I spoke to the owner of a female black/white Shepard mix. The owner is Mary Perry. Once we walked to the back I observed the dog on a short tether staked in

the ground. the tether was tightly wrapped and tangled on the dogs hind legs making it impossible for the dog to move freely. Mary was advised regrading the length and the amount of time the dog is being tethered. Mary was also informed that the dog can not be kept tangled up as so. I told her these violations are all citable offenses. She was advised and let off with a warning however if i have to return to the residence for the dog that she would receive a citation. 610 J. I spoke with Tyree Harris, he stated an unknown number sent him a text message in reference to "women and his business being impacted due to something Tyree did." Tyree stated he was unsure what the issue was. The text was sent from an unknown out of state number and the party advised the name was Thomas. I attempted to call the number several times and I did not get an answer. I also texted the number from a Maple Heights Department phone. I advised Tyree to continue to document the messages. I was not able to ID the unknown person sending the texts. The text did have Tyrees mothers address in it. If anything needs to be added to this I will attach at a future time. HK #553

4553 TO COMPLETE.

I spoke with Thelma Ephraim, in the Maple Heights Police Department lobby on 10/2/2023. Thelma stated her grandsons girlfriend, slashed the tires on her white mercedes and spray painted the word "Fuck" on her front hood. One of Thelma's neighbors observed two young females on Thelma's property in between the hours of 0300-0400am. She stated she also has video of Tatiana on her Ring camera. She was not able to show me the video footage. Once I watch the video and gather more information on the suspect, Thelma wants Tatiana to pay for the damage. If Tatiana does not pay for the damage she wishes to pursue charges. I will make this a report if Tatiana does not give Thelma money for the damages. Tatiana did not answer my phone calls. I will attempt to call her a few more times before doing criminal charges. HK #553

Ptl Fronzaglio #572 and I responded to 20101 Clare Ave at 2113 hours on 10/02/2023 and spoke with Michael Hayes while we were outside his residence and he was at his sliding glass door. Michael was highly agitated and advised he no longer needed police assistance (23-10221156), at which time he slammed the door in officers' faces. Michael then came to the police department and stated he was upset because he had been arguing with a dispatcher. When Ptl

Fronzaglio and I attempted to ask him how we could assist, Michael stated an unidentified male had been at his house for the last two days and Michael wanted him to leave because he was being disrespectful. When asked who this male was, Michael ignored the question. Michael tried to talk over officers while they were explaining his options, however Michael stated that the male did not live at his residence, and that he had the males property which he planned to leave at the police department. Michael also stated that someone appeared to have attempted to pry the front passenger side door of his 2013 silver Hyundai bearing OH registration HSF2266 (R/O Michael Hayes, VIN KM8JU3AC3DU547728) while it was parked at 20101 Clare Ave. Ptl Fronzaglio checked on the vehicle in the police department lot and did not notice any damages. I had to advised Michael several times that he could not leave the males property at the police department and that he couldn't put it in the dumpster at the police department. Michael was repeatedly advised to call police if the male returns and police would assist in a property exchange at that time (23-10221205). I then observed Michael back at the dumpster in the police department lot and readvised him of my warning of putting the property in the dumpster. Michael then left the area without issue. LK558

I spoke with Walter Magic in the Police Department Lobby who advised he was at the ATM at Key Bank at Warrensville Center Rd and Libby Rd at 1830 hours. Walter was driving a gray 2017 Ford Explorer bearing OH registration JCR3805 (VIN 1FM5K8D84HGA55659, R/O Walter Magic). Walter advised he believes he left his bank card at the ATM as it was the last time he remembered having it. Gianna provided Walter with claim #23100302040C and reference #7JCV1XVAA. Walter advised me the Key Bank card was for his business located at 5242 Warrensville Center Rd, Nu & More Clothier LLC. Walter was not able to access his Key Bank account through his phone as his account was currently locked, however advised he would return on 10/04/2023 to provide bank statements showing the fraudulent transactions. The vet had brought them inside and held them until i arrived. We observed how skinny both dogs were and severely malnourished. Once I picked the dogs up I informed County and they were transported down there.

I called and left a message for the American Legion who just recently installed new cameras in hopes there is footage of how the dogs arrived. J. Houchins 610

Debbie stated that another individual who is registered in the center, named Marta was in the bathroom with Maureen at the time. Marta did not report seeing Maureen being touched and she did not report her being touched as well. Albert informed me that the County MUI Investigator that is assigned is, Bonnie Demopolis and they have started their own investigation. Albert contacted Joseph via phone and left a message to have him contact Maureen's father, Albert Kever to respond to the Maple Heights Police Department to file a report if he wanted to. I spoke to 14-year-old juvenile, Corbyn Crayton. Corbyn stated that he was walking near 5524 Grasmere Ave, when he saw a female breaking the front windshield of a vehicle where his 16-year-old juvenile friend, Kendal Matthews, resides. Corbyn stated that the female that did it was a 14-year-old female juvenile named, Tayasa Johnson. Corbyn did not have any further information on Tayasa besides that he met her from online. I spoke to Kendal who stated that he was at the library at the time of this incident and was notified by Corbyn that Tayasa busted the front windshield to his mother's, Ayanna Matthews, vehicle. Corbyn and Kendal stated that they both saw Tayasa walking with another female on Lee Rd. northbound near Raymond Ave. Kendal does not know who Tayasa was and never saw her before. The vehicle came back to Ayanna, Kendal's mother. Kendal stated that Ayanna was at work and will stop at the Maple Heights Police Department lobby to fill out a statement and to see if Ayanna would like to press charges. If Ayanna wishes to pursue charges, a report will be generated. Photos of the damage are attached to this call sheet. JL #574

On 10/5/23 at 1151 hours, I was dispatched to the above address in reference to a theft / protection order violation. I arrived on scene at 1158 hours.					
Upon arrival, I spoke to the caller, Nakeasha Hauser. She advised her brother, Myron Hauser and grandmother, Jacqueline Hauser came over to her apartment at approximately 1130 hours. Nakeasha stated she was in the shower at the time. She advised they entered through to the rear sliding glass door, as it was partially open. While in the apartment, Myron allegedly took a twenty dollar bill that was lying on the kitchen table.					
Nakeasha stated Myron is not allowed to be around her or her mother, Tasha Hauser as there is a protection order in place. Tasha also resides at that address. However, she was not home at the time. Nakeasha stated she just wanted to document that her brother was at her residence. Nakeasha was intoxicated at the time I spoke to her.					
A check though LEADS showed no protection order in place for any of the parties involved. I cleared the scene at 1211 hours. No further action at this time. JL575

On the above date and time, I, Ptl. T. Vasko #566, responded to the above address for a disturbance. I spoke with the caller, Jermaine Roach, who stated his aunt, Carol Curry, locked him out of the house. I spoke with both parties and determined that the above address is Jermaine has established residence at the house. Jermaine has been staying at the address for about four years and actively gets mail at the address. It was explained to Carol that she cannot keep

Jermaine from the residence. Carol did not agree with this and we advised her of the eviction process.

During the investigation it was found Jermaine has an active warrant for criminal damaging out of Maple Hts. Jermaine was arrested and taken back to the Maple Heights Jail where he stated he was starting to have chest pains and was transported by the Maple fire department to the hospital. Jermaine was not given a new court date and the warrant remains active.

 HOSPICE NURSE ARRIVED AND TAKING OVER.

Upon arrival, I spoke with James Humr who stated that he hand found his mother Sylvia Wrentmore deceased in her bed. James stated that Sylvia had been in hospice for the past 5 weeks. I went into Sylvia's bedroom where I found her deceased on her hospice bed. James stated that he last spoke to his mother around 1800 hours. I did not observe any signs of trauma, foul play, drugs or alcohol. The Maple Heights Rescue Squad arrived on scene and confirmed that Sylvia was deceased. Dr. Robinson from Marymount declared time of death to be 2013 hours. Sylvia had a DNR. I contacted the Medical Examiner's office who stated they would release the body to the Hospice Care facility, Harmony Hospice Care. Nicole from Harmony Care arrived on scene and began making arrangements with James for Sylvia. BF572

OFFICERS OUT CHECKING ON SOME MALES THAT WERE TRESPASSING AND J WALKING. MALES TOOK OFF RUNNING ON BROADWAY BY SOME STORES.

On October 6, 2023, at approximately 2045hrs, Chief Hansen, Sgt. Faunce and I, Det. M. Heitzer, were at the Maple Heights Football game. I was requested by Chief Hansen and Sgt. Faunce to assist them with checking on a group of juveniles who were standing outside of the stadium fence. The majority of the individuals were wearing face masks and had their hoods up, believed to be in an effort to conceal their identities. When we approached the group, several of the juveniles jay-walked across Mapleboro Avenue at West Boulevard before officers engaged with them. One of the individuals who jay-walked and fled was wearing red pants, a baby-blue hooded sweatshirt and a surgical mask which stood out from the rest of the juvenile's outfits. Some of the juveniles that jay-walked away from us continued on West Boulevard before running away and, it should be noted, we were not in chase. Some of the juveniles that ran, ran into backyards of private residences. I found this activity highly suspicious and believed it was likely one of the individuals who ran was in possession of some sort of weapon. After the juveniles jay-walked and fled from officers, they grouped back up and were observed by school security personnel and uniformed officers, still walking around the school property. With the football game coming to an end, I believed the individuals were going to attempt to create or be a party of some type of disturbance or violent act when the crowd exited the football stadium. A high school principle noticed the group standing in front of Smart Mart, 16477 Broadway Avenue. I approached the group and detained the individual in red pants, baby-blue hooded sweatshirt and surgical mask, because I knew he had jay-walked. Other individuals around Lavondre left him and some ran away. The individual was identified as Lavondre Collins. Lavondre was cited (P31415) for Jay-Walking and released. A photo from Sgt. Faunce's POV footage was captured of Lavondre jay-walking and added to the digital media portion of this report. Lavondre's mother, Olivia Strong, was notified of the citation by phone. MH547

Units responded to the above address for a disturbance. upon arrival we spoke with Beverly Garvin. Beverly stated that it must have been Daisha Phillips, her roommate who called to police due to a verbal argument both parties had just gotten into. Beverly called for Daisha to come down but she refused to cooperate. When Daisha did come down stairs to get into her vehicle she would not speak with Officers or tell Officers why she called in the first place and only stated "do yalls job" when asked to explain what happened Daisha got into her vehicle and refused to speak with us. It did not appear their was any physical injury on either party or any evidence of a physical disturbance. tv566

 PAM ON THE LINE ADVISING OF HIS NAME STEPHEN OGLETREE AND NUMBERS 216-346-6004 AND 216-760-5023 WANTING US TO LET HIM KNOW SHE IS AT THE STATION WAITING ON THE POLICE ESCORT
 553 TO COMPLETE

On Sunday, October 8, 2023, at 1257 hours, I, Ptl. H. Kaur #553, responded to the Maple Heights Police Department lobby. I spoke with Pam Ogletree, she stated her ex husband, Steven Ogletree had an agreement made with her in court earlier this week to go to 19610 Libby Rd and 18710 McCracken Rd in Maple Heights. Per court order Pam was to photograph multiple vehicles on different properties belonging to Steven. This was for a appraisal on all of the vehicles. Pam was at the Maple Heights PD lobby to get an escort to the addresses. I contacted Steven to see if he is at the residence. Steven advised me he photographed the vehicles and texted the photos to Pam. Steven stated the court did give Pam permission to go to the addresses however, this was causing issues between him, his mother and his sister, who did not want Pam on their property. Steven stated he texted the photos to prevent further problems. Steven also responded to the lobby at a later time and showed me the photographs he sent to Pam. All messages were time stamped to 1311 hours. The first message sent at 1104 hours in the morning advising Pam he will forward her all the photos.

Officers Note: Pam advised me she did not get the photos from Steven. I called and spoke with her after Steven responded to the lobby and she said the pictures came through except the "Sheldon Rd" photos. I advised Steven. He showed me photos of two motorcycles and over four vehicles which were all sent to them. HK #553

On Sunday, October 8, 2023, at 1704 hours, I initiated a traffic stop on a silver 2011 Chevy Impala, Ohio Registration. The driver of the vehicle exited the vehicle quickly and walked towards me. I detained the driver, (See criminal report for further.) The passenger, identified as Khalia Walker-Medley, had multiple open containers by her feet on the passenger floor board. She was also detained. Ptl. H. Kaur #553, did a safety pat down and located a small blue bottle in Khalia's bra on the left side of her breasts. The container had a small amount of raw and burnt marijuana roaches. Khalia was issued two citations. See criminal report for charges against the driver of the vehicle. Khalia was released on scene after her citations were issued. ML #563
