On Monday, the family traveled to Maple Heights from Clermont, GA. To clear out the victim's stuff. Upon escorting the sister Kelsey Duckworth and mother to the apartment, the locks had been changed and the television, computers, and tools had been removed. Upon making entry, it was clear that someone had been in the apartment and moved items, cleaned up, and taken multiple things. Upon speaking with the landlord (Jeff) he advised that he removed the CCME seal from the door. I advised him that this was a burglary and he advised that he would call his maintenance man and see if he had any of the items. The maintenance man (Scott) advised that he removed the big expensive items and placed them in storage for safekeeping. Upon speaking with the family they met us at 20101 Clare where items were turned over to the family and anything they did not want was donated and or thrown away. Scott was advised he would need to resecure the door at 15111 Broadway. Nothing further is requested at this time and the family is grateful for all of the help we have provided them.

I spoke with Ryan Burton. Ryan stated yesterday while he had his 12-year-old daughter, Patricia Jackson, he found pictures of her kissing another girl. Ryan contacted Patricia's mother, Cherie Jackson, and advised her of what he found. Cherie became upset over Ryan's findings and was angry at her daughter. Ryan stated Cherie has full custody. Ryan stated Patricia told him later that Cherie beats on her. He further stated Patricia told him she did not want to go home and that she was scared. Ryan stated Cherie asked for him to bring Patricia back as they do not have a parenting agreement and just verbally agreed on him having Patricia. Ryan stated he did not see any marks or bruises on Patricia. He did not think to bring Patricia to the police department yesterday as Cherie told him to bring her back home. Ryan said he spoke with Patricia on the phone today while she was at school and she told him Cherie beat on her when she got home yesterday.

I spoke with Cherie. Cherie stated Ryan has only been involved in Patricia's life for the last fifteen months. After yesterday's findings Cherie stated she was upset as her daughter should be worrying about other things that 12-year old's should be focusing on other than sexuality. Cherie and Ryan disagreed on parenting styles and she asked Ryan to bring Patricia home. Cherie stated emotionally that she does not beat her daughter, but does discipline her due to her going against the rules Cherie lays out. Cherie stated Patricia is now trying to play the different rules of her parents against one another when she does not get her way. Cherie stated Ryan may be trying to challenge her for custody by discrediting her parenting since he his now trying to be involved in Patricia's life. Cherie brought in Patricia and I spoke to her. Patricia stated she has been struck before by her mother and described discipline not abuse. Patricia was scared yesterday because her mother was upset due what was found on her phone and was afraid of being disciplined when she got home. Patricia stated she feels safe at home. COB549

Sherri Wathen-Dubose contacted the MHPD to report her 37yo son, Kristopher Dubose, missing with suicidal tendencies. Sherri stated she received a text message from Kristopher's live-in girlfriend, Michelle Martin, that Kristopher was making suicidal threats through text messages on April 30, 2023 at approx. 1700 hours and he did not come home last night. Today, Michelle received another suicidal text message from Kristopher at approx. 1700 hours, which Michelle forwarded to Sherri. Sherri stated Kristopher attempted suicide in 2019 by taking a lot of ibuprofen. Sherri stated her son suffers from depression and maybe bi-polar and was not currently taking his medication. Sherri provided me with Kristopher's vehicle information, which was ran through Flock. Kristopher's vehicle was last seen at 1808 hours on April 30, 2023 leaving Maple Hts westbound on Granger Rd. Sherri then provided me with a missing persons packet and Kristopher's cell phone number and company (Cricket).

The text message from Kristopher on April 30, 2023 stated he did not want to be here anymore and that Michelle was an amazing person. The text message from Kristopher on May 1, 2023 stated that Michelle can't go where he was going to tonight. Sherri took these text message as Kristopher wanting to harm himself.

Kristopher's phone was pinged in Medina County near Interstate 71 and State Route 83 at 2026 hours. Medina County SO searched the area but did not locate Kristopher nor his vehicle. Michelle was able to speak with Kristopher via telephone at approx. 2100 hours. Michelle stated Kristopher sounded distraught and refused to get medical help. Kristopher's phone pinged again on Lee Rd near Libby Rd in Maple Heights at 2216 hours. Kristopher did not go home, therefore, he was entered as a missing person NIC #M367290268.

MM551

On May 1, 2023 at approx. 2345 hours, officers located Kristopher's vehicle parked across the street from his residence. I spoke with Kristopher at his residence. Kristopher stated he was ok and does not wish to harm himself. Based on the in-direct threats, Kristopher was not going to be pink-slipped, however, I provided Kristopher with resources to help him when he is feeling depressed. Kristopher was taken out of LEADS as a missing person.

Keyona Harper contacted the MHPD to report several females coming to her front door in regards to an iPad. I spoke with one of the females, Don'Naysia Jones, who stated she was friends with Keyona's 17yo son, Devin Jones. Don'Naysia stated she let Devin use her iPad because Devin did not have a cell phone. When Don'Naysia needed the iPad back, Devin got upset. Don'Naysia received a text message from Devin stating her Ipad was outside her house in Cleveland. When Don'Naysia got home, she located her iPad on the front sidewalk of her address. The iPad screen had been shattered. Don'Naysia brought the iPad to Keyona so she could pay for the damage. Keyona refused to pay for the damage to the iPad. Keyona wanted Don'Naysia and her friends, Tarianna Davis, Khyra Fields, and Taylor Robinson, advised of trespassing onto her property, which they were all advised. I advised Don'Naysia how she could file a civil lawsuit either in Cleveland or Garfield Municipal Court.

Khyra had an active warrant for DC within our department, therefore, she was taken into custody.

Delilah Steel contacted the MHPD to conduct a wellness check on her 15yo niece, Cartierre Steel. Delilah received a text message from Cartierre at 1800 hours in this evening that she did not want to go back home to her mothers house. I located Cartierre sitting on the front porch next to her address. Cartierre admitted to not wanting to go back home due to her mother, Courtney, disciplining her for a stolen phone earlier in the day. Cartierre stated her mother was not being physically abusive and that there was food in the house. Cartierre did state she had to sleep on the floor. Cartierre was taken inside her residence. Cartierre's brother was inside of the residence. This information was relayed back to Ms. Steel. I spoke with Courtney, who stated she contacted the MHPD at 2105 hours this evening to report Cartierre not wanting to come inside the house. However, we were never dispatched to this address and no call was located.

PTI Vasko #566 and I spoke with Steven Rich, who Sunrise Pointe staff accused of having a "crack pipe". I asked Steven if he had anything illegal on him to which he stated he didn't. Sunrise Pointe Staff stated Steven hid the pipe in his pillow. I asked Steven if I could check under his pillow, to which he handed me a pillow to show me nothing was underneath. Inside the pillow case, I felt was known to me to be a long pipe shaped object. Inside the pillow case, I retrieved a small homemade tin foil pipe that had suspected marijuana residue in it. Sunrise Pointe stated they didn't want to pursue any criminal charges. Steven was given a verbal warning for paraphernalia and the tin foil pipe was destroyed. LK558

Vehicle was at the dead end of Nitra while officers were investigating shots fired (23-10096270). The vehicle was determined not to be involved. The passenger was arrested on an active warrant through Garfield Heights P.D.

The driver was cited for DUS and the vehicle was towed.

On 05/03/2023, I assisted the Maple Heights Detective Bureau for a traffic stop at 18807 Raymond Street for an investigative stop regarding shots fired in the area. The driver, identified as, Matthew Jackson was driving under a non compliance suspension in a vehicle with OHRP (P990394) (JM1CR2W30A0363934). While police units conducted an inventory on the vehicle, a black jar containing approximately 4 grams of suspected marijuana was found inside a black case near the back seat of the vehicle. Matthew claimed the suspected marijuana was his and was cited with Summons #MA31095. Matthew also was cited for driving under suspension, citation #P32558. Matthew will appear at the Maple Heights Mayors Court on 05/16/2023 at 1530 hours. After further investigation this vehicle and parties were not involved during the shots fired incident. The suspected marijuana was entered into PMI, tracking number 33708. FC567

Sometime between Monday and Wednesday an unknown person did steal the side rails from the flatbed section of the tow truck (these are the rails that keep the vehicle from sliding off of the flatbed). They estimate the value at approximately \$1,800.00. The vehicle was parked on the sidewalk by the building, but there are no cameras in the area. At this time, they just needed it documented for their insurance. They will contact Cpl. Basiewicz if further is needed. STB514

The complainant, Rashee Dudley, advised her daughter, Dachele Hayes (Oct 11, 2005), whom works at McDonalds is having issues with someone named Tarianna (16y/o). Rashee advised someone at McDonalds on Broadway Ave. gave away her daughters phone number to Tarianna and now her daughter keeps getting threatening phone calls to fight someone. Rashee advised she lives in Cleveland and just wanted this documented with the Maple Hts. Police Department. Rashee further advised she would contact McDonalds Corporate to have this issue handled. <p>On May 4, 2023 at approximately 2125 hours, I, Ptlm. Westfield #554, was radio dispatched to I480 E near the Broadway Ave Bridge for an MVA. Upon my arrival, I observed a 2015 Honda Pilot bearing Ohio License Plate #FQE3404 (VIN: 5FNYF4H35FB070434), a 2016 Honda Accord bearing NC Plate DLD7308 (VIN: 1HGCR2F31GA041419) and a 2021 Audi Q8 Bearing Ohio License Plate #JMN5341 (VIN: WA1EVAF11MD043882) parked on the right shoulder on E. I480. I spoke with the operator of the Honda Pilot, Diane Bretz, who stated she was travelling eastbound on I480 and due to the construction on I480 E she slowed down which caused Unit#2 (Honda Accord) to rear end her unit#1. The operator of Unit #2, Vineet Gopinathan, stated he was travelling the same direction and Unit #3 rear ended his unit which caused his unit to rear end Unit #1. I was unable to speak with the operator of Unit #3, Kalyna Syrokhman, who was operating the 2021 Audi Q8. Kalyna did not speak English, however, provided me with license and insurance. Kalyna was listed at fault.</p> <p>Kalyna provided The Cincinnati Casualty Company insurance with Policy #1094105</p>

LOBBY REPORT

Kahlil Timmerman responded to the MHPD lobby regarding a burgundy Honda that has been parking in the parking lot of 16941 Broadway Avenue. Kahlil found this to be suspicious because the Honda parks there during different times of the day and drives away when Kahlil attempts to approach the Honda. Kahlil was advised not to approach the Honda and in the future contact the MHPD to check on the Honda. I checked the area for the Honda and it was UTL/GOA. DF#540

Spoke with the complainant. She advised there have been on going issues with her neighbor, Tammy Goston-Oates. She has had her council person intervene and mediate in the past. Today, Tammy was upset with the complainant because she was on her property trying to edge and weed whack the side yard. Tammy stated the complainant has complained in the past about Tammy, her son and her son's dog being on the complainant's property, so Tammy does not want the complainant on hers. The complainant stated she would edge and weed whack her side yard from her own property, but was worried about Tammy complaining about the grass clippings that would definitely go on Tammy's property. I spoke with Tammy and she said as long as the complainant does not come on her property she doesn't care about the grass clippings because she is not OCD like the complainant. Tammy advised she would not complain in the future about the clippings. Both parties were advised to seek mediation with their council person in attempt to be civil, co-existing neighbors. COB549

566- BOTH PARTIES DO NOT WANT TO PRESS CHARGES// CLEAR

On the above date and time, I Ptl. T. Vasko #566, received a call for service for a female who was assaulted by her ex girlfriend in the area of Granger Rd and East 141 St. The caller, who was later identified as Olivia Pass was located west of the intersection of E. 141 St and Pease Rd. I spoke with Olivia and she stated that her and Khyla Dotson had gotten into a physical altercation at the Granger Court apartments. Olivia had minor injury on her face. Olivia further stated her and Khyla had been in a relationship but never lived together or were married in the past. A Maple Heights ambulance was dispatched and medically cleared Olivia. Due to a shots fired called I advised Olivia to meet me at the Maple Heights Police Station in order to file a report. Once cleared of the shots fired call I was advised that Olivia was at the station and Khyla had arrived on station to file a unauthorized use report because Olivia had taken her vehicle without her permission. After speaking with both parties both decided not to pursue charges against each other and both parties signed waiver of prosecution forms. Khyla took possession of her vehicle and Olivia left the Police Department. TV#566

I called and spoke with Chelsea Thorington who advised she saw two juvenile males pull the Ring camera off of her front porch. One juvenile was described as wearing a santa hat, a blue jacket and dark pants. The other was described as wearing a yellow hat and dark clothes. I spoke with a Spectrum employee nearby who advised he saw a juvenile running from the residence wearing a multi-colored clown wig. Officers checked the area and did not locate any juveniles. I located the ring doorbell camera in the street near the residence. I called Chelsea and advised her the camera would be able to be picked up at the Maple Heights Police Department, and that the incident would be documented. I entered the camera into evidence as found property (TN: 33760). LK558

Vasko #566, responded to the Maple Heights Police Department Lobby for a report of property damage. Upon my arrival I spoke with Shanitra Blackmon who stated that her daughters (Khyla Dotson) ex girlfriend put what she suspects to be chocolate in the gas tank of her Ford Eco sport (VIN MAJ3S2GE9LC319877). Shanitra did not bring the vehicle to the station so I could observe it nor did she get it checked by any vehicle mechanic. Shanitra was advised she would need to have proof of the damages before any further investigation could continue. TV#566</p>

 51- THE ADULT IN THE HOUSE IS A JIMMIE CLEMIS

Felicia contacted the MHPD about a car full of females that keep riding past her house. Felicia stated that the females are wanting to fight guest at her residence. I spoke with one of the guest, Ivy Wimberly, who stated her 15yo daughter, Ebony Haggins, was struck in the face by an unknown female while Ebony was at Gabors Deli. Ebony only described the unknown female as "older" with a red shirt. Ivy was able to tell me that the car full of females resided on Brunswick, but only knows the house not the address. After locating the residence on Brunswick (15016), a large group of females walked inside while noticing my presence. I did speak with a Jimmie Clemis at this residence. Jimmy stated he was the father of the house and that his children have problems with other females at the Tabor address. Jimmie stated there was not physical fight today, but yesterday his daughters fought with females from Tabor at USA park. Jimmie did not identify his daughters. Ivy did not wish to pursue criminal charges, she only wanted the incident document. There were no reported injures.
