 PER 4560 MALE LEFT HOSPITAL LOBBY BEFORE OFFICER COULD SPEAK TO HIM

On Monday, May 22, 2023 at approximately 1305 hours, I, Ptl. Thomas #560, was dispatched to 14317 Summit Ave., for a report of a male being assaulted by a landscaper, and bleeding from the head. Upon arrival, contact was made with Theodore Uber. Theodore was sitting at the top of his driveway on a white patio chair. Theodore had minor scrapes on his left elbow, and a small amount of blood around his nose. Theodore stated he saw a landscaper mowing his neighbor's yard and went to go watch him mow. Theodore then stated they exchanged words, calling each other names and the landscaper, Arthur King, punched him in the face. Arthur stopped punching Theodore again and started walking away. Arthur then walked back to Theodore and starting punching him again. Theodore stated he did not want to be transported to the Hospital, but later stated he wanted to go. The Maple Heights Fire Department transported Theodore to Cleveland Clinic - Marymount Hospital for medical treatment. Ptl. Colangelo #567, spoke with Arthur's wife, Peaches Brown, and she stated Theodore was unhappy Arthur and her were taking care of the neighbor's yard because Theodore used to. Peaches stated Theodore called Arthur racial slurs, other inappropriate names and Peaches fat. As Theodore approached Arthur's daughter who was in the truck, he was calling her racial slurs. Arthur then punched Theodore in the face to get him away from his daughter and stop him from saying racial slurs to everyone. The medical staff had the Fire Department place Theodore in the waiting room lobby to be scene do to his injuries appearing to be minor. I checked the lobby and the Emergency Department, and I could not locate Theodore. I asked a nurse if Theodore had been assigned a room or was in triage or if he should be in the waiting room, and she stated he should be in the waiting room. I looked again and I could not locate him. I also checked the section of the waiting area where you would pay a bill, and I still could not locate him. I was unable to obtain photographs of Theodore due to him being transported and not me not being able to locate him inside the hospital. Theodore left the hospital without medical approval and he did not make any further statement to police. This will serve as documentation of this incident. If any further information is gathered, a report will be completed by Ptl. Thomas. MWT#560

 IN LOBBY TO FILE REPORT FOR A STOLEN APPLE WATCH

On Monday, May 22, 2023, at 1402 hours, I, Ptl. Field #573, responded to the Maple Heights Police Department Lobby for a report of missing property. Upon my arrival, I was met by Janyah Hightowner. Hightowner reported that last week on Monday, May 15, 2023, when she went to class at Tri-C, she saw that her Apple Watch SE (Generation 1 GPS) bearing Serial #G99GpNJRQ07T was missing off her wrist. Hightowner went to Tri-C Police to see if they had on surveillance camera of her dropping her watch but they stated that they did not have her coming into school with it on. A couple days later, Hightowner was then contacted by her grandma who stated that she checked her Ring Doorbell camera and saw that on May 15, 2023 at 0800 hours, a black juvenile male wearing all black had picked up an item off the sidewalk in front of the address at 5455 Oakwood Ave and continued walking towards Stafford Park. Hightowner stated that her grandma did not see her drop her Applewatch on the camera nor did it ping in the area. Today, at 1100 hours, Hightowner went to Milkovich Middle School to see if staff knew who the student was and they stated they did. Milkovich Staff talked to the student and he stated that he picked up a watch but had thrown it into the woods by the school. School Staff and the student checked the wooded area but were unable to locate the watch. Hightowner just wanted the incident documented for insurance purposes. CF573

4573 ADV MALE INVOLVED IF HE NEEDS A REPORT TO CONTACT RTA PD

On Monday, May 22, 2023, at 1521 hours, I, Ptl. Field #573, and other Maple Heights Police Officers were dispatched to 5491 Warrensville Center Rd for a report of two males fighting on the RTA Bus. Upon our arrival, we spoke with a male Reginald who stated that when he got onto Bus #3860 a male only known as Vincent, began to harass him. Vincent continued to make fun of how he looked and told him several times that he wanted to fight him. After awhile, Reginald told Vincent that if he wanted to fight him then "Let's do it." When the bus stopped at the Maple Heights RTA station, Reginald got off the bus to fight Vincent. When Reginald saw that Vincent did not get off the bus, he assumed Vincent no longer wanted to fight him and got back onto the bus. Once Reginald was back on the bus, Vincent once again continued to make fun of Reginald. Through the bus' rear mirror, Reginald saw Vincent throw a punch at the back of Reginald's head. As soon as Vincent made contact with Reginald's head, Reginald then karate chopped the side of Vincent's neck. Vincent's legs then buckled under him and he fell to the floor of the bus. Reginald grabbed Vincent's right arm and put it in an arm bar while others contacted the police. As soon as Reginald let go of Vincent's arm, Vincent then fled the area. Reginald refused any medical assistance and wanted the incident documented. Due to the incident occurring on the RTA Bus, Reginald was referred to RTA Police for any further assistance. CF573

73-WILL COMPLETE

I spoke with the complainant, Anwar Hameed. Hameed explained that 2-3 days ago, while his wife was running errands in Cleveland and Maple Heights, she was told by an unknown person that she was missing the plate to their Ford F-150. Hameed's wife did not relay the information to him. Today, at approximately 1500 hours, Hameed noticed that the rear license plate to the F-150 was missing. Hameed's wife then told him about how the rear license plate went missing while she was running errands 2-3 days ago. It was unknown when or what city the license plate had gone missing from. There are no suspects at this time. Hameed did not complete a written statement. The License Plate was entered into LEADs and given NCIC#P318210916. CF573

CLERK HAS LOCKED THE MALE IN THE STORE

-- From 05/23/2023 15:37:54 To 05/23/2023 15:37:55 Disp R231 --
The money given to the clerk by Lavelle was "motion picture" money, marked as not being legal tender. The clerk did not realize this until the manager realized it. Lavelle is diagnosed MRDD. The store did not want to pursue any charges. They just did not want Lavelle to come back to the store. His uncle responded to the store and took him back to his residence at the Cato House. Lavelle and his uncle were advised that Lavelle cannot return to the store. The clerk destroyed the fake money. GRA519.

CALLER CLAIMS A UBER DRIVER SHOWED UP TO PICK HER AND HER TWO KIDS UP , WHEN THE UBER ARRIVED IT WAS NOT THE DRIVER THAT WAS DISPLAYED ON HER PHONE AND THE MALE TRIED TO KIDNAP HER AND HER KIDS , SHE STATES THE CAR WAS LONG AND BLK SHE TOOK A PICTURE OF IT, THE CALLER RAN TO THIS LOCATION TO GET AWAY FROM THE DRIVER , THE PLATE SHE TOOK A PIC OF IS RMT6565

On May 23rd 2023 at approximately 2238 hours, I, Ptlm. Westfield #554, was radio dispatched to 19715 Mountville Dr. for a report of a complaint of an Uber driver attempting to kidnap the complainants. Upon my arrival, I met and spoke with the complainant, 18-year-old, Lanajah Bradley, 9-year-old, Haiti Barbie, and 17-year-old, Maleeya Fenderson. Regarding this matter. Maleeya stated she ordered a Uber on her account to transport them from her residence 19702 Gardenview Dr, to 1105 Carlyon Rd. East Cleveland. Maleeya stated she received notification from Uber that her driver was arriving. According to Maleeya, they all exited the residence and preceded to walk toward the vehicle Black Cadillac truck bearing Texas License Plate #RMT6565. Maleeya advised the vehicle matched the vehicle on her Uber account. Lanajah stated confirmed the License plate. Maleeya stated the Uber driver exited the vehicle with a Michael Myers mask and opened the rear passenger door. Maleeya stated the driver reached for Lanajah arm and they all fled on foot. Maleeya stated the Uber driver did not follow or attempted to chase them. Maleeya mentioned the driver canceled their Uber and left the area. Dispatch had to send Uber a law enforcement emergency contact regarding this matter. Juveniles were turned over to parents.

Upon further investigation it was found, the male never chased or pursued the customers in any manner. All of the Uber driver's vehicle information matched up with the customer's order request. When the Uber arrived, the operator exited the vehicle and opened the doors for the customers. The customers said the Uber driver was wearing a cowboy hat and Michael Myers mask. Due to poor lighting conditions this could have been misconstrued for a covid mask. It should be noted, the Uber driver was wearing the same cowboy style hat in person as was displayed in his Uber picture. The Uber driver did not touch or grab the customers in any fashion. He simply exited the vehicle and opened the doors for the customers. The customers did not feel comfortable. Therefore, they fled the area. After the customers left, the Uber driver drove away and cancelled the order.

A canvas was completed of the area. No security footage of the area was obtained of the incident. Upon running the male through LEADS and OLEN as well as having dispatch run him, no further contact information was obtained. There was only one entry in OLEN where Joseph M. Salinas through Highland Heights in February of 2023 but no DOB or contact information through Ohio was provided.

 4548- OUT AT THE STATION EM 163902

On May 24th 2023 at approximately 0040 hours, I, Ptlm. Westfield #554, and other Maple Heights Units were canvassing the area of Libby Rd and Warrensville Center Rd. for a report of shots being fired (REF:23-10113071). Officers had the westbound of Libby Rd section off with our mark Units (between Sunoco Gas Station and Shell Gas Station). While investigating, a silver Chrysler 200 cut through the Sunoco Gas Station parking lot in a high rated speed came out onto Warrensville Center Rd. The Chrysler turn right onto Warrensville Center Rd. then made a left turn on Libby Rd. (E/B). Ptlm. St.John #548, and I, attempted to catch up to the vehicle with our overhead emergency lights sirens. The Chrysler stopped in front of 21503 Libby Rd. The operator was later identified as, Vernell Mays II. Vernell stated he was trying to get his girlfriend, Robin Brown, home located at 22031 Libby Rd (apt#203) after a verbal heated argument. Robin was in

the front passenger seat during the time of the traffic stop. The Chrysler was towed by Interstate Towing. Vernell was transported to the Maple Heights Jail and issued traffic citation and one possession of Marijuana. The Marijuana was logged into PMI with TN:33979. (3.9 Grams)

Spoke with the complainant. She stated she left her car keys accidentally on the counter while checking out. I spoke with the owner at Marathon. He stated a black male wearing a white t-shirt, black hat with orange lettering and blue sweatpants took the keys off the counter while checking out and left in a dark colored Cadillac heading south on Warrensville Center Rd. Marathon's cameras did not capture the vehicle's plate as it had a dark cover over it. I checked Flock cameras and was unable to locate the vehicle. The complainant will be having her vehicle towed to a dealership to have a new set of keys made. COB549

THEFT FROM AUTO OVERNIGHT

Good afternoon. My name is chase keeler and I live at 20807 gardenview drive in maple heights with amber Jarden. Last night 5/23/2023 between 10pm and 9am 5/24/2023 someone broke into our 2018 Chevy equinox and stole amber Jarden's wallet which had her temporary paper ID and a credit card and some gift cards. They also stole probably less than 10 dollars worth of change, sunglasses, and some old papers. The vehicle was parked in my driveway when the crime took place.

Chase stated he did not have any security camera footage of the incident. Just wanted the incident documented in case the ID is located or used. Chase indicated there was no damage to the vehicle and it must have been left unlocked. CWF528

FEMALE DID NOT THREATEN TO SHOOT UP MOTHER HOUSE

Upon arrival, officers spoke with Brandy who stated that her daughter Ashley was upset because she failed her driver's test. Brandy stated that Ashley was blaming her for failing and the two engaged in a verbal argument. Brandy stated that Ashley told her that she would be over sometime soon to get the rest of her belongings with a police escort. When Brandy stated that she would need to be home prior to her doing that Ashley stated something along the lines of "you know dad has a gun". Ashley never made direct threats to shoot the house up but had just mentioned her father has a firearm. Brandy stated that she was afraid that her ex-husband or his girlfriend would do something but they have not, nor did they make any threats or statements to Brandy. I advised Brandy on how to obtain a TPO. Brandy stated that she could go to GHMC to file for eviction. Brandy wanted Officers to patrol her street often. BF572

I spoke with the caller, Sophia Love. Sophia stated in 2017 she was on vacation in Orlando, Florida and lost her wallet which contained her driver license and social security card. Sophia was recently notified by enterprise that a vehicle was rented out in her name in Florida. I advised Sophia to file a police report through Orlando Police Department. Sophia just wanted this incident documented. I provided Sophia a copy of the CAD incident number. ML563

Spoke with the complainant. They stated over several weeks the side window of their business has been shot at by what appears to be BB pellets. They had not reported the past incidents. Today a large section actually broke out of the window. A police report was needed for them to file an insurance claim. No cameras are located on the business. MALE IN LOBBY
 REPORT INSUFFICIENT FUND CHECK

Spoke with the complainant. He advised that on 5/9/2023 he was contacted by a party named "Marissa" via email to write a song for a 13-year-old. The parties agreed on \$500.00 to write the song. \$300.00 to be paid up front, \$200.00 after competition. "Marissa" emailed the complainant and advised him she mistakenly sent him a check for \$3000.00. "Marissa" advised the complainant he could send \$2500.00 back to her, which the complainant did via CashApp. The complainant advised two days later the \$3000.00 check bounced in his Huntington Bank account. The complainant contact "Marissa" and advised of what happened. "Marissa" responded that this happens occasionally and not to worry because she would send him another \$3000.00 check to cover the last one. The complainant then spoke with "Marissa's" secretary, "Tara Malone", via email about the second check. He received the check, cashed it and then two days later it bounced again. The complainant attempted to contact "Tara" and "Marissa" with no response. Both checks were sent via email. The checks were from HCC Life Insurance Co. out of Kennesaw Georgia. A phone number for the company just rings busy. The complainant advised a search of the company on the internet shows multiple accounts of fraudulent history. This incident needed documentation for the complainant's banking institution. He was also advised to contact the Ohio Attorney General's Office to report a scam. He was provided the CAD and additional Ohio Attorney General's information. COB549

Riana called the police due to Patrick sitting in his car in front of the residence. Riana wished to speak with Patrick with police present. Patrick approached Riana and accused her of stealing gnus from the home they shared in another city. Riana became upset that he asked about the guns and not his daughter that he has not talked to or tried to see in over a month. Riana denied taking any guns and stated none of Patrick's guns are at her mother's house (1815 Highland). Patrick was suggested to leave the area and file a report where the guns were stolen from. Riana was advised on how to obtain a protection order. CWF528

On 05/25/2023 at 2032 hours, I, Ptl King #558 was in marked patrol vehicle 4425 on Clement St facing North towards the intersection of Clement Ave and Raymond St. I observed a Silver Hyundai Elantra bearing OH registration JWM2049 (Officer's note: this was found to be an incorrect plate and the correct plate should be JUM4106, VIN KMHDC8AE8CU152828, Registered to Laasia Clark) travel East on Raymond St, going through the intersection of Raymond St and Clement Ave without coming to a complete stop at the stop sign. I got behind the vehicle and initiated a traffic stop on Philip St. The vehicle pulled into the driveway of 5115 Philip St. I spoke with the driver, Laasia D Clark, and advised her the reason of the stop. A check of Laasia's driver's license through LEADS showed it as suspended. The plate on the vehicle, JWM2049, was also found to come back to a Saturn, while the vehicle was a Hyundai. I asked Laasia why a different plate was on the vehicle and she advised her plate was expired so she put her ex-boyfriends plate on her vehicle. During an inventory search prior to towing the vehicle, Laasia advised she had marijuana in the vehicle, which was located in the center console area. Laasia was issued citation P29661 for Stop

Sign (ORC 4511.43), Driving Under Suspension (ORC 4510.11), and Fictitious Plates (ORC 4549.08). She was also issued citation MA35178 for Possession of Marijuana (ORC 2925.11). Laasia was given a Garfield Heights Municipal Court of 06/07/2023 at 0830 hours. The suspected marijuana was weighed at 7.83 grams and entered into evidence (TN: 33992). The fictitious license plate was also entered into evidence (TN: 33996). Photographs were digitally attached to this sheet. Kellys Towing took possession of the vehicle. LK558

COUCH WAS SET ON FIRE IN THE BACK YARD OF THIS VACANT HOME
PD HAVE MALE IN CUSTODY WHO STARTED THE FIRE

Nichelle Stafford contacted the MHPD to report a fire in the back yard of 14109 Tokay Avenue. Nichelle stated he knows this address to be vacant. Once I arrived, I observed the MHPD putting out the fire in the back yard. I also observed Robert Prah standing next to the firemen. I know Robert from previous encounters with him. Robert is known to be homeless and at times causing disturbances with members of the community. I asked Robert if he set the fire, which he stated he did because his "boss" wanted him to get rid of the couch. Robert was unable to provide me with a name for his "boss" or the owner of the residence. In addition, officers located an open shed in the back yard which contained a mattress and several artifacts which Robert stated belonged to him. The residence was indeed vacant. Robert was taken into custody under invest, and pending possible charges, while attempts were made to speak with the owner.

Cuyahoga County has the residence belonging to Yam Capital LLC. I attempted to contact Yam at 480-344-0140, however no voicemails were able to be left. Based on this, Robert was issued a citation for violating city ordinance on Open Burning (660.08) and released.

Duane spoke with a mid-age female driving that he described as "heavy-set". Duane stated the female driver argued with him because there was no damage to his truck, therefore, she drove off. Duane was able to get her license plate. The vehicle belonged to Latesha Sanders, which Duane confirmed as the driver using her BMV photo. Duane's truck suffered a small dime-size dent to the rear driver-side bumper. I will follow up with Latesha to complete this report.

On Friday, May 26th, 2023 at 1934 hours, I, Ptlm. Westfield #554, was radio dispatched to Maple Heights PD Lobby for a report of Custody Dispute. Upon my arrival, I met and spoke with the complainant, Shaun Greene. Shaun stated him and his wife, Ahkia Sims, are going through a divorce and are currently separating at the time. Shaun stated Ahkia is currently in Dubai for the weekend and will return on Tuesday, May 30th, 2023. However, Shaun stated he attempted to get his son, Kaylen Greene, from his sister in law, Bianca Stanley, but Bianca is refusing to turn over Kaylen. I spoke with Ahkia on via telephone and Ahkia advised me that she gave her sister, Bianca permission to keep Kaylen until she returns. Ahkia also mentioned that Shaun was not attempting to get Kaylen while she was in Ohio but soon as she leaves for the weekend Shaun want to make a big deal regarding Kaylen and who watches him. Ahkia advised that Kaylen is okay and safe. Shaun wanted this matter document and was provided a CAD # for court documentation. #554

On Saturday, May 27, 2023, at 1427 hours, I, Ptl. Field #573, was dispatched to Giant Eagle (5321 Warrensville Center Rd) for a complaint of a shoplifter. Upon my arrival, I spoke with the complainant, Det. Sperie #501, who was working at Giant Eagle. Det. Sperie advised that the subject, Xavier Norton, put various food items in a bag and then walk past all points of sail without attempting to pay for the items before he was stopped by Det. Sperie. The items totaled \$124.38. Norton was cited for shoplifting ORC 2913.02 (Citation #MA34660) and given Garfield Heights Court date of May 31, 2023 at 0830 hours. DISPATCH CALLING MOM TO OPEN DOOR 216-244-5584 NO ANSWER
MOM GIVEN CITE MA31097 FOR CHILD ENDANGERING

On Saturday, May 27, 2023, at approximately 1535 hours, I, Ptl. Colangelo #567, and Ptl. Field #573 received a call for service for family trouble at 18807 Raymond Street. Chagrin Valley Dispatch advised officers, that the 13 year old caller, Queen Crump stated her mother, Lillian Yarbrough locked her outside of the residence. Upon arrival, Queen stated she was inside the residence to look for her phone charger, after Queen left out of the house, Lillian locked the doors and would not allow Queen to re-enter. Officers went to the front door of the residence and knocked and announced our presence, and Lillian would not answer the door. I was able to hear Lillian shout something to us from inside but since there was outside noise officers could not clearly hear what she said. After several more minutes, officers continued to knock and announce our presence and Lillian refused to open the residence. Officers obtained the number for Lillian and requested Chagrin Valley Dispatch to attempt to contact Lillian, but were unsuccessful. After another attempt to have Queen contact her Grandma and Aunt, Lillian finally opened the front door to the residence but kept the clear glass storm door locked. I advised Lillian that she is responsible for her daughter and she must allow her child to enter inside the residence and she could not lock her out as a punishment. Lillian stated she was trying to "teach her a lesson" and would not allow Queen to come inside. Finally, after several more minutes of explaining to Lillian that she could not deny her daughter entry to the residence, Queen was allowed to enter through the rear door of the residence. I asked Lillian for her identifying information and she refused. I was able to obtain Lillian's information from a license plate number that was in the driveway and the registration came back to her. I verified Lillian's identity through her BMV photograph on LEADS. Lillian received a summons for Child Endangerment, citation number MA31097. Lillian was given a Maple Heights Mayors Court date on 06/13/2023 at 1530 hours.

On 5/27/23, Maple Heights Police Units responded to 16970 Libby Road for a weapons offense. Upon arrival, I, Ptl. F. Colangelo spoke to the caller, Rose Prince who stated her grand kid was outside playing basketball, and the neighbors dog (a gray pitbull) across the street at 16785 Libby Road was loose and ran to the property. After the dog ran onto Rose's property it ran to her grand kid and jumped on him. Rose explained her grand kid was not hurt and had red marks on him from the dog's nails. After the dog's owner, later identified as, Brandon Witt retrieved the dog and brought it back to the residence. Rose stated after Brandon secured the dog, he returned to Rose's residence and had a gun on his hip. Rose stated Brandon did not brandish the weapon at her nor made any threats, but the gun dropped out from Brandon's hip due to it being inside his loose fitting athletic shorts. Rose also stated Brandon informed her that he was sorry and she did not need to contact the police. Brandon then picked up the gun and went back to the residence at 16785 Libby Road and hid inside prior to police arrival. Officers went to Brandon's residence and spoke to Damien Hill Jr. who notified officers that Brandon was inside or may have left and his mom, Roxanne Perry told him to come outside and speak with the police. At this time, officers were unable to make contact with Brandon. Roxanne contacted Chagrin Valley Dispatch and was advised that police would contact her to obtain Brandon's information. I informed Rose once I am able to obtain Brandon's information we would respond back to the residence and have her sign the animal at large citation she agreed to sign. At approximately 1830 hours, I attempted to contact Roxanne and was unsuccessful. Once I can obtain the proper information, a citation will be given to Brandon.

I went to DARE Park on Friend Ave., and canvassed the area. I observed a small amount of charred mulch on the westside of the park. That was the only damage that I observed. I then spoke with the male who reported the incident, and he stated there was a group of approximately 6 juveniles, in the park when the smoke appeared. He stated he has never seen them before and does not believe any of them live in the area. MWT#560

On Sunday, May 28, 2023, I, Ptl. Field #573, at 1446 hours, responded to the Maple Heights Police Department lobby for a report of damage to property. Upon my arrival, I was met by Loomis Martin. Martin stated that last night (May 27, 2023 at approximately 2300 hours, he parked his rental vehicle from Enterprise Rental Car (2019 GMC Terrain bearing TN# BCD8445) in front of his unidentified friend's house at 18407 Highland Dr. A short time later Martin and his friends left the area. At 0700 hours, when Martin went to leave his friend's house, he noticed scratched across the driver door and driver side passenger were the words "Liar" and "Cheater." Martin stated that he did not know of anyone that would damage his rental car. Martin stated that his friend did not have surveillance cameras. Martin did not want to complete a written statement at this time. Martin stated he wanted the information documented for insurance purposes. CF573
