08-23-2023:
 I WAS CONTACTED BY THE RESIDENT AT 15220 SHIRLEY AVE. REGARDING A DOG TIED OUT AT 15301 TURNEY RD. THE DOG HAD BEEN TIED OUT ALL DAY IN THE RAIN. THE RESIDENT AT 15220 SHIRLEY AVE ADVISED AT 15:13 THAT THE DOG WAS STILL TIED OUT AND WE WERE UNDER A SEVERE THUNDERSTORM WARNING. I RESPONDED TO 15220 SHIRLEY TO CONFIRM THE DOG WAS TIED OUT. THE DOG (A BRINDLE CORSO MIX) WAS TIED OUT TO THE PORCH AND HAD NO SHELTER AVAILABLE. I WENT TO 15301 TURNEY AND MADE CONTACT WITH THE OWNER OF THE DOG AND INFORMED HIM OF THE VIOLATIONS REGARDING THE LENGTH OF THE TETHER, NO SHELTER, THE DOG BEING TIED OUT FOR MULTIPLE HOURS AT A TIME, AND THAT HE CANT REACH HIS FOOD OR WATER. THE OWNER APOLOGIZED AND STATED HE WORKS THIRD SHIFT AND DIDN'T REALIZE IT WAS STORMING AND THE DOG WAS OUTSIDE. I INFORMED HIM THAT THIS IS A WARNING AND IF HE CONTINUES TO LEAVE THE DOG TETHERED OUT FOR LONGER THAN ALLOWED THAN HE WOULD RECEIVE A CITATION.

CALLER WANTS TO SEE AN OFFICER AT HER HOME. SHE SAYS THAT A MALE NAMED BUDDAH, AND HIS WIFE LULLAH, STOLE HER PUPPIES AND ARE HOLDING THE DOG'S HOSTAGE. CALLER OWNS THE MOTHER DOG WHO HAD A LITTER AND THEN GOT VERY SICK. CALLER TURNED THE PUPPIES OVER TO THIS OTHER COUPLE TO CARE FOR THEM WHILE SHE DEALT WITH THE MOTHER. NOW, THE COUPLE IS REFUSING TO RETURN THE LITTER UNLESS THEY GET TO KEEP SOME OF THEM AS PAYMENT FOR CARING FOR THEM. CALLER SAYS SHE HAS ALL DOCUMENTS TO PROVE OWNERSHIP OF THE DOGS. THIS OTHER COUPLE LIVES IN CLEVELAND, WHO ADVISED THE CALLER TO CONTACT MAPLE HTS FOR A THEFT REPORT, AND THEN THEY COULD GO TO THE HOUSE AND COLLECT THE DOGS.

There was no video footage that captured anyone taking any keys from the store. Juan just wanted this incident documented. I provided Juan a copy of the CAD incident number. ML563

4553 IS NOT A REPORT NOW- REPORT NUMBER REMOVED.

On Wednesday, September 27, 2023, at 1105 hours, I, Ptl. H. Kaur #553, responded to the Maple Heights Police Department lobby and spoke with Natasha Wright. She stated she held a birthday party event for her nine year old daughter at her residence, located at 5321 E141st St. She stated her step-sons arrived at the residence. She asked their father, her soon to be husband to ask both juveniles to leave the home. Moments later, the juveniles texted thier father making several different threats to arrive at the residence and cause him harm. Natasha stated she did not receive threats directly but she is concerned for her husband. I advised Natasha to have her husband respond to the Maple Heights Police Department to file the report. Natasha then added that her soon to be husband does not wish to file charges against his sons, therefore she is making a report to document the threats. HK #553

REF CAD # 2310217175

Keisha Bush came into the MHPD to add an assault to the above CAD number. Keisha brought in her 15yo son, Jaylin Phillips, who she said was assaulted during the incident and his phone was picked off the ground and taken by someone named "Eli". This CAD number was forwarded over to Ptl. Lowe and Sgt. Faunce via email. Keisha provided me with a bill of sale for the Iphone XR serial #C8PSM2DMKXKW. This phone was entered as stolen NIC #A237496269 and the sheet was placed in Ptl. Lowe's box.

At approximately 2200 hours, another party came on station about the above CAD incident. Monet Ladson stated that Jaylin Phillips and two other unknown friends have been harassing her son, Elijah Hardrick, everyday after school. Monet stated Elijah had to run to his house after school, which is on the corner of Mapleboro/Clement, everyday this week to avoid being attacked by Jaylin on his friends. Today, Monet had enough of the harassment and allowed Elijah to fight one-on-one with another male juvenile. Monet provided a video of the incident, which showed Jaylin and two others waiting from Elijah after school. The three followed Elijah at which time, Elijah squard up in the middle of the street. Elijah got the unknown juvenile on the ground at which time Jaylin attempted to intervene, however, another unknown person pushed Jaylin away. This person, wearing a red hoodie and appears to be female, could not be identified by Monet. This person appears to be the one who took Jaylin's phone off the ground. Monet will contact school officials on Thursday about getting names of the students harassing Elijah.

Spoke with the complainant. She advised that on Monday (9/25/2023) at around 2000 hours, her 15 year old daughter, who was walking home, had a black Jeep SUV with all black tinted windows slow down and ask her for a ride. Her daughter stated to the male she was a child and the man stated he didn't care. Her daughter further stated she didn't even know him and the male stated he'd like to get to know her. The male left down the street. The complainant's daughter stated the male was light skinned with long dreads. He also had a black mask pulled up just under in lips. The daughter was not able to get a license plate and she stated there were no other distinguishing features about the vehicle. The daughter further stated on Wednesday (9/27/2023) at approximately 1830 hours believes she may have seen the same vehicle driving down the street. The complainant stated she wanted this documented in case there were further incidents or the vehicle returned. COB549

MALE INTHE LOBBY WANTS TO SPEAK WITH OFFICER REF A WORKER AT HIS HOUSE
HE WAS TOLD THE POLIE REPORT FOR THE WORK WOULD NOT BE TAKEN ITS A CIVIL MATTER HE THEN WANTS TO FILE ANOTHER REPORT
LANGUAGE BARRIER

On Thursday, September 28, 2023, at 1812 hours, I, Ptl. H. Kaur #553, responded to the Maple Heights Police Department lobby. for a civil matter. I met with with Prince. He stated he hired Construction Brokeage and Services through Matthew T. McGrath. He stated Matthew left a roofing job at his residence before it was completed. The job was already partially paid for. Matthew asked Prince and his wife to find someone in Africa to do voodoo on his ex wife and the Judge handling his divorce. Prince stated he advised Matthew his family does not do things like that. Matthew threatened to damage Prince's residence and caused damage on the inside of his residence at 19412 Gardenview Dr. He hired Matthew on August 2nd. He also filed a report with Ptl. Colangelo about similar incidents. Matthew sent several text messages asking Prince to send him Prince's uncles phone number. When Prince denied it. Matthew continued to make threats, and advised Prince he will take his home and that this country is not Africa. Prince stated he felt unsafe and did not want Matthew on his property. I advised him on how to file for a protection order. Ref: MA2310216216. HK #553

I spoke with Delvon Mcshan at the police station parking lot. Delvon stated that he started having problems with Terez Smith while at work today. Delvon stated that he went to the bathroom and prior to walking in he watched Terez swing his keys from his neck and scratch the side of his 2023 Hyundai Tuscon. Delvon stated that Terez did it intentionally. While looking at the side of the Hyundai I noticed a small scratch on the driver side door. However, the scratch was not large enough to get a good photo. I advised Delvon I would document the incident for him. BF572

I spoke with Antoniya Karban in front of 19719 Maple Heights Blvd. Antoniya stated that her boyfriend threw her and her children out of the residence and that she wanted a property escort. I advised Antoniya that we would not be conducting a property escort at 0200 hours and she could have one during normal daylight hours. Antoniya stated that she has a key to the residence and could just go in. I again advised Antoniya that we would not be entering the residence to potentially start an argument. I advised Antoniya I would knock on the door and ask for her cellphone. Upon receiving no answer at the door, I advised Antoniya that she would need to call us again in the morning if she wanted to retrieve her cellphone. Antoniya then stated that she was struck in the head by her boyfriend Kadeem Hawkins. I did not observe any marks, redness, bruising, or lumps where Antoniya stated that she was struck. Antoniya never mentioned anything physical happened until she was not able to get her phone from the house. Antoniya stated that she wanted to make a report at which time I advised her to come to the station to write a statement. Antoniya never came to the station to follow through. BF572

MALE IN THE PD LOBBY TO REPORT SOMEONE STEALING CHECKS OUT OF HIS MAILBOX AND THEN CASHING THEM

Lynn Williford wanted to report some unknown person stole a check out of a USPS drop box mailbox in the Turney Dunham Plaza. The original check was with Dollar Bank (check # 2526), for \$20.22 to credit one bank, and post dated on 07-01-2023. The check was then tampered with and was addressed to TSA Towing with a amount of \$4,260.22 and post dated on 07-22-2023. Lynn has already been reimbursed from his bank, and needed this documented for the banks investigative purposes. MWT#560

On 9/30/23 at 1111 hours, I was dispatched back to the above address a second time as the juvenile female, Mariel Odom was threatening to harm herself. She allegedly made statements to her father, Marvin Odom and grandmother, Ruby Roberts that she was going to overdose on medication. I arrived on scene at 1117 hours.					
Upon arrival, I spoke to Mariel. She was visibly upset and crying. She advised she was upset because her grandmother would not allow her to go to the bowling alley. While speaking with Mariel, she made statements to officers that she wanted to die and planned on taking pills to end her life. I then called for EMS for a psychiatric transport to the Hospital. Maple Heights EMS arrived on scene and completed a voluntary transport to Marymount Hospital. Grandmother, Ruby Roberts met the squad at the hospital. She was advised to call us back should any further problems arise. Officers cleared the scene at 1139 hours.

I spoke to Shelly Finklea. Shelly explained she was delivering an Uber Eats Grocery order to 15218 Maplepark Drive (apartment # and customer unknown). When Shelly drove on Maplepark a black Dodge (unknown plate) with a male driver (unknown name) was parked in the driveway to the complex of 15219 Maplepark, and began to follow Shelly. Shelly stated she did not stop, and continued to drive toward the end of the lot and realized there was not a second exit from the way she came in. Shelly drove into the grass and through the wooden posts in the ground which caused damage to her vehicle a black Honda Pilot OH RP (JAK5702). The vehicle sustained damage on the passenger side doors, and a small scratch on the front driver sideview mirror. Photographs of the damages were obtained and entered on the Maple Heights Computer System. Shelly stated she needed this information documented to provide to Uber and the insurance company. OSP JUST CALLED BACK THEY ARE GOING TO SEND AN ADMIN MESSAGE THEY WILL BE ADVISE AND RELEASE NOW DUE TO MANPOWER

SUB WAS TOT MARYMOUNT FOR PSYCH EVAL AFTER MAKING SUICIDAL THREATS AND HE WAS ADVISED ON HIS WARRANT WITH OSP. UNITS CLEAR.

Units spoke to Theodore Uber who stated his neighbor's landscaper's, Arthur King and Peaches Brown blew the leaves onto his property. Arthur and Peaches stated they normally clean up the leaves when they are done with the yard, but were interrupted by Theodore before they could complete the clean up. Theodore was advised that this was a civil complaint and to notify his City of Maple Heights Council Member to potentially mediate the issues in the future. Theodore appeared to be intoxicated and stated he had been drinking alcoholic beverages. Theodore had an active warrant with OSP and the warrant was confirmed for a pick up. While en-route to the Maple Heights Jail where Theodore would be held for OSP, Theodore made multiple comments of self harm. Theodore stated he wanted to die, and that he would overdose on his prescription medications. Sergeant Allen #519 directed me to transport Theodore to Marymount Hospital for an evaluation. While at Marymount Hospital, medical staff asked Theodore if he wanted to kill himself, and Theodore replied "Yes I do." Theodore was placed in E.D. room 10, and Chagrin Valley Dispatch notified OSP that Theodore was now at Marymount Hospital.

 MALE IS ENTERED INTO LEADS AS A MISSING JUVENILE

The complainant, Latania Whitman, advised early today her son, Lamar Brown (2-05-2006) (17y/o), was threatening to destroy her house and Lamar further advised to his mom that he "hope's you die slowly" and " Imma Fuck You up. Latania advised Lamar has used "mushrooms" in the past and believed he was having a metal episode. I spoke to Lamar's probation officer via phone and the probation officer said they recommend getting him psychiatric help.Latania initially advised she had Lamar leave the residence to cool down for a while and further advised she would contact police if he returns so she can get him to a psych ward.

At 2032 Latania called back and advised her son was back at the residence. Upon arrival Latania advised Lamar was initially at the neighbors residence and then left northbound on Dunham Rd. Latania advised Lamar made threats to kill himself and texted her "ion wanna be here no more I've lived a happy life" and texted another family member that he was going to " Rly finna say fuck it n down deez perc." It should be known that Lamar has a history of making threats to cause harm to himself. His mother said he will say things of this nature and at times be gone for multiple days. Lamar's mother said he was trying to get an Uber to go to his friend's hosue in Medina. I had Media PD check this residence and Lamar was not location.

Latania advised Lamar was recently transported to Marymount Hospital a few days ago for a mental health evaluation and was later released. Lamar is a black male approximately 5'09" tall, 150lbs, wearing a red/white Addidas jacket, red, black and white joggers, red and white Jordans size 11's and had a blue, red, and white Tommy Hillfiger Jacket. Lamar currently has a cellphone (216) 990-2240 which was pinged in the area of 15229 Maplepark Dr. Latania confired that Lamar has a friend that resides in this area, but she is unsure where he lives or his name. Officers responded to the area and were unable to locate Lamar. Lamar was entered into LEADS as missing NIC: M047561236. A photo of Lamar was entered into the City of Maple Heights Computer System as evidence. The Missing Person Worksheet was also updated.

Unit 1 was travelling westbound on Libby Road and approached near the intersection of Bellview Street. The unit 1 operator said a deer ran out in front of him which caused him to stop abruptly and made an evasive maneuver. Unit 1 operator lost control and fell on the left side. The bike and operator skidded on the roadway and came to a final rest in front of 18715 Libby Road. Unit 1 operator, identified as Kevin Jones sustained road rash injuries on his arm and was examined by Maple Heights Fire Squad 1. The operator stated he was travelling at approximately 35-40 mph when the deer jumped out in front of him. Kevin Jones declined transport to the hospital from squad 1 and his wife Anna Zil-Jones arrived on scene and stated she would transport Kevin to the hospital. Officers were able to help Anna and Kevin move the bike on to the trailer that Anna brought when she arrived on scene. The bike sustained surface damages on the left side.

On 10/01/2023, at approximately 1425 hours, Devereaux Palmer came to the Maple Heights Police Station to report his fiance. Mollie Boldoc missing. Devereaux stated Mollie was missing since Tuesday, September 26, 2023 at approximately 1727 hours. The last time Mollie was seen was on his home surveillance camera. At approximately 1727 hours, Mollie is seen wearing a black and white striped sun dress with green stripes at the bottom attempting to enter the rear entrance located on the deck of the residence. Mollie never enters inside and at approximately 1728 hours she walked down the stairs and out of the camera frame. Devereaux stated he last saw Mollie in person on 09/25/2023 at approximately 1200 hours before he left for work. Devereaux explained that Mollie does suffer from addiction and alcoholism and it was not uncommon for her to leave without notice; however, Mollie had never left out for more than a few days. Devereaux continued to inform me that he met Mollie in Downtown Cleveland in the beginning of July and they were soon engaged in August of 2023. Mollie previously lived in Georgia and Tennessee and stayed in New York (most recent) prior to moving to Cleveland. According to Devereaux, Mollie was diagnosed with PTSD, Depression (suicide attempts in the past report #2310192407), and HIV. The only medications Devereaux could recall Mollie took was Gabapenten, and Trazadone. Devereaux stated Mollie was not consistent with taking her medications. Mollie wears a nose ring and has tattoo's on her left forearm (owl and bird) and lower back (rose). Mollie was entered into LEADs as missing NIC/M587578229. FC567

ELDERLY FEMALE AT THE RES ADVISED SHE DOESN'T HAVE THE PHONE

Spoke with the complainant. She advised her son's Iphone 6s was taken off the bus after school at Milkovich Middle School on Thursday (9/28/23). The phone showed it was pinging at 5314 Kahout St. The complainant wanted an escort to the address to attempt to locate the phone. I spoke with an elderly female at the residence, she stated she lives there by herself and no juveniles are there. COB549
