FOR IMMEDIATE RELEASE:  
July 2, 2021

### City Starts Recognition Campaign for Beautiful Homes and Yards

**MAPLE HEIGHTS** – Beginning the weekend of July 4<sup>th</sup> and continuing throughout the summer, residents may see a sign pop up in their yard recognizing their dedication to maintaining their home, lawn, and flowerbeds.

The recognition campaign was developed after Mayor Annette Blackwell noticed residents hard at work in their yards and around their homes. **“There are stunning yards in the City and our residents have made significant investments of time and money in their homes and yards. We need to recognize that investment and how keeping homes and yards looking good improves the community,”** shared Mayor Blackwell. Homes are recognized for being well-maintained and having healthy lawns, attractive landscaping, beautiful, colorful bushes and flowers, or other outstanding features.

Residents whose homes are recognized will see a sign posted in their front yard and a letter in their mailbox thanking them for their hard work. The letter also offers residents 10% off their next purchase at Gale’s Garden Center (5211 Lee Road, Maple Heights). The City thanks Gale’s Garden Center Maple Heights for their continuous support of beautification efforts throughout the City.

Questions about the Project should be directed to the Office of the Mayor at (216) 587-9011.
