

# CONSTRUCTION NOTICE

## SOUTHWEST QUADRANT SEWER REHABILITATION – PHASE 1A WEEK OF DECEMBER 27 2023

United Survey Inc. will be working on trenchless rehab of the storm and sanitary sewers on the week of **12/27/2023 locating lateral cleanouts on Steinway Blvd. and Walvern Blvd.**

Lining crews will be working in the sewers televising, lining the mains and Laterals, and rehabbing the Manholes among other construction activities. As with any improvement project there are invariably certain inconveniences. We will make every effort to keep these inconveniences to a minimum.

The project is being administered jointly with the Cuyahoga County Department of Public Works and a County inspector will be on site. If any project specific issues arise that cannot be addressed by the on site inspector please contact Ramzi Halasah at 440-439-1999 or via email at [halasah@cvelimited.com](mailto:halasah@cvelimited.com).
