Upon looking at the shoes, they were hardly worn and I asked Alvin if they could have been a gift that he had forgotten about? Alvin stated that possibly may have been the case. Additionally, Alvin allowed me to enter the residence and the residence did not appear that anyone had forced entry inside and no items of value were missing. Alvin stated he wanted this information documented. After leaving the residence, Alvin contacted Chagrin Valley Dispatch informed me that Alvin contacted them and transferred his call to the station. Alvin informed me that approximately 500+ adult movie DVD's appeared to missing. Alvin stated he would like this information documented as well.

I spoke to complainant, Chase Harshbarger. Chase stated that he is with the Cuyahoga County Board of mental disabilities. Chase met with one of his clients, Jeffrey Lewis, today, September 11, 2023 at the Adult Activities Center, 14775 Broadway Ave. Chase stated Jeffrey has several mental disabilities to include intellectual function disability. Jeffrey also cannot communicate verbally and communicates through note on his phone. During Chase and Jeffrey note conversations, Jeffrey wrote a comment that he wanted to kill a guy that killed his friend, Maurice Bryant, back in April 2023. Jeffrey also commented that his friend, Torue (unknown correct spelling on first name or last name) would help him kill the guy. Chase did not have any information or the name on whom Jeffrey wanted to kill. Chase stated Jeffrey always deletes the conversations after Jeffrey types the messages. Chase stated that Jeffrey currently resides at 5694 Harrison Ave., in Maple Heights with his grandmother, Sandra Carr.

I went over to 5694 Harrison Ave., and spoke to Jeffrey and Sandra. Jeffrey stated that he was having a breakdown and understood that he cannot make those type of comments. Jeffrey did not have any information to provide me on "Torue". I had a hard time communicating with Jeffrey due to his disabilities. I spoke to Sandra regarding this incident. Sandra stated that she believed that Jeffrey has been hanging out with the wrong person. Sandra stated due to Jeffrey mental state, Jeffrey wants to be friends with whoever speaks to him. Sandra stated that she had a talk with Jeffrey last night in reference to this matter and will speak to him again about making those type of comments. Sandra stated that she will contact me if she obtains anymore information regarding this incident. JL #574

RP STATES THAT SHE WAS ATTEMPTING TO DEPOSIT MONEY FROM HER BUSINESS ACCOUNT INTO HER PERSONAL ACCOUNT AND THE BANK DOESN'T SEE THE DEPOSIT AND SHE ALSO LOST THE RECEIPT. HER BANK IS REQUESTING HER TO MAKE A POLICE REPORT SO THEY CAN PULL CAMERA FOOTAGE

I spoke to Bertha Holiday. Bertha stated to me that on Saturday, September 09, 2023, she received a direct deposit from Holiday Daycare for approximately \$871.00 in her Dollar Bank Account. Bertha continued to explain that she withdrew \$500.00 from that account and deposited into another Dollar Bank Account that was for the Daycare Center. Additionally, Bertha stated she spent approximately \$150.00 at the wig store located on Northfield Road. Furthermore, Bertha withdrew and loaned \$100.00 to her son in law toward a down payment for a vehicle. Bertha checked her bank account again and stated her account was at a negative sum, and was not sure how that could be since she should have more in the account. Bertha contacted Dollar Bank to let them know of her concerns and the bank employee stated that they could not see any of the deposits on the accounts. Bertha stated that the Dollar Bank employee informed her to make a police report and they will investigate the discrepancies. Bertha received this CAD Number and stated she will follow up with Dollar Bank.

On the above date and time, I, Ptl. N. Ross #570, responded to the Turney Dunham Plaza for reports of a group of juveniles that were suspected to have stolen items from the Dollar General store. On arrival I spoke with Dollar General employee Malik Richards. Malik stated a group of approximately 4 Juveniles came into the store and grabbed miscellaneous snack foods off the shelves and ran out of the store. It was also reported that the juveniles left the scene on bicycles. Malik estimated an approximate value of \$100.00 for the goods. I left the store and searched the area for a group of juveniles on bicycles. No groups were able to be located. No suspects have been identified. If suspect information is discovered, a report will be generated. NR570.

On the above date and time Maple units responded to the above address for a disturbance. Upon arrival, we spoke with Willie Sanders and Rashana Brooks. An arguments ensued between the two of them over Rashana wanting Willie to leave the house. Willie has established residency at the house and it was explained to Rashana that we can not force Willie to leave. Rashana would not elaborate more of Willie "putting his hands on her". Willie denied ever touching Rashana and said that she was upset because he would not give up his residency at the house because he paid rent already. I observed no evidence of domestic violence on either party. Rashana was advised how to file for eviction and Willie left to go to work. TV#566

COMPLETE.

Mariah stated she is receiving phone calls and texts from Melanie Guerry. Mariah stated Melanie is calling from blocked numbers and texts messages. Mariah stated this from her being involved with a male, who told her he was divorced but is supposedly still married to Melanie. Mariah has cut all contact with the male. Mariah stated she is going to file for a protection order (NOTE: I located a call from 09-06-23 where Mariah was informed on how to obtain a protection order, but still has not done so. At this call, Mariah gave Melanie's last name as Williams). Mariah is going to record any future calls from Melanie and will be filing for the protection order this week. At this time, she just needed the documentation for the filing. STB514

On Wednesday, September 13, 2023, at 1234 hours, I, Ptl. H. Kaur #553, responded to the Maple Heights Police Department lobby for a harassment report. Upon my arrival, I spoke with Crystal Latson, she stated a female by the name of Jacqueline Barnes has been harassing her since June, 2023. She stated this has been an ongoing issue and she wishes to file a protection order. I provided her with all the information needed to obtain the TPO downtown. Jacqueline has been provoking Crystal to engage in physical altercations with her when she sees her in public, and she has been making threats to harm Crystal and her children at home. She also stated Jacqueline drives a silver two door Audi which Crystal has seen parked in front of her home along with several degrading notes located on her front door that are addressed from Jacqueline to Crystal. She also said a black truck was seen parked in front of her house that she believes Jacqueline sent there. Crystal stated she wishes to document all of these incidents for her safety and to assist in getting a protection order. I spoke with Jacqueline, she stated she is Crystal's landlord, the section 8 transferred from Crystal's mothers name. She stated her company tried to evict Crystal. She stated Crystal has not paid her rent since April of 2023. She stated the water bill is \$18,000 dollars and she took the hit for it. She stated the issues began over rent. She also told section 8 that Jacqueline gave her permission to move out of her section 8. While she advised Jacqueline she would pay her money. She stated her section 8 was being changed to an Akron location. Crystal owes Jacqueline \$8,000. dollars. Crystal changed the locks on the residence and she also got upset because Jacqueline "texted" Crystal a 72 hour notice. This caused Crystal to get upset. Crystal has not taken Jacqueline to court. This matter is being handled in Civil Court. HK #553

Gia Lewis contacted the MHPD to report her co-workers purse being stolen by a customer. I spoke with the victim, Tina Collins, who stated she placed her purse on the cashier counter so she won't forget it when leaving for the day. Ms. Collins stated the entrance doors were locked thats why she put her purse there. Gia left out the doors to assist another customer which left the door open. A male wearing a yellow polo and white pants with a black baseball hat came into the store. Gia stated he purchased gas and left out. Immediately when the male left, Ms. Collins noticed her purse missing. I reviewed the security camera's at Circle K and confirmed that the male had taken the purse. The camera showed the male driving an older model Chry Town & Country. Flock Cameras was able to capture this minivan traveling eastbound on Libby Rd with a KY RP. Ptl. Vasko was able to locate this vehicle shortly after inside the Rally's drive thru. The male, Isiah Good, admitted to taking the purse because he was desperate. Isiah admitted to spending \$28.00 at Rally's to feed his children. Ms. Collins was notified, however, she did not want to purse criminal charges. Isiah returned all Ms. Collins property including \$28.00 in cash, which satisfied Ms. Collins. Isiah was advised of trespassing onto the Circle K property.

CALLER WAS ADVISED TO COME TO THE STATION TO SPEAK FURTHER ABOUT THE SITUATION.

On 09/14/23 at 1916 hours, I was dispatched the the above address in reference to a dispute over dog ownership. I arrived on scene at 1920 hours.

Upon arrival, I made contact with the caller, Cherie Jackson in front of the residence. She was visibly upset and yelling back and forth with the resident at that address. I was able to get the parties separated and first spoke to Ms. Jackson. I asked what the dispute was about. Ms. Jackson advised her dog escaped from her home approximately 6 days ago. She believes the resident at 5177 Camden Rd., Jazman McMichael has her dog. Jackson stated friends and area residents advised her they saw her dog at that address. She then went to the residence and observed what she believes is her dog. The dog is a small white male mixed breed, with long white hair. I asked Jackson if she had any photos of the dog. She provided me with two photos of her dog (see attached). Jackson advised the dog is approximately two years old. I then asked her what the dogs name is. She stated they call him either Leo or Fat Fat. I then asked her if she had reported the dog missing. She stated she did not. Also, the dog does not have any tags or micro chip. I asked if she had any vet records or any other paperwork that could be used to identify the dog. She advised she has shot records from her vet. However, she was not able to provide them.

I then spoke to the resident at that address, Jazman McMichael. I asked to step inside the home to see the dog in question. She invited me in and showed me the dog. The dog was very similar in size, breed and color. However, I am unable to definitively tell if it is the same dog in the photos. The dog in question also has dyed blue hair, which makes identification more difficult. Jazman stated she has had this dog, who she calls Mason for about one year. I also asked Jazman the same questions regarding paperwork, vet records etc. She also did not have any documentation. She advised she got the dog from a family member. She did advise she recently took the dog to a groomer on Warrensville Center Rd for skin irritation. She could not tell me the name of the establishment, nor did she have any receipts. A neighbor advised the dog has only been in Jazman's home for about a week. However, she would not provide a written statement.

I then attempted to call the dog by the names given. At first, the dog responded to both names. I waited a few minutes and tried again. This time, the dog did not respond to either name. I then determined there is insufficient evidence that either party is the dog's owner. I advised Ms. Jackson this is a civil dispute. Officer

King #558 and I attempted to explain the procedure for a civil claim to Jackson. However, she became extremely irate and accused officers of being racist. She yelled to her daughter, who was also on scene, "you see, this is how they treat black people!" Officers then cleared the scene at 2009 hours, after advising Jackson to leave the residence..

At approximately 2012 hours, Officers were called back to the residence for another disturbance involving Jackson and McMichael. Jazman advised that Ms. Jackson had walked onto her front porch, but had left by the time police returned.

At 2113 hours, Ms. Jackson came on station requesting to file charges on Ms. McMichael for theft. She was again advised the process for civil claims. Jackson was supplied with the report number and advised to gather any documents that would support her civil claim. A criminal complaint may be generated if additional supporting information or evidence is produced. JL575 / LK558

On September 15, 2023, I, Ptl. T. Vasko #566, responded to the area of Woodbrook Ave and Dunham Rd for a report of a suspicious vehicle. Upon arrival, I located the vehicle and it began to drive away from me when it had seen me. The vehicle drove a block north and parked in a driveway. The Driver, Brayman Harris, was seen walking to the house attached to the driveway and then moments later walking through backyards on the opposite side of the house he parked in. I stopped Brayman and based of my training and experience believed him to be intoxicated. Brayman was placed under arrest and a search was conducted on the vehicle he was driving. During the search Officers located an open container and a Canik TP9SA handgun in the passenger seat. TV#566

I spoke to manager, Bennie Gentry. Bennie stated that three black males and three black females came into the store and filled up three totes of items. One tote was full of socks, the other tote was full of t-shirts and the other tote was full of laundry Tide Pods. Bennie stated that prior to police arrival, all the suspects left the store without any merchandise and scattered in the parking lot. Bennie stated one male appeared to get in a black Toyota sedan with tinted windows. Bennie did not have video footage to show police. Bennie stated that he will contact the police if they return and just wanted this documented. JL#574

73 TO FINISH DISPO

On Friday, September 15, 2023, at 1715 hours, 1 Ptl. Field #573, along with other Maple Heights Police Officers responded to 5177 Camden Rd for a complaint of a Civil Matter. Upon my arrival, I was met by Jazman McMichael, who stated that her son, Jabris McMichael (11 years of age) was walking their dog Nelson (a small white/blue dog), when a female, later identified as Cherie Jackson, had pushed him to the ground and took the dog from him (the child later said he was not pushed). Jazman stated that this is an on going issue with Jackson and that they had to contact the police last night in reference to this issue (REF MA23-10207198). Jackson stated that her children's father had gotten them the dog approximately 7 months ago but stated that that she did not have any shot records, pictures or paperwork for it. Additionally, Jazman stated that she dyed the dog blue a few months ago so that way people would not mistake her dog for theirs.

Officers responded to 19415 Maple Heights Blvd and spoke with Jackson who stated that she had not been over to Camden Rd but that when she returned home from waiting for the escort at the Maple Heights Police Department their dog Leo was in the house in the cage. When Jackson was asked how the dog had gotten into the cage, she refused to answer officers and would only state that the dog had returned home. Jackson also stated that approximately 6-7 days ago, their white dog Leo had run away. Jackson was told by neighbors that they had seen Leo at the address of 5177 Camden Rd. When Jackson asked Jazman for Leo back, Jazman refused and stated it was her dog that she has had for several months. Jackson then provided officers paperwork for Leo.

While officers were speaking with Jackson, an independent witness who wished to remain anonymous, stated that earlier while Jabris was walking the dog, it had gotten away from him. The dog then saw Jackson who was walking on Camden and ran to her. At that point Jackson picked up the dog and left the area. Additionally, the witness stated that Jazman has not had the dog for 7 months but that the kids had brought it to her house approximately a week ago. Jazman immediately dyed the dog blue.

We advised Jackson that the dog would be staying at her residence for the time being but that once again this was a civil issue. Additionally, Jackson was advised of possible criminal trespass charges if she were to return to 5177 Camden Rd.

Officers returned to 5177 Camden Rd and advised Jazman of officers determination and of independent witnesses observations. Jazman was also advised of possible criminal trespass charges if she were to go over to 19415 Maple Heights Blvd to retrieve the dog. Jazman then stated to officers that if they were not going to assist her with retrieving the canine then she would go take matters into her own hands. CF573

I spoke to complainant, Kenton Kamb. Kenton stated that he was working at Southgate Key. When Kenton went outside, he observed a blue PT Cruiser with registration of OH-JYV6412 backed into his vehicle on the passenger front of the vehicle. Kenton believed it was an angry customer who was in the store earlier. I did not observe any damage on Kenton's vehicle. Kenton stated that he just wanted this documented at this time. Photo of the front of Kenton's vehicle is attached to this call sheet. JL #574

On Saturday, September 16, 2023, at approximately 0913 hrs., I, Ptl. LaVaglio #574 observed a red Chevy four door bearing Ohio registration of JKV3209 traveling westbound on Libby Rd., at Cato St., following a Maple Heights Rescue squad that was responding with lights and sirens to a medical call. The vehicle followed the Rescue Squad in the center turn only lane passing several vehicles on Libby Rd. The vehicle was stopped and I made contact with the driver, Jameer Wiley. I asked Jameer if there were any guns in the vehicle and he stated that he had a weapon in the glove compartment and a loaded magazine in the center console. The serial number was ran through dispatch and came back nothing on file for being entered as stolen. FTO Thomas observed a bag of marijuana in in the cup holder next to Jameer. A vehicle search was conducted and several bags of marijuana were located in the vehicle. Jameer admitted that the marijuana was his. Jameer was under a non-compliance suspension through LEADS. Jameer was issued a summons for possession of marijuana and a traffic citation for lanes of travel and driving under suspension. Jameer was given a mandatory court date at the Maple Heights Mayor's Court for Tuesday, October 03, 2023, at 1530 hrs., (Ticket number P31985 and MA31591). The vehicle was impounded by Interstate Towing. The total approximate weight of the marijuana was 132 grams. The marijuana was entered into evidence (TN:35896). Photos of the confiscated marijuana were taken and attached to this call sheet. JL #574

I spoke to complainant, Brittany McNair. Brittany stated yesterday, September 15, 2023 at approximately 1915 hrs., a white four door vehicle (unknown vehicle registration), went down her street firing what she believed was a gel blaster gun toward her residence (shooting small, non-toxic, water beads). Brittany stated that it appeared that there were two black males in the vehicle. Brittany's 13-year-old juvenile cousin, Jovan (unknown last name), was struck in the back with one of the water beads. Jovan was not present on scene and stated that Jovan and his mother reside somewhere in Solon. Brittany provided a photo of the white vehicle and it is attached to this call sheet. Brittany stated that none of her children were hit or hurt. Brittany was advised to contact the police immediately if the vehicle returns. Brittany stated that Jovan and his mother will come to the police department today, Saturday, September 16, 2023 to report Jovan's injury. As of Saturday, September 16, 2023 at 1740 hrs., Jovan and his mother have not shown up to the Maple Heights Police Department. JL #574

4573 - MR. ANDERSON WAS CITED X3

On Sunday, September 17, 2023, at approximately 0103 hours, I, Ptl. Field #573, while at the intersection of Libby Rd/Lee Rd, I observed in front of me a gray 2019 Kia Optima bearing OH License Plate #JIB7603 without its headlights on. When the Kia turned northbound onto Lee Rd, I activated my overhead lights and siren and conducted a traffic stop of the Kia. Upon my approach of the Kia, I advised the operator, identified as Stephan Anderson, of the reason for the stop and observed that he also did not have his seatbelt on. While speaking with Anderson I observed in the cup holder a clear plastic cup containing suspected tequilla. Anderson was issued Traffic Citation # P28988 for seatbelt (438.29b1), and headlights required (438.02). Anderson was also issued Citation #MA35254 for open container prohibited. For the citations Anderson was given the Maple Heights Mayor's Court date of October 3, 2023 at 1530 hours. Anderson was given a copy of his citations and advised of his court date. CF573

On the above date and time Maple units responded to the above address for a report of a disturbance. Upon our arrival we were met with a highly intoxicated George Fields. George was unable to make a full sentence without slurring his words or stumbling. George stated there was no problem and we can leave. I then spoke with the caller Sirena Fields who stated she just got home from a party and George was upset she came home so late. Sirena stated that George stated he should "jump on her" for coming home so late. I asked Sirena if she felt afraid for her safety and she stated no and George often acts this way when he drinks. After confirming George's ID it was discovered he had a loud music from car warrant throughout the City of Maple Heights. George was arrested and taken back to the Maple Heights Jail. TV#566

On Sunday, September 17, 2023 at approximately 1721 hours, I, Ptl. Thomas #560 was walking westbound in the 7-Eleven parking lot, just south of the front doors, when I observed a male later identified as Charles Suggs Jr., have a large amount of marijuana on his lap in a large clear plastic bag while sitting in the driver's seat of a 2023 Mitsubishi SUV bearing OH registration JZQ9869. Charles was asking his cousin if he wants a blunt. The cousin was later identified as Michael Chavers, who was one parking spot to the north, with front seat passenger, Zyree Shipp. A probable cause search was conducted on Charles' vehicle and I located what was later discovered to be a total of 280g of marijuana inside the vehicle in multiple bags. Zyree asked if she could use the restroom, and when Cdt. LaVaglio #574, checked Zyree, she had 3g of marijuana on her person. Zyree was issued a misdemeanor citation for ORD 624.03 Possession of Marijuana with a Maple Heights Mayor's Court date of October 3, 2023 at 1530 hours.
