

LAWN MOWER EXCHANGE PROGRAM

The City of Maple Heights has designed the Lawn Mower Exchange Program to help remove pollution from the environment. The program requires the exchange of a working gas powered lawn mower for a new **20V MAX 21.5" Battery Powered Walk Behind Push Lawn Mower with (2) 10Ah Batteries & Charger**, which means there is no out of pocket cost for the resident. The working gas powered lawn mower must be surrendered at the time of the exchange. The City will scrap the gas powered mowers.

TO QUALIFY:

- ✓ Must be a Maple Heights resident. (owner occupied residents only)
- ✓ Taxes must be current.
- ✓ Must agree to surrender your working gas powered lawn mower on the date of the exchange.
- ✓ Must complete the [online application](#) available on the City of Maple Heights website.
- ✓ Only one application per household.

REGISTRATION PROCESS:

- Registration dates September 1 - 18, 2023.
- Drawing will be held on September 20th; **5 winners will be drawn.**
- September 22nd; lawn mower exchange at City Hall, 2PM.
- **Questions? Contact Pequita Hansberry at 216-587-9005 or phansberry@mapleheightsohio.com.**
