FRANK WAS SETTLED IN AT THE EXPRESS IN WARRENSVILLE HTS, THE DOCTORS SIGNED OFF ON HIS TREATMENT AT SUNRISE POINTE AND
HE WAS RELEASED FROM THE FACILITY

Officers responded and spoke with staff. Staff advised Frank's Doctor has released him from care and they were doing an emergency removal from the facility.
The staff stated they have the legal right to do so. They advised they were willing to pay for a hotel for a week so he was not on the street as he was not willing
to be transferred to the facility they had lined up for him to go to. Officers stood by as staff packed Frank's room and medications. Frank would not sign the
emergency removal form as he stated he was going to sue them over his treatment. I signed the form as a witness that he was given a copy. Frank then
asked for the cash (\$500) instead of the hotel room and he would leave. Officers stood by as Frank was loaded into the company van and transported to the
Hotel. CWF528

FEMALE IN THE LOBBY REQUESTING TO SPEAK TO AN OFFICER IN REF TO A CHILD GETTING BIT AT HER HOUSE LAST WEEK
SHE STATES THE DOG WAS IN THE HOUSE AND THE CHILD WAS TRYING TO GET IN THE HOUSE AND THAT IS WHY THE DOG BIT THE CHILD

I spoke with Sheres Anderson in the police station lobby. Sheres stated that she wanted to give her side of the story for what happened with her dog. Sheres
stated that she was not home but her son told her that the kid that was bit by her dog was trying to fight her son. Sheres said the boy was coming onto their
porch as her son was walking into the house. Sheres said the dog came out of the front door and bit the boy because he was walking in the front door to fight
her son. I advised Sheres I would let Ptl. Lowe know what she stated and if he needed to follow up with her he would do so. BF572

51- THE MALE ADMITTED TO WANTING TO COME OVER AND HAVE A PHYSICAL ALTERCATION WITH THE FATHER, BACK OUT AT THE HOUSE

Jene Garner contacted the MHPD because her boyfriend, Timmy Whitfield, and her were engaged in a verbal altercation over the phone. Jene stated Timmy stated he was coming to her residence and will "fight anyone in her driveway". Jene stated the argument was over her speaking to Timmy's mother without his consent. I spoke with Jene's father, the owner of the residence, William Gillmore, who stated he was standing outside to protect his daughter just in case Timmy shows up. Officers observed Timmy driving his orange Dodge Challenger past Mr. Gillmore's residence, therefore, we conducted a traffic stop. Timmy admitted to wanting to come over to fight Mr. Gillmore because Jene spoke disrespectfully to his mother. Timmy was advised of trespassing on Mr. Gillmore's property. Timmy stated he would "squash" the issue and will not be contacting Jene anymore.

On Wednesday, May 17, 2023 at approximately 1109 hours, I, Ptl. Thomas #560, was dispatched to 5321 Warrensville Center Rd., (Giant Eagle), for a theft that had occurred and an assault on a security guard.

Upon arrival, contact was made with contact was made with security guard, Ronald Jones. Ronald stated Damita Monroe crossed all points of sale with \$39.82 worth of goods. The goods were Sugardale bacon, T-Bone steak, and Porterhouse Steak. Ronald ran after Damita in the parking lot. Damita was entering her vehicle while Ronald attempted to get the goods back. Once Damita got into the vehicle, Ronald reached in the vehicle to keep Damita from driving off. Damita open hand smacked Ronald on the left cheek. Ronald was able to get Damita into handcuffs and transported her back to the lost prevention office. Ronald refused medical treatment and had no signs of injury. Ronald did not wish to make a written statement, but agreed to sign a citation for assault against Damita. Giant Eagle lost prevention signed charges of theft on Damita, and Ronald signed charges of assault on Damita. Damita was criminal trespassed from Giant Eagle, and left the scene once she was issued her ticket. Damita was given a Garfield Heights Municipal Court date. MWT#560

On 05/17/2023, at approximately 1341 hours, I responded to 4901 Galaxy Parkway, Warrensville Heights, OH, 44137, and spok to Warrensville Heights Police
Officer Jordan. Officer Jordan informed me that they were dispatched to the Green Inspiration Academy for a sexual offense report. After Officer Jordan
conducted his investigation, he informed me that the alleged offense took place at 18155 Libby Road. I went into the school and spoke to the principal, Kay
Boyd. Kay informed me that she heard a concerning story from one of the students, Renajah Womack (02/04/07) who informed her that she was spanked on
the butt by her 6 year old cousin with a coat hanger while her pants were down. I spoke to Renajah who informed me that sometime in December of 2022, she
was at her cousin Tanya's residence at 18155 Libby Road, and her older cousin, Tarvaris (unknown DOB, approx 17y.o.), held her on the top bunk bed, and her
younger cousin, Zeke (unknown DOB, approx. 6 y.o.) pulled down her pants and slapped her butt with a coat hanger. Renajah stated that Zeke does not live at
the Libby address and only visited there on occasion. Renajah stated she informed her mother, Sandra Womack who informed her that she would take care of
the situation. Renajah was unsure what actions had been done by her mother. Renejah continued to inform me that there had been no other incidents that
involved her nor Tarvaris, and Zeke naked. Renejah only explained that she did not like Tarvaris since he wrestles with her unprovoked. Renejah stated they
have clothes on when they wrestle. Renajah also advised me that she moves around, staying with different family members with no permanent address for her
to stay. This information is documented at this time, and an incident report will be generated if any further information of an alleged sexual assault is obtained or
reported. I will contact CCDJFS to inform them of this incident. On 05/18/2023 at approximately 0915 hours, I contacted 696-KIDS and reported the incident to
them, intake #22672651.

Roxceta stated that she had placed her son's phone on top of his car. The son had driven off down the road and the phone had fallen off of the car. When the son realized the phone ad fallen off, they started tracking it and it was showing at 5604 E. 141st. They knocked on the door and spoke to Ahketa who stated the phone was not there. The son used the tracking app and followed it to the backyard where the broken phone was located. Roxceta stated the phone's Otterbox case was missing from the phone.

Ahketa stated Roxceya had come to the door about the phone, but she told her that she didn't know anything about the phone and closed the door. Roxceya then started pounding on the door. According to Ahketa, several of Roxceya's family members showed up at the residence and she called the MHPD to respond.

Roxceya denied what Ahketa had said and stated that Ahketa had cussed at her and slammed the door closed. Ahketa also told Roxceya she would have to move her vehicle from the driveway, which she did.

Roxceya stated a neighbor had informed her that he had saw a male juvenile from 5604 pick the phone up off of the street. When officers spoke to the neighbor, we were informed they only saw Roxceya's son go into the backyard, pick up the phone and walk out with the phone saying he found the phone they were looking for.

Officers checked the backyard, including where the son had said he found the phone, and did not locate any broken glass from the phone or the Otterbox Roxceya stated was on the phone when it was left on the car before the car drove off.

Roxceya was advised of criminal trespass.

At this time, there is no evidence of who had moved the phone from the street into the backyard. STB514

On 05/18/2023, I spoke to an employee Thomas Roland who informed me that who they believed was Michael Chapman left the business without paying. Thomas further stated that Michael agreed for Nationwide Brake and Tire to operate on his vehicle (make and model unknown) but did not agree on the price of \$425.37 when he went to pick up the vehicle. Thomas explained he turned his back to Michael and when he turned back he noticed Michael driving away in the vehicle that he did not pay the service for. Thomas stated they could not confirm that Michael was the customer they dealt with since the original invoice was made out to a Shiniqua Nickerson. Thomas was advised this incident was documented.

MALE WANTS TO REPORT THAT THE OTHER PARTY INVOLVED IN THE CASES BOYFRIEND CAME TO GIANT EAGLE WITH HER ON FACETIME YESTERDAY LOOKING FOR HIM

I spoke with Ronald Jones, he stated he was involved in a incident with Damita Monroe. Ref:MA2310107701. Damita was advised of criminal trespass from the store and issued two citations. Ronald believes Damita sent her boyfriend up to Giant Eagle to look for him. He was not at the store at the time. he stated other staff members told him there was a male looking for "the security guard." I advised Ronald to contact MHPD if the male returns today. HK #553

I spoke with the caller, Leshon Johnson. Leshon stated yesterday evening he went to the Speedway Gas station for a job interview. Leshon stated after the interview he believed he dropped his wallet somewhere on the property. Leshon stated he called speedway clerk this morning and advised them of this incident. Leshon stated the clerk advised him that they look around their property but was unable to locate his wallet. Leshon stated he had his debit card and social security card inside his wallet. I advised Leshon to cancel his debit card and monitor his credit report. Leshon just wanted this incident documented. I provided Leshon a copy of the CAD incident number. ML563

MALE IN PD LOBBY TO SPEAK WITH A DETECTIVE ABOUT PROPERTY
SAID THERE IS NO REPORT # ASSOCIATED WITH THIS AND NO ADDRESS

On Saturday, May 20, 2023 at approximately 1024 hours, I, Ptl. Thomas #560, was dispatched to the Maple Heights Police Department Lobby for a civil matter. Upon arrival, contact was made with Ivan Gadson. Ivan stated he bought a tractor (semi) from Jerick Hadley and contracted Jerick to work for his business, Cheyenne Express. Jerick and Ivan signed a written contract and agreed on payments to be made with Jerick as long as there was profits every month from Jerick driving. Jerick took out \$1,500.00 in advances in the short time he was driving for Ivan. Ivan owes Jerick \$328.45, since Jerick took the rest out on advances. Jerick quit driving for Ivan and currently has the key to the tractor and key to the lot which is located on Pennsylvania Ave., in Maple Heights, Ohio. I attempted to call Jerick to see if he would be willing to hand over the keys to Ivan if Ivan was provided a police escort. Jerick did not pick up the phone. Ivan was advised he can come in on Sunday, May 21, 2023 to attempt to get an escort for the keys. MWT#560

On the above date and time I, Ptl. T. Vasko #566, while on regular patrol observed a blue Ford Escape bearing Ohio registration JDA3895 (VIN 1FMCU0GD5HUC76684) pass through the intersection of Raymond St and Phillip St without coming to a complete stop at the stop sign. The vehicle continued east bound on Raymond St and then went North onto Thomas Street. The Ford then made a left hand turn onto McCracken Rd passing another stop sign without coming to a complete stop. I activated my overhead light and sirens and attempted to conduct a traffic stop. The Ford was about 600 ft in front of me and continued east bound on McCracken Rd going through another stop sign at McCracken Rd and Erwin St. I attempted to catch up to the vehicle by having to drive about 60 miles per hour in a 25 mile per hour zone. The Ford then turned south onto Tatra St and came to a complete stop. A high risk stop was conducted and the driver, who was identified as Robert Hicks, was placed in handcuffs. The passenger, who was identified as Alya Clayton, was also placed in handcuffs and secured in marked cruisers. Upon Officers approach to the Ford a strong smell of burnt marijuana was coming from the vehicle. A probable cause search was conducted on the vehicle where a scale and small amount of marijuana were located inside (1.8 grams). The Ford was towed by Interstate towing for reckless operation. Robert was given a traffic citation (P-31931) for Reckless operation and a minor misdemeanor citation (MA-34079) for possession of marijuana. Robert was given a mandatory court date of May 31, 2023 at 0830 hours in the Garfield Heights Municipal court. Photographs of the Ford have been uploaded with this CAD number. The scale and suspected marijuana have been entered into evidence (TN#33961).

On Sunday, May 21, 2023 at approximately 1121 hours, I, Ptl. Thomas #560, was dispatched to 14327 Lisa Dr., for a report of damage to vehicle. Upon arrival, contact was made with Tionna Burrage. Tionna stated she suspects her boyfriend, Wayne Johnson smashed the front windshield, rear windshield, and passenger side rear windshield (third row window) out with a retaining wall brick. In front of Tionna's 2011 GMC Yukon, was a gray retaining wall brick, and one retaining wall brick was also in the rear trunk region of the SUV. Tionna did not want to press charges against Wayne, but requested information on how to obtain a protection order against. Tionna completed a written statement and was giving information of how to obtain a protection order. MWT#560

On the above date and time, I, Ptl. T. Vasko #566, was dispatched to the Maple Heights Police Department Lobby for a complaint. Upon my arrival I spoke with the caller, Johnny Deloach, Johnny stated that he had been sentenced to prison on August 21, 2021. While in prison a friend of his who he identified as Sandra Molnar, cleaned out the apartment he was living in and found the title to his 2006 Ford truck (VIN# 1FTPW14516FB06181). According to Johnny, Sandra had forged his name and switched the title of the Ford into her name. Johnny had gotten out of prison today (May 21, 2023) and wanted this incident to be documented. Johnny also stated he does not wish to pursue charges at this time but does want this documented in the event he cannot solve the issue himself civilly. While speaking with Johnny he did not have any sort of proof that the vehicle was ever his nor did he have any sort of documentation of the vehicle being switched from his name to Sandra's without his permission. Johnny was advised to contact the BMV and attempt to retrieve these documents in order to better help him if he does wish to pursue charges against Sandra in the future.

On the above date and time Maple Heights Police units responded to the above address for a report of a disturbance in progress involving Jasmine Williams and her care taker, Asia Garcon. Officers have had many calls involving Jasmine and are aware she has been diagnosed with mental health issues. Upon our arrival the situation was calm and we spoke with Asia. Asia stated that Jasmine had gotten upset because Asia would not call another guardian to take care of Jasmine. Jasmine then broke some glass and put it in her mouth but never chewed it or attempted to swallow it. Jasmine then allegedly told Asia she was going to stab her but instead left the apartment building. Maple ambulance took Jasmine to MaryMount for a mental evaluation. Jasmine cooperated with going to the hospital. Tv566

66- BACK OUT ON TOKAY

On the above date and time, I, Ptl. T. Vasko #566, while on patrol was flagged down by the complainant Danielle Jordan. Danielle stated that at about 2000 hours and unknown juvenile had gone into her garage on Krems Ave and taken a black and orange mountain bike out of her garage and then rode east bound on the bike. The subject was a juvenile black male, who appeared to be about 11 to 14 years old wearing a white t-shirt and black pants. Danielle was alerted to this incident by her neighbor who watched the event happen but was not aware it was not the subject juveniles bike to take. I patrolled the area but was unable to locate the bike or a juvenile matching that description.

On the above date and time, I, Ptl. T. Vasko #566, while on regular patrol, observed a silver in color Hyundai Sonata bearing Ohio registration JIB 6109 (VIN #5NPET46C29H468639) north bound on Lee Rd with no lights on. I activated my overhead lights and sirens and the Sonata came to a complete stop at the intersection of Lee Rd and Maple Heights Blvd. I could see the driver, later identified as Golda Mossiah making a lot of movements inside of the Sonata by reaching into her waistline. Golda was removed from the vehicle and patted down for weapons or other contraband she was trying to conceal. While conducting the pat down a pipe, commonly used for smoking crack cocaine was found on her person. Golda was identified and it was discovered she was driving under suspension. The Hyundai was towed by Kelly's towing and Golda was given traffic citation P-31934 for driving under suspension and having no lights on while driving at night. Golda was also cited with minor misdemeanor citation MA34039 for possession of drug paraphernalia in the Garfield Heights Municipal Court on May 31st, 2023 at 0830 hours.

Photographs of the pipe and vehicle have been uploaded with this CAD sheet.

On the above date and time, I, Ptl. T. Vasko #566, observed a red Chevrolet traveling south bound on Lee Rd. As I began driving behind the Chevrolet, the vehicle pulled into the parking lot of an apartment complex, located at 5208 Lee Rd. Approximately three minutes later I observed the Chevrolet pull onto Lee Rd and upon me traveling behind the Chevrolet a second time, the vehicle pulled into another apartment complex parking lot, located at 5204 Lee Rd. I then observed the Chevrolet pull back out onto Lee Rd, which time I called the Ohio registration JNB9540 (VIN 1G1ZE5ST5GF197065) out to dispatch on the radio. After running the plate through LEADS the owner was suspended and had a warrant for kidnapping out of Beechwood. I conducted a high risk investigatory stop on the vehicle and identified the driver as the owner, Jamareon Brown, Jamareon was placed in handcuffs and patted down for weapons and contraband. As I was searching Jamareon's person I could smell an overwhelming odor of raw marijuana Jamareon stated he had a small amount of marijuana in his pocket which was removed. Once the warrant was confirmed he was transported and custody was transferred to Beechwood Police. Jamareon was cited with traffic ticket number P-131935 for driving under suspension and minor misdemeanor citation MA31141 for possession of 8.1 grams of marijuana. The Chevy was towed by Interstate towing. Jamareon was given a court date of May 31, 2023 at 0830 in the Garfield Heights Municipal court. Photographs of the vehicle have been uploaded with this CAD sheet and the suspected marijuana and a blunt have been entered into evidence (TN#33966).
