IN THE PD LOBBY 11 YO FEMALE WAS ASSAULTED AT SCHOOL TODAY MOM AND HER ARE IN THE LOBBY					

On Tuesday, March 7, 2023, I, Ptl. H. Kaur #553, responded to the Maple Heights Police Department for an assault report. I spoke with Cemeia Richards. She stated her daughter was assaulted at Milkovich Middle School during school hours.

When I spoke with the juvenile she advised me that an unknown juvenile who also attends Milkovich Middle School, punched the juvenile in the face with a closed fist three times. She stated the altercation began at Band where the other female watted paper at the juvenile.

The juvenile stated she did not know the female prior to this incident. The juvenile also added that she did not exchange any words with the female.

I responded to Milokovich Middle School and met with Principal Williams. He stated the other juvenile involved was juvenile two. Principal Williams advised me that juvenile two does not have any discipline history. He provided me with juvenile two's information. I responded to juvenile two's address to speak with her.

Juvenile two stated she was sitting in band class when several students were throwing papers rolled into "balls" at juvenile one. She stated one of the papers had juvenile two's name on it and juvenile one thought juvenile two threw it. Juvenile one walked up to juvenile two and pulled on her braids. Juvenile two showed me a braid that was nearly pulled out of her hair. Juvenile two stated she was upset that juvenile one had violated her personal space and touched her. As juvenile two was waiting for her brother, she saw juvenile one and approached her to "fight her." She stated she would not let anyone get away with touching her.

The Middle School placed juvenile two on a 3 day school suspension. HK #553

On the above date and time I, Ptl. T. Vasko #566, responded to the Maple Heights Police Department Lobby for a report of an MVA that occurred earlier in the day. Upon my arrival I spoke with the caller, Darrell Barens, the driver of Unit #2 a BMW X5 bearing Maryland registration. Darrell reported that while westbound on Rockside Rd. he began to merge right. When he merged right he struck unit #1 causing minor damage to his passenger side rear bumper. Unit #1 was a Chevrolet Equinox bearing Ohio registration, driven by Brittany Peoples. Brittany also arrived on station and confirmed this is what happened. Unit #1 suffered minor damage to its driver side headlight. Neither party claimed injury. Brittany provided me with her insurance through Progressive. Darrell also provided insurance through Progressive policy number. Both parties exchanged information. TV#566

I spoke with Kimbrough Travis Jr who advised on 03/07/2023 at 0745 hours, he was exiting the Maple Heights High School parking lot onto Mapleboro Ave. A

blue SUV travelling west turned south and entered the lot. Kimbrough advised he believed the vehicle was going to strike him and he turned right to avoid being struck, which caused him to strike the gate next to the lot. This caused damage to the hood of Kimbrough's vehicle, a white 2019 Ford Edge bearing MI registration. Kimbrough provided his Farmer's Insurance card. Photographs were taken of the vehicle and the area of the gate that was struck. They were digitally attached to this sheet. LK558.

Upon arrival, I observed the gated fence in the backyard of 14120 Granger to have sustained some damage. It appeared as though a vehicle had struck the fence and continued on top of it has the fence was pushed down. I attempted to make contact with the residents at 14120 Granger but was unsuccessful. Dispatch advised they had a telephone number for an individual who resides there but when they attempted to call the phone was no longer in service. The damaged portion of the fence was on the west side of the yard facing E 141st St. Photographs of the fence were taken and attached to the CAD. BF572

McDonalds employee, Frankie Yates stated at some time between 0800-0815 hours, two of the black carts located in the unsecured dumpster enclosure were stolen. Frankie stated the carts are used to transport product from the trucks to the restaraunt. The carts are valued at approximately \$500.00. Frankie informed me that the carts are property of a company that transports the products, Anderson Dubose. There are no known suspects at this time.

 On March 8th, 2023 at approximately 1938 hours, I, Ptlm. Westfield #554, was dispatched to 5832 Lee Rd South, regarding a damage to vehicle. Upon my arrival, I met and spoke with complainant, DE AUNTRANAY LA TITIA NUNN, who stated at 0730 hours she parked her 2021 Kia Seltos bearing Ohio License in the parking lot. At 1430 hours De'auntranay did not noticed any damages on her Kia while she was outside. Upon returning to her Kia at approximately 1830 hours, she found that person(s) unknown had shattered the rear passenger window and gained entry into her Kia. While checking further she noticed that person(s) unknown damage the ignition color. De'auntranay advised she will report this incident with her insurance Progressive. #554

I observed a multicolored red vehicle emitting a smoke cloud while driving down Warrensville Center Rd. near Far East Express. The vehicle drove into the parking lot of Far East Express on Warrensville Center Rd. and exited onto Mountville Rd. clearly trying to stay out of Police view. I began driving down Mountville Dr. and saw a smoke screen from the excessive exhaust gas. The vehicle continued driving down Kenyon and turned west onto Libby Rd. and drove into the lot of Giant Eagle where he was pulled over by Ptl. Ross #570 in marked Maple Heights unit 4402. Upon viewing the vehicle the front bumper was damaged and the left rear fender was damaged and the tires appeared to be "bald" lack of tread. The driver was identified as Shamar Jeffrey who was very confrontational with officer. Shamar had a suspended license and two warrants. He was placed into the back of marked unit 4402. While inventorying the vehicle for a tow there was two small bags of marijuana was in the center console. Shamar was cited for expired plates, excessive smoke, driving under suspension, Unsafe vehicle, seatbelt requirements for driver, and possession of marijuana and given a Garfield Court date of 03-22-2023 at 0830 hours. Shamar was transported on his warrants. The vehicle was towed by Interstate towing. BWS548

On 03/09/2022, I spoke to Northcoast Automall employee Patrick Goe in regards to property damage to vehicles that were stored at 17399 Broadway Avenue (Boroski Auto Body). Patrick explained that Northcoast Automall rents lot space from Boroski Auto Body to store vehicle overflow. When Patrick arrived to the business, he observed three vehicles to have broken rear passenger side windows, and one of them had the ignition column peeled open with the internal wiring exposed. The first vehicle was a blue Hyundai Elantra OH RP. The Hyundai's rear driver side window was broken, and the steering column was peeled open and the internal wiring was exposed. The next vehicle was a black Infiniti QX60 OH RP. The Infiniti's rear passenger side window was broken. The next vehicle was a blue Cheverolet Equinox VIN. The Cheverolet's front driver side window was broken. Another vehicle's, a Kia Optima VIN, rear passenger window had prior damage, and its ignition column was peeled with the internal wires exposed. Patrick stated he believed the Kia's damage was already there and thats why it was in thier possession to be serviced. Patrick additionally stated that he is unsure when this offense could have taken place and stated "This could have happened a month ago for all I know..." I spoke to the employees of Boroski's Auto Body and asked if the cameras could have captured the incident take place. The employees stated that their camera's do not reach to where the Northcoast Automall's vehicles are stored. Patrick stated he wanted the information documented.

Spoke with caller who stated that she had received third party information from her assistant principle, Tamika Wilson. Wilson had received unverified screenshots from a previous student stating that another previous student, juvenile one was threatening to shoot Benjamin Franklin School (Cleveland 2nd District) due to an ongoing case with Cleveland Police Department. The caller stated that Cleveland Police Department advised her that they would send an officer to the school in the morning to assist with security. The caller was advised to contact Cleveland Police Department to file a report with them due to the threats being directed at the school. CF573

I spoke to CPD detective Jelenich. They are aware of the threats and investigating them. He plans on coming to Maple Heights to speak to juvenile one. According to the detective, juvenile one actually showed up at the school on 03-09-23 and made entry. School staff just escorted juvenile one from the premises and did not contact CPD at the time. On March 9th, 2023 at approximately 2117 hours, I, Ptlm. Westfield #554, along with other Maple Heights Units were radio dispatched to Popeyes located at 5581 Warrensville Center Rd. for a report of threats. Upon my arrival, I met and spoke with the complainant, who was later identified as an employee who stated a customer who she described as an older brown skinned black male who pulled up to the drive thru in an older model Cadi. The employee stated the older male was upset because they did not have what he was looking for. The older male pulled off and moments later they received a phone call from (440) 342-3135 stating he was going to shoot up the place. The employee believed it was the older male from the drive thru. The employee was able to provide a name with the phone number, Daryl Haines. Daryl was searched through LEADS with an address returning to 16575 Libby Rd. Officers responded to Daryl's residence and found that the residence was vacant. Daryl Haines also returned to a 22-year-old male. The employee was 100% sure the male at the drive thru was a older bald headed male. Popeyes wanted this incident document and stated they will contact the police if they see the vehicle again.

BRITTANY IS BACK IN THE LOBBY IS TO FILE A MISSING PERSON REPORT

On Friday March 10, 2023, I spoke with Brittney Bruce. Brittney stated her fourteen-year-old son, left for school around 0730 hours on 3/9/2023. At approximately 1000 hours, the juvenile and his school confirmed with Brittney that he was at school. Brittney arrived to pick up the juvenile from school around 1430 hours and waited until 1530 hours for him. The juvenile never meet her. Brittney stated she checked his friend's houses in the city and the parents and grandparents there stated they had not seen him. Brittney further stated she spoke with her sister, Jasmine Aiken, who said she would look for the juvenile.

Jasmine later told Brittney she picked the juvenile up and was going to take him to Brittney's mother's house. Brittney arrived at her mothers and Jasmine told her she dropped the juvenile off somewhere on Kenyon Dr. in Maple Heights. Brittney gave the juvenile all of today (3/10/2023) to return.

The juvenile is a black male, about 5'9", 120 lbs., medium length brown dread locks, and browns eyes. He was last seen wearing a black hoodie and blue jeans.

The juvenile's cell phone was deactivated by Brittney earlier today.

Brittney completed a missing person's packet which included a dental form and agreed to feature the juvenile as a missing person on the CCSO's Facebook page. Brittney did not provide a current photograph of the juvenile.

The juvenile was entered into the LEADS database as missing and was assigned PDN. He was added to the Maple Heights PD Missing Persons Worksheet. COB549

I spoke with the caller, Anita Wesley. Anita stated her pregnant daughter, Deanna Bradley was having issues with her boyfriend child's mother, Nelly Smith. Anita stated she observed Nelly sitting in a black SUV in the parking lot outside of her apartment building. Anita stated while nelly was in the parking lot, Deanna received multiple text messages from Nelly provoking her to come outside and fight her. Anita stated once she learned of this information she called Maple Heights Police Department for assistance. Upon our arrival, Maple Heights Police units checked the area for the suspect vehicle but was unable to locate it. I advised Anita and Deanna on how to obtain a protection order from nelly. I advised Anita to contact the police department but if Nelly returns. Both parties just wanted this incident documented. ML563

Upon arrival, officers spoke with Kelly Evans. Kelly stated that she was assaulted by her ex-boyfriend Jesse Gordon. Kelly stated she came over to Jesse's house about two days ago; however, it should be noted that Kelly had more belongings than just for two days. Kelly stated she has a protection order in place against Jesse but she never knew how it was placed because she never went to court over it. While speaking with Kelly she became extremely irate and uncooperative. Kelly was asked what she wanted to do and she stated she just wanted to leave the premises. Kelly was advised that she was being criminally trespassed from the residence by the homeowner. Officers were not able to speak with Jesse as he was not at the residence. BF572

Officers spoke with Adrian Pinkins and her daughter. Adrian advised that earlier on 03/10/2023, the juvenile was jumped by several females who were in a dark colored minivan near Family Dollar, 5825 Dunham Rd. The juvenile was unable to provide the names for any of the juveniles. Adrian advised that at the time she learned of the incident, she didn't call police. The juvenile did say that she observed the driver of the minivan, and the driver was known to her as juvenile two (17 years old) who lived at 14802 Tabor. Officers were advised that juvenile two was not one of the individuals who fought with the juvenile. Officers checked the area for a dark colored minivan but did not observe any vehicles matching that description. Officers went to 14802 Tabor and spoke with Tamika Clayton, juvenile two's mother. Tamika was uncertain who juvenile two was with, but was made aware of the situation. Adrian was advised to contact the school regarding this incident. If any information becomes available on the females who jumped the juvenile, a criminal report may be generated. LK558

ADVISED HIS SON BROUGHT HOME A PHONE BY ACCIDENT AND HE WANTS TO TURN IT IN

I spoke with Jerrald Goodloe in the police station lobby about a cellphone that his son accidentally brought home from school. Jerrald stated his son was at an after school program and another student handed his phone to Jerrald's son. Jerrald stated his wife arrived to pick their son up and he was not able to find the boy to return the phone. Jeraald stated he received a call around midnight from one of the staff memebhrs of the after school program. Jerrald stated he missed the call and was going to try and deal with it in the morning; however, the phone started going off so Jerrald said he wanted the police department to have it. Jerrald stated his son does not know the boy very well and could not provide any information on him. I called Ms. Jefferies, CAD2310053750, and asked her if she could describe her son's phone. The phone she described did not match the phone that ws turned over to me. Officers were able to locate the boy's information. Cathy, the boy's mother, was contacted about his cellphone. I turned his phone over to his mother. BF572

Marrissa came to the Maple Heights Police Department to drop off Mackenzie's phone from the previous call at 14408 Granger Rd (see MA23-10054078). Marrissa appeared to be highly agitated. She advised her brother was in her vehicle and agitated. He was yelling and screaming at her and Marrissa told him to leave the vehicle several times. Mackenzie finally exited and left his phone in the vehicle. As Marrissa left, Mackenzie began screaming at Marrissa and ran towards her car, jumping on the hood of the vehicle and jumping back off. Marrissa advised she didn't wish to pursue any charges and wanted to return Mackenzie's phone. Mackenzie came to the police department at 0550 hours. When asked several times if he wanted to discuss the incident, Mackenzie refused, and left with his phone. LK558.

CIVIL ISSUE OVER FOOD ADV TO CONTACT CORPORATE

Caller, K. Green, stated she observed a worker at Wendys hand a bag to the car in front of her in the drive through. The driver of that vehicle then handed the bag back to the worker and was given another before they drove off. Green then pulled up and was handed that bag of food, which she observed was her order. She asked if this was the bag that was handed to the previous customer. The worker told her yes. Green felt this was not sanitary due to "covid goin around" and wanted a refund. The worker told her they do not due refunds. The worker, who was identified as Lashonda Jacquelyn Jacks was the manager of this Wendys. Jacks handed Green two free meal cards to compensate her for the food she did not want. Green then threw the cards back on the counter and said she didnt want them, she wanted her money. Jacks again told Green they do not do refunds. Green then said she would be calling the police because she wants her money. While on scene, I advised Green she would have to call corperate, as we cannot make this Wendys give her a refund since it is against their policy. Green then said "oh well somethin needs to happen". I then advised Green she could take her business to another Wendys.

ACUR

On this above date and time, I was traveling northbound on Dunham Road approaching Rockside Road. I then received a notification from the Flock Safety system that a vehicle that was entered as stolen was traveling westbound on Rockside Road passing Pennsylvania Road. I ran the license plate through LEADS and it was confirmed it was stolen. I then observed the vehicle on turning southbound on Dunham Road. Once I observed the vehicle, I flipped my patrol vehicle around and initiated a traffic stop on the vehicle on Dunham Road at Maple Park Dr. I then conducted a felony traffic stop giving verbal commands to the driver, later identified as Terrena Green, to place her hands out the door. Terrena complied with my commands. I then observed the license plate of the vehicle which was actually PDN rather than the PDN. Once I knew it was the wrong plate I immediately stopped the felony stop and asked the driver to exit the vehicle and to walk back towards the front bumper of my patrol vehicle. I advised Terrena of my mistake and told her the license plate did not match the stolen vehicle that flock safety system showed me. Sgt. C. Faunce #528 was advised of this incident. ML563

I spoke with Whitney Blevins in the police station lobby in reference to a custody exchange. Whitney stated she was supposed to receive her children today from their father Samuel Johnson on 3/11/2023 at 1430 hours. Whitney stated Samuel would not answer her calls and then blocked her phone number. Whitney provided me with the court ordered paperwork stating that the two would meet at the Maple Heights Police Station to exchange the children. I contacted Samuel by telephone and explained to him that it would be in his best interest to follow the court ordered documentation. Samuel stated he knew the order was there but because he did not agree with it he would not bring the children to Whitney. I advised him that I would be documenting the incident for them for family court.

 CHILDS FATHER IS HARASSING HER OVER THE PHONE

On Sunday, March 12, 2023 at approximately 1154 hours, I, Ptl. Thomas #560, was dispatched to the Maple Heights Police Department Lobby for a harassment. Upon arrival, contact was made with Tianna Logan. Tianna stated her child's father, Regginald Taylor, was making threats towards her brother on her voicemail. The phone number said "unknown" due to Tianna blocking Regginald's phone. I advised Tianna if her brother wants to file a complaint he would have to come to the station. MWT#560

On the above time and date I, Ptl. T. Vasko #566, responded to the above address for a report of threats. Upon my arrival, I spoke with the caller Janel Taylor, Janel stated that she had gotten into a civil argument with her sister (Yolonda Day) over a watch that was allegedly stolen from her recently deceased father. I read over the text messages from two separate numbers, 216-815-3116 and 216-666-8783. After reading through the messages no threats were made however Janel did instigate the situation by telling the unknown party to "pull up". Janel was advised how she could obtain a TPO and this incident would be documented. Yolonda's information could not be found with the information provided by Janel and the phone numbers that Janel was texting with were un saved. This incident has been documented at the request of Janel. tv#566

FEMALE WAS ADVISED ON WARANT

I spoke with Anika Jackson at her residence. Anika stated she had a party with a few of her friends and her child's father, Rodney Forbes. Anika stated that she and Rodney engaged in a verbal argument and she asked him to leave. While Rodney was leaving the residence he told her that he would be back. While speaking with Anika she was heavily intoxicated. Rodney never made any threats to Anika and never stated that he would shoot her house up. Anika stated that she is not in fear of Rodney because she stated he would never do anything to her. I advised Anika on the process of how to obtain a TPO should she choose to do so. BF572

KHYO MASON IN LOBBY TO PICK UP JUV

A traffic stop was conducted by Ptl. Vasko #566. During the course of his investigation it was discovered the front seat passenger, a juvenile, was entered missing through Cleveland Third District. Tanika Washington, the juvenile's mother was contacted to see if she knew his whereabouts. Tanika stated she knew that the juvenile was entered missing even though he was not missing and she has not had time to take him down to the police station for Cleveland to remove him from LEADs. Tanika responded to the Maple Heights Police station to pickup the juvenile. Tanika was issued a citation for curfew with a Maple Heights Mayor's court date as the juvenile was outside during the restricted time without an adult family member. When the juvenile and the driver were asked where they were going they stated they were going to the residence where the vehicle was parked. However, the resident came outside and stated she did not know either two individuals so it appeared as though the juvenile and the driver were out joyriding. BF572

66-WILL COMPLETE

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for a medical call of a 2year old female who was unresponsive but still breathing. Upon my arrival Maple Heights Fire Department was already on scene and assessing the child. While on scene I spoke with the child's mother, Ronia. Ronia reported that last night 03/12/2023 the child was running a high fever, Ronia gave her some medicine and put her to sleep. At approximately 0530 hours Ronia woke up and went to check on the child, Ronia found the child unresponsive and her eyes were rolled to the back of her head, the child was also shaking, it appeared as though the child was seizing. Ronia attempted to wake the child but failed to do so, she then called 911. The fire department took the child to Ahuja and Ronia rode with the ambulance. Their was no evidence of foul play suspected nor any trauma seen on the child.
