at approximately 2230 hours drove into the church parking lot. While the vehicle was driving, the vehicle drove into the grass near the front entrance of the church. The vehicle was then stuck in the grass due to a rain storm during the night. The driver exited the vehicle, which was an unknown black female. On 3/24/2023 at approximately 0200 hours an unknown towing company vehicle entered into the church parking lot. The tow vehicle then drugged the vehicle out the grass, which caused minor tire marks on the grass. Due to the quality of the camera footage, I was unable to see the license plate of the vehicle. Vince just wanted this incident documented for insurance purposes. I provided Vince a copy of the CAD incident number. ML563

On the above date and time I, Ptl. T. Vasko #566, responded to the area of Prayner Ave. for a juvenile who was knocking on doors saying she was lost. The caller began to ask her questions and the juvenile ran away. The caller got into her vehicle and followed the juvenile from her house to Prayner Ave near Raymond St where I caught up to the caller and the juvenile. When I spoke to the juvenile she stated that her friend texted her and told her to run away as a prank. The juvenile's mom then called and I answered. The juvenile's mom, identified as Lanese Jackson, asked "where are you" I identified myself and told Lanese where we were. Lanese promptly picked up the juvenile. tv566

 PDN 3/15/18

On Saturday, March 25, 2023, at 1538 hours, I, Ptl. H. Kaur #553, responded to the Maple Heights Police Department lobby for a child endangerment report. I met with Marnae Powell, she advised me that her son's daycare, Good Beginnings Daycare, reported that her son fell while playing football at the daycare around 1645 hours on 3/24/2023. She stated her son does not speak too much when he is around several people. After she picked him up, he told Marnae that an older school child had picked him up and thrown him on the ground. The other child goes by the name of "juvenile one." Marnae stated the daycare did not advise her that another child ever picked her son up. She was upset the daycare lied about what actually took place. I called Child and Family Services but unable to make contact with anyone at the office. I will follow-up on Wednesday, March 29, 2023. (next work day.) I also tried to call the daycare but I was advised its closed on weekends. I will be following up with this on Wednesday as well. HK #553

BEDFORD ENROUTE TO MAPLE STATION TO PICK UP J'MEL DAVIS.

I observed the three males in what appeared to be an argument while driving past them. I turned around as things appeared to be getting more tense. I observed a black male, later identified as Antoine Davis, holding a firearm behind his leg. I detained Antoine as the other two males attempted to leave in a dark colored Audi. Other officers stopped the vehicle before it left and detained the other two males inside. In speaking with all the parties involved, they stated they were having a verbal argument while driving. Antoine wanted to get out of the car and walk away, but the argument continued. Antoine stated he had the firearm in that position because he had not yet concealed it in his pants from vehicle to walk away. The other males stated Antoine never threatened them or pointed the firearm at them. All three stated it had just been a verbal argument and no one was in fear. I transported Antoine to his mother residence at 758 Wellmon St. in Bedford. J'Mel Davis had a warrant with Bedford PD. He was transported back to the station where Bedford PD picked him up. COB549

Upon my arrival I spoke with the caller, Tamika Harding, Tamika stated a black female came into the store and began to threaten the caller and other employees. It is unknown what the issue was but when Tamika had told this unidentified person she was going to call the police the unidentified female left in a silver Subaru. Tamika had gotten a the registration plate. After I ran the plate it came back to a female not matching the description of the subject. Tamika stated she did not wish to pursue charges but did want the subject, if found to be advised of criminal trespassing.

CALLER STATES HIS FRIEND TOOK MONEY FROM HIM CALLER ONLY KNOWS HIM AS "LEM" THE MALE IS NOT THERE ANYMORE					

I called and spoke with Mikal Morgan, who gave me his information over the phone. Mikal advised that he was at Hush Cabaret and Lounge with several friends

drinking. On the way home he was with his friend "Lem" in a white Nissan SUV rental. Only the two of them were in the vehicle. Mikal stated he believes that while he was sleeping on the ride home, "Lem" took \$2,000 in cash out of his pocket while they were driving back to Maple Heights. Mikal advised he doesn't know "Lem's" real name but that "Lem" is on his street boxing team. Mikal advised he doesn't know "Lem's" address either but could point the address out, however he believed "Lem" probably wouldn't be there currently. I advised Mikal to come to the police department at 1900 hours on 03/26/2023 and he could show me the address. Mikal became highly argumentative with me, stating he wanted to go to "Lem's" address immediately. While speaking with Mikal, he did not seem to understand what I was telling him, repeating questions I had already answered while slurring his speech. I advised him due to the time, officers would not go to the house and knock on the door until after he had sobered up and I was able to clarify the details of his story. Mikal continued to argue with me. I advised Mikal again, the incident would be documented and I could follow up when I returned for duty. After Mikal continued arguing, he stated that he would handle the situation himself and I advised him against confronting "Lem" and to speak with me in the evening. After Mikal continued to argue, I advised Mikal one last time what he needed to do and ended the phone call. (Officers note: Several minutes later, Ptl Mijangos #551 encountered Mikal and cited him for Disorderly Conduct while he was outside his residence, see MA23-10066037). Should identifying information become available, a criminal report may be generated. LK558

-- From 03/26/2023 05:16:43 To 03/26/2023 05:16:44 Disp R203 --
MALE WAS CITED FOR DISORDERLY CONDUCT AND ADVISED ON OBSTRUCTION. HE WAS RELEASED.

While conducting parking enforcement on Theodore at 0440 hours, I, Ptl. Mijangos #551, was approached by Mikal Morgan. I immediately detected a strong odor of an alcoholic beverage emitting from Mr. Morgan's person. In addition, Mr. Morgan had watery eyes and slurred speech. Mr. Morgan asked if I was here to take his police report. I advised Mr. Morgan that I was writing parking citations. Mr. Morgan asked if I could take his police report, which I asked Mr. Morgan what happened. Mr. Morgan proceeded to tell me about a theft on Hansen. Ptl. King #558 just took a theft report #2310066027. I asked Mr. Morgan if he just spoke with Ptl. King, which he stated yes. Ptl. King advised Mr. Morgan just a few minutes prior to this incident that he needs to come to the MHPD to finish his report at 1900 hours. I re-advised Mr. Morgan what he needed to do to finish his report, however, he became upset and started yelling at me. I advised Mr. Morgan that he was highly intoxicated and he needed to go back onto his property. Mr. Morgan refused and continued to argue with me that he was not intoxicated and that I needed to take his report. I warned Mr. Morgan if he did not return onto his property, he would be issued a citation of Disorderly Conduct-Intox. Mr. Morgan returned to his property.

Approximately three minutes later, while I was issuing a parking cite, Mr. Morgan re-approached by police unit and began yelling. When I exited my unit, Mr. Morgan began back pedaling. I advised him that he was being detained and then ordered him to "come here". Mr. Morgan refused and continued back pedaling which led to him running away from me. After a short foot pursuit, Mr. Morgan was apprehended in the front yard of 5229 Theodore.

Mr. Morgan was issued a misdemeanor citation for Disorderly Conduct. Mr. Morgan was advised of obstructing official business and released inside his residence.

Tonya Porter contacted the MHPD for a custody dispute between her and her daughter, Terion Porter. Tonya stated she watches her three grandchildren Monday-Friday, however, Terion has not picked up her children. I spoke with Terion over the phone who stated she was currently homeless and living inside her					

vehicle. Terion stated she had an arrangement with Tonya for the kids to stay with her until her apartment gets inspected and approved. Terion stated Tonya is upset with her grandchildren because they are rude and don't listen. Terion stated she will attempt to contact the childrens father and have him pick them up. I advised Tonya if the father doesn't pick them up, then to contact CFS and get them involved. I observed the children who appeared to be heathy.

Officers were initially dispatched to 16600 Maple Heights Blvd for the report of an Unwanted Guest (MA23-10066679) involving a Green Chevy Tahoe that was
 parked in the driveway and one of the occupants was trying to date the caller's 13 year old daughter. As officers were dispatched, the Tahoe left the area.
 Officers had prior knowledge of a Green Tahoe that parks near 19777 Maple Heights Blvd that was involved in a similar incident. Additionally, an Instagram
 photo had recently been brought to officer's attention of several individuals next to a green Tahoe in front of 19777 Maple Heights Blvd holding firearms
 (Officer's note: The Instagram picture was digitally attached to this sheet). Ptl Fronzaglio #572 and I drove to the area of Nitra Ave and Maple Heights Blvd. Ptl
 Fronzaglio observed a dark green Tahoe bearing OH PDN (R/O Daron Holmes) travelling eastbound on Nitra Ave and park in front of 19777 Maple Heights
 Blvd. Ptl Fronzaglio and I turned around and stepped out of our vehicles to talk with the driver who opened his vehicle door on our arrival. The driver, later

identified as Jordan Edwards, stepped out and came over to talk to us after Ptl Fronzaglio asked him. Jordan advised he had just dropped his cousin off and drove home to 19777 Maple Heights Blvd. Due to my prior knowledge of the photograph with firearms, I conducted a Terry pat-down of Jordan but did not locate any weapons. A check of the temporary license plate showed the vehicle had been expired since 04/05/2022. Due to the expired plate of the vehicle on the roadway, I asked Jordan for his name and date of birth, which he provided. A check of LEADS showed Jordan had a temporary driver's license but did not have another valid driver with him when officers saw him park the vehicle. Jordan became highly agitated when he was advised he was going to be issued a citation and the vehicle was going to be towed. Due to Jordan's manner, he was placed in double locked handcuffs, and detained. The vehicle was then towed by Interstate, and Jordan was issued citation P29657 for Expired Plates ORC 4503.21 and Driving with a Temporary Permit and no Valid Driver ORC 4507.05. He was given a Garfield Heights Municipal Court Date of 04/05/2023 at 0830 hours. (Officers note: It should be noted that while performing an inventory of the vehicle, two firearm boxes were located, and a magazine. No firearm was located). LK558

MALE IN LOBY TO GET AN ESCORT TO GIRLFRIENDS HOUSE
FEMALE IS CRYSTAL GORDON

I spoke with Jason in the police station lobby in reference to an escort. Jason stated that he began moving his stuff into his girlfriend, Crystal Gordon, residence last night. Jason stated that while he was at work today, Crystal had told him that she no longer wants to be with him. Jason stated that Crystal placed all his belongings outside in the hallway for him to pick up. Jason stated that Crystal did not put his new TV out there for him. I attempted to contact Crystal to set up a meeting time but she did not answer. I advised Jason I would document the incident and he should follow up at a reasonable hour and day to receive an escort. BF572

 FEMALE DID NOT WISH TO SPEAK WITH OFFICERS. SHE WALKED AWAY FROM THEM.

Upon arrival, Ptl. King and I spoke with Anika Jackson about an unwanted guest in her residence. Anika stated that she had her child's father, Christopher Simmons, over a short time ago. Anika stated that Christopher has since left the residence but caused damage inside. Anika stated that Christopher has a key to the house and has had the key for approximately 4 years. Anika was heavily intoxicated and very uncooperative with officers. Anika stated that Christopher put his hands around her neck prior to leaving. Officers did not observe any marks around Anika's neck. While trying to ask Anika what she wanted the outcome to be she continually changed her mind. Anika only wanted to press charges after she was advised that she needed to file a civil suit for the damages. I asked

Anika to fill out a statement form for the incident tonight. Anika turned away from officers and walked into the house and provided no further information to officers. BF572
